- 14.4 <u>Title Insurance, Mortgage Loan and Closing Costs</u>. The obligation to purchase the Unit once the Purchase and Sale Agreement has been signed is contingent upon purchaser obtaining a loan to finance the purchase of the Unit. The Builder's Fee represents additional compensation to Seller and principally is intended to cover various out-of-pocket and internal costs and expenses associated with the development of the Condominium. This fee is due at Closing. The Builder's Fee is separate from any and all Closing Costs (defined hereinbelow). While the Builder's Fee is payable, along with various other fees, costs and amounts at Closing, the Builder's Fee is not a settlement fee associated with any loan that you may obtain to finance the purchase of the Property.
- 17 <u>Initial Capital Contribution</u>. Buyer shall pay to Association an initial capital contribution of Two Hundred Dollars (\$200.00) at closing. Buyer shall pay to the Master Association an initial capital contribution of One Thousand Five Hundred Dollars (\$1,500.00) at closing. The Grant will be managed by the National Fish and Wildlife Foundation (NFWF).
- 19 <u>Contracts to be Assigned by Developer</u>. Such maintenance and/or service contracts may be subject to cancellation by Association and by the Unit Owners directly in accordance with Section 718.302, Florida Statutes.
- 21 **Escrow Agent.** Section 718.202, Florida Statutes provides that all payments up to ten percent (10%) of the purchase price received by a developer from a purchaser pursuant to a contract for sale are to be held in escrow, if the construction, furnishing and landscaping of the property submitted to condominium ownership have not been substantially completed. Developer discloses to prospective purchasers that building plans and specifications as filed with the Building Department may not conform to the Condominium Buildings as built. Accordingly upon the Condominium Building being completed there may be building deviations from the building plans and specifications as filed with the Building Department. The building plans and modifications as filed with the Building Department may be amended or modified from time to time which amendments or modifications may or may not be filed with the Building Department. Therefore, prospective purchasers should rely only upon those building plans and specification as are on display in Developer's Sales Office located at the sales center for Treviso Bay located at Treviso Bay Boulevard, Naples, Florida 34113, which plans and specifications are open to review by prospective purchasers at any reasonable time. Phases 1 and 2 will each contain one (1) building containing thirty (30) units. The Phases may not be consecutively numbered because the building numbers used for the Phases of the Condominium are part of an overall numbering system which includes buildings that may or may not be built in this Condominium and other condominiums within Treviso Bay. The first Phase, known as "Phase 2" described in Exhibit 1 hereto shall consist of the Land that is initially affected by this Declaration. Additional Phases may be added to the Condominium. Such Phases, if constructed will be located within the real property described in Exhibit 1. The Plot Plans and Building Plans for each Phase are attached as Exhibit 2. Exhibit 1 contains the legal description of the land upon which the entire Condominium will be constructed if all Phases are submitted. Developer may make nonmaterial changes in the legal description of each Phase. This Declaration shall only affect the Land described in Phase 2 on Exhibit 1 attached hereto, and shall have no effect on any other portion of the real property described in Exhibit 1 (other than Phase 2) until such real property is made subject to this Declaration by an amendment adding a Phase.

3.1. <u>Description of Phase Condominium</u>.

Phase Number	Building Number	Minimum/Maximum Number of Units	Minimum/Maximum Size of Units (Air Conditioned Living Space in square feet)	
Phase 1	Building 5	30/30	1120/1302	
Phase 2	Building 6	30/30	1120/1302	

- 3.2. Percentage Ownership in Common Elements. As, and if one or more of the additional Phases are added to the Condominium, each Unit Owner's undivided share in the Common Elements, and the corresponding share of expenses and surplus, will be adjusted to reflect the increase in the number of Units in the Condominium caused by the addition of the Phase or Phases. If one or more Phases are not added to the Condominium, the Units within the Condominium are entitled to one hundred percent (100%) of all Common Elements within the Phases actually developed and added as part of the Condominium. In other words, the aggregate of the existing Unit Owners in the Condominium will at all times have one hundred percent (100%) ownership in all of the Common Elements, subject to dilution as the percentage share of each Unit Owner in the event a subsequent Phase or Phases are actually developed and added to the Condominium. Each Unit's undivided share in the Common Elements is determined by dividing the number one (1) by the total number of Units comprising the Condominium. If all Phases are submitted as part of the Condominium, then the undivided share in the Common Elements appurtenant to each Unit in the Condominium is 1/60.
- 3.3. <u>Voting</u>. Sections 5.1 and 5.2 of this Declaration provide that there will be one (1) vote per Unit. Accordingly, in the event any Phase is added, the membership in the Association will be increased by the number of additional Unit Owners in the added Phase or Phases, and each Unit in the Condominium will have one (1) vote. If any Phases are not added, then the membership vote in the Association will be one (1) vote per Unit for each Unit within the Condominium, including any Phases which were previously or subsequently added to the Condominium.
- 3.4. Method for Adding Phases. Each Phase will be added to the Condominium by an appropriate amendment to this Declaration. Notwithstanding the provisions of Section 718.110, Florida Statutes, or any other provisions of this Declaration, amendments to the Declaration adding one or more Phases to this Condominium shall not require the execution of such amendments or consents thereto by Unit Owners, mortgagees, lienors, or the Association, or any other person or entity, other than Developer. Taxes and other Assessments relating to the property in any Phases added to this Condominium covering any period prior to the addition of such Phase, shall be the responsibility of Developer. All intended improvements in any Phase must be substantially completed prior to the time the Phase is added to the Condominium.

- 3.5. <u>Time Period</u>. The time period within which each Phase must be added to the Condominium, if at all, is the date which is seven (7) years after this Declaration is recorded in the Public Records of the County, and any Phase which is not added to the Condominium by that date may not thereafter be added.
- 3.6. <u>Impact of Subsequent Phases</u>. The impact which the addition of any Phase will have upon the Condominium is as follows:
 - 3.6.1. The Land within the Condominium will be increased.
 - 3.6.2. The number of Units within the Condominium will be increased.
 - 3.6.3. The Common Elements will be increased.
- 3.6.4. The Association will be responsible for the repair, maintenance and operation of the Common Elements as increased by the addition of the Phase.
- 3.6.5. The Association will incur additional expenses in connection with the maintenance, repair, and operation of the Condominium as increased by the addition of the Phase; however, expenses incurred by Association in connection with the Common Elements of additional Phases will be a Common Expense to be assessed against a larger number of Units in proportion to their respective shares of the Common Elements.
- 3.6.6. The ownership interest in the Common Elements and proportionate share of the Common Expenses of each Unit will be reduced pursuant to Section 5.1 of this Declaration.
- Reservation of Rights. Developer reserves the right not to add any Phase to the Condominium, and to add Phases in an order determined by Developer. Developer reserves the right to change the types of Buildings and Units which may be added to the Condominium in any Phase, and specifically reserves the right within any Phase to construct either one, two, three or four story buildings, with Units consisting of one story and if the Units consist of one story, the Units may be built above or below another Unit. Such Units may be placed sideby-side within any Building, or back-to-back, or both. To the extent Developer modifies the types of Buildings and Units added within any Phase, Developer reserves the right to modify the plot plans attached hereto as Exhibit 2 and construct Buildings and improvements differently than as shown on the plot plans, as may be necessary or desirable in connection with the construction of such Buildings and improvements; provided, however, that any amendment adding any Phase shall contain a plot plan showing the actual location of all Buildings and improvements actually constructed within the Phase. Developer further reserve the right to change the location of the parking areas and other Common Element improvements as may be reasonably required to serve the Buildings and Units actually constructed within any Phase, and to make changes in the legal description and/or plot plan of the Phase required to accommodate such changes or to comply with the applicable governmental requirements, such as parking, density, and set-back or to correct errors, prior to the time the Phase is added to the Condominium. In any event, all Buildings added to the Condominium in any Phase will be of comparable quality of construction to the Buildings initially included in the Condominium. NOTHWITHSTANDING ANYTHING CONTAINED HEREIN TO THE CONTRARY, DEVELOPER SHALL HAVE NO DUTY, OBLIGATION OR RESPONSIBILITY TO CAUSE ANY PHASE OR ITS IMPROVEMENTS TO BE CONSTRUCTED AND ADDED TO THE CONDOMINIUM. AND NOTHING CONTAINED HEREIN SHALL BE DEEMED A REPRESENTATION OR WARRANTY THAT ANY ADDITIONAL PHASE WILL IN FACT BE ADDED TO THE CONDOMINIUM.
- 3.8. Recreation Areas and Facilities. In the event that any or all of the additional Phases are added to this Condominium, there shall be included in each Phase the assigned parking areas and Buildings depicted on Exhibit 2. None of the Phases shall include any recreational facilities or personal property.
- 3.9. <u>Phase 2</u>. The improvements in Phase 2 of the Condominium include one (1) Building containing, in addition to the Common Elements therein, an aggregate of thirty (30) Units, all of which are more particularly described. Each Unit is identified by a combination of Arabic numbers. Other improvements included in the Condominium are landscaping and all underground structures and improvements which are not part of or located within the Building, such as wires, cables, drains, pipes, ducts, conduits, valves and fittings.
- 3.10. <u>Survey and Graphic Description</u>. Exhibit 2 to this Declaration contains the plot plans, building plans, Surveyor's Certificate for Phase 2 of the Condominium Property. Exhibit 1, Exhibit 2 and this Declaration identify the Common Elements and each Unit in Phase 2 of the Condominium and their relative size and location.
- 3.11. <u>No Timeshares</u>. No timeshare estates will or may be created with respect to Units in this Condominium.
- 3.12. <u>Units</u>. The Condominium contains a total of sixty (60) Units if all Phases are submitted, which are located and individually described in <u>Exhibit 2</u> hereto. The boundaries of each Unit are as follows:

Such temporary accommodations shall not be considered leasing of the Unit and shall not be subject to Section 18.9 hereof.

- 3.15.7. Additional Easements. Developer and Association, on their behalf and on behalf of all Unit Owners (each of whom hereby appoints Developer and Association as their attorney-in-fact for this purpose), each shall have the right to grant such additional electric, gas, other Utilities or service easements, or relocate any existing easements or drainage facilities in any portion of the Condominium Property, and to grant access easements or relocate any existing access easements in any portion of the Condominium Property, as Developer or Association shall deem necessary or desirable for the proper operations and maintenance of the Improvements, or any portion thereof, or for the general health or welfare of the Unit Owners, or for the ongoing development of the Condominium, or for the purpose of carrying out any provisions of this Declaration or otherwise, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the Units for dwelling purposes. Association has the authority without the joinder of any Unit Owners, to grant, modify or move any easement in and about the Common Elements.
- 3.15.8. <u>Paved Driveways and Roads</u>. Other condominiums are expected to be constructed within the Community. Some of the other condominiums within the Community may need vehicular and pedestrian ingress and egress access over the paved driveways and roads within the Condominium Property. To the extent the paved driveways and roads within the Community provide access to other homes in the Community, Developer and Association hereby grant non-exclusive easements, at no charge, for vehicular and pedestrian ingress and egress over the paved driveways and roads within the Condominium Property in favor of (1) the unit owners and residents, (2) their guests and invitees, and (3) the associations that will operate the condominiums of the Community. Further, Developer hereby agrees to provide a similar access easement, at no charge, in favor of Unit Owners and residents, their guests and invitees over the paved driveways and roads of the other condominiums within the Community.
- 3.15.9. Water Transmission and Distribution Facilities Easement and Repair. To the extent that any water and sewer facilities are to be provided or maintained by the City or County, Developer hereby grants and conveys to City and/or County (as applicable), their respective successors and assigns, the non-exclusive right, privilege and easement to construct, re-construct, lay, install, operate, maintain, relocate, repair, replace, improve and inspect water transmission and distribution facilities and sewer collection facilities and all appurtenances thereto, and all appurtenant equipment, with the full right of ingress thereto and egress therefrom, within the Condominium Property (excluding such facilities located inside a Unit) in accordance with plans approved by Developer or Association.
- 3.15.10. <u>Blanket Easement in Favor of District</u>. The District shall also have blanket easements necessary for District operations above, across, and under the Condominium.
- 3.15.11. <u>Easement in Favor of Golf Club</u>. Developer and Association hereby grant a non-exclusive pedestrian and vehicular easement in favor of the Golf Club and Master Association over all of the Condominium Property with the exception of the Buildings.
- 3.15.12. <u>Public Easements</u>. Police, fire, sanitation, school transportation, health, water, sewer and other public service and utility company personnel and vehicles shall have a non-exclusive easement for ingress and egress over and across the Common Elements. The City shall also have a non-exclusive easement for ingress and egress over and across the Common Elements.
- 3.15.13. Reservation of Right for Developer to Grant Additional Easements. For as long as the properties within the Golf Club and Master Community are being developed, Developer shall have the right to grant any additional easements over the Condominium Property that Developer determines are necessary for the continued development and operation of the Golf Club and Master Community. Developer may grant such easements, without the joinder of Unit Owners, Association, Other Condominium Associations, Golf club, Other Neighborhood or Master Associations or any lender. By way of example and not as a limitation, Developer may grant easements to itself or others for pedestrian or vehicular ingress and egress across the roads within the Condominium Property.
- 4. Restraint Upon Separation and Partition of Common Elements. The undivided share in the Common Elements and Common Surplus which is appurtenant to a Unit, an exclusive easement for the use of the airspace occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time to time, membership in Association designated in this Declaration, with the full voting rights appertaining thereto, and except as provided herein, the exclusive right to use all appropriate appurtenant Limited Common Elements, shall not be separated from and shall pass with the title to the Unit, whether or not separately described. All of these aforedescribed appurtenances to a Unit, except as elsewhere provided to the contrary, cannot be conveyed or encumbered except together with the Unit. The respective shares in the Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Condominium Property, or any part thereof, shall lie, except as provided herein with respect to termination of the Condominium.
- 5. Ownership of Common Elements and Common Surplus and Share of Common Expenses; Voting Rights.
- 5.1. <u>Percentage Ownership and Shares</u>. Each Unit, regardless of size, has an equal undivided percentage interest in the Common Elements and Common Surplus, and shall share equally in the Common Expenses. Each Unit's undivided share in the Common Elements is determined by dividing the number one (1) by the total number of Units comprising the Condominium. Accordingly, the undivided share in the Common Elements appurtenant to each Unit in the Condominium if all Phases are submitted is 1/60, and each Unit Owner

will be responsible for a proportionate share of the Common Expenses and will own a proportionate share of the Common Surplus equal to such undivided share in the Common Elements.

5.2. <u>Voting</u>. Each Unit shall be entitled to one (1) vote to be cast by its Unit Owner(s) in accordance with the provisions of the Bylaws and Articles. Each Unit Owner shall be a member of Association.

6. Wentworth Estates Community Development District.

- 6.1. <u>Generally.</u> The Wentworth Estates Community Development District (the "<u>District</u>") has been created which encompasses the Treviso Bay Community. Portions of the Condominium Property (other than the Units) or Golf Club and Master Community may be owned by the District and maintained by the District including, without limitation, the drainage system, landscaping, lakes, roads, Surface Water Management System, and/or utilities. In the event that any portion of the Condominium, Golf Club or Master Community is owned by the District, such facilities shall not be part of the Common Areas of the Golf Club or Master Community or Common Elements, but will be part of the infrastructure facilities owned by the District (the "<u>Facilities</u>").
- Creation of the District. The District may issue special assessment bonds (the "Bonds") to finance a portion of the cost of the Facilities. The District is an independent, multi-purpose, special district created pursuant to Chapter 190 of the Florida Statutes. The creation of the District puts residential units and non-residential development of the Condominium under the jurisdiction of the District. The District may be authorized to acquire, finance, fund, install, equip, extend, construct or reconstruct without limitation, the following: water and sewer facilities, environmental mitigation, roadways, Surface Water Management System, utility plants and lines, and land acquisition, miscellaneous utilities for the Condominium and other infrastructure projects and services necessitated by the development of, and serving lands, within the Treviso Bay Community (the "Public Infrastructure"). The estimated design, development, construction and acquisition costs for the Facilities may be funded by the District in one or more series of governmental bond financings utilizing Bonds or other revenue backed bonds. The District may issue both long-term debt and short-term debt to finance the Public Infrastructure. The principal and interest on the Bonds may be repaid through non ad valorem special assessments ("District Debt Service Assessments") levied on all benefiting properties in the District, which properties have been found to be specially benefited by the Public Infrastructure. The principal and interest on the other revenue backed bonds ("District Revenue Bonds") may be repaid through user fees, franchise fees or other use related revenues. In addition to the Bonds issued to fund the Public Infrastructure costs, the District may also impose an annual non ad valorem special assessment to fund the operations of the District and the maintenance and repair of its Public Infrastructure and services ("District Maintenance Special Assessments" or "O & M Assessments").
- District Assessments. The District Debt Service Assessments and District Maintenance Special Assessments will not be taxes but, under Florida law, constitute a lien co-equal with the lien of state, county, municipal, and school board taxes and may be collected on the ad valorem tax bill sent each year by the Tax Collector of Collier County and disbursed to the District or may be billed directly by the District. The homestead exemption is not applicable to the District Assessments. Because a tax bill cannot be paid in part, failure to pay the District Debt Service Assessments, District Maintenance Special Assessments, or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the property of the delinquent taxpayer through the issuance of a tax deed. District Revenue Bonds are not taxes or liens on property. If the fees and user charges underlying the District Revenue Bonds are not paid, then such fees and user charges could become liens on the property which could ultimately result in the loss of title to the property through the issuance of a tax deed. It is anticipated, but not guaranteed, that the initial amount of the District Debt Service Assessments for the Series A Bonds is estimated to be no greater than approximately \$977.50 per year per Unit. The District Maintenance Special Assessments is approximately \$158.53 at this time and may vary from year to year and from time to time. The actual amount of District Debt Service Assessments will be set forth in the District Assessment Methodology Report. District Maintenance Special Assessments relating to Facilities will be determined by the District. Any future District Assessments and/or other charges due with respect to the Facilities are direct obligations of each Owner and are secured by a lien against the Unit as set forth in this Section 6. Failure to pay such sums may result in loss of property as set forth in this Section 6. The District may construct, in part or in whole, by the issuance of Bonds (as explained in Section 6.2 above) certain Facilities which may include, but are not limited to, roads, utilities, landscaping, and/or drainage system, as the District determines in its sole discretion.
- Common Areas and Facilities Part of District. Portions of the Common Areas of the Master Community or Golf Club may be conveyed by Developer to the District. Such Facilities will be part of the District and the District shall govern the use and maintenance of the Facilities. In the event that Developer conveys certain Facilities to the District, some of the provisions of this Declaration will not apply to such Facilities, as the Facilities will no longer be Common Areas of the Golf Club or Master Community. By way of example and not of limitation, the procedures respecting Developer's obligation to convey the Common Areas of the Golf Club or Master Community will not apply to the Facilities. ANY CONVEYANCE OF COMMON AREAS OF THE GOLF CLUB OR MASTER COMMUNITY TO THE DISTRICT SHALL IN NO WAY INVALIDATE THIS DECLARATION. Developer may decide, in its sole and absolute discretion, to convey additional portions of the Common Areas of the Golf Club and Master Community to either the District, Association, Golf club, and Master Association thereby making such Common Areas of the Golf Club and Master Community part of the Facilities. The District, Association, Master Association or Golf Club may promulgate membership rules, regulations and/or covenants which may outline use restrictions for the Facilities, or Association's, Master Association's and/or Golf Club's responsibility to maintain the Facilities, if any. The establishment of the District and the inclusion of Facilities in the District will obligate each Owner to become responsible for the payment of District Debt Service Assessments and District Maintenance Special Assessments for the acquisition, construction, reconstruction, and equipping of the Facilities as set forth in this Section.

6.5. <u>Facilities Owned by District</u>. The Facilities may be owned and operated by the District or owned by the District and managed by Association, Golf Club and/or Master Association. The Facilities may also be owned by a governmental entity other than the District. The Facilities shall be used and enjoyed by the Unit Owners, on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the Facilities.

7. <u>Amendments</u>.

7.1. <u>Amendment by Association</u>.

- 7.1.1. <u>Proposal</u>. Amendments to this Declaration may be proposed by the Board by resolution adopted by a majority vote of the Directors present at any regular or special meeting of the Board at which a quorum is present or by the Owners of twenty percent (20%) of the Units, whether by vote of such Owners as members of Association at a special or regular meeting of the members or by written instrument signed by them. Any amendment to this Declaration so proposed by the Board or members of Association shall be transmitted to the President of Association, or, in the absence of the President, to a Vice President or other acting chief executive officer.
- 7.1.2. <u>Notice</u>. Notice of the subject matter of the proposed amendment to this Declaration shall be included in the notice of any regular or special meeting of Association at which such proposed amendment is to be considered.
- 7.1.3. <u>Adoption</u>. Except as elsewhere provided, approval of an amendment must be by affirmative vote of:
- 7.1.3.1. Unit Owners owning in excess of fifty percent (50%) of the Voting Interests represented at any meeting at which a quorum has been attained and by not less than sixty-six and two-thirds percent (66-2/3%) of the Board; or,
- 7.1.3.2. Unit Owners owning not less than eighty percent (80%) of the Voting Interests represented at any meeting at which a quorum has been attained; or,
- 7.1.3.3. Unless otherwise provided under Chapter 718 and specifically Section 718.110, Florida Statutes, prior to the date upon which Unit Owners other than Developer control the Board, one hundred percent (100%) of the Board. Notwithstanding the foregoing, if the Act requires Unit Owner approval for the amendment being considered, then the amount of Unit Owner approval required under the Act will also be necessary for the approval of the amendment.
- 7.1.4. <u>Not Present</u>. Directors not present in person at the meeting considering the amendment may express their agreement or disagreement in writing, provided that the same is delivered to the Secretary at or prior to the meeting. Such agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purpose of creating a quorum.
- 7.2. By Developer. For so long as Developer holds any Units in the Condominium for sale in the ordinary course of business, Developer may, without joinder or consent of Association or any Unit Owner or mortgagee, adopt and record an amendment to this Declaration for the purpose of correcting a defect, error or omission in or of this Declaration not materially affecting the rights of Unit Owners, lienors or mortgagees. Without in any way limiting the generality of the foregoing, and except as prohibited by the Act as it exists on the date hereof (e.g., those actions governed by Section 718.110(4) and (8) of the Florida Statutes), as long as Developer owns one or more Units for sale in the ordinary course of business, Developer shall have an absolute right to make any amendment to this Declaration, including, without limitation, any amendments that are requested or required by any Institutional First Mortgagee or prospective Institutional First Mortgages on Units or to insure the payment of one or more such mortgages to enhance the marketability of its first mortgages on Units to one or more of the foregoing.
- 7.3. Execution and Recording. An amendment, other than amendments made by Developer pursuant to the Act or this Declaration, shall be evidenced by a certificate of Association which shall include recording information identifying this Declaration and shall be executed in the form required for the execution of a deed. Amendments by Developer must be evidenced in writing, but a certificate of Association is not required. An amendment of this Declaration is effective when properly recorded in the Public Records of County.
- 7.4. <u>Procedure</u>. The procedure for adopting amendments and the form of all amendments shall be in conformance with the requirements of the Act.

7.5. <u>Restrictions on Amendments.</u>

7.5.1. No amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the percentage by which the Unit Owner shares the Common Expenses and owns the Common Elements and Common Surplus, unless sixty-seven percent (67%) of the total Voting Interests of Association, including all of the record owners of Units affected by such amendment and all record owners of liens on the Unit and all the record owners of all other Units in the same condominium join in the execution of the amendment;

provided, however, no approval shall be required by Unit Owners if such amendment is required by any governmental entity having jurisdiction over the Condominium.

- 7.5.2. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to Developer, without the written consent of Developer.
- 7.5.3. No amendment shall materially affect the rights or interests of Institutional First Mortgagees without their prior consent, which shall be evidenced as provided in the Act and which shall not be unreasonably withheld. It shall be presumed that, except as to those matters set forth in Sections 718.110(4) and (8) of the Florida Statutes (2007), amendments to the Declaration do not affect the rights or interests of Institutional First Mortgagees.
- 8. <u>Maintenance and Repairs</u>. Responsibility for maintenance, repairs and replacements of Condominium Property and property of Unit Owners located or situated within the Condominium shall be as follows:
- Units. Each Unit Owner shall maintain, repair and replace, as necessary and whether ordinary or extraordinary, all portions of his Unit, including but not limited to fixtures, entrances, screens, both sides of windows accessible from the Unit (e.g., windows accessible from a balcony or patio, if any, are the responsibility of Unit Owner), all screen doors, and all other doors and door hardware within or affording access to a Unit, that portion of the mechanical, electrical (including all wiring), plumbing (including fixtures and connections), heating and air-conditioning equipment (including the air handling equipment exclusively serving a Unit) within the Limited Common Elements of such Unit), thermostats, fixtures and outlets, smoke alarms, appliances, carpets and other floor covering lying within the boundaries of the Unit, all interior surfaces including interior partitions (and, in general, the entire interior of the Unit) at the Unit Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein. Windows which are not accessible to Unit Owners (by way of example, the exterior of any window that cannot be reached from the balcony) shall be washed by Association and the cost thereof shall be a Common Expense. Notwithstanding the obligation of Unit Owners for maintenance, repair and replacement of and in Units, the proceeds of all insurance awards or payments under insurance carried by Association for loss of or damage to or within Units (if any such insurance is available) shall be applied against repairs and replacements to the extent that such award or payments exceed the deductible provisions of such insurance. All maintenance, repairs and/or replacements for which Unit Owner is responsible and obligated to perform, which, if not performed or omitted, would affect other Units or Common Elements, shall be performed promptly as the need arises. If a Unit Owner fails to perform promptly his or her responsibilities of repair, maintenance and replacement, Association shall be entitled to seek all remedies available at law, including the right to impose fines and/or to take legal action to require the Unit Owner to perform the responsibilities.

