It's the Next and Beautiful Season at Broadmoor

As the seasonal hues of autumn begin to change our landscape and the crisp air nears, I look forward to the charm and beauty of the fall season here at Broadmoor. There is something undeniably special about our Donald Ross-designed course as it transforms in the fall.

As Labor Day comes and goes on the calendar we hear, "gotta get in these last few rounds" or "it won't be long before there is snow on the ground." **NOW STOP THAT!**

We do not consider it the End Of Season, we see it as the Next Season. Beginning with the high energy Doggie Day on Saturday, September 7th, we roll into many more events. You will see on the calendar our Couples For A Cause 9 & Dine, the Ladies June Herman Invitational Member Guest and as a great idea from PJ Stockert, the tournament on Sept. 28th is now called The Fall Starter.

Sadly, the pool will be closed after the Doggie Day Party but the courts for tennis and pickleball are set to be active for a good long while. We encourage you to take part in as much autumn activity as possible. Broadmoor is beautiful place to enjoy the above mentioned or simply enjoy food and drinks on the back patio with one of the best views in the city.

I hope you agree with us that it is not the end of the season – we are kicking off the Next Season of 2024 and look forward to sharing it with you, your family and guests.

Kind Regards,

Keith Clark, PGA; 317-408-3170; kclark@broadmoorcc.com

WHO WOULD YOU LIKE TO KNOW BETTER? We have October and November set but in making our 2025 schedule we are looking to our members to nominate our Member Spotlight candidates. Please send your suggestions to Jan Frazier (jfrazier@planningplusllc.com).

Employee Spotlight: Megan Nichols

It's another new face in our restaurant but one that is always smiling! Megan Nichols is our Front of House Night Manager (Katherine Tate is the Day Manager). Megan began in mid-July but was already front and center at the bar down at our Luau in early August!

Prior to coming to Broadmoor, Megan first worked at 3 Wise Men Brewery in Broad Ripple then followed a manager to HopCat Brewery, where she worked 10 years. Beginning as a server, she moved to trainer, bartender and finally manager. Looking for

a new opportunity, she contacted a former colleague – Katherine– and found there was an opening at Broadmoor.

Megan is originally from Crown Point, Indiana. She attended IU Northwest and IUPUI for 3 years, majoring in Interior Design, but as a young mother – daughter Penelope is now 7 – she had to make other arrangements. Lucky for us!

She and her husband have what she calls an “urban farm,” although it's located in the heart of Broad Ripple. They raise chickens, have dogs and cats, and her husband has reptiles. In some ways, she says they have their own petting zoo. No goats (yet).

In her short tenure at Broadmoor she has already found our members to be very inviting. Going into a new job, particularly one with *members* rather than customers, was intimidating, but she found Broadmoor to be a refreshing change. Welcome to Broadmoor, Megan.

The BCC Foundation: A New Opportunity

Last month we introduced our membership to the recently created BCC Foundation. As you were recently notified, the Broadmoor Board of Directors (thanks to members **Phil Genetos** and **Gina Giacone**) applied for and received approval to establish the **BCC Foundation**. Broadmoor Country Club is already designated as a 501(c)(7) – this IRS designation applies to a social or recreational club that is exempt from federal income tax by the IRS if they are “for pleasure, recreation, and other

nonprofit purposes.” That's Broadmoor Country Club.

The **BCC Foundation**, however, a 501(c)(3) entity, allows our members to make tax-deductible contributions to Broadmoor. The Patio Project is a perfect example of this tax-deductible opportunity for members while adding a wonderful amenity to our club. Many of our members contributed to this endeavor and we will be able to start work on this project in early fall.

The BCC Foundation has established a board: **Dave Jongleux, Phil Genetos, Mann Harris, Jan Frazier, Katy Cantor, and Ned Torson.** We also have several members with experience in this field who will serve as advisors from time to time.

Many of our members have been very generous in ensuring our Club continues to survive. With this new fundraising opportunity, we can now thrive. More information will be coming about other potential projects to be funded and how members can support these ideas.

