Golf Simulator

You wanted it – you got it! Hopefully you saw the latest announcement from Keith Clark about our Indoor Golf Leagues forming. We have already had back-to-back appointments for this new addition. And don't forget our new collaboration with Correct2Compete.

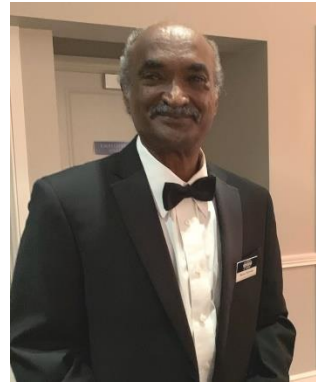

Rusty Scott working on his swing!

Food and Beverage Department

We knew it would be hard to replace Rachael Harcourt after she left to return to school, but we found the perfect solution. Our own **Jasem Alhaidah** was promoted and has already proven to fit the bill. Jasem (who is also the best bartender around) is assisted by our own **Bernie Amensia**, who is now managing more of the event side of the business.

Food & Beverage Director

Bernie Amensia
Events Manager

Back in the kitchen, Executive Chef Toribio Duenas Calel and Sous Chef Yovany Ochoa Lopez continue to serve up great food, along with our pastry chef Marla Schroeder. Let us know your suggestions about menu options!

Social Events

Valentine's Day is almost here and we can help you celebrate! Plan on attending our Valentine's Brunch on **Sunday, February 12th**. More information coming!

The **Broadmoor Book Club** got off to a great start with Rose Napier's suggestion of *The Midnight Library*, which we read in December, followed by *The Last Book Shop in London*, recommended by Larry Dorfman. We are now reading **Mexican Gothic by Silvia Moreno-Garcia**, a suggestion from Jenna Rutherford. Our next meeting is **Wednesday, February 15th, at 6:30**. No charge, casual evening. Please join us!

Euchre Party
February 17th
7:00pm

Be sure to plan on coming to our February **Euchre party**, set for **Friday, February 17th, 7:00pm**. Members and their guests who have come to previous parties enjoyed cocktails, appetizers, and great fellowship. Andrew and Jenna Rutherford are our Euchre hosts and they hold a little practice workshop at 6:30 for those who may be rusty or who are new to the game. Beginning in March, we will create a Euchre Ladder (a little competition is good!).

2023 Planning

We held our Member Feedback Open House on Saturday, January 14th. Using a new format (pictures show the set up), those who came had positive remarks. We will be doing this again in the fall so that more members will have the opportunity to come.

Member input will be used in the board's annual planning session scheduled for February 4th. Results will be shared at our first **2023 All Member Meeting on March 1st**.

Jim and Karen Railing chat with Brad Bell during the Open House.

Adult Pickleball League

Another request! We are starting a members' Adult Pickleball League this summer:

- Thursday, 6-8
- Session I: 5/8-7/13 (no play 7/6)
- Session II: 7/20-9/7
- Rain dates will be called by 5 the day of play.

BCC will provide balls but not paddles. Fees will be determined but wanted to give all Pickleball and wanna'-be Picklers a heads up.

Adult Tennis

We will again hold our Ladies' tennis clinic on Thursday mornings, 10:00a-11:30a on a pay-as-you-play basis. Another goal is to create a Men's Singles Ladder. Rob Greathouse, Director of Recreation, will be leading the charge on these programs.

Junior Programs

Our **junior golf** program is enhanced with one longer session rather than two sessions. All players will be a member of the BCC Summer Team.

Clinics begin June 13 and are every Tuesday and Thursday mornings, 9:00-10:30, through July 27th.

Junior tennis will be available for all levels on Tuesday, Wednesday and Thursday, 9:00a-12:00p on a pay as you play basis. As the weather gets warmer, we will send more information.

More information about both these programs will soon be available.

Broadmoor Business Directory

Some of the best business connections are developed through golf clubs, and we want to give our members an opportunity to advertise their businesses.

If you want to share information about your business, send your word file or pdf to ifrazier@planninglusllc.com and we will publish.

Clubhouse Availability

When you are planning your next event, larger or small, let us be your choice! In addition to Member Events, we can host a variety of weddings, receptions, birthday parties, bar/bat mitzvahs, family get togethers, class reunions – we can do it all!

The Chinese New Year was celebrated on Saturday, January 21st, and we wanted to show pictures of the set up for this wonderful event held in the Broadmoor Banquet Room.

Dues and Assessments

As we have shared before, the board adopted a policy of a year-end balanced budget and, once we have final numbers, we can better determine next steps. The staff and Finance Committee of the Board have been reviewing 2022 operations and finalizing our 2023 plans and forecasts. Like all businesses, Broadmoor has and will continue to see increases in supply costs, utility costs and the increased costs associated to fairly pay and retain staff. The cost of doing business will warrant an increase in our fee structure so that we can properly maintain the property and continue to enhance the experience for Broadmoor members.

RSVP

As you may have noticed over the past year, we now attach an RSVP link to most of our events. We have found this is helpful when we plan for space and food. Thanks for using these important links!

Contact Information

We often hear that “I didn’t know – my spouse gets the emails and didn’t tell me.” All you need to do is contact Alana Voegel in our office (avoegel@broadmoorcc.com) to make sure we also have your contact information on file. You don’t want to miss all the news!

Your Contribution Welcome!

Send information you think would be of interest to include in BMOOR in the KNOW to Jan Frazier, jfrazier@planningplusllc.com. This is a newsletter for and about our Members!