Association reserves the right to, but is not obligated to, enter into a service contract with an entity that will be available to provide minor maintenance or repair services to the electrical, plumbing, and heating and airconditioning equipment. The service contract may also provide for minor maintenance and repair services to all appliances originally provided by Developer. There is no guarantee that the service contract will be in place or that all of the items listed will be covered under the service contract. The Unit Owner will continue to be responsible for the maintenance and repair of any item not covered under a service contract. The cost of a service contract, if in place, will be a Common Expense of Association.

8.2. <u>Air Conditioning Air Handling Equipment</u>. As provided in Section 3.12.5 hereof, the air conditioner air handling equipment is deemed to be included as part of the Unit it exclusively serves; accordingly, the maintenance obligations set forth in Section 8.1 above apply to air conditioner air handling equipment. The obligation to maintain and repair any heating and air conditioning equipment, plumbing or electrical fixtures or other items of property which service a particular Unit or Units shall be the responsibility of the applicable Unit Owner(s), individually, and not Association, without regard to whether such items are included within the boundaries of the Unit(s).

8.3. <u>Limited Common Elements</u>.

- 8.3.1. General Maintenance Requirements. Each Unit Owner shall maintain, repair and replace, as necessary and whether ordinary or extraordinary, all non-structural portions of Limited Common Elements exclusively (or non-exclusively in the case of a fence) serving his or her Unit, excluding Covered Parking Spaces and Mailboxes including, but not limited to fixtures, light bulbs, ceiling fans, screen doors and screening, all garden items and the grass, plants, shrubs and flowers within such Limited Common Element, if enclosed by a fence or a wall, if applicable, and all other doors and gates, if applicable, within or affording access to a Limited Common Element, that portion of the electrical (including wiring), plumbing, if any (including fixtures and connections). fixtures and outlets, appliances, floor covering lying within the boundaries of the Limited Common Element, all interior surfaces (and, in general, the entire interior of the Limited Common Element) at the Unit Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein. If a Unit Owner fails to perform promptly his or her responsibilities of repair, maintenance and replacement of Limited Common Elements, Association shall be entitled to seek all remedies available at law, including the right to impose fines and/or to take legal action to require the Unit Owner to perform the responsibilities. Association shall be entitled to perform the necessary work at the cost of the Unit Owner and shall be entitled to access to the Limited Common Element for that purpose or for the repair, replacement, and maintenance of the Limited Common Element and other facilities.
- 8.3.2. <u>Covered Lanais or Covered Screened Lanais</u>. The Units may have access to a covered lanai or covered screened lanai. The Unit Owner shall be responsible for maintenance and care of the lanais, including, without limitation, all wiring, electric outlets, lighting fixtures, flooring, and screening, if

applicable. A Unit Owner may install floor coverings (e.g., tile) within a lanai after obtaining the prior written approval of the Board as more particularly explained in Section 18.19 hereof. The Board shall be responsible for approving the design, structural integrity, aesthetic appeal and construction details, or otherwise, which approval may be unreasonably withheld. No changes whatsoever can be made to these areas without the permission of Association, which may be withheld for any reason. Although these lanais may appear to be part of the applicable Unit, such lanais must be accessible at all times to Association, maintenance persons such as window washers, police, fire rescue workers and such other persons as Association may allow access for the safety, welfare or health of the Unit Owners and/or Association. There is no guarantee that the lanais will be free from noise or private. Unless damage is caused due to the Unit Owner's negligence, Association shall be responsible for maintaining all structural components of the lanais, including, without limitation, any rebar running through or underneath such facilities, the post and the below ground footers that stabilize the posts that support the overhang, if any.

- 8.3.3. <u>Covered Parking Spaces, Exterior Stairways, Hallways and Foyer.</u> Each Unit Owner is required to keep any driveway area immediately leading to their covered parking space free from dirt, grease and grime. The Master Association, as a common expense, is required to repair and replace any driveway pavement surface. Each Unit Owner is also required to keep any Exterior Stairways, Hallways and Foyers free from dirt, grease and grime.
- 8.3.4. <u>Storage Areas</u>. Storage areas shall be maintained in an orderly condition, and the storage of combustibles or explosives other than ordinary household materials is prohibited.
- 8.3.5. <u>Canvas Canopies</u>. Association shall be responsible for the removal of all canvas canopies, if any, including, but not limited to, mailbox and entrance canopies located within the Common Elements of the Condominium in the event winds are forecasted to exceed fifty (50) miles per hour. The expense of such removal shall be part of the Common Expenses of Association.
- 8.3.6. <u>Mailboxes, and other Limited Common Elements</u>. Unless otherwise provided in this Declaration, Association shall be responsible for performing necessary maintenance, repairs and replacements, and keeping in clean and orderly condition, Mailboxes, or other facilities, if any, designated herein as Limited Common Elements, and the cost of the same shall be treated as Common Expenses assessed against all Unit Owners.
- 8.3.7. Failure to Perform Responsibilities. If a Unit Owner fails to perform promptly his or her responsibilities of repair, maintenance and replacement of Limited Common Elements, Association shall be entitled to seek all remedies available at law, including the right to impose fines and/or take legal action to require the Unit Owner to perform the responsibilities. Association shall be entitled to perform the necessary work at the cost of the Unit Owner and shall be entitled to access to all Limited Common Elements for that purpose or for the repair, replacement or maintenance of all Limited Common Element screening and other facilities.
- 8.4. <u>Areas Outside Buildings</u>. All exterior Condominium Property not within the boundaries of the Buildings hereof shall be operated, maintained, replaced and repaired by the Master Association. Such operation and maintenance shall include, but not be limited to, the cost for insurance, landscaping, pavement replacement, directional signs, and shrubbery. The items to be maintained by Master Association shall include, but not be limited to, items such as the parking areas, driveways, roads, fences, and mailboxes if located outside the boundaries of the Buildings, if any.
- 8.5. Common Elements. Except to the extent (i) expressly provided to the contrary herein, or (ii) if proceeds of insurance are made available therefor, or (iii) except as provided in the Master Declaration, all maintenance, repairs and replacements in or to the Common Elements and Limited Common Elements (other than certain of the Limited Common Elements as provided above, and otherwise as provided in this Declaration) shall be performed by Association and the cost and expense thereof shall be charged to all Unit Owners as a Common Expense, except to the extent arising from or necessitated by the negligence, misuse or neglect of specific Unit Owners, in which case such cost and expense shall be paid solely by such Unit Owners. Association is bound to comply with all maintenance standards set forth in the Golf Club and Master Declarations. In order to operate the Condominium, it is possible that holes may be cut in walls to facilitate the placement of equipment benefiting the Condominium. Further, due to the location of these areas, it is possible that noise or vibration of equipment may be heard or felt inside the Units. The Condominium may be designed with a roof membrane. The roof may contain hooks or other apparatus in the floor or walls that will allow equipment to be used to clean windows of the Condominium. When windows are cleaned, there may be drops or swings placed on the roof. Trellises, if any, forming part of the roof shall be maintained, along with the rest of the roof by Association.
- 8.6. <u>Association's Right of Access to Units.</u> Association has the irrevocable right of access to each Unit during reasonable hours when necessary for the maintenance, repair, or replacement of any Common Elements or Limited Common Elements, or for making emergency repairs which are necessary to prevent damage to the Common Elements or Limited Common Elements or to another Unit or Units.
- 8.7. <u>Light Fixtures</u>. Prior to completion of the last Unit to be constructed in the Treviso Bay Community, Developer or its designee, shall have the right but not the obligation, to cause those electric light fixtures which may be attached to the front exterior of the Building between Units, if any, plus those electric street lights adjoined or adjacent to each Building, if any, to be turned on and off via an automatic device. Association shall be responsible for the cost of the electricity, maintenance, repair and replacement of all parts of the electric light fixtures, the street lights and the automatic device. The light fixtures that are placed on the Building immediately outside the front exterior of each Unit, if any, will be manually operated by each Unit Owner from

within the respective Unit. The replacement and maintenance of these fixtures, as well as the cost of electricity, shall be an expense to the Unit Owner.

- 8.8. Requirements. All work performed on the Condominium Property or any portion thereof shall be in compliance with all applicable governmental building and zoning requirements. All plumbing and electrical maintenance, repairs, and replacements shall be made only by entities and/or individuals duly insured, licensed, if applicable, and qualified to perform such services.
- 8.9. Affirmative Obligation of Association. In the event that Association believes that Developer has failed in any respect to meet Developer's obligations under this Declaration or has failed to comply with any of Developer's obligations under law or the Common Elements or Limited Common Elements are defective in any respect, Association shall give written notice to Developer detailing the alleged failure or defect. By Association's Joinder and Consent hereto, Association agrees that once Association has given written notice to Developer pursuant to this Section, Association shall be obligated to permit Developer and its agents to perform inspections of the Common Elements or Limited Common Elements and to perform all tests and make all repairs/replacements deemed necessary by Developer to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Developer to repair or address, in Developer's sole option and expense, any aspect of the Common Elements or Limited Common Elements deemed defective by Developer during its inspections of the same. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Developer and Developer shall be entitled to recover damages resulting therefrom. Notwithstanding anything herein to the contrary, to the extent any provision herein conflicts with Florida law including, but not limited to F.S. Chapter 558, Florida law shall prevail and control.
- 9. <u>Architectural Control Provisions of Master Declaration</u>. Each Unit and Unit Owner is subject to the architectural restrictions set forth in the Master Declarations.
- 10. Provisions of Golf Club Declaration, Master Declaration and The District. Each Unit Owner is subject to all of the terms and conditions set forth in the Golf Club Declaration and Master Declaration, all of which, to the extent appropriate and to the extent the same do not conflict with the powers and duties of Association or the rights of Unit Owners as contained in the Act, are incorporated herein by reference. The Golf Club and Master Associations shall each have all rights of pedestrian and vehicular access, ingress and egress over and upon the Condominium Property necessary to exercise its rights and privileges under the Golf Club and Master Declarations. Each Unit Owner is subject to the Community Standards of the Master Community, as established under the Master Declaration. In addition to the foregoing, there are facilities constructed within the Condominium which serve the Treviso Bay Community or Other Condominiums. Each Owner acknowledges the existence of the District and the obligation to pay District Debt Service Assessments and District Maintenance Special Assessments as provided in the Master Declaration and Section 6 hereof. This Declaration is subject to the Golf Club Declaration and the Master Declaration to the extent the same do not conflict. However, should a conflict occur, this Declaration shall prevail.
- 11. <u>Architectural Control by Association</u>. Any alterations, additions and improvements to the Condominium Property shall comply with the following:
- 11.1. Alterations by Unit Owners Other than Developer. No Unit Owner other than Developer, provided Developer shall own at least one (1) Unit in the Condominium for sale in the ordinary course of business, shall, without first having obtained the written consent of the Board and all required governmental approvals and permits, make any alteration, replacement, decoration, enclosure, or addition in or to the Common Elements (including any Limited Common Element appurtenant to a Unit) or the Unit. Without limiting the generality of the foregoing, no Unit Owner other than Developer, provided Developer shall hold at least one (1) Unit in the Condominium for sale in the ordinary course of business, without having first obtained the prior consent of the Board, shall:
 - 11.1.1. change, modify and remove, in whole or in part, replace, reroute, or otherwise affect any column, wall or partition, pipe, duct, wire or conduit, or obstruct any easement herein provided for; or
 - 11.1.2. change, modify or otherwise affect in any manner any mechanical, Utilities, electrical, plumbing, Telecommunication Services, architectural or structural system or element of the Building; or
 - 11.1.3. remove, or change the style, pattern, material, texture or outside color of any door, window, fixture or equipment in or on an exterior of a Unit or Building wall; or cover, from the inside or outside, the glass or other transparent or translucent material in any exterior door or window with, or apply or affix thereto, any material or substance which shall render the same opaque or change the exterior color thereof, except interior draperies, curtains, shades or shutters which are lined, backed, covered or painted on the side visible from the exterior with a neutral color material, any and all of which shall conform to building standards and Rules from time to time promulgated by the Board; or
 - 11.1.4. affix to or cover any exterior door or window, or otherwise install on the exterior of any Unit or the Building, any storm or hurricane shutter which has not been approved by Association or any awning or any protective or decorative panel, paneling, trim, enclosure, fixture, or appliance; or

- 11.1.5. change, modify or otherwise affect in any manner the impact resistant glass windows and sliding glass doors; or
- 11.1.6. otherwise change, modify or alter the exterior of any Unit or the Building so that it thereby differs in appearance from any other Units of the same type.
- 11.2. Requests for Approval. All requests by Unit Owners for approval of alterations or additions shall be submitted to the Board in writing together with (a) two (2) copies of such plans and specifications as the Board shall require to evaluate the request, and (b) such reasonable fee as from time to time may be fixed by the Board to defray the expenses of reviewing such requests. The Board shall have a period of forty five (45) days after the date of its receipt of any such request within which to approve or disapprove the same, and if not approved within such forty-five (45) day period, such request shall be deemed disapproved. Any Unit Owner making an addition, alteration, or improvement shall be deemed to have agreed to indemnify and hold Association and all other Unit Owners harmless from all damages and liability which results from such addition, alteration or improvement. In the event any Unit Owner performs any alterations, improvements or additions without having obtained the consent of the Board, Association shall have all remedies provided by the Act and the right to seek injunctive relief. In addition, Association may remove or modify any such alterations, improvements or additions at the Unit Owner's expense and shall be entitled to access to the Unit for the purpose of doing so.
- any part thereof shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of Fifty Thousand Dollars (\$50,000.00) in the aggregate in any calendar year, Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by a majority of the Voting Interests represented at a meeting at which a quorum is attained. Any such additions, alterations, or improvements to such Common Elements or any part thereof costing in the aggregate of Fifty Thousand Dollars (\$50,000.00) or less in a calendar year may be made by Association without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements shall constitute a part of the Common Expenses and shall be assessed to the Unit Owners as Common Expenses. The dollar cap provided in this Section shall be adjusted annually to take into account changes in the cost of living as reflected in any nationally available Consumer Price Index selected by the Board.
- 11.4. <u>Alterations by Developer</u>. As long as Developer is offering at least one (1) Unit in the Condominium for sale in the ordinary course of business, Developer shall have the right, with the vote or consent of the record owner of the Unit and all record owners of liens on the Unit and all the record owners of all other Units in the same condominium to:
 - 11.4.1. Make structural and non-structural changes, alterations, additions, or improvements in and to the Units owned by Developer and to change the interior design and arrangement of Developer-owned Units; and
 - 11.4.2. Change the size and/or number of Developer owned Units by combining all or part of two (2) or more Developer owned Units or by subdividing one (1) or more Developer owned Units (including any Units resulting from the prior combination of two (2) or more of Developer owned Units) or otherwise, and to reapportion among the affected Developer-owned Units their appurtenant undivided interest in the Common Elements, all only to the extent permitted by and according to the procedures provided in the Act. Any change in the number or size of Developer-owned Units and any reapportionment of that appurtenant undivided interest in the Common Elements shall be reflected by an amendment to this Declaration which shall contain a survey reflecting the change.
- 12. Operation of the Condominium by Association; Power and Duties; Limitation Upon Liability of Association. Association shall be the entity responsible for the operation of the Condominium. The powers and duties of Association shall include those set forth in the Articles and Bylaws. Notwithstanding the duty of Association to maintain and repair parts of the Condominium Property, Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair caused by any condition of the Condominium Property.
- 13. <u>Assessments</u>. Association has been granted the right to make, levy and collect Assessments against the Unit Owners to provide the funds necessary for the proper operation and management of the Condominium. The following provisions shall govern the making, levying and collecting of such Assessments for Common Expenses, and the payment of the costs and expenses of operating and managing the Condominium by Association.
- 13.1. <u>Determination of Assessments</u>. The Board shall from time to time, and at least annually, prepare a budget for the Condominium, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium, and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the Bylaws. Each Unit Owner shall be liable for his or her share of all Common Expenses which shall be in the same percentage as his or her ownership of the Common Elements.
- 13.2. <u>Association as Unit Owner</u>. Should Association become the Unit Owner of a Unit, the Assessment which would otherwise be due and payable to Association by the Unit Owner of such Unit, reduced by the amount of income which may be derived from the leasing of such Unit by Association, shall be apportioned and the Assessment therefor levied ratably among the Owners of all Units which are not owned by Association, based

upon their proportionate interests in the Common Elements exclusive of the interests therein appurtenant to the Unit owned by Association.

- 13.3. <u>Time for Payment</u>. The Assessment for Common Expenses levied against each Unit Owner shall be payable in quarterly installments or at such time as shall from time to time be fixed by the Board. The Unit Owner is responsible for the payment of Assessments as of the date that such Unit Owner closes on the purchase of the Condominium Parcel.
- Annual Budget. The Board shall, in accordance with the Bylaws of Association, establish an annual budget in advance for each fiscal year, which shall correspond to the calendar year, which shall estimate all expenses for the forthcoming year required for the proper operation, management and maintenance of the Condominium and all property owned by Association, if not an expense of another association, including, to the extent required by law and, in addition, when deemed necessary or advisable by the Board, a reasonable allowance for contingencies and reserves, and shall estimate all income to be collected during the year. Upon adoption of each annual budget by the Board, copies thereof shall be delivered to each Unit Owner, and the Assessment for the year shall be based upon such budget; provided, however, that failure to deliver a copy of the budget to a Unit Owner shall not affect the liability of such Unit Owner for the Assessments. Should the Board at any time and from time to time determine, in the sole discretion of the Board, that the Assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board shall have the authority to levy such additional Assessment or Assessments as it shall deem necessary. Any budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of the Bylaws. Additionally, the charges for Telecommunication Services, if any, to be provided to all of the Units of the Condominium, shall be deemed to be a Common Expense if not an expense of another association (i.e., Master Association). The Board in determining the amount of the Assessments payable by the Unit Owners shall be authorized to include such charges in the estimated operating budget for the Condominium. Accordingly, the provisions contained in Section 14 of this Declaration with respect to the collection of Assessments shall be applicable to the charges for Telecommunication Services if the same are not expenses of and paid by the Master Association.
- 13.5. Reserve Funds. The Board, in establishing each annual budget, shall include therein sums to be collected and maintained as reserve funds for the repair and replacement of Common Elements and personal property held for the joint use and benefit of the Owners of all Units as required by the Act. Developer may vote to waive reserves or reduce the funding of reserves in accordance with the rights and obligations set forth in the Act.
- 13.6. <u>Special Assessments</u>. The specific purpose or purposes of any Special Assessment approved in accordance with this Declaration, Articles, or Bylaws shall be set forth in a written notice of such Special Assessment sent or delivered to each Unit Owner. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in such notice, or returned to the Unit Owners. However, upon completion of such specific purpose or purposes, any excess funds shall be considered Common Surplus. Capital expenditures, other than for repair or replacement, which exceed twenty (20%) percent of the annual budget, must be approved by a majority of the entire voting interests of the Association.
- 13.7. <u>Use Fees</u>. The Board has the right, but not an obligation, to establish use fees ("<u>Use Fees</u>") from time to time for the exclusive use of any portion of the Common Elements. Alternatively, the Board may elect not to charge Use Fees and include the costs of all or any of the foregoing in Common Expenses, which will then be shared by all Unit Owners in accordance with their percentage interest in the Common Elements.
- 13.8. <u>Initial Capital Contribution.</u> The Developer will collect at closing from each Unit Owner and deposit with the Association two hundred dollars (\$200.00), which shall be an Initial Capital Contribution.

14. <u>Collection of Assessments.</u>

- 14.1. <u>Delinquency or Default</u>. The payment of any Assessment or installment thereof due to Association shall be in default if not paid to Association on or before the date due. When in default, the delinquent Assessments or installments thereof shall bear interest at the highest rate permissible by law until the same, and all interest due thereon, have been paid in full.
- 14.2. <u>Personal Liability of Unit Owner</u>. The Owner(s) of each Unit shall be personally liable, jointly and severally, as the case may be, to Association for the payment of all Assessments for Common Expenses, regular or special, interest on such delinquent Assessments or installments thereof as above provided, and for all costs of collecting the Assessments and interest thereon, including reasonable attorneys' fees, paraprofessionals' fees and costs (pre-trial and at the trial and appellate levels), whether suit be brought or not, levied or otherwise coming due while such person(s) or entity own(s) a Unit.
- 14.3. <u>Liability not Subject to Waiver</u>. No Unit Owner may exempt himself from liability for any Assessment levied against such Unit Owner and his or her Unit by waiver of the use or enjoyment of any of the Common Elements, Limited Common Elements, or property owned by Association, or by abandonment of the Unit, or in any other manner.
- 14.4. <u>Lien for Assessment</u>. Association is hereby granted a lien upon each Unit and its appurtenant undivided interest in Common Elements and upon any Limited Common Elements appurtenant to any such Unit, which lien shall and does secure the monies due for all: (1) Assessments levied against the Unit and the Unit Owner(s), thereof, and (2) interest, if any, which may become due on delinquent Assessments owing to Association, and (3) reasonable costs and expenses, including actual attorneys' fees, paraprofessionals' fees and costs (pre-trial

and at the trial and appellate levels) which may be incurred by Association in enforcing its lien upon the Unit and its appurtenances. The lien granted to Association may be established and foreclosed in the Circuit Court in and for County. No foreclosure judgment may be entered against a Unit Owner until at least thirty (30) days after Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments and/or charges. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, Association may not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified mail, return receipt requested, addressed to the Unit Owner. If after diligent search and inquiry Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees, paraprofessional fees and costs as permitted by law. The notice requirements of this Section are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

- Recording and Priority of Lien. The lien of Association shall be effective from and after recording in the Public Records of Collier County a claim of lien stating the name and address of Association, the description of the Unit encumbered thereby, the name of the record Unit Owner, the amount and the date when due, and shall continue for one (1) year unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction, in which case the lien shall continue until such action is brought to completion. Such claims of lien shall include Assessments which are due and which accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, plus interest, costs, attorney's fees, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The lien of Association shall be subordinate to the lien of any mortgage or any other lien recorded prior to the time of recording Association's claim of lien except that the lien of Association for tax or Special Assessment advances made by Association where any taxing authority having jurisdiction levies any tax or Special Assessment against the Condominium as an entirety instead of levying the same against each Unit and its appurtenant undivided interests in Common Elements, shall be prior in lien, right and dignity to the lien of all mortgages, liens and encumbrances, whether or not recorded prior to Association's claim of lien therefor, and Association's claim of lien for collection of such portion of any tax or Special Assessment shall specifically designate that the same secures an Assessment levied pursuant to this Declaration.
- 14.6. Effect of Foreclosure or Judicial Sale. Subject to the provisions of Section 14.9 hereof, a Unit Owner, regardless of how title has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments which come due while he or she is the Unit Owner, and is also jointly and severally liable with the previous Unit Owner for all unpaid Assessments that came due up to the time of transfer of title. This liability is without prejudice to any right the current Unit Owner may have to recover from the previous Unit Owner the amounts paid by the current Unit Owner.
- 14.7. Effect of Voluntary Transfer. When a Unit Owner proposes to lease, sell or mortgage the Condominium Parcel in compliance with other provisions of this Declaration, Association, upon written request of Unit Owner, shall furnish to the proposed purchaser or mortgagee, a statement verifying the status of payment of any Assessment or charge which shall be due and payable to Association by the Unit Owner. Such statement shall be executed by any officer of Association and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and Association shall be bound by such statement. In the event that a Unit is to be sold or mortgaged at the time when payment of any Assessment or charge against the Unit Owner and the Unit which is due to Association shall be in default (as long as a claim of lien has been recorded by Association) then the proceeds of such sale or mortgage proceeds, as the case may be, shall be applied by the purchaser or mortgagee first to payment of any then delinquent Assessment or charge or installment thereof due to Association before payment of the balance of such proceeds of sale or mortgage to the Unit Owner responsible for payment of such delinquent Assessment. With any voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments and charges against the grantor made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor.
- 14.8. <u>No Election of Remedies</u>. Institution of a suit at law to attempt to effect collection of the payment of any delinquent Assessment or charge shall not be deemed to be an election by Association which shall prevent it from thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt to effect collection of any sum then remaining owing to it.

14.9. <u>Institutional First Mortgagee</u>.

14.9.1. The liability of an Institutional First Mortgagee or its successor or assignees who acquire title to a Unit by foreclosure or by deed in lieu of foreclosure for the unpaid Assessments that became due prior to the mortgagee's acquisition of title shall be governed by the Condominium Act, as it may be amended from time to time. The provisions of this Section shall not apply unless the Institutional First Mortgagee joins Association as a defendant in the foreclosure action. Joinder of Association is not required if, on the date the complaint is filed, Association was dissolved or did not maintain an office or agent for service of process at a location which was known to, or reasonably discoverable by the first mortgagee.

14.9.2. The Institutional First Mortgagee or its successor or assignees acquiring title shall pay the amount owed to Association within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle Association to record a claim of lien against the Unit and proceed in the same manner as provided in this Section for the collection of unpaid Assessments.

14.9.3. The provisions of this subsection shall not be available to shield an Institutional First Mortgagee from liability for Assessments in any case where the unpaid Assessments sought to be recovered by Association are secured by a lien recorded prior to the recording of the mortgage.

