Superintendent News July 2022

Wow!!! June was one hot month. The two weeks, after the day we planted the greens, were brutal trying to get the grass to take root. You may have seen us planting more grass on Hole 10 and 13; when Pike Creek came to inspect how the greens looked, they felt like they needed to add more grass to those greens to catch them up with the others. Now, the greens are doing fine, and #10 and #13 are catching up. We have mowed all the greens 4 times, and we are beginning to lower the heights. Soon, we will begin to topdress the greens with sand quite frequently until the day comes that we open. When the greens get near playable, we will begin our foliar fertility program, fungicide program, and plant growth regulator program. I'm hoping, not guaranteeing, the sometime at the end of July or the beginning of August, that I will be notifying Shawn along with the Board to see if the greens meet the expectations of opening.

The golf course is doing fine. The hot, dry drought in June was very difficult to manage. We were using 90% of the water for the greens. Some of the irrigation lines that had almost grown in, began to burn back out from the lack of water. Hopefully July will be a better month for us for growing grass everywhere.

WGA NEWS

The BHCC WGA kicked off the 2022 season with a Tee Party on Saturday, March 19th. Special thanks go to member Karen Bricker who again used her talents to decorate our meeting and luncheon in a beautiful way! Our President, Beth Mozley, has deemed the theme for this year as "For the Love of Golf".

Mother Nature had been working overtime stirring up lots of rain for the Spring flowers, trees and grass so our opening Step Aside Scramble Tournament was reduced to a 9 hole event but that didn't dampen our fun. The winning foursome, in a scorecard playoff, was the team of Estella Ryan, Connie Kenney, Michelle McKinnon and Karen Bricker! Congratulations Ladies!

BERKELEY SENIOR CORNER

JULY, 2022

Berkeley Seniors remain active during the course renovation:

Most of our BSMGA members show up on a regular basis to play golf on the 15 holes open during the renovation at Berkeley. We manage to keep on competing, having fun and enjoying the company of our buddies. Not exactly USGA rules enforcement, but done fairly and equitably. During the trip around the course, it is quite interesting to see the evolution of our old course. We are all impressed with the conversion of our old greens to Ultra Dwarf Bermuda with larger layouts. If you have not been coming out during the conversion, you are really missing the beauty and efficiency of nature and science.

Opportunities to play other courses during the conversion:

The Berkeley Pro Shop has enlisted the help of other courses to provide reciprocal arrangements for golf. Other fine clubs including TPC Sugarloaf, St. Ives, Echelon and the Atlanta Country Club are accepting Berkeley members and making tee times available. All arrangements for these other clubs are made exclusively through our Pro Shop. Other opportunities include monthly NASMGA tournaments, Match Play events, Buddies Trips (like the one scheduled in July at the Robert Trent Jones Trail course in Prattville and the GSGA "Play Day" scheduled over the next few months.

Results of the NASMGA Match Play against Eagle Watch CC:

Our Berkeley Match Play Team playing its third straight away match scored 8 points to Eagle Watch 10 points. Two Berkeley pairings won their individual matches with two points. A unique highlight was Esther Park, Assistant Pro playing in the pro position along with Tom Harvey in the first pairing. They halved their match with 1.5 points each.
