Dear Members,

This membership golf guide provides all of the information on the golf program at TPC Treviso Bay. Enclosed you will find the rules and regulations of the club as well as all policies regarding tee times, guests, rules and pace of play, club events, and more. Please use the aforementioned table of contents for specific directions to different subjects of the golf program.

For 2017, you will notice that some of our policies have changed or adapted in an effort to meet the needs of the general consensus of members. Please see the policies listed for guests, walking, 9 hole play, and falsifying requests listed in the rules and regulations. Also, with our move into the clubhouse also means we have upgraded our golf cart amenity to include an electric fleet with fully enabled GPS systems. With an enhancement in this area, the cart fee will increase by \$1 effective immediately. Along with these additions, it is our goal as a professional staff to bring continuous improvement to our club and give our members the best experience possible.

As always, if you have any questions or there is anything we can do, please do not hesitate to ask. We look forward to our best season yet and we are very excited to welcome you all back to Treviso Bay and our new grand clubhouse!

This privilege does NOT extend to an additional cart rider or spouse that is not registered within the Handicap Flag Program, nor to a second cart within a grouping of players.
6. The Ranger/Starter has absolute authority for all traffic control. If a player refuses to abide by the rules of the day (as stated above), his/her Handicap Flag Privileges may be suspended after review by the Director of Golf.

FALSIFYING REQUESTS

The use of the Chelsea Reservation System is to promote fair and equitable play for all members at the Club. It is expected that no member should purposely use guests or anyone other than the intended players of their group. Should the golf shop staff find that any member is falsifying tee time requests in order to benefit themselves or their placement, they will be subject to the following procedure:

FIRST OFFENSE:

All members of the group will receive a warning on the day of play as well as any associated point penalties.

SECOND OFFENSE:

All members responsible for the falsification will have their golf privileges suspended for one week along with any associated point penalties.

THIRD OFFENSE:

 - a. All Chelsea tee times (mandatory carts) must be teed off on the golf course. During core season months, this may be as late as 4:50pm.
 - b. Golf shop staff can authorize earlier walking depending on traffic and time of the year.
3. Members intending to walk **MUST** check in to confirm there are no more carts going out for the day.

5. All walking play must take a sand bottle to refill divots on the golf course.

3. The Director of Golf may waive restrictions for juniors provided they can demonstrate that they possess adequate knowledge of golf rules and golf etiquette to the Golf Professional.

GOLF COURTESY AND ETIQUETTE

Golf is a game where courtesy and etiquette should always be observed. The following policies should be strictly followed for the maximum enjoyment of everyone using the golf course.

1. Please repair ball marks on greens and sand divots in fairways and teeing ground.
2. Please rake your tracks leaving a sand bunker.
3. After finishing a hole, place the flag in the hole and leave the green area immediately. Proceed to the next tee, do not remain parked along the side of the green; mark your scores at the next tee.
4. Please be respectful of private property surrounding the golf course. Under no circumstances shall golf carts be driven on, or any shot played from, any area other than golf course property.
5. Slow Play – Players are required to maintain a pace of play that keeps them up with the group in front of them. Rangers and/or Golf Shop Staff consistently monitor the speed of play and are required to enforce the following policy for the pleasure and enjoyment of the entire field.

FIRST OFFENSE:

The group has fallen behind the group in front of them and has fallen behind the allotted time limit for their position on the course. The ranger will indicate your group is out of position and that you need to catch up to the group in front.

SECOND OFFENSE:

The group has not improved their position. The ranger will approach the group and inform them of their second warning and that the next offense will require them to move to a place that is in position with the group in front of them.

THIRD OFFENSE:

The group has been warned properly and has not improved their position. The ranger will escort the group to a place that is in position with the group in front of them. This may require the group to skip an entire hole or more.