14.9.4. In the event of the acquisition of title to a Unit by foreclosure or judicial sale or by deed in lieu of foreclosure, any Assessment(s) or charge(s) as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Unit Owners as a part of the Common Expenses, although nothing herein contained shall be construed as releasing the party personally liable for such delinquent Assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

14.10. Developer's Liability for Assessments.

14.10.1. The Developer guarantees that from the recording of the Declaration of Condominium until December 31, 2013 or the date the control of the Condominium is turned over to the unit owners other than the Developer ("the turnover date"), whichever occurs first, quarterly assessments against each unit for the common expense for the condominium association will not exceed \$624.31. If the turnover date has not occurred by December 31, 2013, the Developer further guarantees that from January 1, 2014 until the first to occur of December 31, 2014 or the turnover date, quarterly assessments against each unit for common expenses for the condominium association will not exceed \$717.96. If the turnover date has not occurred by December 31, 2014, the Developer further guarantees that from January 1, 2015 until December 31, 2015 or the turnover date, quarterly assessments against each unit for common expense for the condominium association will not exceed \$825.65. During the Guarantee Period, the Developer and all units owned by the Developer will not be subject to assessments for common expenses, instead, the Developer will fund the difference, if any between assessments at the guaranteed level and the common expenses incurred during the guarantee period. If at any time during the guarantee period funds collected from the unit owners other that the Developer are not sufficient to provide payment on a timely basis of all common expenses, the Developer shall provide an accounting, and fund any outstanding deficits.

14.10.2. No funds receivable from Unit purchasers or Unit Owners payable to Association or collected by Developer on behalf of Association, other than regular periodic Assessments for Common Expenses as provided in this Declaration and disclosed in the estimated operating budget shall be used for payment of Common Expenses during the Guarantee Period. This restriction shall apply to funds including, but not limited to, capital contributions, reimbursements for utility deposits or start-up funds collected from Unit purchasers at closing. If an audit of the Association's financial records performed for the period which includes the Guarantee Expiration Date (including any extensions thereof), reveals that Developer has funded a greater amount than required under this Section, then any such excess shall be promptly refunded to the Developer by Association.

- 14.11. <u>Possession of Unit</u>. Subject to Association's rights under this Declaration and under law, any person who acquires an interest in a Unit, except Institutional First Mortgagees through foreclosure of a first mortgage of record (or deed in lieu thereof), including, without limitation, persons acquiring title by operation of law, shall be entitled to occupancy of the Unit and enjoyment of the Common Elements in accordance with the purposes for which they are intended, provided that such occupancy and enjoyment do not hinder or encroach upon the lawful rights of other Unit Owners.
- 14.12. Certificate of Unpaid Assessments. Association shall provide a certificate stating all Assessments, Special Assessments and other moneys owed to Association by the Unit Owner with respect to the Condominium Parcel, within fifteen (15) days after request by a Unit Owner or Institutional First Mortgagee. Notwithstanding any limitation on transfer fees contained in Section 718.112(2)(i), Florida Statutes, the Association or its authorized agent may charge a reasonable fee for the preparation of the certificate. The amount of the fee must be included on the certificate. Notwithstanding any limitation on transfer fees contained in Section 718.112(2)(i), Florida Statutes, the Association or its authorized agent may charge a reasonable fee for the preparation of the certificate. The amount of the fee must be included on the certificate.
- 15. <u>Insurance</u>. Insurance covering portions of the Condominium Property shall be governed by the following provisions:
- 15.1. <u>Insurance Trustee</u>. At any time the Board shall have the option to appoint a bank or trust company in Florida with trust powers to act as its insurance trustee ("<u>Insurance Trustee</u>") hereunder. Insurance Trustee and Association shall enter into a written agreement outlining the duties and obligations of Insurance Trustee and Association with respect to the requirements of this Declaration. Insurance Trustee (if appointed) shall not be liable for payment of insurance premiums, nor for the renewal or the sufficiency of insurance policies nor for the failure to collect any insurance proceeds. If Association does not appoint an Insurance Trustee, Association will perform directly all obligations imposed upon such Insurance Trustee by this Declaration. The sole duty of Insurance Trustee shall be to receive such proceeds of property insurance as are paid and to hold the same in trust for the purposes herein stated, and for the benefit of Association, Unit Owners and their respective mortgagees, to be disbursed as herein provided. Association shall pay a reasonable fee to Insurance Trustee for services rendered hereunder and shall pay such costs and expenses as Insurance Trustee may incur in the performance of its duties hereunder; such fees and costs to be assessed against and collected from Unit Owners as a Common Expense. Insurance Trustee shall be liable only for its willful misconduct or gross negligence, and then only for such money as may come into the possession of Insurance Trustee.
- 15.2. <u>Named Insured</u>. The named insured shall be Association, individually, and as agent for Unit Owners covered by the policy, without naming them and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be additional insureds. Named as an insured may also be Association's

authorized representative, on behalf of Association, including Insurance Trustee or any successor to Insurance Trustee.

- 15.2.1. <u>Custody of Policies and Payment of Proceeds</u>. All policies shall provide that payments for losses made by the insurer shall be paid to Insurance Trustee (if appointed), or to Association (if no Insurance Trustee is appointed), and all policies and endorsements thereto shall be deposited with Insurance Trustee (if appointed) or otherwise with Association.
- 15.2.2. <u>Copies to Mortgagees</u>. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy.
- 15.3. <u>Coverage</u>. Association shall use its best efforts to obtain and maintain adequate insurance issued by insurance carriers generally acceptable to FNMA or FHLMC (see FNMA Conventional Home Mortgage Seller's Contract Supplement and the FHLMC Seller's Guide) covering the following:
- 15.3.1. Property Insurance. The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units initially installed, or replacements thereof, of like kind or quality in accordance with the original plans and specifications therefor, or as it existed at the time the Unit was initially conveyed if the original plans and specifications are not available, but excluding floor coverings, wall coverings and ceiling coverings, all furniture, furnishings, electrical fixtures, appliances, airconditioning or heating equipment, water heaters, built-in cabinets or other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners) and all Improvements located on the Common Elements from time to time, together with all service machinery contained therein (collectively, the "Insured Property"), shall be insured in an amount not less than one hundred percent (100%) of the full insurable replacement value thereof, excluding foundation and excavation costs so that there will be no co-insurance applicable. The insurance policy shall provide a replacement cost valuation. Such policies may contain deductible provisions as determined by the Board. Such coverage shall afford protection against loss or damage by fire and other hazards covered on an all-risk basis.
- 15.3.2. <u>Liability</u>. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board. The limits required can be satisfied by using an umbrella liability policy, which would serve to indemnify the Association for loss in excess of the total applicable limits of liability stated in the schedule of underlying primary insurance policies. Each policy shall have a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa.
- 15.3.3. <u>Workers' Compensation Insurance</u>. Workers' compensation including employer's liability in an amount determined by the Board and other mandatory insurance, when applicable.
 - 15.3.4. Flood Insurance. Flood insurance if Association so elects.
- 15.3.5. <u>Fidelity Insurance</u>. Fidelity insurance covering all Directors, officers and employees of Association and managing agents who handle Association funds in an amount equal to the maximum funds that will be in the custody of the Association or its management agent at any one time.
- 15.3.6. <u>Directors and Officers Insurance</u>. Directors and officers insurance, if desired and/or required under the provisions of the Act, covering all Directors, officers and employees of Association, for claims arising out of their alleged "wrongful acts."
 - 15.3.7. <u>Windstorm Coverage</u>. Windstorm coverage if Association so elects.
- 15.3.8. <u>Other Insurance</u>. Such other insurance as the Board shall determine from time to time to be desirable.
- 15.3.9. <u>Waiver of Subrogation</u>. When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right of subrogation against Association and against the Unit Owners individually and as a group.
- 15.4. <u>Premiums</u>. Premiums upon insurance policies purchased by Association shall be paid by Association as a Common Expense. Premiums may be financed in such manner as the Board deems appropriate.
- 15.5. <u>Proceeds</u>. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit.
- 15.6. <u>Mortgagees</u>. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

- 15.7. <u>Distribution of Proceeds</u>. Proceeds of insurance policies received by Insurance Trustee (if appointed) or Association shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:
- 15.7.1. Expenses of the Trust. All expenses of Insurance Trustee (if appointed) shall be first paid or provisions shall be made therefor.
- 15.7.2. <u>Reconstruction or Repair</u>. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them. Regardless of any delay in disbursement, only Unit Owners holding title at the time of any disbursement of insurance proceeds shall have any rights to the same.
- 15.7.3. <u>Failure to Reconstruct or Repair</u>. If elsewhere it is determined in the manner provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 15.7.2 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages, and the balance, if any, to the beneficial owners. This is a covenant for the benefit of any Institutional First Mortgagee of a Unit and may be enforced by them.
- 15.7.4. <u>Certificate</u>. In making the distributions to Unit Owners and their mortgagees, Insurance Trustee (if appointed) may rely upon a certificate of Association made by its President or Vice President or Association's attorney as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution. Insurance Trustee (if appointed) may rely upon a certificate of Association made by its President or Vice-President or Association's attorney to determine whether or not the damaged property is to be reconstructed or repaired.
- 15.8. <u>Association as Agent</u>. Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to purchase and maintain insurance policies, adjust all claims arising under insurance policies purchased by Association, collect and appropriately distribute the proceeds of insurance policies, execute and deliver releases upon the payment of claims and execute any document necessary for the performance of any of the insurance provisions of the Condominium Documents. Association may designate Insurance Trustee to act as the attorney-in-fact.
- Unit Owners Personal Coverage. Unit Owners are required to obtain insurance coverage at their own expense upon the property lying within the boundaries of their Unit, garages(s) and storage space(s), if applicable, including, but not limited to, their personal property, all floor, wall and ceiling coverings, electrical fixtures, appliances, air conditioning and heating equipment, air conditioner air handling equipment, water heaters and built-in cabinets. Unit Owners should also obtain personal liability and living expense insurance. Insurance policies issued to individual Unit Owners shall provide that the coverage afforded by such policies is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against Association. Unless Association elects otherwise, the insurance purchased by Association shall not cover claims against a Unit Owner due to accidents occurring within his or her Unit, garages(s) or storage space(s), if any, nor casualty or theft loss to the contents of such Unit, garages(s) or storage space(s), if any. It shall be the obligation of the individual Unit Owner, if such Unit Owner so desires, to purchase and pay for insurance as to all such other risks not covered by insurance carried by Association. The Association shall require each owner to provide evidence of a currently effective policy of hazard and liability insurance upon request, but not more than once per year. Upon the failure of a Unit Owner to provide a certificate of insurance issued by an insurer approved to write such insurance in this state within thirty (30) days after the date on which a written request is delivered, the Association may purchase a policy of insurance on behalf of a Unit Owner. The cost of such a policy, together with reconstruction costs undertaken by the Association, but which are the responsibility of the Unit Owner may be collected in the manner provided for the collection of assessments pursuant to Section 718.116, Florida Statutes. Unit Owners are responsible for the cost of reconstruction of any portions of the condominium property for which the Unit Owner is required to carry casualty insurance, and any such reconstruction work undertaken by the Association shall be chargeable to the Unit Owner and enforceable as an assessment pursuant to Section 718.116, Florida Statutes. The Association must be an additional named insured and loss payee on all casualty insurance policies issued to Unit Owners in the Condominium operated by the Association.

16. Reconstruction or Repair After Fire, Acts of Terrorism or Other Casualty.

16.1. Determination to Reconstruct or Repair. In the event of damage to or destruction of the Insured Property, the Board shall arrange for the prompt repair and restoration of the Insured Property; provided, however if seventy-five percent (75%) or more of the Insured Property is substantially damaged or destroyed and if Unit Owners owning eighty percent (80%) of the applicable interests in the Common Elements vote not to proceed with the repair or restoration thereof, the Condominium Property will not be repaired and shall be subject to an action for partition instituted by Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit, and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of Association; provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his or her share of such funds all mortgages and liens on his

or her Unit in the order or priority of such mortgages and liens. Notwithstanding anything herein to the contrary, the condominium form of ownership may be terminated by a plan of termination approved by the lesser of the lowest percentage of voting interests necessary to amend this Declaration for approval of termination when (a) the total estimated cost of repairs necessary to restore the improvements to their former condition or bring them into compliance with applicable laws or regulations exceeds the combined fair market value of all units in the Condominium after completion of the repairs; or (b) it becomes impossible to operate or reconstruct the Condominium in its prior physical configuration because of land use laws or regulations.

- 16.2. <u>Plans and Specifications</u>. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements; or if not, then in accordance with the plans and specifications approved by the Board, and if the damaged property which is to be altered is a Building, by a majority of Unit Owners of that Building. Notwithstanding the foregoing, each mortgagee of a Unit which will be altered shall have the right to approve the plans for the alteration, which approval shall not be unreasonably withheld.
- 16.3. <u>Unit Owner Responsibility</u>. If there is damage to those parts of the Condominium for which the responsibility of maintenance and repair is that of the Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair. In all other instances, the responsibility for all necessary reconstruction and repair shall be that of Association.
- 16.4. <u>Estimate of Costs</u>. Immediately after a determination is made to rebuild or repair damage to property for which Association has the responsibility of reconstruction and repair, Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.
- 16.5. Special Assessments and Additional Charges. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by Association, or if at any time during reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs of reconstruction and repair are insufficient, Special Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Special Assessments on account of damage to the Insured Property shall be in proportion to all of the Unit Owners' respective shares in the Common Elements.
- 16.6. <u>Disbursement of Construction Funds</u>. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:
- 16.6.1. <u>Lesser Damage</u>. If the amount of the estimated costs of reconstruction and repair which are the responsibility of Association is less than One Hundred Thousand Dollars (\$100,000), then the construction fund shall be disbursed in payment of such costs upon the order of the Board; provided, however, that upon request to Association by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage as set forth in Section 16.6.2 below.
- 16.6.2. <u>Major Damage</u>. If the amount of the estimated costs of reconstruction and repair which are the responsibility of Association is equal to or more than One Hundred Thousand Dollars (\$100,000), then the construction fund shall be disbursed in payment of such costs in the manner contemplated by Section 16.6.1 above, but then only upon the further approval of an architect qualified to practice in Florida and employed by Association to supervise the work.
- 16.6.3. <u>Surplus</u>. It shall be presumed that the first moneys disbursed in payment of cost of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated, except, however, that part of a distribution to a Unit Owner which is not in excess of Assessments paid by such Unit Owner into the construction fund shall not be made payable to any mortgagee.
- 16.6.4. Certificate. Notwithstanding the provisions herein, Insurance Trustee (if appointed) shall not be required to determine whether or not sums paid by Unit Owners upon Special Assessments shall be deposited by Association with Insurance Trustee (if appointed), nor to determine whether the disbursements from the construction fund are to be made upon the order of Association alone or upon the additional approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Special Assessments paid by Unit Owners, nor to determine the payees nor the amounts to be paid. Insurance Trustee (if appointed) may rely upon a certificate of Association, made by its President or Vice President or Association's attorney, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

17. <u>Condemnation</u>.

- 17.1. <u>Deposit of Awards with Insurance Trustee</u>. The taking of portions of the Condominium Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with Insurance Trustee (if appointed). Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with Insurance Trustee (if appointed).
- 17.2. <u>Determination Whether to Continue Condominium</u>. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be

reconstructed and repaired after casualty. For this purpose, the taking by eminent domain shall also be deemed to be a casualty.

- 17.3. <u>Disbursement of Funds</u>. If the Condominium is terminated after condemnation, the proceeds of the awards and Special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and Special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 17 specifically provided.
- 17.4. <u>Unit Reduced but Habitable</u>. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
- 17.4.1. <u>Restoration of Unit</u>. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged against the Unit Owner.
- 17.4.2. <u>Distribution of Surplus</u>. The balance of the award in respect of the Unit, if any, shall be distributed to the Unit Owner and to each mortgagee of the Unit, the remittance being made payable jointly to the Unit Owner and such mortgagees.
- 17.5. <u>Unit Made Uninhabitable</u>. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
- 17.5.1. Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagee in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to Association for any due and unpaid Assessments and Special Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.
- 17.5.2. Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
- 17.5.3. <u>Adjustment of Shares</u>. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus equally among the reduced number of Unit Owners (and among reduced Units).
- 17.5.4. Special Assessments. If the balance of the award (after payments to the Unit Owner and such Unit Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Special Assessments against all of the Unit Owners who will continue as Unit Owners after the changes in the Condominium affected by the taking. The Special Assessments shall be made in proportion to the applicable percentage shares of those Unit Owners after all adjustments to such shares affected pursuant hereto by reason of the taking.
- 17.5.5. Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and Association within thirty (30) days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Unit Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Unit Owners as they exist prior to the adjustments to such shares affected pursuant hereto by reason of the taking.
- 17.6. Taking of Common Elements. Awards for the taking of Common Elements or Limited Common Elements shall be used to render the remaining portion of the Common Elements or Limited Common Elements usable in the manner approved by the Board; provided that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Unit Owner and the mortgagees of the Unit.

- 17.7. <u>Discretion of Board</u>. In circumstances not covered by this Declaration or by law, a two-thirds (2/3) majority of the Board may, upon an opinion of counsel that its decision is reasonable, deal with the condemnation in such reasonable manner as it determines to be appropriate under the circumstances.
- 17.8. <u>Amendment of Declaration</u>. The changes in Units, in the Common Elements, in the Limited Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are affected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by and executed upon the direction of a majority of the Board.
- 18. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:
- Assumption of Risk. Without limiting any other provision in this Declaration, each person within any portion of the Common Elements accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupation of any portion of such Common Elements including, without limitation, (a) noise from maintenance equipment, (b) use of pesticides, herbicides and fertilizers, (c) view restrictions caused by maturation of trees, shrubbery, or other buildings (d) reduction in privacy caused by the removal or pruning of shrubbery or trees within the Condominium, and (e) design of any portion of the Condominium. Each person also expressly indemnifies and agrees to hold harmless Developer, Association, and all employees, directors, representatives, officers, agents, and partners of the foregoing, from any and all damages, whether direct or consequential, arising from or relating to the person's use of the Common Elements including, without limitation, attorneys' fees, paraprofessional fees and costs, pre-trial, at trial and upon appeal. Without limiting the foregoing, all persons using the Common Elements do so at their own risk. BY ACCEPTANCE OF A DEED, EACH UNIT OWNER ACKNOWLEDGES THAT THE COMMON ELEMENTS OR SURROUNDING AREAS MAY CONTAIN WILDLIFE SUCH AS ALLIGATORS, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS, AND FOXES. DEVELOPER AND ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING UNIT OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH UNIT OWNER AND HIS OR HER GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.
- 18.2. <u>Awnings, Canopies and Shutters</u>. No awning, canopy or shutter shall be attached or affixed to the exterior of a Unit unless such awning, canopy or shutter has been approved by the Board in writing. The Board has the absolute discretion to approve or disapprove any awning, canopy or shutters; provided, however, the Board must approve the installation or replacement of hurricane shutters conforming to the hurricane shutter specifications adopted by the Board.
 - 18.3. <u>Barbecue Grills</u>. Barbecue grills are prohibited on any portion of the Condominium.
- 18.4. <u>Bicycles</u>. Bicycles may not be stored in the balconies, patios, terraces or in any place that causes the bicycle to be visible from the exterior of the Buildings. Bicycles are not permitted in the lobby, any corridor or hallway of the Condominium, if any.
- 18.5. <u>Common Elements</u>. The Common Elements and Limited Common Elements shall be used only for the purposes of which they are intended in the furnishing of services and facilities for the enjoyment of the Unit Owners.
- 18.6. <u>Effect on Developer; Association.</u> The restrictions and limitations set forth in this Section 18 shall not apply to Developer or to Units owned by Developer unless the Rules of the Act as it currently exists require otherwise. Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 18 for good cause shown.
- 18.7. Exterior Improvements; Landscaping. Without limiting the other provisions hereof, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, or windows of the Building (including, but not limited to, awnings, signs, storm shutters, furniture, fixtures, and equipment), nor to plant or grow any type of shrubbery, flower, tree, vine, grass or other plant life outside his Unit, without the prior written consent of the Board; provided, however, a removable United States of America flag and removable official flags, not larger than four and one-half (4 1/2) feet by six (6) feet, that represent the United States Army, Navy, Air Force, Marine Corps, or Coast Guard may be displayed as well as an attachment on the mantel or frame of the door of the Unit Owner of a religious object not to exceed three (3) inches wide, six (6) inches high and one and a half (1.5) inches deep, all as permitted by the Act. Prior to placing or affixing satellite dishes or antennas within a Unit or on the Limited Common Elements of the Unit, Unit Owner shall obtain Association's written approval. Due to the restrictions set forth in Section 18.14.4 relative to affixing satellite dishes or antennas, Association will in no way consent to satellite dishes or antennas being affixed in a way that penetrates the post tension concrete slab system.
- 18.8. <u>Lawful Use</u>. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or any part thereof; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies pertaining to maintenance, replacement, modification or repair of the Condominium Property shall be the same as is elsewhere herein specified.
- 18.9. <u>Leases</u>. No portion of a Unit (other than an entire Unit) may be rented. All leases shall be in writing and on forms approved by Association and shall provide (or, if it does not provide, shall be automatically

deemed to provide) that (i) a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of this Declaration (and all Exhibits hereto) and with any rules and regulations adopted by the Association from time to time (before or after the execution of the lease) and (ii) Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles and Bylaws of Association, applicable Rules or other applicable provisions of any agreement, document or instrument governing the Condominium or administered by Association. Landlord is obligated to sufficiently assure the Board that no Home will be occupied by any sexual offender or predator or anyone who has been arrested or adjudicated as a sexual offender or predator. Unit Owners are responsible for providing to their tenants copies of all such documents or instruments. Each lease must be for a minimum period of one (1) month or thirty (30) days, whichever is less, but no Unit may be leased more than four (4) times in any one calendar year. No subleasing or assignment of lease rights by the tenant is permitted. Association may also charge a reasonable fee to offset the costs of a background check on tenant. Association has the authority to require that a security deposit in an amount not to exceed the equivalent of one (1) month's rent (or such greater amount permitted from time to time by the Act) be deposited into an account maintained by Association as permitted by the Act. The security deposit shall protect against damages to the Common Elements or Association Property. A security deposit held by Association under this Section 18.9 shall be governed by Chapter 83 of the Florida Statutes, as it may be renumbered from time to time. The Unit Owner will be jointly and severally liable with the tenant to Association for any amount in excess of such sum which is required by Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant.

- 18.10. <u>Litter</u>. No article of personal property shall be hung or shaken from the doors or windows of any Unit. No Unit Owner shall sweep or throw from his Unit any dirt or any other materials. No garbage, trash, refuse or rubbish shall be deposited, dumped, or kept on any part of the Common Elements except closed containers deposited in chutes or placed for pick-up in accordance with Rules promulgated by the Board.
- 18.11. <u>Nuisances</u>. No nuisances shall be allowed upon the Condominium Property, nor any use or practice which is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the Condominium Property by residents. No use shall be made of any Unit or of the Common Elements or Limited Common Elements which will increase the rate of insurance upon the Condominium Property.

18.12. Parking.

- 18.12.1. Exterior Parking is solely for non-commercial automobiles with a current passenger registration. No vehicle which cannot operate on its own power shall be permitted to remain on the Condominium Property for more than forty-eight (48) hours.
- 18.12.2. No commercial vehicles, campers, mobile homes, motor homes, house trailers, or trailers of every other description, boats or boat trailers or vans shall be permitted to be parked or to be stored at any place on the Condominium Property except within an enclosed garage; provided, however, the Board shall have the right to permit service vehicles or vans to be parked for specified periods of time in designated service parking areas. The term commercial vehicle shall not be deemed to include recreational or utility vehicles (i.e. BroncosTM, BlazersTM, ExplorersTM, minivans, jeeps or other sport utility vehicles, etc.) no longer than 19' or clean "nonworking" vehicles such as pick-up trucks and vans not in excess of 3/4 ton or cars, if they are used by the Unit Owner on a daily basis for normal transportation. The term commercial vehicle shall also not be deemed to include law enforcement vehicles. Notwithstanding any other provision in this Declaration to the contrary, the foregoing provisions shall not apply to construction or maintenance vehicles in connection with the construction, improvement, installation, or repair by Developer of any part of the Condominium Property. This prohibition of parking shall not apply to temporary parking of trucks and commercial vehicles, such as for pick-up, delivery and other temporary commercial services. In addition, this parking prohibition shall not apply to Developer's vehicles when engaged in any activity relating to construction, maintenance or marketing of Units.
- 18.12.3. No vehicle maintenance or repairs shall be performed on the Condominium Property, except for emergency repairs.
- 18.13. Pets. Each Unit may house up to two (2) animals, in the aggregate, which may only be domestic cats and/or dogs, unless such animals are of a breed prohibited by County, City or any other ordinance, each of which must weigh less than twenty-five (25) pounds. Notwithstanding the foregoing, pit bull and pit bull mix dogs or other recognized aggressive breeds of dogs shall be prohibited regardless of size or weight. A pit bull or pit bull mix dog is defined as any dog that, in the sole and exclusive discretion of the Board, has the appearance and characteristics of being predominantly and commonly referred to as a "pit bull" regardless of the opinion of any veterinary doctor. Any Unit Owner who keeps or maintains any pet, in exchange for and in consideration of the privilege to keep the pet, hereby indemnifies and holds the Association and each Unit Owner free and harmless from any loss, claim or liability of any kind or character of whatever nature arising from or related to the keeping or maintaining of such pet in the Community. Association may prohibit other breeds of dogs that the Board considers dangerous in its sole discretion. Further, each Unit may house fish and/or two (2) domestic (household type) birds, as long as the fish and birds are kept indoors and do not become a source of annoyance to other Unit Owners. Pets shall not be allowed on or about the Common Elements except on a leash of no longer than six (6) feet or when being carried by their owner. No pets shall be left unattended in or on the balcony, patio or other similar area even if the area has been enclosed. No reptiles, wildlife, amphibians, poultry or livestock shall be raised, bred or kept on the Condominium Property. No pets or other animals shall cause or be the source of annoyance, nuisance or disturbance to any other owner or occupant. Each pet owner shall be responsible for the removal and disposal of the pet's feces or waste. The ability to have and keep an animal or pet is a privilege, not a right, and the Board is empowered to order and enforce the removal of any animal or pet which becomes a source of annoyance to other residents of the Condominium or in any way causes any damage to the property. Unit Owners

may provide in a lease that tenants shall not be permitted to keep or have pets of any kind. The pet restrictions provided for herein apply to pets visiting a Unit and pets permanently housed in a Unit.

