## Superintendent News

I'm sure everyone has noticed that the leveling of tees and collars has not begun. Unfortunately with all the floods in Texas and Louisiana, the company could not get off the site in time to come here.

The new plans are for the company to come in this winter to work on the worse cart paths. Then come next Spring, the will begin to level the tees and collars.

During this month, you will see the staff and I begin to prep more areas for the tall fescue. These areas will be considered out of play areas, but I know from time to time that balls will end up in these areas. As we make more areas to help reduce maintenance and beautify, be aware of your course management during your round. You will know these areas are there, so play a little more smart to avoid them.

If you have any questions, please feel free to stop and ask.

### Club Championship

This year's club championship will be one to remember with the great course set up, great competition, and an even better finish. Bubba Gwyn stood victorious with a one shot win over Taylor Smith and Greg Hamilton in a wild and lightning filled ending. Bubba started the day with a one shot lead and played the final 4 holes 1 under par while the contenders failed to convert birdie tries to tie Bubba.

Big congratulations to Bubba Gwyn and the rest of the competitors! Congratulations to Matt Kubis for winning the Net Club Championship with a 1 shot victory as well. With his par on number 18, Matt secured his victory over John Williams by one stroke. The Junior Club Championship was won by rising junior Brock Healy. Brock played alongside Bubba in the final group and even had the overall lead on Sunday for a couple of holes. Congratulations Brock and we look forward to more championship success in the future.

Finally, big congratulations to our flight winners this year. We had a fantastic turnout with over 100 players competing in 9 different flights. Thank you for those who participated and those who came out to cheer on their friends
