

Welcome to the Bellevue Women's 9 Hole Golf Club.

We are a fun group that enjoys competition in an atmosphere of encouragement and comradery. BW9HGC is Celebrating our 50th Year as a group. This year we are truly the "Golden Girls".

We are excited to offer weekly competition as well as Special Events. The Club Championship is this year the last week in July through August.

Our members have made playing golf, friendly, enjoyable, fun and competitive. You have each week, the opportunity to play 18 holes, if desired, however our competition is on the front 9 holes of the course.

Our Mandatory General Meeting is **March 26th** and will begin at **10AM**. **New members** have a mandatory meeting at **9AM** in the dining area before the General meeting. This meeting allows new members to become familiar with the Scoring, Calendar of Events, Weekly Competition, GHIN posting, meeting board members, and their Big Sister.

Big Sister program encourages new members to sign up with an assigned Big Sister during April and May. We start our 2020 weekly competitive play April 2 the first Thursday in April. Our tee times range usually from 7:30-10:30. We continue weekly until the last Thursday in October.

Our BW9HGC communication is done by email, postings on our bulletin board at the Bellevue Municipal Golf Course and the Bellevue Golf Course website www.bellevuepgc.com. Be sure to check them all out.

I am looking forward to meeting you at the General Meeting and on the course. If you have any questions please don't hesitate to contact me or Jane.

Fore the love of the Game,

Kay Whims