- 18.14. <u>Post Tension Concrete Slab System</u>. The Condominium may be constructed using a post tension concrete slab system. Nothing can be allowed to penetrate the slabs of the Buildings without the permission of the Board, which may be withheld for any reason.
- 18.14.1. This means that there can be no penetration into the top or underside of a slab. By way of example, the Units are not designed to allow the installation of a ceiling fan, soffits or lighting in the ceiling unless the same are part of the original construction. No penetration into the surface is permitted in structural walls, columns and floors. Each Unit Owner indemnifies and holds harmless Association and every other Unit Owner from any and all damages, liabilities and costs including, without limitation, attorneys' and paraprofessional fees and costs (pre-trial and at all levels including trial and appellate levels), resulting from such Unit Owner's improper penetration of any slab within the Condominium.
- 18.14.2. Trellis work and lattice work are not permitted if penetration that will in any way affect the post tension concrete slab system is required.
- 18.14.3. The installation of hurricane shutters may be restricted. There may be restrictions as to the types of installation permitted and the method of fastening the hurricane shutters to the Buildings.
- 18.14.4. Satellite dishes and antennas shall not be affixed in a way that penetrates the post tension concrete slab system.
- 18.15. <u>Rules and Regulations</u>. Reasonable Rules concerning the use of the Condominium Property may be made and amended from time to time by a majority vote of the Board. Copies of such Rules and amendments thereto shall be furnished by Association to all Unit Owners and residents of the Condominium upon request.
- 18.16. <u>Signs</u>. No signs, advertisement, notice, lettering or descriptive design of any kind shall be displayed or placed upon any part of the Condominium Property except in a place, style and manner approved by the Board in its sole discretion.
- Units. Each Unit shall be used as a residence only, except as otherwise herein expressly provided and no commercial occupation or activity may be carried on in any Unit except as such occupation or activity is permitted to be carried on by Developer under this Declaration. Notwithstanding the foregoing, a Unit may contain a home office so long as no business invitees visit the Unit and the home business activities do not pose a nuisance to other Unit Owners and residents. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, in addition to such persons' families and guests: (i) the individual Unit Owner, (ii) an officer, director, stockholder or employee of such corporation, (iii) a partner of or employee of such partnership, (iv) the fiduciary or beneficiary of such trust or other fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be. Occupants of an approved leased or subleased Unit must be the following persons, in addition to such person's families and guests: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, (iii) a partner or employee of a partnership lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee. Under no circumstances may more than one family reside in a Unit at one time. "Families" or words of similar import used herein shall be deemed to include spouse, parents, parents-in-law, brothers, sisters, children, grandchildren, unmarried couples and housekeepers. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom. The Board shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above.
- 18.18. <u>Utility Addition</u>. No additional utility fixture or improvement including, without limitation, any water, sewage, electrical, air conditioning or heating system, line, duct, conduit, pipe, or wire shall be added to service any Unit without the prior written consent thereto by the Board.

18.19. Weight and Sound Restrictions.

- 18.19.1. Unless installed by Developer or otherwise first approved by the Board, hard and/or heavy surface floor coverings, such as tile, marble, wood, and the like will be permitted only in foyers and bathrooms. Installation of hard surfaced floor coverings (other than by Developer) in any other areas must have sound absorbent padding approved by the Board, or a less dense floor covering, such as carpeting, must be used in such areas. Use of a hard and/or heavy surface floor covering in a location other than the foyer or the bathrooms must be submitted to and approved by the Board and also meet applicable structural requirements. The restrictions on installation of hard surfaced floor coverings do not apply to the Units located on the ground floor.
- 18.19.2. Also, the installation of any improvement or heavy object must be submitted to and approved by the Board, and be compatible with the overall structural design of the Building.
 - 18.19.3. The installation of a waterbed is strictly prohibited.
- 18.19.4. The Board may require a structural engineer to review certain of the proposed improvements, with such review to be at the Unit Owner's sole expense. The Board will have the right to specify the exact material to be used on balconies and patios. Any use guidelines set forth by Association shall be consistent with good design practices for the waterproofing and overall structural design of the Building. Unit Owners will be

held strictly liable for violations of these restrictions and for all damages resulting therefrom and Association has the right to require immediate removal of violations. Applicable warranties of Developer, if any, shall be voided by violations of these restrictions and requirements.

18.19.5. Each Unit Owner, by acceptance of a deed or other conveyance of their Unit, hereby acknowledges and agrees that sound transmission in a building such as the Condominium is very difficult to control, and that noises from adjoining or nearby Units and or mechanical equipment can often be heard in another Unit. By way of example, certain fans in the Condominium may run continuously, causing noise and vibration. Noise from stairwells and elevator operation is normal for this type of building. Flushing toilets, generators, high heels walking on tiles or marble, alarms, pumps and intermittent fans all make noise and vibrations which will be noticeable to some Unit Owners. These sounds are normal, and to be expected. Volumes and pitches may vary, and are not guaranteed. Developer does not make any representation or warranty as to the level of sound transmission between and among Units and other portions of the Condominium Property, and each Unit Owner hereby waives and expressly releases Developer from any such warranty and claim for loss or damages resulting from sound transmission.

- 18.20. <u>Hurricane Shutters</u>. Any hurricane shutters or other protective devices visible from outside a Unit shall be of a type and color as approved in writing by the Board. The Board will specify the type and color of all hurricane shutters, in accordance with local building code. Panel, accordion and roll-up style hurricane shutters may not be left closed during hurricane season (nor at any other time). Any hurricane shutters may be installed or closed up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning or as the Board may determine otherwise, and if not so opened or removed by a Unit Owner, such shutters may be opened or removed by the Association at the expense of such Unit Owner. Except as the Board may otherwise decide, shutters may not be closed at any time other than a storm event. Any approval of the Board shall not be deemed an endorsement of the effectiveness of hurricane shutters.
- 19. <u>Compliance and Default</u>. Each Unit Owner and every occupant of a Unit and Association shall be governed by and shall comply with the terms of this Declaration, all exhibits attached hereto, and the Rules. Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:
- 19.1. <u>Negligence</u>. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement made necessary by his or her negligence or by that of any member of his or her family or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected with respect to such negligence by Association.
- 19.2. <u>Compliance</u>. In the event a Unit Owner or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of this Declaration, the Articles, the Bylaws, applicable Rules or any other agreement, document or instrument affecting the Condominium Property or administered by Association, in the manner required, Association shall have the right to proceed in a court of equity to require performance and/or compliance, to impose any applicable fines, to the extent permitted by, and in accordance with, the Act, and to sue in a court of law for damages. In addition, Association shall have the irrevocable right of access to each Unit during reasonable hours when necessary for the maintenance, repair, or replacement of any Common Elements or Limited Common Elements or to another Unit or Units.
- 19.3. <u>Costs and Attorneys' Fees</u>. In any proceeding arising because of an alleged failure of a Unit Owner or Association to comply with the requirements of the Act, this Declaration, the exhibits attached hereto or the Rules, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees, paraprofessional fees and costs (pre-trial and at all levels, including trial and appellate levels) as may be awarded by the court.
- 19.4. <u>No Waiver of Rights</u>. The failure of Association or any Unit Owner to enforce any covenant, restriction or other provisions of the Act, this Declaration and the exhibits shall not constitute a waiver of their right to do so thereafter.
- 20. Merger of Condominium and/or Association. When the Board intends to merge the Condominium, or merge Association, the Board shall so notify the Division before taking any action to merge the Condominium or Association. The Condominium may be merged with one or more condominiums within the Master Community to form a single condominium upon (i) the approval of such Voting Interests of each condominium as is required by each declaration for modifying the appurtenances to the Units or changing the proportion or percentages by which the owners of the Condominium Parcels share the Common Expenses and own the Common Surplus, and (ii) the recording of new or amended Articles of Incorporation, Declaration(s) of Condominium and/or Bylaws.
- 21. <u>Termination of Condominium and/or Dissolution of Association</u>. The Condominium may be terminated in the following manner:
- 21.1. <u>Termination Because of Economic Waste or Impossibility.</u> The condominium form of ownership may be terminated by a plan of termination approved by the lesser of the lowest percentage of voting interests necessary to amend this Declaration for approval of termination when (a) the total estimated cost of repairs necessary to restore the improvements to their former condition or bring them into compliance with applicable laws or regulations exceeds the combined fair market value of all units in the condominium after completion of the

- repairs; or (b) it becomes impossible to operate or reconstruct the Condominium in its prior physical configuration because of land use laws or regulations.
- 21.2. Optional Termination. The condominium form of ownership may be terminated by a plan of termination authorized by a vote of Unit Owners owning at least eighty percent (80%) of the total voting interests of the condominium and the Primary Institutional Mortgagee if not more than 10 percent of the total voting interests of the condominium have rejected the plan of termination by negative vote or by providing written objections thereto (after twenty percent (20%) of the Units have been sold to Unit Owners other than Developer, Developer will not vote the Units owned by it for such withdrawal unless the Unit Owners of at least eighty percent (80%) of all other applicable interests in the Common Elements so elect for such withdrawal, at which time Developer may choose to vote either in favor of or against withdrawal from Condominium ownership, as it sees fit).
- 21.3. <u>Mortgage Lienholders.</u> Notwithstanding the foregoing, the Condominium cannot be terminated nor can the Association be dissolved without the consent of all Institutional First Mortgagees and Developer so long as Developer holds any Unit for sale in the ordinary course of business. Such prior consent of the Institutional First Mortgagees may not be unreasonably withheld.
- 21.4. <u>Plan of Termination.</u> The plan of termination shall be a written document executed in the same manner as a deed by Unit Owners having the requisite percentage of voting interests to approve the plan and by the termination trustee. A copy of the proposed plan of termination shall be given to all Unit Owners in the same manner as for notice of an annual meeting, at least 14 days prior to the meeting at which the plan of termination is to be voted upon or prior to or simultaneously with the distribution of the solicitation seeking execution of the plan of termination or written consent to or joinder in the plan. A Unit Owner may document assent to the plan by executing the plan or by consent to or joinder in the plan in the manner of a deed. A plan of termination and the consents or joinders of Unit Owners and mortgagees must be recorded in the public records of each county in which any portion of the condominium is located. The plan is effective only upon recordation or at a later day specified in the plan. The plan of termination must specify:
 - 21.4.1. the name, address and powers of the termination trustee;
 - 21.4.2. a date after which the plan of termination is void if it has not been recorded;
 - 21.4.3. the interests of the respective Unit Owners in the Association property, common surplus, and other assets of the Association, which shall be the same as the respective interests of the Unit Owners in the Common Elements immediately before the termination, unless otherwise provided herein;
 - 21.4.4. the interests of the respective Unit Owners in any proceeds from the sale of the Condominium property. The plan of termination may apportion those proceeds pursuant to any method prescribed in Section 718.117(12), Florida Statutes. If the plan of termination provides for the sale of condominium property or real property owned by the Association, the plan must provide for the sale and may establish any minimum sales terms.
 - 21.4.5. any interests of the respective Unit Owners in any insurance proceeds or condemnation proceeds that are not used for repair or reconstruction at the time of termination in accordance with this Declaration and Section 718.117(12), Florida Statutes;
 - 21.4.6. that each unit owner retains the exclusive right of possession to the portion of the real estate that formerly constituted the unit, in which case the plan must specify the conditions of possession.
- 21.5. <u>Allocation of Proceeds of Sale of Condominium Property.</u> The portion of proceeds allocated to the units shall be further apportioned among the individual units. The apportionment is deemed fair and reasonable if it is so determined by the unit owners, who may approve the plan of termination by any of the following methods:
 - 21.5.1. The respective values of the units based on the fair market values of the units immediately before the termination, as determined by one or more independent appraisers selected by the association or termination trustee;
 - 21.5.2. The respective values of the units based on the most recent market value of the units before the termination, as provided in the county property appraiser's records; or
 - 21.5.3. The respective interests of the units in the common elements specified in the declaration immediately before the termination.
- 21.6. Distribution of the proceeds of sale of Condominium property shall be in accordance with Section 18.117(17), Florida Statutes.
- 21.7. <u>Termination Trustee.</u> The Association shall serve as the termination trustee unless another person is appointed in the plan of termination. If the Association is unable, unwilling or fails to act as trustee, any Unit Owner may petition the court to appoint a trustee. Upon the date of recordation, or at a later date specified in the plan, title to the condominium property vests in the trustee, with the Unit Owners becoming the beneficiaries of the proceeds realized from the plan of termination. The termination trustee may deal with the Condominium property or any interest therein if the plan confers on the trustee the authority to protect, conserve, manage, sell or dispose of the Condominium property. The trustee, on behalf of the Unit Owners, may contract for the sale of the real property,

but the contract is not binding on the Unit Owners until the plan of termination is recorded. Unless prohibited by the plan, the termination trustee shall be vested with the powers given to the Board pursuant to the Declaration, Bylaws and as set forth in Section 718.117(6), Florida Statutes. If the Association is not the termination trustee, the trustee's powers shall be coextensive with those of the Association to the extent not prohibited in the plan of termination or the order of appointment. If the Association is not the termination trustee, the Association shall transfer any Association property to the Trustee. If the Association is dissolved, the trustee shall also have such other powers necessary to conclude the affairs of the Association.

- 21.8. Within thirty (30) days after a plan of termination has been recorded, the termination trustee shall deliver by certified mail, return receipt requested, notice to all Unit Owners, lienors of the Condominium property, and lienors of all units at their last known addresses that a plan of termination has been recorded. The notice must include the book and page number of the public records in which the plan was recorded, notice that a copy of the plan shall be furnished upon written request, and notice that the unit owner or lienor has the right to contest the fairness of the plan. Within ninety (90) business days following the recordation of such certificate, Association shall (i) notify the Division of the termination and the date the certificate was recorded, the county where the certificate was recorded, and the book and page number of the public records where the certificate was recorded, and (ii) provide the Division with a copy of the recorded plan certified by the clerk of County.
- 21.9. A Unit Owner or lienor may, in accordance with Section 718.117(16), Florida Statutes, contest a plan of termination by initiating a summary procedure pursuant to Section 51.011, Florida Statutes, within ninety (90) days after the date the plan is recorded. A Unit Owner or lienor who does not contest the plan within the ninety (90) day period is barred from asserting or prosecuting a claim against the Association, the termination trustee, any Unit Owner or any successor in interest to the Condominium property.
- 21.10. Notwithstanding anything herein to the contrary, in the event the Association is dissolved, the Land and each Unit therein shall continue to be subject to the provisions of this Declaration, including, without limitation, the provisions respecting Assessments and the Master and Golf Club Declarations specified in this Declaration. Each Unit Owner shall continue to be personally obligated to the successors or assigns of Association and/or Master and Golf Club Associations, as the case may be, for Assessments and Dues to the extent that Assessments and Dues are required to enable the successors or assigns of Association and/or Golf Club and Master Associations to properly maintain, operate and preserve the Common Elements and/or Golf Club. Without limiting the foregoing, the obligation of each Unit Owner to pay the Assessments and Dues shall survive the dissolution of Association. The provisions of this Section shall only apply with regard to the maintenance, operation, and preservation of those portions of the Land which had been Common Elements and/or comprised part of the Master Community and Golf Club and continue to be so used for the common use and enjoyment of the Owners.
- 21.11. The termination of the Condominium does not change the corporate status of the Association that operated the Condominium property. The Association shall continue to exist to conclude its affairs, prosecute and defend actions by or against it, collect and discharge obligations, dispose of any convey its property, and collect and divide its assets, but not to act except as necessary to conclude its affairs.
- 21.12. The termination of the Condominium does not bar the creation by the termination trustee of another Condominium affecting any portion of the same property, nor does anything contained in this Section apply to the termination of the Condominium incident to a merger of the Condominium with one or more other Condominiums
- 22. <u>Additional Rights of Institutional First Mortgagees</u>. In addition to all other rights herein set forth, Institutional First Mortgagees shall have the right, after providing adequate proof of their status to:
- 22.1. Examine Association's books and records and require copies of the annual reports and other financial data;
 - 22.2. Receive notice of Association's meetings and attend such meetings;
- 22.3. Receive notice of an alleged default by any Unit Owner, for whom such Institutional First Mortgagee holds a mortgage, which is not cured within sixty (60) days of notice of default to such Unit Owner;
- 22.4. Receive notice of any substantial damage or loss arising from a casualty or a condemnation to any portion of the Condominium Property;
- 22.5. Receive notice of any amendment to this Declaration affecting Unit boundaries or changes in Common Elements or terminating the Condominium;
- 22.6. Receive notice of the lapse, cancellation or other material modification of any insurance policy maintained by Association; and
- 22.7. Receive notice of any proposed action that requires the consent of a specified percentage of Institutional Mortgagees.
- 23. <u>Covenant Running With The Land</u>. All provisions of this Declaration, the Articles, Bylaws and applicable Rules shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of Developer and subsequent owner(s) of the Land or any part thereof, or interest therein, and their respective heirs, personal

representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units, shall be subject to and shall comply with the provisions of this Declaration and such Articles, Bylaws and applicable Rules, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration and the Articles, Bylaws and applicable Rules by such Unit Owner, tenant or occupant.

24. <u>Developer's and Association's Additional Rights.</u>

- 24.1. <u>Marketing Items</u>. Developer, its agents, affiliates, or assignees, and any other person or entity designated by Developer, shall have the right to market Units and other property within the Master Community in advertisements and other media by making reference to the Condominium, including, but not limited to, pictures or drawings of the Buildings and the Common Elements. All logos, trademarks, and designs used in connection with the Condominium are the property of Developer, and Association shall have no right to use the same after the Turnover Date (as such term is defined in the Bylaws) except with the express written permission of Developer.
- 24.2. <u>Builder's Fee</u>. All purchasers of a Unit in the Condominium acquiring title from Developer shall pay a builder's fee in the amount of Two Thousand Dollars (\$2,000.00) (the "Builder's Fee"). The Builder's Fee is imposed in connection with all Unit sales in the Condominium regardless of whether the Unit Owner finances the purchase of the Property. The Builder's Fee represents additional compensation to Developer and principally is intended to cover various out-of-pocket and internal costs and expenses associated with the development of the Condominium. This fee is due at Closing and is separate from any and all Closing Costs (as defined in the Purchase and Sale Agreement).
- 24.3. <u>Initial Capital Contribution</u>. All purchasers of a Unit in the Condominium acquiring title from Developer shall pay an initial capital contribution in the amount of Two Hundred Dollars (\$200.00) (the "Initial Capital Contribution") to the Association. This fee is due at Closing and is separate from any and all Closing Costs (as defined in the Purchase and Sale Agreement).
- 24.4. <u>Developer's Limited Right of Entry.</u> Developer shall have the perpetual right to access and enter the Common Elements and Limited Common Elements at any time, even after the Turnover Date, for the purposes of inspection and testing of the Common Elements in connection with warranty claims under Section 718.203 of the Florida Statutes or otherwise. Association and each Unit Owner shall give Developer unfettered access, ingress and egress to the Common Elements and Limited Common Elements so that Developer and/or its agents can perform all tests and inspections deemed necessary by Developer in connection with warranty claims under Section 718.203 of the Florida Statutes or otherwise. Developer shall have the right to make all repairs and replacements deemed necessary by Developer in connection with warranty claims under Section 718.203 of the Florida Statutes or otherwise. At no time shall Association and/or a Unit Owner prevent, prohibit and/or interfere with any testing, repair or replacement deemed necessary by Developer relative to any portion of the Common Elements and Limited Common Elements in connection with warranty claims under Section 718.203 of the Florida Statutes or otherwise.

24.5. <u>Telecommunications Services</u>.

24.5.1. Right to Contract for Telecommunications Services. Master Association has the paramount right to enter into one or more contracts for the provision of a Telecommunications Service for the Condominium and Other Condominiums so long as such contracts would not necessitate assessment of the Developer as a Unit Owner for capital improvements or be detrimental to the sale of Units by the Developer. In the event that the Master Association does not enter into one or more contracts for the provision of a particular Telecommunications Service for the Condominium within one hundred twenty (120) days after Association has given written notice to Master Association, as applicable, of Association's desire to enter into contracts for the provision of a particular Telecommunications Service for the Condominium, Association shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for the Condominium so long as such contracts would not necessitate assessment of the Developer as a Unit Owner for capital improvements, or be detrimental to the sales of Units by the Developer. In that event, prior to the Turnover Date, all contracts between a Telecommunications Provider and Association shall be subject to the prior written approval of Developer.

24.5.2. <u>Easements</u>. Developer (i) reserves unto itself and its nominees, successors, assigns, affiliates, and licensees, and (ii) grants to each Telecommunications Provider that has entered into an agreement with Association respecting Telecommunications Services and/or Telecommunications Systems a perpetual right, privilege, easement and right-of-way across, over, under and upon the Condominium Property for the installation, construction and maintenance of Telecommunications Systems together with a perpetual right, privilege and easement of ingress and egress, access, over and upon the Condominium Property for installing, constructing, inspecting, maintaining, altering, moving, improving and replacing facilities and equipment constituting such Telecommunications Systems. If, and to the extent, Telecommunications Services provided by such Telecommunications Providers are to serve all of the Condominium Property, then the amounts payable to such Telecommunications Providers under their written agreements with Association shall be part of the Common Expenses of Association and shall be assessed as a part of the Assessments. Notwithstanding the foregoing, from and after the Turnover Date, such easements shall be cancelable by Association in accordance with the terms of the Act.

24.5.3. <u>Restoration</u>. Upon the completion of any installation, upgrade, maintenance, repair, or removal of the Telecommunications Systems or any part thereof, each Telecommunications Provider shall

restore the relevant portion of the Common Elements and/or any Unit to as good a condition as that which existed prior to such installation, maintenance, repair or removal. Failure by Telecommunications Provider to commence such restoration within twenty (20) days after receiving written notice from Association of such failure or the Telecommunications Provider's failure to complete such restoration within ninety (90) days of commencement shall vest in Association the right (but not the obligation) to restore or cause to be restored such portion of the Common Elements and/or any Unit disturbed by such work, all at such Telecommunications Provider's sole cost and expense, except for in emergency situations whereby Association may restore or cause to be restored such disturbed portion of the Common Elements and/or any Unit immediately. In the event that Association exercises the right of self-help, each Telecommunications Provider agrees in advance that Association shall have the sole right to (i) select the contractors to perform such work and (ii) determine the extent of required restoration. This remedy of self-help is in addition to all other remedies of Association hereunder. All reasonable expenses incurred by Association in connection with such restoration shall be paid by Telecommunications Provider within twenty (20) days of completion of restoration and delivery to Telecommunications Provider of Association's invoice therefor. Any expenses not so paid when due shall bear interest from the due date at the lesser of (i) the publicly announced prime rate (or similar successor reference rate) of Wells Fargo Bank N.A. on the date of such invoice, or (ii) the maximum rate of interest allowed by the law of the State of Florida for such obligations, or as provided in an agreement between Association and a Telecommunications Provider.

24.5.4. <u>Developer's Rights</u>. Each Unit Owner understands that the expense of any Telecommunications Service may not be charged on a bulk basis, but may be charged at the rate equal to any rate paid by individual owners that are not subject to a homeowners association or condominium association in County. Each Unit Owner acknowledges that Developer may receive lump sum or monthly compensation from any Telecommunications Provider in connection with the supply of Telecommunications Services. Such compensation may be paid on a per Unit or other basis. All such compensation shall be the sole property of Developer, who shall have no duty to account for or disclose the amount of such compensation.

24.6. Monitoring System.

24.6.1. Right to Install. Association shall have the right, but not the obligation, to contract for the installation of a Monitoring System for each Unit within the Condominium and for the Condominium, so long as such contracts would not necessitate assessment of the Developer as a Unit Owner for capital improvements, or be detrimental to the sales of Units by the Developer. In that even, prior to the Turnover Date, all contracts for Monitoring Systems shall be subject to the prior written approval of Developer. In the event the Monitoring System is installed by a party other than Developer, each Unit Owner acknowledges that Developer may receive lump sum or monthly compensation from such party in connection with the costs of operating and maintaining the Monitoring System. Such compensation may be paid on a per Unit or other basis. All such compensation shall be the sole property of Developer. Developer or its nominees, successors, assigns, affiliates, and licensees may install such a Monitoring System. Developer reserves the right, at any time and in its sole discretion, to discontinue or terminate any Monitoring System prior to the Turnover Date. In addition, all Unit Owners specifically acknowledge that the Condominium may, but is not obligated to, have a perimeter access control system, such as fences, walls, hedges, or the like on certain perimeter areas. ASSOCIATION AND DEVELOPER SHALL NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE ACCESS CONTROL OR INEFFECTIVENESS OF ACCESS CONTROL MEASURES UNDERTAKEN.

