**Thank you for downloading “Royal Weddings & Events Guide To Suburban Chicago Wedding Vendors.”**

You’ll be glad to know, no vendor on this list has compensated Royal Weddings and Events for including them in this guide.

Instead, vendors are individuals and businesses our wedding coordinators have personally seen in action. Each vendor has demonstrated consistency with their professionalism and service quality. In other words, we trust them to take extra special care of you.

We’re happy to share with you this list of vendors, as we know how important to you your wedding day is.

All the best,
