Testimonials

My husband and I had our wedding at the Royal Fox County Club in May 2015. Everything was absolutely spectacular! Jane was very helpful and was always there to answer any questions we had. We had our ceremony outside by the pool; if you are looking for an outside ceremony, I highly recommend it! It was perfect, exactly what my husband and I were looking for. If weather does not allow an outside ceremony, there is space available in the ballroom (you never know in Illinois!) The ballroom looked amazing, the food was delicious and the service staff was great! Big thank you to Jane and the staff at Royal Fox Country Club for helping make our big day special! The only thing I would take back is time, so we could relive our dream wedding!

-Dyna G

This is a beautiful venue for a wedding! We could not have been happier with Jane and the crew at Royal Fox! They pay close attention to detail and are extremely professional. As others have said.....Jane goes above and beyond to make you feel that your day and wedding is the most important thing!

-Kim via Wedding Wire

“Our guests could not get over how good the food was, as well as how elegant the room was. The reception alone, truly made my wife feel like a princess, and in my eyes, that’s all that matters. “

- James via Wedding Wire

“Oh, and to top it off, we had about 175 people and it was affordable. Amazing staff, food AND affordable? It’s true. If you are looking for a venue, you honestly owe it to yourself to check out the Royal Fox. I will forever recommend this venue and remember our beautiful October wedding.”

- Sarah via The Knot

Everything was absolutely perfect at my reception! Jane, the wedding planner, was awesome and she knew exactly what I wanted! Very glamorous!! I would definitely recommend it!

Testimonials

"For it's price range, this venue is an absolute gem! We were given so much space to work with compared to other venues, the food was great, and the staff was unbelievably easy to work with."

- Marie via The Knot

"We had our daughter's wedding at The Grove Country Club two weeks ago and people are still talking about the venue, food and overall success of the event. We could not have been more pleased working with the staff at The Grove."

- Morgan via Wedding Wire

"Everyone said how beautiful of a space the tented pavilion was for a wedding. It was a very romantic and intimate venue. And the food was amazing!!"

- Stacey via The Knot

"I could not have dreamed up a better venue! We held our ceremony outside on the lawn on a beautiful fall day. After this the guests went inside the lounge for cocktail hour and we moved into the window filled ball-room for the reception. We had use of the entire venue for the day and it was an amazing stress off your back to be able to get ready and have the party all in one space."

- Samantha via The Knot

We had our daughter's wedding at The Grove Country Club two weeks ago and people are still talking about the venue, food and overall success of the event. We could not have been more pleased working with the staff at The Grove. Alayna was available, flexible and worked hard to meet every request we had for our event. Most people just tolerate wedding dinner food - people loved ours! We also had a widespread appetizer layout that worked just as we had hoped. Being a winter wedding the snow reflecting a glow back into the room was just a lucky touch. If this review sounds "over the top" it's just because that is how pleased we were with this venue. On top of that, the value for the dollar could not be touched at any other venue we investigated.

Testimonials

"We first chose this venue because it met our budget and because their venue was an air conditioned tent and we were looking for something other than a normal Clubhouse or Banquet Hall. Also, the ability to extend our reception to 1 am was awesome for us party goers. And the Wedding Director was so easy to work with and she was there from start to end - couldn't ask for more!!"

- Nicole via The Knot

"Klein Creek Golf Club is a top notch place to hold a wedding. The location is beautiful for an outdoor OR indoor ceremony, and the tent is gorgeous as well."

- Natalie via Wedding Wire

The staff was wonderful during the reception and the place was all lit up and looking fabulous! I received many compliments about the food."

- Tracy via Wedding Wire

We recently had our August wedding at Klein Creek. The reception was everything that we asked for and exceeded my expectations. We received rave reviews about all of the food, the service, and the general atmosphere. We couldn't have been happier with the outcome, but the experience leading up to the day left a little to be desired. Our original wedding coordinator was practically impossible to get a hold of once we had signed the contract, unresponsive to both emails and phone calls. Eventually, our original coordinator left due to a personal reason and we were assigned a new one who was much better to work with. However, we were a little anxious about how everything would go due to the fact that we didn't feel like the communication was handled well leading up to that point. Having to work with numerous people made it a little more complicated. Overall, I would recommend Klein Creek to a potential bride and groom, but I would hope that they would have a better time working with the wedding coordinator than we did.

- Katelyn via WeddingWire