RULES OF PLAY

USGA Rules will govern all play supplemented with the following local rules:

1. All hazards are considered Lateral Hazards. Proceed under Rule 26-2. In the absence of red lines or stakes, the margin of the hazard begins at the water's edge; OR, when water levels are low, the grass line above the water's edge.
2. Any ball coming to rest on a natural cart path is entitled to relief with no penalty. Proceed under Rule 24-2.
3. The Embedded Ball Rule is in effect "through the green". Proceed under Rule 25-2.
4. Grassy areas between holes are considered "through the green". A ball not found in these areas is considered a Lost Ball. Proceed under Rule 27.

PACE OF PLAY

Expected pace of play at TPC Treviso Bay is 4 Hours. Players are expected to maintain this pace. Your position on the golf course is defined as "directly behind the group in front of you" not "directly in front of the group behind you". You are considered to have fallen out of position when: (1) the group in front of you is one or more complete holes ahead of you; or (2) you are behind pace of play time guidelines and you are holding up the group immediately behind you. Rangers and/or Golf Shop Staff consistently monitor the speed of play and are required to enforce the following policy for the pleasure and enjoyment of the entire field.

FIRST OFFENSE:

The group has fallen behind the group in front of them and has fallen behind the allotted time limit for their position on the course. The ranger will indicate your group is out of position and that you need to catch up to the group in front.

SECOND OFFENSE:

The group has not improved their position. The ranger will approach the group and inform them of their second warning and that the next offense will require them to move to a place that is in position with the group in front of them.

THIRD OFFENSE:

The group has been warned properly and has not improved their position. The ranger will escort the group to a place that is in position with the group in front of them. This may require the group to skip an entire hole or more.

HANDICAP POLICY

PLAYER'S RESPONSIBILITY FOR ACCURATE POSTING OF SCORES:

1. Player must have a USGA GHIN Number to participate in any club events or league play. A player can get register or transfer a GHIN Number from the Golf Shop.
2. Equitable Stroke Control (ESC) sets a maximum number of strokes that a player can post on any hole based upon the player's current Course Handicap. For handicap purposes, a player is required to adjust hole scores (actual or "most likely") when they are higher than the player's maximum ESC number. These holes should be preceded by an X when recorded on the scorecard. See the ESC Chart below:

Your Current Handicap	Max Score on any Hole
9 or Less	Double Bogey
10 - 19	7
20 - 29	8
30 - 39	9
40 or More	10

3. Player must post all scores of rounds that have been played under the USGA Rules of Golf. This posting can be done using the same handicap computer in the clubhouse or over the internet at GHIN.com.
4. If a player plays 7 to 12 holes, a "Nine Hole Score" must be posted. 13 or more holes played require that an "Eighteen Hole Score" be posted.
5. The Handicap Committee will determine which events qualify for Tournament Score entry.
6. All other acceptable scores must be posted by the player within 48 hours of the round's conclusion.
7. The Professional Staff can post a penalty score if a player fails to post a score. If a player fails to post scores or willingly attempts to avoid complying with the USGA Handicap System, the Professional Staff could withdraw the player's Handicap Index making the player ineligible for competition.
8. For holes that are unfinished or strokes that are conceded, post a score for that hole by determining "your most likely score" for the hole. The "most likely score" is the actual number of strokes taken added to the estimated number of strokes needed to finish the hole from that position more than half of the time (in the player's best judgment). These holes should be preceded by an X when recorded on a scorecard.
9. For any holes that are not played or not played under the Rules of Golf, post par plus any handicap strokes that the player is entitled to receive on these holes. The holes should be preceded by an X when recorded on a scorecard.

CHELSEA RESERVATIONS

OVERVIEW - WHAT IS CHELSEA?

- Chelsea has been in business since 1987 and is located in Coral Springs, Florida with all support and programming remaining in the USA.
- The Chelsea system is one of the most widely used reservation systems and has installations throughout the U.S. including many in high end private and semi-private clubs in Florida.
- The Chelsea Reservation Tee Time System is an internet based system that is designed to distribute requested tee times in a fair, equitable and consistent manner.
- The Tee Time Reservation System will prioritize member requests and will ensure equal access for all members based on the club's rules.