24.6.2. <u>Components.</u> The Monitoring System, if installed, may include a central alarm system, wireless communication to Units, one or more manned gatehouses, one or more electronic gates, and roving attendants using vehicles, or any combination thereof. Association and Developer do not warrant or guaranty in any manner that the system will include these items, but reserve the right to install or provide the foregoing items, or any other items they deem appropriate in their sole and absolute discretion. After the Turnover Date, Association may expand the Monitoring System by a vote of the majority of the Board, without the joinder or consent of the Unit Owners or any third parties. Without limiting the foregoing, Developer and Association reserve the right to, at any time, increase, decrease, eliminate, or add other access monitoring measures as they deem appropriate in their sole and absolute discretion; provided, however, no changes shall be made prior to the Turnover Date without the prior written consent of Developer.

24.6.3. Part of Common Expenses. If furnished and installed within any Unit, the cost of operating and monitoring any Monitoring System may be included in the Common Expenses of Association and may be payable as a portion of the Assessments against Unit Owners. The purpose of the Monitoring System will be to control access to the Condominium. Each Unit Owner understands that the expense of the Monitoring System may not be charged on a bulk basis, but may be charged at the rate equal to any rate paid by individual owners in County that are not subject to a homeowners association or condominium association.

24.6.4. <u>Unit Owner's Responsibility</u>. All Unit Owners and occupants of any Unit, and the tenants, guests and invitees of any Owner, as applicable, acknowledge that Association, its Board and officers, Developer, their nominees or assigns, or any successor Developer, do not represent or warrant that (a) any Monitoring System, designated by or installed according to guidelines established, will not be compromised or circumvented, (b) any Monitoring System will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, and/or (c) the Monitoring System will in all cases provide the detection for which the system is designed or intended. In the event that Developer elects to provide a Monitoring System, Developer shall not be liable to the Unit Owners or Association with respect to such Monitoring System, and the Unit Owners and Association shall not make any claim against Developer for any loss that a Unit Owner or Association may incur by reason of break-ins, burglaries, acts of vandalism, personal injury or death, which are not detected or prevented by the Monitoring System. Each Unit Owner and Association is responsible for protecting and insuring themselves in connection with

such acts or incidents. The provision of a Monitoring System (including any type of gatehouse) shall in no manner constitute a warranty or representation as to the provision of or level of security within the Condominium. Developer and Association do not guaranty or warrant, expressly or by implication, the merchantability of fitness for use of any Monitoring System, or that any such system (or any of its components or related services) will prevent intrusions, fires, or other occurrences, regardless of whether or not the Monitoring Service is designed to monitor the same. Each and every Unit Owner and the occupant of each Unit acknowledges that Developer and Association, their employees, agents, managers, directors, and officers, are not insurers of Unit Owners or Units, or the personal property located within the Units. Developer and Association will not be responsible or liable for losses, injuries, or deaths resulting from any such events.

- 25. <u>Non-Liability</u>. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE CONDOMINIUM DOCUMENTS, ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER BE A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE CONDOMINIUM INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH PERSONS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:
- 25.1. IT IS THE EXPRESS INTENT OF THE CONDOMINIUM DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF THE CONDOMINIUM HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF THE CONDOMINIUM AND THE VALUE THEREOF;
- 25.2. ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA AND/OR COUNTY OR PREVENTS TORTIOUS ACTIVITIES; AND
- 25.3. THE PROVISIONS OF THE CONDOMINIUM DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY, AND WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH OWNER (BY VIRTUE OF HIS ACCEPTANCE OF TITLE TO A UNIT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF THE CONDOMINIUM (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF ASSOCIATION HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE. AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF ASSOCIATION'S OFFICERS, DIRECTORS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES. CONTRACTORS (INCLUDING MANAGEMENT COMPANIES, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS). NOTHING IN THIS SECTION 25 SHALL LIMIT THE RIGHT OF ANY UNIT OWNER TO SUE THE ASSOCIATION FOR ITS OWN NEGLIGENCE OR ITS WILLFUL ACTS OR OMISSIONS OR FOR ANY LIABILITY PROVIDED IN THE ACT ON THE DAY THIS DECLARATION IS RECORDED AMONG THE PUBLIC RECORDS OF COUNTY.

- Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE CONDOMINIUM DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM, COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF, IN CONNECTION WITH OR IN ANY WAY RELATED TO CONDOMINIUM DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION, PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD FIRST BE SUBMITTED TO MEDIATION AND, IF NOT SETTLED BY MEDIATION, SHALL THEREAFTER BE SUBMITTED TO BINDING ARBITRATION AS PROVIDED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§1 ET SEQ.) AND NOT BY A COURT OF LAW. DEVELOPER HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A UNIT. THIS SECTION REQUIRES YOU TO WAIVE YOUR RIGHT TO SUE THE DEVELOPER IN COURT AND, INSTEAD, ARBITRATE OR MEDIATE DISPUTES INCLUDING, BUT NOT LIMITED TO: DEVELOPER REPRESENTATIONS PERTAINING TO COMMONLY USED FACILITIES; ACTIONS TAKEN BY DEVELOPER-ELECTED DIRECTORS WHILE THE DEVELOPER CONTROLS THE ASSOCIATION; DISPUTES REGARDING THE PURCHASER'S CLAIM OF VOIDABILITY BASED UPON CONTRACTUAL PROVISIONS AS REQUIRED IN SECTION 718.503(1)(A), FLORIDA STATUTES; FALSE OR MISLEADING STATEMENTS PUBLISHED BY THE DEVELOPER AND RELIED UPON BY THE PURCHASER; AND WARRANTY RIGHTS ON YOUR UNIT AND IMPROVEMENTS. SHOULD CONSULT AN ATTORNEY ABOUT YOUR RIGHTS UNDER THESE PROVISIONS.
- 27. <u>Venue</u>. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv)

CLOSED ON A UNIT, THIS DECLARATION LEGALLY AND FACTUALLY WAS EXECUTED IN COUNTY (AS DEFINED IN SECTION 1 OF THIS DECLARATION). DEVELOPER HAS AN OFFICE IN COUNTY AND EACH UNIT IS LOCATED IN COUNTY. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE ONLY APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN COUNTY. IN ADDITION TO THE FOREGOING, EACH UNIT OWNER AND DEVELOPER AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN COUNTY.

- 28. Reliance. BEFORE ACCEPTING A DEED TO A UNIT, EACH UNIT OWNER HAS AN OBLIGATION TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THE PROVISIONS OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A UNIT, EACH UNIT OWNER ACKNOWLEDGES THAT HE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DEVELOPER IS RELYING ON EACH UNIT OWNER CONFIRMING IN ADVANCE OF ACQUIRING A UNIT THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE.
- Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF THE LAND ARE HEREBY PLACED NOTICE THAT (1) DEVELOPER AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES, AND/OR (2) ANY OTHER PARTIES MAY BE, FROM TIME TO TIME, CONDUCTING BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE LAND. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE LAND, EACH SUCH UNIT OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES, OR ANY NOISES RESULTING THEREFROM, SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO THE LAND WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DEVELOPER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM DEVELOPER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF THE LAND HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

SECTION 29 REQUIRES YOU TO WAIVE YOUR RIGHT TO SUE THE DEVELOPER IN COURT AND, INSTEAD, ARBITRATE OR MEDIATE DISPUTES INCLUDING, BUT NOT LIMITED TO: DEVELOPER REPRESENTATIONS PERTAINING TO COMMONLY USED FACILITIES; ACTIONS TAKEN BY DEVELOPER-ELECTED DIRECTORS WHILE THE DEVELOPER CONTROLS THE ASSOCIATION; DISPUTES REGARDING THE PURCHASER'S CLAIM OF VOIDABILITY BASED UPON CONTRACTUAL PROVISIONS AS REQUIRED IN SECTION 718.503(1)(A), FLORIDA STATUTES; FALSE OR MISLEADING STATEMENTS PUBLISHED BY THE DEVELOPER AND RELIED UPON BY THE PURCHASER; AND WARRANTY RIGHTS ON YOUR UNIT AND IMPROVEMENTS. YOU SHOULD CONSULT AN ATTORNEY ABOUT YOUR RIGHTS UNDER THESE PROVISIONS.

- 30. <u>Notices</u>. All notices to Association required or desired hereunder or under the Bylaws shall be sent by certified mail (return receipt requested) or by professional courier with receipt to Association at its office at the Condominium, or to such other address as Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in the Act, all notices to any Unit Owner shall be sent by first class mail to the Condominium address of such Unit Owner, or such other address as may have been designated by him or her from time to time, in writing, to Association. All notices to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to Association. All notices are effective upon receipt or refusal to accept receipt.
- 31. <u>Interpretation</u>. The Board shall be responsible for interpreting the provisions hereof and of any of the exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of counsel that any interpretation adopted by Association is not unreasonable shall conclusively establish the validity of such interpretation.
- 32. <u>Mortgagees</u>. Association shall not be responsible to any mortgagee or lienor of any Unit hereunder and may assume the Unit is free of any such mortgages or liens, unless written notice of the existence of such mortgage or lien is received by Association.
- 33. <u>Exhibits</u>. All exhibits attached to this Declaration shall form a part of this Declaration as if set forth herein.
- 34. <u>Blocked View; Trees and Shrubbery.</u> There is no guarantee that any Unit shall have any specific view. The (1) maturation of trees and shrubbery, (2) construction of other condominiums, or (3) construction of any other improvement may partially or entirely block the view of each Unit. Additionally, Developer shall not be responsible for any reduction in privacy caused by the removal or pruning of trees and shrubbery within the Condominium Property. Unit Owners shall not cut down trees and shrubbery nor plant additional trees and shrubbery within the Common Elements or Limited Common Elements.

- 35. <u>Governing Law.</u> Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration, the exhibits annexed hereto or applicable Rules, such dispute or litigation shall be governed by the laws of the State of Florida.
- Construction Matters. All Units and their appurtenant Common Elements have been or will be sold without any Developer warranties whatsoever except as provided in the Act (to the extent such warranties are not effectively disclaimed and remain in effect, if at all). As to such warranties, if any, and as to any claim arising from or connected with the design or construction of any Unit(s), Limited Common Elements, or the Common Elements including, without limitation, failure to build in accordance with any particular plans or specifications or failure to comply with building or other codes, laws, ordinances or regulations (collectively, "Construction Matters"), it shall be a material condition precedent to the institution of any proceeding regarding Construction Matters that (i) the party or parties bringing same shall have first given notice to Developer or other party against whom which relief or recovery is sought (the "Defendant") of the specific Construction Matters complained of and what actions are necessary to cure or correct same and (ii) the Defendant shall have been given at least one hundred twenty (120) days (subject to extension by reason of matters beyond the control of the Defendant or because of the nature of the applicable Construction Matter(s) and the time necessary to cure or correct same) in which to cure or correct the applicable Construction Matter(s) and shall have materially failed to do so. If any Construction Matter is not cured or corrected as aforesaid, all applicable parties shall be bound to submit the disputes or claims regarding the Construction Matters at issue solely to binding arbitration in accordance with the Florida Arbitration Code and the rules of the American Arbitration Association and the parties and their successors and assigns shall be bound by the results of such arbitration. Without limiting the general binding effect of this Declaration, each Owner and other person acquiring any right, title or interest in or to any Unit shall be deemed, by virtue of the acceptance of the conveyance, grant, transfer or assignment thereof, to be fully bound by the provisions of this Section 36, as shall Association.

THIS SECTION REQUIRES YOU TO WAIVE YOUR RIGHT TO SUE THE DEVELOPER IN COURT AND, INSTEAD, ARBITRATE OR MEDIATE DISPUTES INCLUDING, BUT NOT LIMITED TO DEVELOPER REPRESENTATIONS PERTAINING TO COMMONLY USED FACILITIES; ACTIONS TAKEN BY DEVELOPER-ELECTED DIRECTORS WHILE THE DEVELOPER CONTROLS THE ASSOCIATION; DISPUTES REGARDING THE PURCHASER'S CLAIM OF VOIDABILITY BASED UPON CONTRACTUAL PROVISIONS AS REQUIRED IN SECTION 718.503(1)(a), FLORIDA STATUTES; FALSE OR MISLEADING STATEMENTS PUBLISHED BY THE DEVELOPER AND RELIED UPON BY THE PURCHASER; AND WARRANTY RIGHTS ON YOUR UNIT AND IMPROVEMENTS. YOU SHOULD CONSULT AN ATTORNEY ABOUT YOUR RIGHTS UNDER THESE PROVISIONS.

- 37. <u>Eligibility Requirements for Board Membership.</u> Any Director designated or appointed by Developer need not be a Unit Owner or a resident of a Unit. All other Directors must be Unit Owners. Co-Owners of a Unit may not serve as members of the Board of Directions at the same time. A person who has been suspended or removed by the Division under Chapter 718, Florida Statutes, or who is delinquent in the payment of any fee or assessment as provided herein, is not eligible for Board membership. A person who has been convicted of any felony in this state or in a United States District or Territorial Court, or who has been convicted of any offense in another jurisdiction that would be considered a felony if committed in this state is not eligible for membership on the Board unless such felon's civil rights have been restored for a period of no less than five (5) years as of the date on which such person seeks election to the Board.
- 38. <u>Concierge and/or Manager</u>. Association may, but is not obligated to, retain a concierge and/or manager to assist the Board in connection with the operation of the Association. Without limiting any other provision hereof, Association may hire a concierge who will perform services for individual Unit Owners for which a Use Fee may or may not be charged.
- 39. Execution of Documents; Attorney-in-Fact. Wherever the signature of the President of Association is required hereunder, the signature of a Vice-President may be substituted therefor, and wherever the signature of the Secretary of Association is required hereunder, the signature of an Assistant Secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of Association in two separate capacities. Without limiting the generality of other Sections of this Declaration and without such other Sections limiting the generality hereof, each Unit Owner, by reason of the acceptance of a deed to such Unit Owner's Unit, hereby agrees to execute, at the request of Developer and its affiliates, in order to complete the plan of development of the Master Community, any and all amendments to the existing documents and as they may be hereafter amended; and each such Unit Owner further appoints hereby and thereby Developer as such Unit Owner's agent and attorney-in-fact to execute, on behalf and in the name of such Unit Owner, any and all of such documents or consents that may be required from time to time by the City, County or applicable governmental subdivisions or agencies where the Condominium is located. This power of attorney is irrevocable and coupled with an interest. The provisions of this Section may not be amended without the consent of Developer.
- 40. <u>Severability</u>. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration, the exhibits annexed hereto, or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.
- 41. <u>Waiver</u>. No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, without regard to the number of violations or breaches which may occur.
- 42. <u>Ratification</u>. Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Unit, by reason of his occupancy, shall be deemed to have

acknowledged and agreed that all of the provisions of this Declaration, the Articles, Bylaws, and the Rules are fair and reasonable in all material respects.

Developer's plan of development for the Condominium may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DEVELOPER RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. - 3.6.2.4 <u>Partnerships</u>. If a Unit is owned by a limited partnership, any one of the general partners may exercise the voting interest associated with such Unit. - 3.7 <u>Proxies.</u> Votes may be cast in person or by use of a limited proxy complying with the requirements of the Act. - 3.9 Action Without a Members Meeting. Prior to the Turnover Date and unless prohibited by law, any action required to be taken or which may be taken at any Members Meeting may be taken without a Members Meeting, without prior notice, and without a vote of the Members if a consent in writing, setting forth the action so taken shall be signed by the Members (or persons authorized to cast the vote of any such Member as elsewhere herein set forth) holding not less than the minimum number of Voting Interests that would be necessary to approve such action. Owners who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

Any change in the number of Directors shall not become effective until the next Annual Members Meeting (e.g., prior to the mailing of any notice required for an election of Directors). Any Director designated or appointed by Developer need not be a Unit Owner or a resident of a Unit. All other Directors must be Unit Owners.
- 4.2 <u>Developer's Right to Appoint</u>. The Developer shall have the right to appoint all of the Directors comprising the Board until Unit Owners other than the Developer own fifteen percent (15%) or more of the Units that will be operated ultimately by the Association. When Unit Owners other than the Developer own fifteen percent (15%) or more of the Units that will be operated ultimately by the Association, the Unit Owners other than the Developer shall be entitled to elect not less than one-third (1/3) of the Members of the Board. The Developer is entitled (but not obligated) to elect at least one (1) member of the Board as long as the Developer holds for sale in the ordinary course of business at least five percent (5%), in condominiums with fewer than 500 units, and 2 percent, in condominiums with more than 500 units, of the Units that will be operated ultimately by the Association. Following the time the Developer relinquishes control of the Association, the Developer may exercise the right to vote any Developer-owned Units in the same manner as any other Unit Owner except for purposes of reacquiring control of the Association or selecting the majority members of the Board.
- 4.2.1 <u>Turnover Date</u>. Unit Owners other than the Developer are entitled and obligated to elect not less than a majority of the Directors comprising the Board no later than the earlier of (the "<u>Turnover Date</u>"):
- 4.2.1.1 three (3) years after fifty percent (50%) of the Units that will be operated ultimately by the Association have been conveyed to Unit Owners, or
- 4.2.1.2 three (3) months after ninety percent (90%) of the Units that will be operated ultimately by the Association have been conveyed to Unit Owners, $\underline{\text{or}}$
- 4.2.1.3 when all of the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to Unit Owners and none of the others are being offered for sale by the Developer in the ordinary course of business, <u>or</u>
- 4.2.1.4 when some of the Units have been conveyed to Unit Owners and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business, \underline{or}
 - 4.2.1.5 when the Developer files a petition seeking protection in bankruptcy, or
- 4.2.1.6 when a receiver for the Developer is appointed by a circuit court and is not discharged within thirty (30) days after such appointment; \underline{or}
- 4.2.1.7 seven (7) years after recordation of the declaration of condominium; or, in the case of an association which may ultimately operate more than one condominium, 7 years after recordation of the declaration for the first condominium it operates; or in the case of an association operating a phase condominium created pursuant to s. 718.403, seven (7) years after recordation of the Declaration creating the initial phase, or
- 4.2.1.8 such earlier date the Developer elects to turn over control of the Association to Unit Owners other than the Developer, in Developer's sole discretion, by causing all of Developer's appointed Directors to resign.

4.2.2 <u>Turnover Meeting</u>. Within seventy-five (75) days after the Unit Owners other than the Developer are entitled to elect one or more Directors to the Board, or if the Developer has elected to accelerate such events aforesaid, the Association shall call, and give not less than sixty (60) days

notice of an election in the manner provided in Section 718.112(2)(d) of the Florida Statutes. The meeting may be called and the notice given by any Unit Owner if the Association fails to do so. The election shall proceed as provided in Section 718.112(2)(d) of the Florida Statutes. At the time that Unit Owners other than the Developer elect a majority of the Directors comprising the Board (or not more than ninety (90) days after such election with respect to the audited financial records of the Association), the Developer shall relinquish control of the Association and, at the Developer's expense, deliver to the Association all property of the Association held by or controlled by the Developer, and all items required to be turned over by the Act. Upon election of the first Unit Owner other than the Developer to the Board, the Developer shall forward to the Division the name and mailing address of the Unit Owner Board Member.

Election of Directors. All of the provisions regarding the election of Directors in the Act and in the Florida Administrative Code are incorporated herein by reference. The Act contains detailed and specific provisions, which may be changed by the Florida legislature from time to time. In general, the Act requires the election of Directors shall be held at the Annual Members Meeting. The regular annual elections, as well as elections to fill vacancies, shall be by written ballot or voting machine, and by a plurality of the votes cast, each person voting shall be entitled to cast his vote for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting. There shall be no quorum requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election of Directors. Notwithstanding the provisions of this subsection, an election and balloting are not required unless more candidates file notices of intent to run or are "nominated" than vacancies exist on the Board. The Act and the Florida Administrative Code contain detailed and specific provisions on the manner in which notices must be sent to Unit Owners and the manner in which the elections must actually be held.

4.4 <u>Vacancies and Removal.</u>

- 4.4.1 <u>Vacancies Generally</u>. Except as to vacancies resulting from removal of Directors by Members, vacancies in the Board occurring between Annual Members Meetings shall be filled by the remaining Directors even if less than a quorum (e.g., one Director remains), provided that only Developer may vote, in person or by limited proxy, to fill a vacancy on the Board previously occupied by a Board Member elected by Developer.
- 4.4.2 Recall of a Director. Directors may be removed from office in the manner provided for the removal of Directors in the Act. As stated in Section 718.112(2)(j) of the Florida Statutes, as it may be renumbered from time to time, a Director may be recalled and removed from office with or without cause by the vote or agreement in writing of a majority of all Unit Owners. A Special Members Meeting for recall may be called by Unit Owners holding ten percent (10%) of the Voting Interests in the Association. Directors elected or appointed by Unit Owners other than the Developer shall be subject to recall only by the Unit Owners other than the Developer. Voting Interests owned or controlled by the Developer shall not vote in such recall, whether in person or by proxy. Directors appointed by the Developer shall not be subject to recall or removal by the Unit Owners.
- 4.5 <u>Term.</u> Except as provided herein to the contrary, the term of each Director's service shall expire at the Annual Members Meeting and such board members may stand for reelection unless otherwise permitted by the bylaws. If no person is interested in or demonstrates an intention to run for the position of a board member whose term has expired according to the provisions of the Act, such board member whose term has expired shall be automatically reappointed to the board of administration and need not stand for reelection.
- 4.6 <u>Regular Board Meetings</u>. Regular Board Meetings may be held at such time and place as shall be determined, from time to time, by a majority of the Directors.
- 4.7 <u>Special Board Meetings</u>. Special Board Meetings may be called by the President and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors.

4.8 <u>Notice Requirements for Board Meetings.</u>

- 4.8.1 Generally. Notice of Board Meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least two (2) days prior to the meeting. Notice of Board Meetings shall be posted conspicuously on the Condominium Property for at least forty-eight (48) continuous hours in advance for the attention of the Unit Owners except in the event of an emergency. Upon notice given by mail or personally to each Unit Owner, the Board shall adopt a rule designating a specific location on the Condominium Property upon which all notices of Board meetings, both regular and special, shall be posted.
- 4.8.2 <u>Agenda</u>. All notices for Board Meetings must specifically incorporate an agenda. Any item not included on the notice may be taken up on an emergency basis by a majority plus one of the Directors. Such emergency action shall be noticed and ratified at the next regular Board Meeting. Notice of Board Meetings at which Assessments shall be considered shall contain a statement that Assessments will be considered and describe the nature of such Assessments.
- 4.8.3 Additional Notice Requirements for Assessments and Other Special Items. Notwithstanding the above, at any Board Meeting at which there will be proposed, discussed or approved (i) non-emergency Special Assessments, or (ii) amendments to Rules regarding Unit use, additional notice must be mailed or hand delivered to each Unit Owner as well as posted conspicuously on the Condominium Property, not less than fourteen (14) days prior to the Board Meeting. Evidence of compliance with the fourteen (14) day notice requirement shall be in the form of an affidavit executed by the person providing notice, which shall be placed in the official records of the Association.
- 4.9 <u>Waiver of Notice</u>. Any Director may waive notice of a Board Meeting before or after the Board Meeting and that waiver shall be deemed equivalent to be due receipt by such Director of notice. Attendance by any Director at a Board Meeting shall constitute a waiver of notice of such Board Meeting, except when his attendance is for the express purpose of objecting at the beginning of the Board Meeting to the transaction of business because the Board Meeting is not lawfully called.
- 4.10 <u>Quorum</u>. A quorum at Board Meetings shall consist of a majority of the Board. The acts approved by a majority of those present at a Board Meeting at which a quorum is present shall constitute the acts of the Board except when approval by a greater number of Directors is specifically required by the Condominium Documents.
- 4.11 <u>Adjourned Board Meetings</u>. If at any proposed Board Meeting there is less than a quorum present, the majority of those present may adjourn the Board Meeting from time to time until a quorum is present, provided notice of such newly scheduled Board Meeting is given as required herein. At any newly scheduled Board Meeting, any business that might have been transacted at the Board Meeting as originally called may be transacted.
- 4.12 <u>No Joinder in Board Meeting by Approval of Minutes.</u> The joinder of a Director in the action of a Board Meeting by signing and concurring in the minutes of that Board Meeting shall not constitute the approval of that Director of the business conducted at the Board Meeting. A Director may submit in writing his or her agreement or disagreement with any action taken at a meeting that the member did not attend. This agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purposes of creating a quorum.
- 4.13 <u>Presiding Officer</u>. The presiding officer at the Board Meetings shall be the President (who may, however, designate any other person to preside). In the absence of the presiding officer, the Directors present may designate any person to preside.
- 4.14 <u>Committees</u>. The Board may create one or more Committees, appoint Board Members and/or Unit Owners to such Committees, and invest in such Committees such powers and responsibilities as the Board shall deem advisable to make recommendations to the Board regarding the Association or the Condominium. To the extent required by the Act, notice of Committee Meetings shall be given in the same manner as for Board Meetings.

