

Bunker Hills Senior League

Match Play Brackets

See additional information on following page:

Following are the deadlines for each round:

- Round 1: May 28th
- Round 2: June 25th
- Round 3: July 30th
- Round 4: August 27th

In order to answer some questions and issues raised at the informational meeting at the YMCA, I have included the following information:

- Range finders and GPS units will be allowed in Match Play, just like in all of our other events.
- The rules of golf, like our league rules, encourage ready golf. In match play, there is no penalty for hitting out of order; however, your opponent has the option to make you replay the shot. I highly recommend that you and your opponent reach an agreement prior to teeing off on how you will handle order of play.
- The penalties as printed and handed out at the informational meeting are the same for match play with the following exception: a “general penalty” is loss of hole.
- Per the rules of golf, concessions for putts, holes, and matches can be given. Once given concessions can not be taken back nor can they be refused by the opponent.

Handicaps: (**This is a change from the original rules**) For your match, players shall use the handicaps from the most recent “Handicap Report” as posted on the Bunker Hills web site. Or, if both players agree you may use your current handicaps that can be verified through electronic media such as the MGA website or phone app.

Remember as a player in this event, it is your responsibility to contact your opponent and schedule your matches. (**See players and contact information on the following page.**)

When completed with your match, turn your score card into the pro shop (**clearly marked Senior League Match Play**)