GETTING STARTED

- Members will be able to request or book tee times through a link on the club's website. To do so, please visit any of the following links:
 - Direct Link: <http://trevisobay.chelseareservations.com/>
 - OR <http://tpctrevisobay.com> and click on the Members Tab
 - OR <http://trevisobayhoa.com> and click on the Golf Tab
- Each member will log in for the first time using his or her Member Number and the default password of 1234.
- Member numbers are made up of the 5 digit number found on your member ID card, followed by a zero (0) for men, one (1) for women, and a 2, 3, 4 etc. for any children on the membership.
- Rather than a 1, transfer member numbers will start with a 7 and annual members start with a 5.
- Once you are logged in, you can then update your email address, password, telephone number and emergency contact information by clicking on Profile.
- Email addresses are vital if you wish to receive confirmation of tee times

REQUESTING A TEE TIME

Details

- Tee time requests will be accepted by the system between 14 to 4 days prior to the day of play.
- Placement will occur 4 days prior to the day of play. (*Note: Placement will be moved to 7 days in advance May 1st - November 30th)

- All requests between 14 to 4 days will go into the queue for that day's play. It is not a first come, first served system and tee times are not based on the date or time the request is made.
- Tee times may be linked together with up to Four (4) foursomes per request playing in consecutive order.

Making a Request

- Select the day you would like to play from the drop down list.
- Enter the requested time. Choose the earliest time and the latest time you would prefer to play.
- Enter the Number of Tee Times (linked teams) and whether or not you prefer that the system break the link.
 - Choosing to break the link allows the system to place fewer groups from the link when the golf course is at its fullest (Example: Four groups are linked together but only 3 tee times are available. Breaking the link allows the first 3 groups to be placed while the fourth group moves to the Overflow List).
- Click Player Information
- Enter the member number for each player in your group.
 - If you do not know each player's member number, click on the magnifying glass to search by last name.
- Use the guest drop down to add a guest.
- Enter your guest's first and last name *(Optional)*
- Click "Add Members to Buddy List" if you wish to add the players to a quick list for future requests.
- Click Submit
- Please ensure that you wait for a request confirmation to load.
 - Click the Repeat Request box to quickly add another request with the same players and requested time for a different day.
- When first requesting, all transfer members will assume the club average points. They will not start with 0 points.

Recurring Requests

- There is an option to make a recurring request over a significant period of time.
 - Example: Every Monday for the next 2 months
 - When making a recurring request, you cannot change the players from week to week, or the time requested.
 - A recurring request may not include guests.

- The advantage of a recurring request is to those who wish to play with the same group on a specific day each week. It is not recommended with the amount of changes that can occur within a group.

EVENT REQUESTS

- Event sign-ups can be found under the request tab, Add an Event Request.
- You will be able to sign up for any open events, given your membership type permits
- Men's/Ladies Days - 14 Days in advance
- Club Tournaments - 14 to 30 Days - depending on the event
- There are no Chelsea play points distributed for events. All events and league play are considered bonus play.
- You must be registered for a handicap with TPC Treviso Bay to play in any club events.

REVIEWING YOUR INFORMATION

- Under the Review tab, you can review your information, which includes:
 - Schedule
 - Requests
 - Overflow
 - Points
 - Play History
- You can also review:
 - Friend's Schedules

Treviso Bay

TEE SHEET PLACEMENT

- Each member will have a rolling point total (Play History) over the last 14 days.
- Tee Sheets are processed 4 days prior to the date of play at 10:00am. At that point, changes may be made to any bookings already placed. (****Tee Sheets are placed 7 days in advance May 1st - November 31st***)
 - Sunday Tee Sheet > Processed Wednesday
 - Monday Tee Sheet > Processed Thursday
 - Tuesday Tee Sheet > Processed Friday
 - Wednesday Tee Sheet > Processed Saturday
 - Thursday Tee Sheet > Processed Sunday
 - Friday Tee Sheet > Processed Monday

- Saturday Tee Sheet > Processed Tuesday
- Once placement has occurred and the tee sheet has been established, email confirmations will be sent to each member (provided the email address has been added on your profile) with the assigned date, time and course information.