- 4.15 Attendance. A Director who is present at any Director's meeting at which action on any corporate matter is taken shall be presumed to have assented to the action taken, unless he votes against such action or abstains from voting. A Board member who abstains from voting on any action taken on any corporate matter shall be presumed to have taken no position with regard to the action. Board members may not vote by proxy or by secret ballot at Board meetings, except that officers may be elected by secret ballot. A vote or abstention for each member present shall be recorded in the minutes.
- 4.16 <u>Voting</u>. A Director may not vote by proxy and there shall be no secret ballot voting by Directors at a Board meeting, except that officers may be elected by secret ballot. The minutes of the meeting must reflect each Director's vote or abstention.
- 5. <u>Minutes of Board and Members Meetings</u>. The minutes of all Board Meetings and Members Meetings shall be kept in a book available for inspection by Unit Owners, or their authorized representatives, and Directors at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.
- 6. <u>Unit Owners' Right to Participation at Members Meetings, Board Meetings, and Committee Meetings.</u> All Members Meetings, Board Meetings, and Committee Meetings shall be open to Unit Owners. Unit Owners shall have a right to participate at all Members Meetings and Board Meetings as to all designated agenda items. The Board may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner participation. Unit Owners shall have the right to tape record or videotape Members Meetings and Board Meetings subject to the reasonable rules adopted by the Division.
- 7. <u>Powers and Duties</u>. All of the powers and duties of the Association shall be exercised by the Board, including those powers and duties existing under the laws of Florida and the Condominium Documents.  - 7.1 Operate and maintain all portions of the Condominium Property other than the Units.

- 7.6 Purchase (at a foreclosure sale or otherwise), lease, hold, mortgage, or otherwise acquire Units or other property in the name of the Association or its designee for the use and benefit of the Unit Owners or for use by a resident manager or concierge. Without limiting the foregoing, the Association, when authorized by a majority of the Voting Interests of the Units represented at a meeting at which a quorum has been attained, shall have the power to acquire and enter into agreements for the acquisition of fee interests, leaseholds, memberships and other possessory or use interests in lands or facilities, including, but not limited to, country clubs, golf courses, marinas and other recreational facilities, whether or not contiguous to the lands of the Condominium intended to provide for the use or benefit of the Unit Owners (whether or not on an exclusive basis). The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, operation, replacements and other expenses and undertakings in connection therewith shall be Common Expenses.

- 7.7 Obtain and maintain adequate insurance to protect the Association and the Condominium Property.
- 7.8 Make repairs, additions and improvements to, or alterations of, the Condominium Property, and repairs to and restoration of the Condominium Property in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings or otherwise.
 - 7.9 Enforce obligations of the Unit Owners.

- 7.11 Borrow money on behalf of the Condominium when required in connection with the operation, care, upkeep, and/or maintenance of the Condominium Property, and to execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, provided that such actions are approved by a majority of the entire membership of the Board and a majority of the Voting Interests of the Unit Owners represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or Voting Interests of the Unit Owners as may be specified in these Bylaws with respect to certain borrowing.
- 7.12 Contract for the management and maintenance of the Condominium Property and authorize a management agent (which may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments and Special Assessments, preparation of records, enforcement of Rules and maintenance, repairs and replacement of the Common Elements with funds as shall be made available by the Association for such purposes. The Association shall, however, retain at all times the powers and duties granted by the Condominium Documents and the Act, including but not limited to the making of Assessments, Special Assessments, promulgation of Rules and execution of contracts on behalf of the Association.
- 7.13 At its discretion, authorize Unit Owners or other persons to use portions of the Common Elements for private parties, gatherings, and other purposes and impose reasonable charges for such private use.
- 7.14 Grant, modify or move any easement, subject to the provisions of the easement, without the joinder of any Unit Owners, if the easement constitutes part of or crosses the Common Elements.
- 7.15 Levy Assessments and Special Assessments against Unit Owners and perform all other fiscal obligations of the Association.

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR TREVISO BAY GOLF CLUB (GOLF DECLARATION)

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTICTIONS ("Golf Declaration" or "Declaration") is made this 13 day of January, 2012, by Lennar Homes, LLC, a Florida limited liability company ("Declarant").

WHEREAS, Declarant owns certain real property located within Collier County, Florida upon which it intends to create a planned community made up of various residential units as well as an 18 hole golf course and related recreational and other common facilities and amenities collectively to be known as Treviso Bay; and

WHEREAS, all of Treviso Bay has been subjected to that certain Amended and Restated Declaration of Covenants, Conditions and Restrictions for Treviso Bay recorded at Official Records Book 4774, Page 2665 of the Public Records of Collier County Florida ("Master Declaration"); and

WHEREAS, Declarant desires to create a separate set of covenants governing the use and operation of the golf course, as well as providing for a separate bundled golf membership program for Treviso Bay; and

WHEREAS to provide a means for meeting the purposes and intents herein set forth, the Declarant has incorporated Treviso Bay Golf Club, Inc., a Florida corporation not for profit (hereinafter the "Golf Club"); and

WHEREAS, the golf membership program is anticipated to provide that some, but not all, lots or other residential units in Treviso Bay will be required to become Members of the Treviso Bay Golf Club pursuant to the terms and conditions of the Golf Declaration.

NOW THEREFORE the Declarant, and any other person owning an interest in the subject property who at any time consents to or joins in the making of this Golf Declaration, hereby declares that the real property described in Exhibit "A" hereto, is and shall be owned, used, sold, conveyed, encumbered, demised and occupied subject to the provisions of this Declaration, which shall run with the Land subject to the Golf Declaration and be binding on all parties having any right, title or interest in the real property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each Owner thereof. Further, the express intent of Declarant is that substantive contract rights created hereunder shall not be retroactively affected by legislation enacted subsequent to the recording of this Golf Declaration.

1. <u>DEFINITIONS</u>. The following definitions shall apply to the terms used in this Golf Declaration and its recorded exhibits, unless the context clearly requires another meaning.

- 1.1 "Assessment" or "Assessments" means a share of the funds required for the payment of the expenses of the Golf Club which from time to time are assessed against the Golf Members, including without limitation annual assessments and special assessments, as authorized by Section 8 of this Declaration.
- 1.2 "Board" means the Board of Directors of Treviso Bay Golf Club, Inc.
- 1.3 "CDD" means and refers to the Wentworth Estates Community Development District.
- 1.4 "CDD Property" means any and all real property and improvements which the CDD either owns, contracts, operates, administers or has jurisdiction over or any combination of the foregoing or otherwise administers pursuant to its responsibilities under Chapter 190, Florida Statutes, and the documents establishing the CDD. The term "CDD Property" shall include systems, facilities and services that the CDD may acquire, construct, maintain and finance over the years (which constitute projects or infrastructure improvements) which may or may not be owned by the CDD.
- 1.5 "County" or "the County" means Collier County, Florida.
- 1.6 "<u>Declarant</u>" means Lennar Homes, LLC, a Florida limited liability company, its successors, grantees or assigns or any other entity to which the Declarant specifically assigns any or all of the rights it may have under this Golf Declaration.
- 1.7 "Family" means one natural person or two or more natural persons each of whom are related to each other by blood, marriage, or adoption and who customarily reside and live together and otherwise hold themselves out as a single housekeeping unit or not more than two natural persons who are not related to each other by blood or adoption, who customarily reside and live together and otherwise hold themselves out as a single housekeeping unit. The decision as to whether two persons reside and constitute a qualifying family unit shall be a matter for the Board of Directors in their sole and unbridled discretion. Once designated and accepted by the Board as a qualifying family unit, no change in persons so constituting the qualifying family unit may be made except for one time in any calendar year and no more than three times in any constituent partner's lifetime, but in all events such change in partner shall be subject to the Board's approval in its sole and unbridled discretion. Further, the biological or adopted children of only one person shall be entitled to golf privileges if they meet all of the following conditions: (a) said child or children are age 21 or less; and (b) such child or children are not married or co-habitating with any third party; and (c) said children do not have custodial children of their own, (i.e., grandchildren of the Member); and (d) said children reside with the Owner on a permanent basis, or in the case of college or graduate students, at such times as the student is not enrolled in a college or university. If a Lot or Living Unit is owned by two or more persons who are not a "family" as described above, or is owned by an entity which is not a natural person, the Owner shall be required to select and designate one (1) family as defined above to utilize the Golf Membership. The Golf Club may restrict the frequency of changes in such designation when there is no change in ownership of the Lot or Living Unit.
- 1.8 "Golf Club" means Treviso Bay Golf Club, Inc., a Florida corporation not for profit, which has its principal place of business in Collier County, Florida, and its successors and assigns.
- 1.9 "Golf Club Common Areas" or "Common Areas" means any and all real property and improvements owned by, leased to, or otherwise dedicated to the Golf Club for the use and benefit of the Golf Members.

- 1.10 "Golf Club Documents" means this Golf Declaration, the Articles of Incorporation and Bylaws of the Golf Club, and the various Rules and Regulations, all as lawfully amended from time to time. In the event of an irreconcilable conflict between any two of the Golf Club Documents, the order of priority shall be the same as the order in which they are named in this Section 1.10.
- 1.11"Golf Club Property" means all real property comprising Treviso Bay Golf Club, and the improvements thereon.
- 1.12 "Golf Member" means a person who is entitled to membership in the Golf Club, as provided in Section 2 of the Golf Club Bylaws. Membership is mandatory for the Owners of all Lots or Living Units submitted to this Declaration.

1.14 "Institutional Mortgagee" means:

- (A) a lending institution having a first mortgage lien upon a Lot or Living Unit, including any of the following institutions: a Federal or State savings and loan or building and loan association, a bank chartered by a state or federal government, a real estate investment trust, a pension and profit sharing trust, a mortgage company doing business in the State of Florida, or a life insurance company; or
- (B) a governmental, quasi-governmental or private agency that is engaged in the business of holding, guaranteeing or insuring residential mortgage loans (including without limitation the Federal National Mortgage Association), Governmental National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration and Veterans Administration and which holds, guarantees or insures a first mortgage upon a Lot or Living Unit; or
- (C) the Declarant and any and all investors or lenders, or the successors and assigns of such investors or lenders which have loaned money to Declarant to acquire, develop, or construct improvements upon the Golf Club Property and who have a mortgage lien on all or a portion of the Golf Club Property securing such loan. An "Institutional Mortgage" is a first mortgage held by an Institutional Mortgagee encumbering a Lot or Living Unit.
- 1.15 "Lands" means the land described in Exhibit "A" to this Golf Declaration, as it may be amended from time to time, or as may be otherwise submitted to this Golf Declaration by Supplemental Declaration or by consent and joinder of the Owner and mortgagee(s) of any land being submitted.
- 1.16 "Lease" when used in connection with a Living Unit, means the grant by the Owner of the Living Unit of a temporary right of use of the Living Unit for valuable consideration.
- 1.17 "Living Unit" means any residential structure, including a single family detached or attached dwelling unit or condominium unit, submitted to this Golf Declaration and intended for use by one family as their place of residence. If a Living Unit is a free-standing or attached single family home or villa located on a Lot, the use of the term "Living Unit" or "Unit" shall be interpreted as if the term was followed immediately by the words "and the Lot on which it is located."

- 1.18 "Lot" means one or more of the platted portions of land into which parts of Treviso Bay have been subdivided and submitted to this Golf Declaration, upon each of which a single Living Unit has been, or is intended to be, constructed. Unless the context clearly requires a different interpretation, the term "Lot" shall be interpreted as if it were followed by the words "and the Living Unit constructed thereon".
- 1.19 "Master Declaration" is the Amended and Restated Declaration of Covenants, Conditions and Restrictions for Treviso Bay recorded in O.R. Book 4114, Page 2665, Public Records of Collier County, Florida, and all exhibits attached thereto.
- 1.20 "Occupy" when used in connection with a Living Unit, means the act of using a Living Unit as one's place of residence for two (2) or more consecutive days. An "Occupant" is one who occupies a Living Unit, other than the Owner or his family as defined above.

- 1.22 "SFWMD" means South Florida Water Management District.
- 1.23 "Treviso Bay" is the name of the development that Treviso Bay Golf Club is a part of.
- 1.24 "Voting Interests" means the arrangement established in Section 2.1 of the Bylaws of the Golf Club by which the Owners of each Lot or Living Unit are entitled to vote in the affairs of the Golf Club, whenever a vote of the Owners is permitted or required as to any Golf Club business.
- 2. TREVISO BAY GOLF CLUB. Treviso Bay Golf Club shall consist of an 18 Hole championship style golf course, as well as related amenities and facilities. Every Owner of a Lot or Living Unit subject to this Golf Declaration shall be a Golf Member of the Golf Club. Each Lot or Living Unit shall be held, sold and conveyed subject to the covenants, conditions and restrictions of the Golf Declaration, the terms of which shall run with the title to each such Lot or Living Unit.

The Declarant contemplates that not all of the Owners of Lots or Living Units in Treviso Bay will become Golf Members of the Golf Club. The Lots or Living Units that shall be bundled with golf memberships to the Golf Club will be subjected to this Golf Declaration by their inclusion in Exhibit "A" to the Declaration, by written consent and joinder to the Golf Declaration or by Supplemental Declaration adding such Lots or Living Units to Treviso Bay Golf Club, as the Declarant may determine in its sole and unilateral discretion.

Each Golf Member of the Golf Club shall have the non-exclusive right to use the Club Common Areas, which shall be appurtenant to and shall run with each Owner's golf membership in the Golf Club, subject to the Golf Club Documents. However, the Golf Club has the right to enter into Agreements with the Master Association, the CDD or other parties governing the operation and use of the Golf Club Common Areas.

The Declarant intends that specific elements of Golf Membership in the Golf Club shall be determined by the Rules and Regulations or other documents that comprise the Golf Club Documents. The Rules and Regulations may contain matters related to various golf fees, tee times, guest play and other matters relating to the operation of the golf course and administration of the membership program. Further, the Declarant and/or the Golf Club may, in its sole and absolute discretion, enter into agreements with the Tournament Players Club ("TPC"), for management of the Golf Club Common Areas, reciprocal play by TPC members, or other terms and conditions.

- 3. THE GOLF CLUB'S PURPOSES AND POWERS. The primary purposes of the Golf Club are to hold title to, operate and/or maintain the Golf Club Common Areas. Portions of the Golf Club Common Areas may be owned by other entities, including but not limited to the Master Association and/or the CDD. The Golf Club may operate or maintain these areas under leases or other agreement.
- 3.1 Golf Club Common Areas. The Golf Club shall operate, maintain and, if deeded by the Declarant, hold record title to the Golf Club Common Areas. The Golf Club Common Areas shall include the golf course, golf practice facilities, golf maintenance facilities, golf cart facility and golf pro shop. The Board of Directors may promulgate reasonable rules and regulations regarding use of the Golf Club Common Areas consistent with the Golf Club Documents. Use of Golf Club Common Areas shall be available to all Golf Members and their invitees, guests, family members and tenants, subject to the rules and the Golf Club Documents. The costs of operating, maintaining, repairing, insuring and protecting the Golf Club Common Areas and the facilities located thereon or connected therewith shall be assessed equally against all Lots and Living Units owned by a Golf Member. The Golf Club shall have, without limitation, the following powers:
 - (A) To exercise all rights set forth in the Golf Club Documents.
 - (B) To allow public use of the golf course and clubhouse, and other facilities, until control of the Golf Club has been transferred to Owners other than the Declarant. Thereafter, the Board of Directors may determine whether and to what extent public use of the golf course and other Golf Club facilities will be allowed.
 - (C) To lease, assign or otherwise transfer the operating rights to, and any and all profits from the golf pro shop or other facility on the Golf Club Common Areas to a third party.
 - (D) To restrict or prohibit the recovery of lost golf balls on and around the golf course and in water hazards and to sell or assign the exclusive right to do so to commercial enterprises.
 - (E) To restrict or prohibit use of the cart paths, and the golf course generally, for jogging, cycling, walking pets or other activities not directly related to the playing of golf.
 - (F) To enter into Agreements for the maintenance and operation of Golf Club Property.
 - (G) To promulgate rules and regulations governing use of the Golf Club Common Areas consistent with the Golf Club Documents.
- 3.2 Manager. The Golf Club may contract, employ and pay for the services of an entity or person to assist in managing its affairs and carrying out its responsibilities, and may employ other personnel as the Golf Club shall determine to be necessary or desirable.
- 3.3 <u>Personal Property</u>. The Golf Club may acquire and hold tangible and intangible personal property and may dispose of the same by sale or otherwise.
- 3.4 <u>Insurance</u>. The Golf Club at all times shall procure and maintain adequate policies of public liability and other insurance as it deems advisable or necessary. The Golf Club additionally shall cause all persons with access to Golf Club funds to be insured or bonded with adequate fidelity insurance or bonds.
- 3.5 Express and Implied Powers. The Golf Club may exercise any rights, powers or privileges given to it expressly by the Golf Club Documents or by the law in effect at the time this Golf Declaration is

recorded, and every other right, power or privilege reasonably inferable therefrom.

- 3.6 Acts of the Golf Club. Unless the approval or affirmative vote of the Members is specifically made necessary by some provision of applicable law or the Golf Club Documents, all approvals or actions permitted or required to be given or taken by the Golf Club may be given or taken by its Board of Directors, without a vote of the Golf Members. The officers and directors of the Golf Club have a fiduciary relationship to the Golf Club and its Members. A Golf Member does not have the authority to act for the Golf Club by reason of being a Golf Member.
- 3.7 Member Approval of Certain Litigation. After Turnover, as defined in Section 7.1 of the Bylaws, and notwithstanding any other provisions of the Golf Club Documents, the Board of Directors shall be required to obtain the prior approval of at least two-thirds (2/3) of the voting interests of the Golf Club prior to the payment of, or contracting for the payment of, legal fees to any person engaged by the Golf Club for the purpose of commencing any lawsuit, other than for the following purposes:
 - (A) collection of assessments:
 - (B) collection of other charges which Members are obligated to pay;
 - (C) enforcement of the Golf Club Documents;
 - (D) enforcement of the rules and regulations of the Golf Club;
 - (E) in an emergency, when waiting to obtain the approval of the Golf Club Member creates a substantial risk of irreparable injury to the Golf Club or its Members; or
 - (F) filing a compulsory counterclaim.
- 3.8 Articles of Incorporation. The Articles of Incorporation of the Golf Club are attached as Exhibit "B"
- 3.9 Bylaws. The Bylaws of the Golf Club shall be the Bylaws attached as Exhibit "C" as they may be amended from time to time.
- 3.10 Official Records. The official records of the Golf Club, as amended, shall be maintained within the State of Florida and must be open to inspection and available for photocopying as provided for in Section 720.303, Florida Statutes (2011). The Golf Club may adopt reasonable written rules governing the frequency, time, location, notice, and manner of inspection, and may impose fees to cover the costs of providing copies of the official records, including, without limitation, the costs of copying. The Golf Club shall maintain an adequate number of copies of the Golf Club Documents, to ensure their availability to Members and to prospective purchasers, and may charge its actual costs for reproducing and furnishing these documents to those persons who are entitled to receive them.
- 3.11 Rules and Regulations. Subject to the Golf Club Documents, and any other applicable recorded instrument, the Golf Club shall have the right and the power to develop, promulgate and enforce reasonable rules and regulations for the use and enjoyment of Golf Club Common Areas. No Golf Club Common Areas shall be used in violation of any rule or regulation adopted by the Golf Club pursuant to Section 4.1(F) of the Bylaws.
- 3.12 <u>Acquisition of Property</u>. The Golf Club has the power to acquire property, both real and personal. The power to acquire personal property shall be exercised by the Board of Directors. The

power to acquire ownership interests in real property shall be exercised by the Board of Directors, but only after approval by at least a majority of the voting interests.

- 3.13 <u>Disposition of Property</u>. Any property owned by the Golf Club, whether real, personal or mixed, may be mortgaged, sold, leased or otherwise encumbered or disposed of by the same authority as would be required to acquire it under Section 3.12 above.
- 3.14 Community Development District. Portions of Treviso Bay Golf Club are subject to a Community Development District, as defined in Chapter 190, Florida Statutes. The CDD may provide and operate certain urban infrastructure facilities and services and have the authority to levy and collect fees, rates, charges, taxes and assessments to pay for, finance and provide such facilities and services. The term "Assessments" as used in this Section 3.14 refers to assessments defined in Chapter 190, Florida Statutes, not as defined in Chapter 720, Florida Statutes, or this Golf Declaration. The CDD may be empowered to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems and facilities, including but not limited to, indoor and outdoor recreational, cultural and educational uses, security and mosquito control. There may be plat dedications of such systems and facilities to entities other than the CDD which were offered prior to establishment of the CDD and have not been accepted by said entities. Said systems and facilities may instead be conveyed to the CDD. The Declarant reserves the right to amend the Club Documents in any way convenient or necessary to create or structure the CDD.
- 4. GOLF CLUB MEMBERSHIP AND VOTING RIGHTS. Every Owner of record legal title to a Lot or Living Unit subjected to this Golf Declaration shall be a Member of the Golf Club as further defined in Section 4.1 below. The Declarant shall hold Declarant membership as provided for in Section 4.1(B) below. Owner and Declarant membership is appurtenant to, and may not be separated from, ownership of a Lot or Living Unit. The rights, powers, duties and privileges of Golf Members shall be as set forth in this Declaration, in the Articles of Incorporation and Bylaws of the Golf Club and other Golf Club Documents.
- 4.1 <u>Classes of Golf Membership.</u> The Golf Club will initially have two (2) classes of voting membership, and one (1) class of non-voting membership: as follows:
 - (A) Golf Members. Every Owner of a Lot or Living Unit shall be a Golf Member, which Golf Membership has been given as an appurtenance. Golf Members shall be all Owners of Lots or Living Units submitted to this Declaration. The Declarant shall create a Golf Membership for every Lot and Living Unit subject to this Declaration. Golf Members shall have full rights of use in the Club Common Areas and facilities, including full golfing privileges. The actual number of golf memberships which may be created is in the sole discretion of the Declarant, but it is anticipated that the number will be approximately 825. Except for temporary delegations as provided in Section 4.5 below, a golf membership shall not be assignable and/or transferable by any method other than the sale, lease or conveyance of record legal title to the Lot or Living Unit to which it is appurtenant. Upon sale or other transfer of ownership of a Lot or Living Unit to which a golf membership is appurtenant, the transferor shall be deemed to have automatically assigned and transferred the membership with his property. Golf Member's rights to use the golf course and other recreation facilities shall be limited as set forth in this Declaration and in the Golf Club Documents. Any attempt to separate the golf membership from the interest in real property upon which it is based shall be null and void.
 - (B) <u>Declarant Member</u>. The Declarant shall have three (3) votes for each Lot or Living Unit subject to this Declaration. Declarant membership and voting rights shall cease to

exist at the Turnover Meeting described in Section 7.2 of the Bylaws, but all of the Declarant's other rights and privileges as the Declarant, as set forth elsewhere in this Declaration or in the Bylaws, shall continue as long as the Declarant holds any property within Treviso Bay for sale in the ordinary course of business. The Declarant shall be entitled to appoint or elect all members of the Board of Directors, as further specified in the Bylaws, until the Declarant membership ceases to exist. At such time the Declarant membership ceases to exist, it shall be converted into one (1) membership for each Lot or Living Unit owned by the Declarant. If the Declarant conveys undeveloped property within Treviso Bay to a successor developer, the Declarant may assign its Declarant membership and/or some or all of its voting rights and privileges to the successor developer.

(C) <u>Interim Members</u>. The Declarant or the Board shall have the right, but not the obligation, to authorize an unlimited number of interim Members who are not Owners or otherwise reside in Treviso Bay, and who shall have no voting rights. While in good standing, such Members have the right to enjoy the golf and related facilities appropriate to their membership class. To remain in good standing, such Members shall be obligated to timely pay all charges and annual dues in the amount established by the Declarant or the Board of Directors, as applicable. Such memberships shall be good for not more than one year at a time, and may, upon expiration of any one-year term, be terminated at the discretion of the Declarant or Board of Directors, with or without cause.

4.2"Golf Member for the Day - Private Club" In order to comply with the Florida State Alcoholic Beverages and Tobacco regulations relating to dispensing of alcoholic beverages pursuant to a private club liquor license, the Golf Club may create a daily golf membership to facilitate dispensing of alcoholic beverages to daily guests of the Golf Club. The Board shall be empowered to adopt rules and restrictions pertaining to the charges paid to the Golf Club for daily golf membership. In all events, any daily guest who has been charged for and paid a greens fee for use of the golf course shall be considered a Golf Member for that day.

4.3 Use of the Golf Course and Golf Club Common Areas. The Owners of each Lot or Living Unit subject to the Golf Declaration are entitled to only one (1) golf membership. Use rights in the golf course for each such golf membership shall be limited to the persons comprising one (1) "family." For purposes of this Section 4.3 only, "family" means one natural person or not more than two natural persons, who customarily reside and live together and otherwise hold themselves out as a single housekeeping unit. The decision as to whether two persons reside and constitute a qualifying family unit shall be a matter for the Board of Directors in their sole and unbridled discretion. Once designated and accepted by the Board as a qualifying family unit, no change in persons so constituting the qualifying family unit may be made except for one time in any calendar year and no more than three times in any constituent partner's lifetime, but in all events such change in partner shall be subject to the Board's approval in its sole and unbridled discretion. Further, the biological or adopted children of only one of the persons shall be entitled to golf privileges if they meet all of the following conditions: (a) said child or children are age 21 or less; and (b) such child or children are not married or co-habitating with any third party; and (c) said children do not have custodial children of their own, (i.e., grandchildren of the Member); and (d) said children reside with the Owner on a permanent basis, or in the case of college or graduate students, at such times as the student is not enrolled in a college or university. If a Lot or Living Unit is owned by two or more persons who are not a "family" as described above", or is owned by an entity which is not a natural person, the Owner shall be required to select and designate one (1) family as defined above to utilize the Membership. The Golf Club may restrict the frequency of changes in such designation when there is no change in ownership of the Lot or Living Unit.