Ladies' Interclub by Abi Dickerson

Broadmoor brought eight women to compete in the second and final round of the 2024 Interclub competition. **Hannah Buck** and **Jenna Rutherford** shot an impressive net 63, with **Abi Dickerson** and **Martha Baker** shooting a combined net of 66. Broadmoor finished in 6th place overall, while Highland was able to claim the Interclub trophy. *There's always next year!*

Thank you to all the women who competed in the Interclub this year.

Grounds Report by Chris Groene

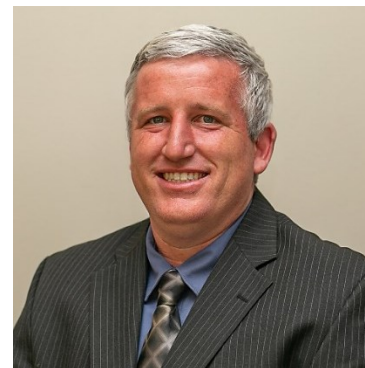

We experienced a nice break in the weather for the first part of August with cooler than average temperatures and minimal rainfall. Compared to a wet, storm filled July, August only had one significant rain event on the 15th and 16th producing over 2" of rain. We continued to pursue fast and firm conditions throughout the month and have seen some increased localized dry spots, primarily in fairways, as a result.

"Dollar spot" appears this time of year – on golf courses and maybe your lawn?

To provide those conditions we pushed and stressed the turf with additional maintenance practices and minimal irrigation through the Club Championship held August 23rd through the 25th. Now that

the championship is complete and hot weather has returned for the end of August we will begin recovery mode with additional irrigation cycles, supplemental nutrition, and wetting agent applications.

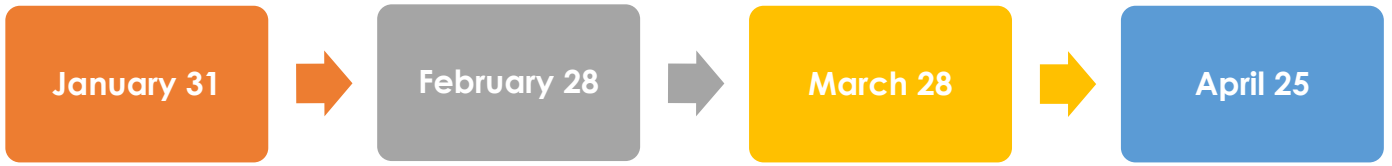

As we look ahead into September, we will continue to prioritize maintenance tasks with our smaller maintenance team to provide you with the best golf experience possible. Leaf cleanup will become a top priority, and a good amount of labor hours will need to be shifted to that task. We will also begin to selectively spot aerify our weakest fairway areas with a solid tine which will have little to no impact or disruption to daily play.

We are all looking forward to another great month of golf and hope you can come out to enjoy the course this September! Look for the next Divot Party announcement.

Luau Success!!!!

The weather gods finally cooperated for our **August 9th Luau!** Around 80 members – adults and kids – came out to swim, eat good food, and hear a fabulous band, the Tommy Whiskers Band.

The ladies are ready to go to the Luau and make it a great experience!

The Tommy Whiskers band played a wonderful selection of songs (ending the night with Uptown Funk)!

Alex Durham and Ben Tipton of the Member Engagement Committee during setup.

Kabobs ruled the roost along with other specialties of our Chef.

Party-goers were all around the pools!

Alex Durham set up a limbo game . . . they're just not too sure about it . . .

Do I jump or not?

Then they all lined up . . .

Thanks to all our members who came out for this fun night!

**DON'T FORGET DOGGY DAY AT THE POOL:
September 7th**

Broadmoor Steps up to Help the Kids

Our monthly **9 & Dine** golf event on August 16th was, once again, affected by heavy rains in the morning that negated carts on the course. But our members still love golf and came out anyway to walk 6 holes on a Par 3 course. It was a close contest but the winners were **Ethan and Christie Roberts, Steve and Allison Hanscom, and Andrew and Jenna Rutherford.**

Pre-game cocktails are always a must!

The best part of the evening, however, was the generous spirit our members showed by their contributions to Brightlane Learning (formerly School on Wheels) whose mission is to tutor and assist our homeless children's population.

