Royal Hospitality Group

WWW.ROYALHGTICKETS.COM

The Royal Hospitality Group has launched a new event ticket website to make buying sports, concert or theater tickets even easier and less expensive. And access to the website is an added benefit of your Royal Country Clubs Membership! Search, Shop and Compare ticket prices for any entertainment event you are considering, but please check out our own event ticketing website before you buy. If you do, you will often find the exact same tickets you are looking at on StubHub or other ticketing sites for a lower price. And, there is never a convenience charge surprise when you get ready to check out! Take a look next time you are thinking of buying tickets and feel free to share the site with your friends and family!

ClubHub is a service provided by the Royal Hospitality Group to allow our members with extra event tickets to offer them to the other members of the clubs. The sellers set the prices, RHG facilitates the sale, and the transaction is handled through your monthly club bill. This is a service that we provide at no charge for our members. To sell tickets, just e-mail or call Chuck Mycoff and I will have your tickets included in the next ClubHub e-mail. I can be reached at cmloff@royalhgtickets.com or 312-961-8529.

Ric and Patty Shillingburg

Mike and Mary McNamara

2nd Place

The Striking Pinheads

The Royal Fox Junior Golf Program is quickly approaching. We have restructured the program and incorporated a PGA family course which the kids will play every other week throughout the season. This gives the kids an opportunity to practice what they have learned in real life situations. Junior Golf sign up was on Wednesday, May 2nd. If you couldn't attend but would like to sign up your children please contact the golf shop.

We look forward to providing a great program this year!

Royal Hawk Golf Shop News

Well it was quite a change from March to April. It was the first time in 100 years that March average temps were higher than April's. Let's hope May starts to bring us some warm weather and many many golf rounds.

It is GREAT to see all of the new members we have at The Hawk, let's show them just how fun The Hawk is and continue to grow as a club. The best way to continue to grow is by letting all of your friends outside of the club know just what they are missing out on.

We tried to kick off the season with our **Spring Scramble**, but due to the weather we were unable to host it on Saturday, April 28. **It has been re-scheduled for Saturday, May 5.** Please call the Pro Shop and join in the fun! Once again we will be allowing you to bring a prospective member at no charge other than the cart. This is a great way to meet fellow members and future playing partners, so don't miss out.

The sign up is on the board for our **"new" member event**. There has been some confusion over the event, it is not just for "new" members, it is open to all members, it is just a new event in general. With this particular event, we need at least 40 players. Let's get on the horn and find your partner.

It is a two-man scramble format that will be handicapped. With your entry fee, you will receive a wedge and a glove. Everyone wins before they even tee it up! First place prize is a new set of irons for each player, followed by drivers for second and hybrids for third. Don't miss out on this brand new event! Guests are welcome for partners!

Match Play pairings are on the board and ready to be played. All of the phone numbers are listed on there as well, so call your opponent and set up our matches.

Jr Golf sign up is on Tuesday, May 8 from 5pm-7pm at the Hawk. You will want to come by to sign your children up and stay for a family dinner. There will be clothes, shoes and clubs for the juniors available for purchase and ordering. If your schedule does not allow you to join us that night, just call us in the shop to get your kids signed up. This year the program is in for a major overhaul as it will be based on a lot more fun along with instruction. The program will need parental assistance to help get the kids to play more after their sessions. We NEED your help to make it more successful for the kids. Games and teams will be a major focus this year to help make golf more fun and encourage the kids to really want to play more golf. There will be

putting games, chipping games, driving range games, physical fitness and of course golf instruction. Your child is welcome to bring a non member friend along with them to the program. There will be 4 sessions offered starting at 2:15 and each will be an hour long.

I am looking for couples to take charge of the Friday Night Couples Events. I have The Derrico's in charge of it all and we need 4 more couples to help out. You will each pick one Friday Night Couples Event to be in charge of and make *your event*. You will pick the format and see how big of a turnout you can get for "Your" event. Call or email if you are interested. Once we have five couples, we will all sit down and discuss the events.

Royal Fox Ladies League

As you read this many of you will have already joined us for Evening Opening Event "It's A Game". If you were able to attend I hope you enjoyed yourself and came away with good feelings about the coming season.

Plans are already set for Ladies Guest Day, RALLY FOR A CURE, and Vixen Chase. Sign up sheets for Guest Day and Vixen Chase will be posted in the locker room. Feel free to sign up at your convenience. My thanks to the chairwomen of these events. A lot of time and energy goes into the success of these events.

Southwest team play will kickoff with Royal Fox hosting the ladies of the Southwest league on May 17. We are in need of volunteers to work that day for

sign up and to ranger the course. If you are available for even a part of the day it would be helpful. Please feel free to call or email me for more information. Our Chicago District team also begins their team play on May 17. Good luck to both teams.

Stacy Bell will be chairing Ladies Guest Day this year, and knowing Stacy it will be a great event. If you would like more information or would like to help please contact Stacy.

We will once again be using tee times this year. Sign up sheets for Tuesday times are posted on Sunday afternoon. If you have a tee time that you really want, sign up early. Please remember to post every round of golf. If you haven't used the com-

puter or are having trouble the pro shop will be glad to help you.

In looking forward to a successful season I want to personally thank everyone who has stepped up to help us. There is an incredible amount of work that goes on behind the scenes. We couldn't do it without you.

In the mean time hit 'em straight and we'll see you on the course.

Tee To The Green

April was not quite like March but it was still fairly pleasant.

We have had our share of cold frosty mornings, probably more than the last couple of years combined.

The cooler weather slowed the growth of the bent grass turf and the lack of precipitation has dried the courses out to extremes. Soon warmer weather will set in and then we can expect more suitable growing conditions.

We will be aerifying the golf courses the next few weeks. We will do our best to have your golf experience as painless as possible.

At The Grove we have aerified the greens a couple of times already with a twelve inch deep tine machine to break the heavily compacted soils below. The greens hold way to much surface water, lack oxygen below and fail during weather stress periods.

We have also implemented a monthly overseeding program, to improve the turf cover and encourage better playing surfaces. This is a "long term" process so do not expect immediate results. We want better greens as well as you...

Once again PLEASE !!!! repair your ball marks and keep the golf cars away from the green surrounds (Grove). Thank You !!

Golf Course Superintendent

Congratulations to our many graduates this year. We wish you all the best and would be glad to help you coordinate that special graduation party. We are hosting parties at the Royal Fox or Grove. The most popular parties are outdoor parties held by the pool! We offer a variety of menus. Dates are booking fast so please give us a call to reserve your date.

Are you looking for a meeting room that will get your work associates out of the office

and also will provide breakfast, lunch and or dinner? You have found the perfect place. We have private rooms at the Royal Fox, Royal Hawk or The Grove. Please give us a call so we may assist you with the arrangements.