Golf Members of the golf course shall be entitled to non-exclusive use of the golf course and other golf Club Common Areas in accordance with the Golf Club Documents and other applicable rules and regulations. However, there is no guarantee that there will be availability for the golf course or Golf Club Common Areas at any particular time. Availability of the Golf Club Common Areas may be limited by weather, season, exceeded capacity or other factors affecting playability of the golf course. Neither the Golf Club nor the Declarant shall be liable under any circumstances for a Golf Member's inability to access the Golf Club Common Areas from time to time.

Furthermore, the golf course and other Golf Club Common Areas may abut other portions of Treviso Bay that are under construction or other development. The Declarant shall have a blanket easement over the Golf Club Common Areas reasonably necessary to facilitate any such construction or development and the Golf Club shall not impair or frustrate any such construction or development activities.

- 4.4 Golf Club Rights and Easements. Golf Members in good standing have the non-exclusive right to use the Golf Club Common Areas subject to:
 - (A) The right of the Golf Club, by and through its Board of Directors, to adopt the annual budget and to determine the annual assessments to be paid by Golf Members;
 - (B) The right of the Golf Club, by and through its Board of Directors, to charge any admission, use, or other fees for any Golf Club Common Areas as the Board may deem appropriate. The fees may be higher for non-owners than for Owners;
 - (C) The right of the Golf Club, by and through its Board of Directors, to suspend a Golf Member's right to use Golf Club Common Areas for the period during which any assessment or charge against the Member's Lot or Living Unit remains unpaid and past due, and for a reasonable period during or after any infraction of the Golf Club's rules and regulations;
 - (D) The right of the Golf Club, by and through its Board of Directors, to dedicate or transfer all or any part of the Golf Club Common Areas to any governmental agency, public authority, or utility;
 - (E) The right of the Golf Club, by and through its Board of Directors, to grant easements over, across or through the Golf Club Common Areas;
 - (F) The right of the Golf Club, by and through its Board of Directors, to open the Golf Club Common Areas, including the golf course, for use by non-golf members of the Golf Club, or non-owners.
 - (G) The right of the Golf Club, by and through its Board of Directors, with the prior assent of a majority of the voting interests, to borrow money for the purpose of improving the Golf Club Common Areas, and in aid thereof, to mortgage Golf Club Common Areas;
 - (H) The right of the Golf Club, by and through its Board of Directors, to take such steps as are reasonably necessary to protect the Golf Club Common Areas;
 - (I) The right of the Golf Club, by and through its Board of Directors, to close or restrict access to the golf course or other Golf Club Common Areas for limited periods of time to

conduct special events, including those intended primarily to benefit the Declarant or its sales efforts;

- (J) The right of the Golf Club, by and through its Board of Directors, to regulate parking and traffic on the Golf Club Common Areas;
- (K) The provisions of this Declaration, the Articles of Incorporation and Bylaws of the Golf Club; and the other Golf Club Documents; and any rules and regulations governing use and enjoyment of the Golf Club Common Areas adopted by the Golf Club;
- (L) The right of the CDD, if created, to exercise and enforce any and all powers authorized by Chapter 190, Florida Statutes; and
- (M) The right of the Golf Club to dedicate or transfer ownership or control of all or any part of the Golf Club Common Areas to the CDD or any other governmental agency, public authority, or utility.

So long as there is a Declarant Member, any and all rights of Members, and any and all restrictions, limitations, conditions and rules and regulations that a Member shall be subject to, shall not be amended without the consent of the Declarant.

- 4.5 <u>Delegation of Use Rights In Common Areas</u>. Guests accompanied by a Member shall have the right to use the Golf Club Common Areas, but only to the extent provided in Section 2.6 of the Bylaws, or in the Golf Club's rules and regulations, and subject to the conditions, limitations and restrictions as may be stated therein. A fee may be imposed for such usage delegation, not necessarily limited by or related to the cost of processing the delegation. Each Member shall be financially and legally responsible to the Golf Club for the actions and debts to the Golf Club of any person to whom the Golf Member has delegated his right to use the Golf Club Common Areas. The Member may not delegate the obligation to pay Golf Club assessments. Upon the lease of a Lot or Living unit to which a Golf Membership is appurtenant, the lessor may retain the right to use the Golf Membership, in which case the tenant shall have no such rights. However, upon prior written approval of the Golf Club, a Golf Member may delegate his privileges to a tenant that resides in the Living Unit during the time of the tenancy. If a Golf Member delegates his privileges to a tenant residing in his Living Unit, the Golf Member shall not be entitled to use of the Golf Club Common Areas, except as a Guest of another Golf Member, during the period of the delegation.
- 4.6 <u>Separation of Ownership</u>. Except as otherwise specifically provided by this Declaration, the ownership of a Lot, and the ownership of the Living Unit constructed thereon, may not be separated or separately conveyed, nor may any person who does not own record legal title to at least one Lot or Living Unit, hold Membership in the Golf Club.
- 4.7 <u>Credit</u>. The Golf Club may implement a policy of not accepting cash payments, and may require that each Golf Member and resident guest open an account with a nationally recognized credit card, to which all purchases of goods and services from the clubhouse, pro shop, and other facilities may be charged.
- 5. <u>USE RESTRICTIONS</u>. The Golf Club may promulgate additional rules and regulation to govern the use of property within the Golf Club and the Golf Club Common Areas and the conduct of the users of the Golf Club Common Areas. The Golf Club shall operate, insure, maintain and repair all property and related improvements designated by Declarant as Golf Club Common Areas, regardless of whether legal title to that property has been formally conveyed to the Golf Club.

- 6. <u>DISCLAIMER REGARDING GOLF COURSE</u>. Each Golf Member, on his or her own behalf and on behalf of any Guest or tenant, is hereby deemed to acknowledge and accept the following inherent risks associated with the golf course:
 - (A) maintenance on the golf course may begin early in the morning and extend late into the evening, ordinarily occurring from sunrise to sunset:
 - (B) during certain periods of the year, the golf course will be heavily fertilized;
 - (C) the maintenance of the golf course may require the use of chemicals and pesticides;
 - (D) the golf course may be watered with reclaimed water; and
 - (E) golf balls are not susceptible to being easily controlled and accordingly may strike any Golf Member, Guest or other user of the golf course.

The Declarant, the Golf Club and its Golf Members (in their capacity as Golf Members), and any agents, servants, employees, directors, officers, affiliates, representatives, receivers, subsidiaries, predecessors, successors and assigns of any such party shall not in any way be responsible for any claims, damages, losses, demands, liabilities, obligations, actions or causes of action whatsoever, arising out of, or in any way connected with, the use of the Golf Club Common Areas by a Golf Member, Guest or any other invitee of a Golf Member or Guest.

7. COMMON AREAS; CONVEYANCE, USE AND MAINTENANCE.

- 7.1 <u>Designation</u>. Declarant shall have the right, and the power, in its sole discretion, to determine which parts of the Golf Club Property shall be Golf Club Common Areas, and to convey, lease or grant a license or other right to use real property within the Golf Club Property or Golf Club Common Areas.
 - (A) Any such conveyance, lease or grant of license or use right may be exclusive or non-exclusive, so that persons or entities other than the Golf Club may or may not have a right, power, duty, or privilege with respect to all or any part of any real property so conveyed, leased, licensed or the use of which has been granted. The Golf Club must accept from Declarant any such conveyance, lease, grant of license or grant of use right. The Golf Club shall not accept, from any person other than Declarant, a conveyance, lease, grant or license or grant of use right except upon the prior written approval of the Declarant, so long as the Declarant holds any lot for sale in the ordinary course of business.
 - (B) Prior to the conveyance of Golf Club Common Areas by Declarant to the Golf Club, the Golf Club shall have the right to charge reasonable fees, rents, or other charges for the use of the property; however, rents, fees and other charges required to be paid to Declarant under leases, grants, licenses or contracts creating use rights to third parties shall continue to be paid.
- 7.2 Conveyance and Use. Declarant will initially hold the legal title to those portions of the Golf Club Common Areas that are intended to be owned by the Golf Club. Not later than sixty (60) days

after the date when the Golf Members first appoint a majority of the Board of Directors, the Declarant shall convey those portions of the Golf Club Common Areas to the Golf Club by quit claim deed, and the Golf Club shall accept such conveyance, subject to taxes for the year of conveyance (if any) and to mortgages, restrictions, limitation, conditions, reservation and easements of record. The Declarant may, however, convey title at any earlier time the Declarant chooses. Commencing with the date this Golf Declaration is recorded in the Public Records of the County, the Golf Club shall be responsible for the maintenance and administration of all areas and facilities designated by the Declarant as Golf Club Common Areas. Declarant shall have the right from time to time to enter upon the Golf Club Common Areas during periods of construction upon adjacent property and for the purpose of construction of any facilities on, or adjacent to the Golf Club Common Areas that Declarant elects to build.

- (A) Any real property conveyed, leased, or the use of which has been granted by Declarant or any third party to the Golf Club as Golf Club Common Areas, is not and shall not be deemed dedicated for use by the general public but is, and shall be, deemed restricted for the common use and enjoyment of Golf Members and their guests, tenants and invitees, except as otherwise provided in the Golf Club Documents.
- (B) Declarant may convey property to the Golf Club in either an improved or an unimproved condition, with or without any specific restrictions on its use, and the Golf Club must accept such property, including any governmental permits pertaining to said property. The Golf Club shall not accept conveyance of real property from any third party, in either an improved or unimproved condition, without the prior written consent of Declarant, so long as Declarant owns any property in Treviso Bay.

THE GOLF CLUB AND THE NON-DECLARANT MEMBERS ARE OBLIGATED TO ACCEPT THE GOLF CLUB COMMON AREAS, AND ANY RELATED PERMITS REQUIRED BY GOVERNMENTAL AGENCIES, AND FACILITIES, IN THEIR "AS IS" CONDITION, WITHOUT RECOURSES WHEN CONVEYED OR TRANSFERRED BY THE DECLARANT. THE DECLARANT MAKES NO REPRESENTATIONS, AND TO THE FULLEST EXTENT PERMITTED BY LAW THE DECLARANT DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT, WITH RESPECT THERETO, INCLUDING WITHOUT LIMITATION, REPRESENTATIONS OR WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND REPRESENTATIONS OR WARRANTIES REGARDING THE CONSTRUCTION, DESIGN, ADEQUACY OF SIZE OR CAPACITY IN RELATION TO THE UTILIZATION, DATE OF COMPLETION OR THE FUTURE ECONOMIC PERFORMANCE OR OPERATIONS OF, OR THE MATERIALS, FURNITURE OR EQUIPMENT WHICH WILL BE USED IN THE GOLF CLUB COMMON AREAS AND FACILITIES. AT THE TIME OF CONVEYANCE, DECLARANT SHALL TRANSFER OR ASSIGN TO THE GOLF CLUB, WITHOUT RECOURSE, ALL EXISTING WARRANTIES FROM MANUFACTURERS AND SUPPLIERS RELATING TO ANY OF THE FACILITIES WHICH ARE ASSIGNABLE.

7.3 Maintenance and Alteration. The Golf Club is responsible for the maintenance, repair, replacement, insurance, protection and control of all Golf Club Common Areas in accordance with all applicable laws, and shall keep the same in good, safe, clean, attractive and sanitary condition, and in good working order at all times. After control of the Golf Club has been turned over to the Golf Members, there shall be no material alterations of or substantial additions to the Golf Club Common Areas costing more than \$100,000, in the aggregate during any fiscal year unless first approved by a majority of the voting interests of the Golf Members of the Golf Club; and there shall be no material alteration of or substantial

additions to the Club Common Areas costing more than \$100,000 in the aggregate during any fiscal year unless first approved by a majority of the voting interests of the Golf Members. However, if work that is reasonably necessary to meet the Golf Club's obligations under the first sentence of this Section 7.3 also constitutes a material alteration or substantial addition, no prior Golf Membership approval is required.

- 7.4 <u>Partition, Subdivision and Encumbrance</u>. Except as hereinafter provided, after legal title to the Golf Club Common Areas, or any portion thereof, becomes vested in the Golf Club, the Golf Club Common Areas shall not be abandoned, partitioned, subdivided, alienated, released, transferred, hypothecated, or otherwise encumbered, without first obtaining the approval of not less than a majority of the voting interests. The foregoing shall not be construed to limit the authority of the Declarant or the Golf Club through its Board of Directors to grant such easements over, across and through the Golf Club Common Areas, as may be necessary for the effective and efficient operation of the facilities or for the general benefit of the Golf Members. Nothing herein shall be construed to prohibit judicial partition of any Lot or Living Unit, owned in cotenancy.
- 7.5 Golf Club's Rights and Powers. No Golf Club Common Areas shall be used in violation of any rule or regulation or other requirement of the Golf Club established pursuant to the provisions of this Declaration, the Bylaws or the other Golf Club Documents.
- 7.6 Expansion or Modification of Common Areas. The Declarant further reserves the right to change the configuration or legal description of the Golf Club Common Areas due to changes in development plans for Treviso Bay. Upon written request by the Declarant, the Golf Club shall re-convey to Declarant any unimproved portions of the Golf Club Common Areas originally conveyed by the Declarant to the Golf Club for no consideration, to the extent conveyed by Declarant in error and needed by Declarant to make minor adjustments in property lines.

8. GOLF ASSESSMENTS.

- 8.1 <u>Creation of Lien</u>. Each Owner, by acceptance of a deed to a Lot or Living Unit, covenants and agrees to pay to the Golf Club:
 - (A) Annual Assessments.
 - (B) Special Assessments.
 - (C) Resale Capital Assessments and other fees or charges (including fines) imposed against one or more Lots or Living Units, as provided for elsewhere in this Declaration, the Bylaws or the Golf Club Documents.
 - (D) Except as otherwise provided in Section 8.10 below as to certain mortgagees, and except as provided in Section 8.2 below as to the Declarant, no Golf Member may avoid or escape liability for the assessments or charges provided for herein by non-use or abandonment of his Lot or Living Unit, or the Golf Club Common Areas, or otherwise.
 - (E) Assessments shall be fixed, levied, established and collected as provided herein, and in Section 6 of the Bylaws.
 - (F)The Owner of each Lot or Living Unit regardless of how title was acquired is liable for all assessments coming due while he or she is the Owner. Multiple Owners are jointly and severally liable. Except as provided in Section 11.2 below, whenever title to a Lot or

Living Unit is transferred for any reason, the new Owner is jointly and severally liable with the previous Owner for all assessments unpaid at the time of the transfer, regardless of when incurred, without prejudice to any right the new Owner may have to recover from the previous Owner any amounts paid by the new Owner.

- (G) No land shall be subject to assessment by the Golf Club if it is a Golf Club Common Area, or it is owned by or dedicated to the County or other governmental agency, and used for a public purpose. Only Lots and Living Units shall be subject to assessment.
- 8.2 <u>Declarant's Assessments</u>. The assessment and lien provisions of this Section 8.2 shall not apply to any Lot or Living Unit subject to these Golf Club Documents, owned by Declarant or by any person succeeding to all or a portion of Declarant's rights herein, whether by assignment, in reorganization, or by other arrangement. Should Declarant's lender, its successors or assignees, acquire title to any Lot or Living Unit owned by Declarant, as a result of a foreclosure or deed in lieu of foreclosure, the assessment and lien provisions of this Section 8.2 shall not apply. Exception: the obligation and covenant to pay assessments as provided in this Section 8.2 shall apply to a Living Unit or Lot owned by the Declarant upon the occurrence of any one of the following events:
 - (A) Conveyance of the Lot or Living Unit to an Owner other than the Declarant; or
 - (B) Construction of a Living Unit has been completed, a certificate of occupancy or the equivalent approval by an appropriate local governmental agency has been issued, and the Living Unit is occupied and used as a residence; or
 - (C) Declarant executes and records a written instrument subjecting a Lot or Living Unit to the assessment and lien provisions of this Section 8.2.

During the period that Declarant Membership exists, the Declarant may elect to excuse itself from paying assessments on Lots or Living Units owned by the Declarant. For any year Declarant elects to excuse itself from paying assessment, Declarant shall pay the general operating expenses of the Golf Club that exceeds all income of the Golf Club including but not limited to assessment income from Golf Members other than the Declarant, pro-shop income, interest income and income from ancillary operations. Declarant, however, shall not be obligated to contribute to or pay for funding any reserves for capital expenditures or deferred maintenance, any capital improvement fund, or any special assessment. Declarant's rights and obligations hereunder may be wholly or partially assigned to another developer. During the period of Declarant control, in return for funding the general operating expenses of the Golf Club, any net operating profit made by the Golf Club, will revert back to the Declarant to offset existing and future capital improvements, operating expenses, support costs, and start-up costs. Net operating profit shall mean the amount by which income from all sources of the Golf Club exceeds operating costs and expenses, but excluding depreciation expense and amortization expense. In addition to the foregoing, if it is determined that the Declarant has funded a greater amount than required under this Section, then any excess shall be promptly refunded by the Golf Club to the Declarant.

8.3 Purposes of Assessments:

- (A) For the improvement, maintenance, protection and operation of the Golf Club, Golf Club Common Areas, Golf Club equipment and facilities; and to establish and maintain adequate repair and replacement reserves;
- (B) Where deemed desirable by the Board of Directors, to provide services of general

benefit to the Golf Members:

- (C) To pay the operating expenses of the Golf Club; and
- (D) For such other purposes and uses as are authorized by the Golf Club Documents as amended from time to time.
- 8.4 <u>Imposition of Annual Assessments</u>. Upon the closing of the initial sale of each Lot or Living Unit subject to these Golf Club Documents to a purchaser other than Declarant, and on the first day of each fiscal year thereafter, an annual assessment shall be assessed against each Lot or Living Unit. The annual assessment for the year in which the initial sale occurred shall be prorated to the actual date of closing.
- 8.5 <u>Amount of Annual Assessments</u>. The amount of the annual assessment based on the annual budget shall be the same for each Lot or Living Unit subject to assessment.
- 8.6 <u>Special Assessments</u>. Any special assessments levied by the Golf Club's Board of Directors shall be assessed equally against all Lots and Living Units. Under no circumstances will the Declarant have any obligation to pay special assessments.
- 8.7 <u>Charges</u>. Any charge by the Golf Club authorized by law or by the Golf Club Documents to be imposed on less than all of the Lots or Living Units shall not be deemed an assessment. Payment may be enforced as provided in 8.8 and 8.9 below.
- 8.8 <u>Lien.</u> The Golf Club has a lien on each Lot and Living Unit subject to these Golf Club Documents for any unpaid past due assessments and charges, together with interest, late payment penalties and reasonable attorney's fees incurred by the Golf Club in enforcing this lien. The lien relates back to the date of recording this Golf Declaration in the Public Records of Collier County, Florida; and is perfected by recording a Claim of Lien in the public records of the County, which Claim of Lien shall state the legal description of the property encumbered thereby, the name of the record Owner, the amounts then due and the dates when due. The Claim of Lien must be signed and acknowledged by an officer or agent of the Golf Club. The lien shall continue in effect until all sums secured by said lien have been fully paid, and the lien satisfied or discharged. The Claim of Lien shall secure all unpaid assessments and charges, interest, costs and attorneys fees which are due and which may accrue or come due after the recording of the Claim of Lien and up to the issuance of a clerk's deed. Upon full payment, the person making payment is entitled to a satisfaction of the lien.
- 8.9 Foreclosure of Lien. Unless a different method is required by Florida law, as amended from time to time, the Golf Club's lien may be foreclosed by the procedures and in the manner provided in Section 720.3085, Florida Statutes (2011), as it may be amended from time to time, for the foreclosure of a lien for unpaid assessments. The Golf Club may also bring an action at law against any Owner liable for unpaid charges or assessments. If final judgment is obtained, it shall include interest on the assessments as above provided and a reasonable attorneys fee to be fixed by the Court, together with the costs of the action, and the prevailing party shall be entitled to recover reasonable attorneys fees in connection with any appeal of such action.
- 8.10 Priority of Lien. Notwithstanding anything to the contrary herein, if any first mortgage or other person, persons, or entity obtains title to a Lot or Living Unit as a result of a foreclosure of a first mortgage or a deed is given in lieu of foreclosure of a first mortgage or record, such acquirer of title, shall be liable for the share of assessments pertaining to such Lot or Living Unit or chargeable to the former record Owner of legal title, which became due prior to the acquisition of title as a result of the foreclosure

or deed in lieu of foreclosure of said first mortgage or record as provided in Section 720.3085, Florida Statutes (2011), as amended from time to time. The foregoing limited liability shall not be construed to negate the authority of a court to order a mortgagee to pay a surcharge pursuant to 11 USC Section 506(c), or grant other relief that may be found to be applicable under federal or state law. Any lease of a Living Unit shall be subordinate and inferior to any Claim of Lien of the Golf Club, regardless of when the lease was executed. The relative priority of the Golf Club's lien to that of any other association shall be determined by the order of their recording in the public records.

- 8.11 <u>Initial Capital Assessments</u>. The first purchaser of each Lot or Living Unit subject to these Golf Club Documents, at the time of closing of the conveyance from the Declarant to the purchaser, shall pay to the Declarant an initial capital contribution. The funds derived from capital assessments shall be used at the discretion of the Declarant for any purpose, including but not limited to, future and existing capital improvements, operating expenses, support costs and start-up costs. The Declarant may waive or defer this requirement for some Lots and Living Units. Unless subsequently adjusted by the Declarant, the amount of the Initial Capital Assessment shall be initially set as \$1,000.00.
- 8.12 Resale Capital Contribution. In addition to the Initial Capital Contribution, the Golf Club may levy a Resale Capital Contribution upon the transferee in any conveyance of a Lot or Living Unit by a Golf Member. The amount of the Resale Capital Assessment and the manner of payment shall be as determined by resolution of the Board from time to time; provided, however, all Lots or Living Units similarly situated shall be assessed at a uniform rate. Unless subsequently adjusted by the Board, the amount of the Resale Capital Contribution shall be initially set as \$1,000.00. The due date shall be the date of the closing of the conveyance. Payment of the Resale Capital Contribution shall be the legal obligation of the transferee. For purposes of this Section, the term "conveyance" shall mean the transfer of record legal title to a Lot or Living Unit by deed or other authorized means of conveyance, with or without valuable consideration, and shall also refer to a transfer of possession and beneficial ownership by means of an agreement for deed. It does not refer to a transfer of title resulting from foreclosure of a lien, or the death of the transferee, nor to a transfer of title to a Golf Member or the transferor's spouse without changing occupancy, solely for estate planning or tax reasons. Resale Capital Contributions shall be considered an assessment and can be collected as such in accordance with the provisions this Article.
- 8.13 Ownership. Assessments, Resale Capital Assessments, and charges collected by or on behalf of the Golf Club become Golf Club property; no Owner has the right to claim, assign or transfer any interest therein except as an appurtenance to his Lot or Living Unit. No Owner has the right to withdraw or receive distribution of his share of the common surplus (including reserves), except as otherwise provided by law.
- 8.14 <u>Declarant Advances</u>. Declarant may, in its sole and unbridled discretion, advance and loan monies or other property in lieu of monies to the Golf Club for any purpose including providing working capital. Such advances shall be considered a loan by the Declarant to the Golf Club and may be evidenced by a promissory note executed by the Golf Club in favor of the Declarant. The Golf Club, by and through its officers, directors and agents are hereby empowered to, and shall have the authority to, execute such promissory notes in favor of, and on behalf of, the Golf Club and obligate the Golf Club to repay all funds, monies or property so advanced. Even if the advances are not evidenced by promissory notes, the amounts so advanced shall be considered loans which may be due upon demand before or after turnover.
- 8.15 Failure to Pay Assessments. In addition to all other remedies provided herein or by law, the Golf Club may suspend the common area use rights and the voting rights of a Member due to nonpayment of any monetary obligation to the Golf Club which is more than 90 days delinquent for so long as the Member remains delinquent. Furthermore, notwithstanding any other remedy available to the Golf Club

under this Golf Declaration, the Bylaws or applicable law, the Golf Club shall have the following options when payment of assessments or charges are in default (more than ten days in arrears), the Golf Club may, without order of the court, direct rental income (by written notice to the tenant with copy to the Owner) from Lots or Living Units in default to be paid directly to the Golf Club until all outstanding assessments, charges, interest, costs, collection expenses, attorney's fees and receiver's fees, if applicable are satisfied. As an alternative, the Golf Club may apply to a Court of competent jurisdiction, either in connection with a foreclosure suit, a personal suit, or otherwise, to have rental proceeds paid on account of a unit in default paid directly to the Golf Club, the court registry, or a receiver, as the Court may direct.

