Membership: A Better You and a Greater Golf Course

Superintendents reap big benefits with Utah GCSA Membership:

1. **Membership** in a statewide association that links golf course and turf management professionals, manufacturers and educators—all with your best interest in mind.
2. **Education** through an array of seminars, conferences and continuing education courses. UGCSA meetings can earn education and service points for application towards certification and retaining Class A status.
3. **Fellowship** and **Networking** with golf and turf professionals like yourself, regionally, through social events and golf outings with the chance to play golf courses throughout Utah.
4. **Publications**—The Greens Examiner is filled with tips, information and features including an annual membership directory.
5. **Stewardship** of our environment and support of programs of turf research through the Environmental Institute For Golf (EIFG) and the Utah Golf Alliance (GAU).
6. **Website**—As a member you have access to utilize the igcsa.org website for employment opportunities, items for sale, and a member forum.
7. **Alliances** with local businesses selling related products and/or services in the turfgrass industry.
8. **Government** relations through our local activity in the Utah Golf Alliance (GAU).
9. **National Support**—The UGCSA is an affiliated chapter of the Golf Course Superintendents Association of America (GCSAA).
10. **UGA Membership**—Complimentary membership to the Utah Golf Association which includes an official handicap index and many more benefits.