At Broadmoor, we have included a philanthropic approach to several of our events. Suggestions are welcome!

Unlike our golf leagues, 9 & Dine events are also open to our social members!

Mark your calendars for our next **9 & Dine** event **September 14th, Couples for a Cause**, supporting the Folds of Honor.

Breakfast at the US Open Tennis Tournament

Thanks to Ambassadors **Amy Sermersheim** and **Danielle Mancewicz**, Friday night open tennis has been well attended.

This Tennis Event is a fun way to play, meet other players, and spend a beautiful September morning.

We encourage all our Broadmoor tennis players to sign up for this event!

Book Club

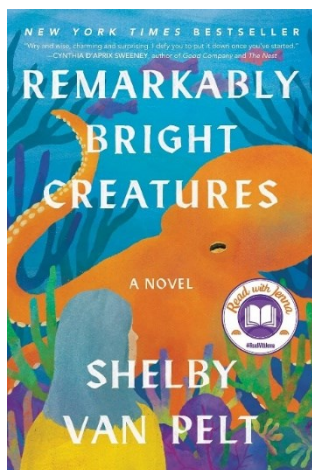

The Book Club had its own adventure on August 14th. We collected books from our homes to donate to Indy Reads. After travelling to Fountain Square and depositing our donations, we walked down to LaMargarita for dinner, followed by pecan balls back at Broadmoor. So much fun next year will be a repeat!.

Book Club regulars Larry Dorfman, Vera McAdoo, Jenna Rutherford, Terry Green, and Jan Frazier had a great book club evening!

September 18th, 6:30: Remarkably Bright Creatures by Shelby Van Pelt

"After Tova Sullivan's husband died, she began working the night shift at the Sowell Bay Aquarium, mopping floors and tidying up. Keeping busy has always helped her cope, which she's been doing since her eighteen-year-son, Erik, mysteriously vanished on a boat in Puget Sound over thirty years ago.

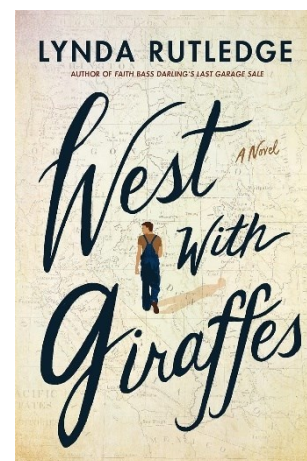

Tova becomes acquainted with curmudgeonly Marcellus, a giant Pacific octopus living at the aquarium. Marcellus knows more than anyone can imagine but wouldn't dream of lifting one of his eight arms for his captors – until he forms a remarkable friendship with Tova."

This is a wonderful book recommended by several folks. Hope you all enjoy it!

October 16th, 6:00 (new time): West With Giraffes by Lynda Rutledge.

"It's 1938. The Great Depression lingers. Hitler is threatening Europe and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. What follows is a twelve-day road trip in a custom truck to deliver Southern California's first giraffes to the San Diego Zoo.

Behind the wheel is the young Dust Bowl rowdy Woodrow Wilson Nickel. Inspired by true events, the tale weaves real-life figures with fictional ones . . . part adventure, part historical saga and part coming-of-age love story, *West With Giraffes* explores what it means to be changed by the grace of animals, the kindness of strangers, the passing of time, and a story told before it's too late."

DON'T FORGET THAT COPIES OF ALL THE BOOKS WE READ ARE KEPT IN OUR LIBRARY AND YOU ARE FREE TO BORROW THEM!

Reminder about RSVP's and our Cancellation Policy

Over the last two years we have attached RSVP links to our advertised events. As we continue to keep an eye on operational expenses, including F&B staff and food costs, the RSVP numbers are critical for anticipating both staff schedules and food costs. We appreciate those members who RSVP to our events.

Unfortunately, there are times when members have simply not shown up when plans changed – either theirs or ours.

We know that things happen to get in the way of your plans but **we do ask for a courtesy call or email if you will not attend an event to which you have responded.** In the event of a no show without cancelling, the member will be charged 50% of the advertised cost
