Description of Player Club Program & 9 hole PC

--Must email no later than Monday 3pm the week of the event at the host course to sign up. **NO LATE SIGNUPS WILL BE ACCEPTED.**--Juniors will play 18 hole competitions throughout the season.--All **Players Club members** have the option of purchasing a 90 day pass for \$125. This pass is good any day of the week with the exception of playing after 12pm on weekends and holidays.--Juniors will pay \$10 per event (non pass holders). If the Juniors have a 90 day pass they don't have to pay a fee to play in the events. 9 hole PC juniors will pay \$8 per event for 9 holes.--All Major events (notated by a * on the schedule) are events that **must be paid in advance.** These events will cost \$15 with a 90 day pass and \$35 without the 90 day pass. Juniors can get a sign up form at either golf course for these events.--All Juniors in this club need to post scores on the posting computers in clubhouses or on GHIN.com (Golf Handicap and Information Network). If the Junior is not aware of this process, please have them check with one of the pro staff and they will be able to assist.--All Juniors who place in an event will receive prizes from the golf shop and or medals.—We will send out the pairing on Monday afternoons by email. All Juniors & parents are responsible to look for that email or to call the pro shop Monday after 5:00 for the tee times of the player. We cannot guarantee a junior will play with one of their friends. We will try, but no guarantees.--All Juniors must arrive on site at the host course at least 20 minutes prior to their tee time.--Juniors will be moved from a forward tee flight, to a further back tee flight, depending on their competitive skill level. This will be decided by the Pro staff.--We often will award prizes for places in each flight. This will depend on the number of kids playing in each flight. As a general rule of thumb, we “pay out” the top 25% of the flight.--All PC Juniors should attend the clinic which starts 1 hour prior (11am) to the first tee time of most events. --When we feel a Junior from the 9 hole division has a good understanding of the rules, golf etiquette, can keep up with pace, is strong enough to play 18 holes and hits the ball well enough to compete, we will move them to the 18 hole Players Club.

Description of Players in Training Program

--Must email by Monday the week of the event at the host course to sign up. **NO LATE SIGNUPS WILL BE ACCEPTED.**--Bring own clubs if you have them -Show up at least 5-10 minutes early.--Most events will play on practice holes @ Legion and instruction at Walter Hall.--Juniors will sign up by time slot according to age (for the most part this is on a first come, first serve basis). We will do the best we can to get back to you by email on Tuesday afternoon exactly what time the Junior will be doing his/her clinic. All juniors and parents are responsible to look for that email or call the pro shop on Tuesday evening to verify the clinic they are in. If a junior wants to do a clinic with another junior that is not in the same age bracket/time slot we will do our best to accommodate. Please note this information on the email when you send it.--9am ages 8-14--10:30am ages 12-18. Our goal is to get these juniors into the Players Club/9 hole PC as fast as possible. We move them up when we feel they are ready to get onto the golf course.--**FAMILY GOLF NIGHT for the PIT students and family members is a lot of fun.** We would like to see each junior come out for a night on the course with an adult (parent or friend) and play 4 holes on our normal 18 hole golf course. Cost for the four holes will be \$5 per person. Please see schedules for dates and times.

How to sign up for a PIT Clinic or Players Club event and why
