### Men's Spring Member-Guest May 1 & 2

This is a new event on the tournament calendar this year and meant to be a different tournament than the Member-Guest tournament in the fall. The tournament will begin with a nine-hole Shamble format on Friday afternoon followed by dinner and team auction. The field will play 27 holes on Saturday with three different nine-hole formats including Modified Alternate Shot, Better Ball & Scramble. Teams will be flighted by handicap and the top team in each flight will participate in a Shootout immediately following the final round on the 18th hole. \$475 team entry fee includes Prime Rib dinner on Friday night, breakfast and lunch on Saturday, tournament prizes and tee gifts. Registration will open on Saturday, March 14. The tournament will be open to the first 48 teams that register. Get your partner and join in the fun!

### **Superintendent News March 2020**

Now that Spring is almost here, we will still monitor temperatures in case we need to cover greens. We are not out of the woods just yet. As the temperatures warm, we will begin to spray the greens with liquid fertilizers. Once the greens begin to sprout out from the winter, we will start to slowly lower the heights of the mower to get the greens where we want going into summer. You will notice during this process the greens may slow down considerably, and it's not because we did not cut them. After going through the winter and when the grass wakes up, it grows much faster than you would expect. You will see very nice days where the greens roll great in the morning and much slower in the afternoon. Fair warning!!

We are in the middle of mulching areas on the course and spraying winter weeds that the Round Up application did not get. Once we finish, we hope to rent a lift and chipper to begin cleaning up some low hanging limbs around the course. When the fairways and tees begin to green, you will see me on the little blue tractor slinging fertilizer to take advantage of the Spring rains.

Any questions, please stop and ask,

Chris Purvis
