## Play Starts For New Bellevue Women's Golf Club

Forming an attractive foursome on the first tee of the Bellevue Municipal Golf Course are the recently-installed officers of the Bellevue Women's Golf Club. The club is less than two months old and has already reached the final round of their first tournament. Teeing-off is the organization's president, Mrs. Gordon Daly. At the back, busy with the score card, are, left to right, Mrs. William L. Peck, tournament chairman, Mrs. Donald G. Russell, acting vice president, and Mrs. Keith Gardner, secretary.