PLAY HISTORY / PLACEMENT

- Tee time placement is based on the past 14 days for each player in the group.
- The Chelsea System assigns one (1) point per player at the time of request and one (1) point per player at placement, but not both.
- For every hour after the requested time a group is placed, players will receive a deduction of .1 from a full point.
 - Example: Accepted Range - 8:00am - 3:00pm
 - Requested Time - 9:00am
 - Actual Placed Time - 11:00am
 - Each player would only receive .8 points at placement
- At the time of placement, the total number of points in each group is divided by the number of players in the group for an average team total.
 - Example:

Member A	5 Points last 14 days
Member B	2 Points last 14 days
Member C	7 Points last 14 days
Member D	6 Points last 14 days
Average Team Total Points = 5	
- The team with the lowest average team total will get placed first.
 - Example:

2 Groups requesting 9AM.	
Group 1 Average Team Total	3 Points
Group 2 Average Team Total	4 Points

Group 1 would be placed at the 9AM tee time, and Group 2 would then be evaluated against all others requesting a tee time before and after 9AM, provided it is within their requested range.

GUEST POINTS

- When requesting a tee time, each guest (up to 3 per group) will assume the play history points of the member.

- Example: Tee time request with 1 member and 3 guests.

Member Points	4
Guest 1 Points	4
Guest 2 Points	4
Guest 3 Points	4

The Average Team Total Points for the group would be 4 points. It is not the members 4 points divided by 4.

- At placement, each member with an associated guest will receive one (1) point for each associated guest(s).
 - In the example above, the member would receive 4 points at placement for his/her tee time.

OVERFLOW

- When the tee sheet is processed for a day and there are more requests than available tee times, groups with higher play history averages will be placed onto an overflow or waiting list.
- The groups on this list will be ranked in order of team play history average.
- After placement and prior to the day of play, it is the member's responsibility to continuously check the tee sheets for available tee times or recently opened tee times. The Chelsea System does not automatically fill in the next group on the overflow list.
 - If the golf shop deletes a placed tee time, they will place the next group on the overflow list and send the members of that group an email of notification.
- If there are cancellations for the day of play, the Golf Shop staff will contact groups on the overflow list in ranking order to give that group 'first right of refusal' for the open tee time.
 - Groups contacted by Golf Shop staff for a canceled tee time will be given a specified time limit to accept or decline. If the time limit expires before a decision has been made, it will be considered to have been declined and staff will move on to the next group on the list.

BOOKING A TEE TIME

Adding a Booking

- Once the tee sheet has been processed and tee times are placed, members are able to add themselves to any open tee times available on the tee sheet.
 - Under the Booking Tab:
 - Add a Booking
 - Select Day, Time to Review, and Enter Player Information
 - Click Display Times

- Click on any available times to add your group into that selected time and click Submit.
- The only exception is the day of play. The golf shop must make all changes and additions to the current day's tee sheet.

Making Changes to a Booking

- Once the tee sheet has been processed and you have received confirmation of your tee time, there are changes that can be made to the placed time.
 - Under the Booking Tab:
 - Add, Edit, or Delete players from a booking
 - Change a tee time if available
 - Delete a booking
 - Edit linked tee times (up to 4 groups)

CANCELLATION POLICY / NO-SHOWS

- Members are responsible for checking the Chelsea Reservation System for their tee times.
 - Members are also responsible for notifying the golf shop a minimum of 24 hours in advance with changes or to cancel a scheduled tee time.
- Failure to cancel a tee time within the 24 hour time period will result in the assessment of Chelsea points and possible charging of fees associated with the booked tee time.
- Further penalties up to and including the suspension of golf privileges may be assessed if it is found that a member is purposely falsifying tee time requests. See the club rules and regulations for policy on falsifying requests.
- There will be no charges for rain days or frost delays that result in play not taking place.

OTHER IMPORTANT INFORMATION

- The system can be accessed from any mobile device.