- 8.16 <u>Budgeting for Reserves</u>. The Board may, but shall not be obligated to, periodically prepare a reserve budget. In the event that the Board elects to fund voluntary, non-statutory reserves under this Section 8.16, the reserve budget shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. Funding for any such reserves shall be funded primarily through the capitalization assessments specified in Section 8.12; provided, however, the Board may, but shall not be obligated to, include a capital contribution in the Common Expense budget to fund reserves. No such reserves shall be established without the consent of the Declarant, and if the Declarant consents, Declarant shall have no obligation to contribute to such reserves. Furthermore, the Declarant shall have no obligation to fund any deficit in reserves under any deficit funding obligations it may have with respect to operating expenses and assessments elsewhere herein.
- 9. <u>COVENANT AND RULE ENFORCEMENT: DISPUTE RESOLUTION</u>. The Golf Club has the power to enforce all covenants, conditions, restrictions, rules and agreements applicable to any real property within Treviso Bay Golf Club, and is further empowered to promulgate and enforce administrative rules and regulations governing the use of the Golf Club Common Areas.
- 9.1 Owner and Golf Member Compliance. The protective covenants, conditions, restrictions and other provisions of the Golf Club Documents and the rules promulgated by the Golf Club, shall apply to all Owners, as well as to any other person occupying any Living Unit. Failure of an Owner to notify any person of the existence of the rules, or the covenants, conditions, restrictions, and other provisions of the Golf Club Documents shall not in any way act to limit or divest the Declarant or the Golf Club of the power to enforce these provisions. Each Owner shall be responsible for any and all violations by his tenants, licensees, invitees or guests, and by the guests, licensees and invitees of his tenants, at any time.
- 9.2 <u>Litigation</u>. Subject to Section 3.7 above, each Golf Member and the Golf Member's tenants, guests, and invitees, and the Golf Club, are governed by and must comply with Chapter 720, Florida Statutes, the Golf Club Documents and rules of the Golf Club. Enforcement actions for damage, or for injunctive relief, or both, on account of any alleged violation of the Golf Club Documents and Golf Club rules may be brought by the Declarant, any Owner, or the Golf Club against:
 - (A) the Golf Club;
 - (B) a Golf Member:
 - (C) any occupant of a Living Unit;
 - (D) any Director or officer of the Golf Club who willfully and knowingly fails to comply with these provisions; and
 - (E) any tenants, guests, or invitees occupying a parcel or using the Golf Club Common Areas.

- 9.3 <u>Damages and Attorney's Fees</u>. Damages shall not be conclusively deemed adequate relief for any breach or violation of the Golf Club Documents or the rules. Any person or entity entitled to enforce any provision thereof shall be entitled to relief by way of injunction, as well as any other available relief either at law or in equity. The prevailing party in a proceeding to enforce any provision of the Golf Club Documents or rules, or to enjoin violation or breach of any provision hereof, or recover damages on account of such breach, against any person shall be entitled to recover reasonable attorney's fees and court costs (including those resulting from appellate proceedings).
- 9.4 Non-Liability of Declarant. The Declarant shall not be liable or responsible for any violation of the Golf Club Documents or rules by any person other than itself, and its officers, agents and employees.

9.5 Fines.

- (A) In addition to the means of enforcement provided elsewhere herein, the Golf Club shall have the right to assess fines against a Lot or Living Unit, an Owner, or his guests, relatives or lessees in the event of a violation of the provisions of the Declaration, the Articles of Incorporation, these Bylaws, and Rules and Regulations of the Golf Club regarding the use Golf Club Property. Each such violator and the Golf Member shall be given written notice of the alleged violation and the opportunity for a hearing before the Board of Directors with at least fourteen (14) days notice. Said notice shall include a statement of the date, time and place of the hearing; a statement of the provisions of the Golf Declaration, Articles, Bylaws, or Rules which have been allegedly violated; and a short and plain statement of the matters asserted by the Golf Club. The party against whom the fine may be levied shall have an opportunity to respond, to present evidence, and provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the Golf Club. The amount of such fine shall not exceed One Hundred Dollars (\$100.00) per violation, per day. A fine may be levied for each day of a continuing violation, with a single notice and opportunity for hearing. A fine for a continuing violation may not exceed Five Thousand Dollars (\$5,000.00). The payment of fines shall be the ultimate responsibility of the Owner, even when the violations for which lines have levied arise out of the conduct of family members, guests or tenants. Any action to collect a duly levied fine shall entitle the prevailing party to an award of all costs and reasonable attorney's fees. Unless otherwise provided by Section 720.302, Florida Statutes, a fine of One Thousand Dollars (\$1,000.00) or more may become a lien against the Lot or Living Unit.
- (B) Collection of fines. A fine shall be treated as a special charge due to the Golf Club ten (10) days after written notice from the Golf Club to the Owner of the imposition of the fine. If not paid by the due date, the fine shall accrue interest at the highest rate allowed by law, and may itself be the subject of a late payment fee. Fines not paid after ninety (90) days may result in the suspension of use rights pursuant to Section 2.7of the Bylaws.
- (C) Application. All monies received from fines shall become part of the common surplus.
- (D) <u>Nonexclusive remedy</u>. Fines shall not be construed to be an exclusive remedy, and shall exist in addition to all other rights and remedies to which the Golf Club may be otherwise legally entitled; however, any fine paid by the offending Owner shall be deducted from or offset against any damages that the Golf Club may otherwise be

entitled to recover at law from such Owner.

- 9.6 <u>Suspension of Use Rights</u>. To the extent lawful, the Board of Directors may suspend the right of any Golf Member, or his guests, tenants, or family members, to use Golf Club Common Areas for a reasonable time as punishment for one or more infractions of Golf Club rules and regulations by the Golf Member, his family, guests or tenants. No such suspension shall affect the Golf Member's right of access to his Lot or Living Unit.
 - (A) A suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be suspended and an opportunity for a hearing before a committee of at least three (3) Members appointed by the Board who are not officers, Directors, or employees of the Golf Club, or the spouse, parent, child, brother, or sister of an officer, Director, or employee. If the committee, by majority vote, does not approve a proposed suspension, it may not be imposed.
 - (B) The requirements of the previous paragraph do not apply to the imposition of suspensions or fines upon any Member because of the failure of the member to pay assessments or other charges when due if such action is authorized by the Golf Club Documents.
 - (C) Suspension of Golf Club Common Area use rights shall not impair the right of an Owner or tenant of a parcel to have vehicular and pedestrian ingress to and egress from his Lot or Living Unit, including, but not limited to, the right to park.
- 10. <u>RIGHTS OF DECLARANT</u>. In addition to those provided elsewhere in the Golf Club Documents, the Declarant shall have the following rights and privileges:

- 10.3 <u>Use of Golf Course, Clubhouse and Golf Club Common Areas</u>. The Declarant has the right and authority, as long as that Declarant owns any Lot or Living Unit, to use the golf course, clubhouse and other Golf Club Common Areas without charge for a sales office, for promotional activities, tournaments and other special events whether private or open to the public, to promote Treviso Bay and to assist in its overall marketing effort.

The foregoing sentence pertaining to entitlement to limited liability shall not be construed to negate the authority of a court to order a mortgagee to pay a surcharge pursuant to 11 USC Section 506(c), or grant other relief that may be found to be applicable under federal or state law. - (D) Wrongful conduct by Directors or Officers appointed by the Declarant, in a proceeding brought by or on behalf of the Golf Club.

In the event of a settlement, the right to indemnification shall not apply unless the Board of Directors approved such settlement as being in the best interest of the Golf Club. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which a Director or Officer may be entitled.

The certificate of golf membership may set forth the number of Lots or Living Units owned by the Golf Member and such other information as determined by the Board. Admission to any Golf Club Common Area, facility, meeting or affair of the Golf Club may be conditioned upon production of a current certificate of golf membership by the Golf Member.

2.4 Transfer of Golf Membership. Except as provided in Section 2.6 below, no Golf Member may transfer his Golf Club membership, except as an appurtenance to his Lot or Living Unit. The Golf Club shall be entitled to charge an administrative transfer fee equal to \$100.00 for each transfer in addition to any other charges, fees or assessments set forth in the Golf Club Documents. When a Golf Member ceases to be an Owner, his golf membership shall cease. The termination of golf membership in the Golf Club does not relieve or release any former Golf Member from liability or obligation incurred under or in any way connected with the Golf Club during the period of his golf membership, nor does it impair any rights or remedies which the Golf Club may have against any former Golf Member arising out of or in any way connected with such golf membership and the covenants and obligations incident thereto. Interim golf membership is not transferrable.

2.5 Rights and Privileges of Golf Members.

- (A) Every Golf Member shall have the right to:
 - (1) Have his vote cast at the meetings of the Golf Members;
 - (2) Serve on the Board if elected:
 - (3) Serve on committees; and
 - (4) Attend golf membership meetings.

Each Golf Member is encouraged to take an active interest in Golf Club affairs.

- (B) Every Golf Member in good standing shall have the privilege of using and enjoying the Golf Club Common Areas in accordance with the type of golf membership held by the Golf Member, subject to the rules of the Golf Club and the right of the Golf Club to charge admission and other fees for the use of any facilities.
- (C) A Golf Member is in good standing if he is current in the payment of all assessments and other financial obligations to the Golf Club, and his golf membership is not suspended.

2.6 Delegation of Rights to use Golf Club Common Areas.

(A) In accordance with Section 4.5 of the Golf Declaration, a Golf Member may delegate his privilege to use the Golf Club Common Areas to:

- (1) A reasonable number of guests, but only if accompanied by the Golf Member as further set forth in the Rules and Regulations; or
- (2) Residential tenants who reside in the Golf Member's Living Unit
- (B) In the case of residential tenants of the Golf Member's Living Unit, the delegating Golf Member must obtain prior written approval from the Golf Club of such delegation. The written approval shall state the name, age, permanent address, intended length of time the delegation will be effective, and such other information about each residential tenant as the Board shall require.
- (C) A Golf Member who has delegated his use privileges and is not in residence in Treviso Bay may not use Golf Club Common Areas during the period of the delegation, except as a Guest of another Golf Member. A Golf Member may not be the Guest of his tenant.
- (D) Golf Members shall be responsible for keeping the Golf Club informed as to the identity and relationship of any persons who normally reside with the Golf Member and intend to utilize the Golf Club Common Areas,

- (F) The delegation of golf membership is subject to the one (1) family limitation described in the Golf Declaration.
- 2.7 <u>Suspension of Golf Membership</u>. As further provided in the Golf Declaration, the Board may suspend a Golf Member's golf membership in the Golf Club:
 - (A) For the period of time during which an assessment or other monetary obligation against the Member remains unpaid more than ninety (90) days after the date it was due and payable; or
 - (B) For a reasonable period during or after any infraction of the Golf Club's Rules and Regulations by a Golf Member or by any person to whom he has expressly or impliedly delegated his use privileges; or
 - (C) For misuse, abuse, or intentional destruction of Golf Club Property, real or personal. Golf membership shall not be suspended until the Golf Member has been sent reasonable notice of the intended suspension and been offered a reasonable opportunity to be heard. Suspension of any Golf Member's golf membership temporarily revokes the Golf Member's rights and privileges to use and enjoy Golf Club Common Areas and facilities and to participate in Golf Club affairs. A suspension shall in no way impair the enforceability of any assessment or lien therefor, or the authority of the Golf Club to assess and collect any future assessment and lien, nor shall it impair the Golf Member's

right of access to, and use of, his own property in a manner consistent with the Golf Club Documents. The right of the Golf Member to vote may not be suspended. The notice and hearing requirements of this Section do not apply to a suspension under subsection 2.7(A). All suspensions imposed for the nonpayment of a monetary obligation must be approved at a properly noticed Board Meeting. Upon approval the Golf Club must notify the Lot Owner and Occupant by mail or hand delivery.

3. GOLF MEMBERS' MEETINGS.

- 3.1 <u>Annual Meeting</u>. The annual meeting shall be held in Collier County during either March or April of each year, at a day, place and time designated by the Board of Directors, for the purpose of electing Directors (after such time as the Golf Members become entitled to do so) and transacting any other business duly authorized to be transacted by the Golf Members. The annual meeting is a general meeting, and unless the law or the governing documents require otherwise, notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called.
- 3.2 <u>Special Golf Members' Meetings</u>. Special Golf Members' meetings must be held whenever called for by the President or by a majority of the Directors, and must be promptly called by the Board upon receipt of a written request signed by voting representatives of Golf Members entitled to cast at least ten percent (10%) of the Golf Members. Such requests shall be in writing and shall state the purpose or purposes of the meeting. Business at any special meeting shall be limited to the item specified in the request or contained in the notice of meeting.
- 3.3 Quorum. A quorum shall be attained at a Golf Members meeting by the presence in person or by proxy at least thirty percent (30%) of the total voting interests.
- 3.4 <u>Vote Required to Transact Business</u>. The acts or resolution approved by at least a majority of the votes cast at a duly called meeting at which a quorum has been attained shall be the act of the Golf Members, unless a higher vote is specifically required by law or by the Golf Club Documents.
- 3.5 <u>Notice of Meetings</u>. Written notice of meetings shall be mailed or hand-delivered to the address last provided to the Golf Club by the Golf Members. The notices must be mailed or delivered by the Golf Club not less than fourteen (14) days prior to the date of the meeting.
- 3.6 Adjourned Meetings. Any duly called meeting of the Golf Members may be adjourned to be reconvened at a later time by vote of the majority of the voting interests present, regardless of whether a quorum has been attained. Unless the Bylaws require otherwise, adjournment of annual or special meeting to a different date, time or place must be announced at that meeting before an adjournment is taken, or notice must be given of the new date, time, or place pursuant to Section 720.303(7), Florida Statutes as amended. Any business that might have been transacted on the original date of the meeting may be transacted at the adjourned meeting. If a new record date for the adjourned meeting is or must be fixed under Section 617.0707, Florida Statutes, as amended, notice of the adjourned meeting must be given to persons who are entitled to vote and are Golf Members as of the new record date but were not Golf Members as of the previous record date.
- 3.7 Order of Business. The order of business at Golf Members' meetings shall be substantially as follows:

- (A) Determination that a quorum has been attained.
- (B) Reading or waiver of reading of minutes of last Golf Members' meeting.
- (C) Reports of Officers
- (D) Reports of Committees
- (E) Election of Directors (when appropriate)
- (F) Unfinished Business
- (G) New Business
- (H) Adjournment
- 3.8 <u>Minutes</u>. Minutes of all meetings of the Golf Members must be maintained in written form, or in another form that can be converted into written form within a reasonable time.
- 3.9 <u>Parliamentary Rules.</u> Roberts' Rules of Order (latest edition) shall govern the conduct of the Golf Club meetings when not in conflict with the law, with the Golf Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian, but the decision of the presiding officer on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.
- 3.10 Action by Golf Members without a Meeting. Except the holding of the annual meeting and annual election of Directors, any action required or permitted to be taken at a meeting of the Golf Members may be taken by mail without a meeting if written instruments expressing approval of the action proposed to be taken are signed and returned by Golf Members having not less than the minimum number of votes that would be necessary to take such action at a meeting at which all of the voting interests were present and voting. If the requisite number of written consents are received by the Secretary within sixty (60) days after the earliest date which appears on any of the consent forms received, the proposed action so authorized shall be of full force and effect as if the action had been approved at a meeting of the Golf Members held on the sixtieth (60th) day. Within ten (10) days thereafter, the Board shall send written notice of the action taken to all Golf Members who have not consented in writing. Nothing in this paragraph affects the rights of Golf Members to call a special meeting of the golf membership, as provided for by Section 3.2 above, or by law.
- 4. BOARD OF DIRECTORS. The administration of the affairs of the Golf Club shall be by a Board of Directors. All powers and duties granted to the Golf Club by law, as modified and explained in the Golf Declaration, Articles of Incorporation, and these Bylaws, shall be exercised by the Board, subject to the approval or consent of the Golf Members only when such is expressly required by the Golf Club Documents.
- 4.1 Powers. The Board shall have the authority to:
 - (A) Manage and control the affairs of the Golf Club.
 - (B) Appoint and remove at its pleasure all officers, agents and employees of the Golf Club, prescribe their duties, fix their compensation and require of them such security or fidelity bond as it may deem expedient. Nothing in these Bylaws shall be construed to prohibit the employment of any Member, officer or director of the Golf Club in any capacity whatsoever.

- (C) Establish, levy, assess and collect any assessment or charge provided for in the Golf Club Documents.
- (D) Designate one or more financial institution(s) as depository for Golf Club funds, and the officer(s) authorized to make withdrawals therefrom.
- (E) With the prior consent of at least a majority of the voting interests, borrow money for Golf Club purposes, and assign, pledge, mortgage or encumber any Golf Club Common Areas or future revenues of the Golf Club as security therefor;
- (F) Adopt, amend or revoke rules and regulations relating to the use of Golf Club Common Areas, and such sanctions for noncompliance therewith, as it may deem necessary for the best interest of the Golf Club and its Golf Members. The Board may also establish and levy fees for the use of Golf Club Common Areas or Golf Club property;
- (G) Cause the Golf Club to employ sufficient personnel to adequately perform the responsibilities of the Golf Club;
- (H) Negotiate and enter into contracts for the maintenance and operation of the Golf Club Common Areas;
- (I) Make improvements to the Golf Club Common Areas.
- (J) Establish committees of the Golf Club and appoint the Golf Members thereof. It may assign to such committees responsibilities and duties not inconsistent with the provisions of these Bylaws as it may deem appropriate;
- (K) Acquire property, real or personal, and enter into agreements with any persons, including Declarant relating to the orderly transfer of property from said person to the Golf Club and such other matters as the Board may deem appropriate.
- (L) Perform all other acts not inconsistent with law or the Golf Club Documents and necessary for the proper functioning of the Golf Club.
- 4.2 <u>Number: Qualifications</u>. Initially the Board of Directors shall consist of three (3) Directors appointed by the Declarant Member, who are not subject to removal by the Golf Members, and who need not be Golf Members of the Golf Club. Each Director elected by the regular Golf Members must be a Golf Member, or the spouse of a Golf Member.
 - (A) At the Turnover Meeting, all Directors then serving shall resign, and the size of the Board shall increase to seven (7) Directors elected by the Golf Members. Any of the remaining seven (7) seats will be filled at large by the vote of all non-Declarant Golf Members. As long as at least five percent (5%) of the Lots or Living Units in Treviso Bay remain unsold, the Declarant shall be entitled to appoint one additional Director.

- 4.3 <u>Term of Office</u>. In order to provide for a continuity of experience by establishing a system of staggered terms of office, at the Turnover Meeting three (3) Directors shall each be elected for a term that ends at the next annual meeting of the Golf Club, and four (4) Directors shall be elected for a term which expires at the annual meeting after the next annual meeting. Thereafter, each Director shall be elected for a term of two (2) years, which will end upon final adjournment of the annual meeting in conjunction with which the Director's successor is to be elected. There is no limit on the number of consecutive terms to which a Director may be elected. A resignation must be in writing to be effective, and may not be revoked once received by the Golf Club.
- 4.4 <u>Nominations and Elections</u>. The non-Declarant Golf Members are entitled to vote in the election of the Directors.
 - (A) <u>Candidates</u>. The Board shall adopt and utilize procedures whereby any person eligible to serve as a Director may qualify as a candidate and have his name on the ballot, by notifying the Golf Club in writing, at least forty-five (45) days in advance of the election, of his desire to be a candidate for any vacancy which he is eligible to fill. All eligible persons giving timely written notice of desire to be a candidate shall be listed alphabetically by surname on any ballots distributed or used by the Golf Club. Candidates may also be nominated in any other way permitted by law.
 - (B) Election and Voting Materials. Candidates shall have a reasonable opportunity to communicate their qualifications to the Golf Members and to solicit votes at their own expense. Any written materials distributed to the Golf Members by the Golf Club regarding an election shall be non-partisan, and Golf Club funds shall not be used in any way to promote the election of any candidate over another. No ballot or other election materials used by the Golf Club shall endorse, disparage, or comment on any candidate or indicate whether a candidate is an incumbent, however the Golf Club shall duplicate and distribute without editing brief resumes of background and qualifications provided by any candidates who would like it distributed. The ballots and all other election and voting materials shall be distributed by the Golf Club with the notice of the annual meeting described in Section 3.5 above.
 - (C) <u>Balloting</u>. Elections shall be by written ballot. The candidate who receives a plurality of the votes cast shall be elected. Each Member may cast as many votes as there are Directors to be elected, but not more than one vote for any candidate. Each Member may also cast one vote for each Director to be elected, it being the intent hereof that cumulative voting is prohibited. Election ballots shall be cast by the Golf Members directly with the Golf Club, which shall count the ballots at a Golf Club Annual Meeting which is properly noticed and open to all Golf Members. Any ballots received after the first vote is counted at the Golf Club Annual Meeting shall be invalid.
 - (D) <u>Vote Counting</u>. On the day of the annual meeting, before the meeting begins, at a place and time which was stated in the notice of the meeting, the Board (or its designees) shall open the sealed envelopes and count the votes in such manner as it (or they) deem advisable. Any member shall be entitled to attend and observe. The results of the election shall be announced at the beginning of the annual meeting, and the new Directors shall take office at the final adjournment of the meeting. A tie vote shall be broken by

agreement between the tied candidates, or, in the absence of agreement, by lot. Any dispute as to the validity of any ballots shall be resolved by the incumbent Board.

- 4.5 <u>Vacancies on the Board</u>. If the office of any Director or Directors, except those appointed by Declarant, becomes vacant for any reason, a majority of the remaining Directors, though less than a quorum, shall promptly choose a successor or successors, who shall hold office for the entire remaining term. If for any reason there should arise circumstances in which no Directors are serving and the entire Board is vacant, the Golf Members shall elect successors at a special meeting by the same method as is provided for at the Turnover Meeting in Sections 4.2 through 4.4 above.
- 4.6 <u>Removal</u>. Any Director, except those appointed by the Declarant, may be removed from the Board with or without cause by vote of a majority of the voting interests. Directors may also be removed as provided in Section 4.8 below.
- 4.7 <u>Organizational Meeting</u>. An organizational meeting of a new Board of Directors shall be held within ten (10) days after the election of new Directors at such place and time as may be fixed by the new Directors at the meeting when they were elected.
- 4.8 Regular Meetings. After turnover of control, regular meetings of the Board shall be held at such time and place in Collier County, Florida, as shall be determined from time to time by the Directors. A regular meeting of the Board of Directors is any meeting held according to a regular weekly, monthly or other periodic schedule adopted from time to time by the Board. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least ten (10) days before the day named for such meeting. At regular meetings any business of the Golf Club may be transacted. If any Director elected by the Golf Members shall be absent for any reason from three (3) consecutive regular meetings of the Board, the Board may, by vote of at least a majority of the whole Board taken at the next meeting, declare the office of said Director to be vacant, and may appoint a successor.
- 4.9 <u>Special Meetings</u>. Special meetings of the Board are all meetings other than the annual organizational meeting and regular meetings. Special meetings may be called by the President, the Secretary, or by a majority of the Directors. Not less than two (2) days notice of a special meeting shall be given to each Director, personally or by mail, facsimile, telephone or telegram, which notice shall state the time, place, and purposes of the meeting. Business conducted at a special meeting shall be limited to the items specified in the notice of the meeting.
- 4.10 <u>Waiver of Notice by Directors</u>. Any Director may waive notice of a Board meeting before or after the meeting, and such waiver shall be deemed equivalent to the receipt of notice. Attendance at a meeting by any Director constitutes waiver of notice, unless that Director objects to the lack of notice at the beginning of the meeting.
- 4.11 Board Meetings: Notice to Golf Members. A meeting of the Board of Directors occurs whenever a quorum of the Board gathers and conducts Golf Club business. All meetings of the Board shall be open to all Golf Members, except as otherwise provided by law. Notice of all Board meetings shall be posted in a conspicuous place on the Golf Club Common Areas at least forty-eight (48) hours in advance of a meeting, except in an emergency. An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of such assessments. Any Owner may tape-record or videotape meetings of the Board and meetings of the Golf

Members. The Board may adopt reasonable rules governing the taping of meetings of the Board and the Golf Membership.

- 4.12 <u>Quorum of Directors</u>. A quorum at a Board meeting shall exist only when a majority of all Directors are present in person. Directors may not vote by proxy or secret ballots at Board meetings, except that secret ballots may be used in electing officers. Any Director has a right to participate in any meeting of the Board, or meeting of an executive or other committee, by means of a conference telephone call or similar communicative arrangement whereby all persons present can hear and speak to all other persons. Participation by such means shall be deemed equivalent to presence in person.
- 4.13 <u>Vote Required</u>. Except as otherwise required by law or the governing documents, the acts approved by a majority of the Directors present and voting at a duly called Board meeting at which a quorum exists shall constitute the acts of the Board of Directors.
- 4.14 <u>Presumption of Assent</u>. A Director who is present at a meeting of the Board shall be deemed to have voted in favor of the point of view that prevails on any question, unless he voted against such action or abstained from voting because of an asserted conflict of interest. The vote of each Director on each matter considered, including abstention because of an asserted conflict of interest, must be recorded in the minutes of the meeting.
- 4.15 <u>Adjourned Meetings</u>. The majority of the Directors present at any meeting of the Board, regardless of whether a quorum exists, may adjourn the meeting to be reconvened at a later time. When the meeting is reconvened, provided a quorum exists, any business that might have been transacted at the meeting originally called may be transacted without further notice.
- 4.16 <u>The Presiding Officer</u>. The President of the Golf Club, or in his absence, the Vice-President, shall be the presiding officer at all meetings of the Board of Directors. If neither is present, the presiding officer shall be selected by majority vote of those present.
- 4.17 <u>Compensation of Directors and Officers</u>. Neither Directors nor officers shall receive compensation for their services as such. Directors may not also be employees of the Golf Club. Directors and officers may be compensated for all actual and proper out-of-pocket expenses relating to the proper discharge of their respective duties.
- 4.18 <u>Emergency Powers</u>. In the event of an "emergency" as defined in Paragraph 4.18(G) below, the Board of Directors of the Golf Club may exercise the emergency powers as described in this Section, and any other emergency powers authorized by Sections 617.0207, and 617.0303, Florida Statutes, as amended from time to time.
 - (A) The Board may name as assistant officers persons who are not Directors, which assistant officers shall have the same authority as the executive officers of whom they are assistant during the period of the emergency, to accommodate the incapacity of any officer of the Golf Club.
 - (B) The Board may relocate the principal office or designate alternative principal offices or authorize the officers to do so.

- (C) During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practical manner, including publication or radio. The Director or Directors in attendance at such a meeting shall constitute a quorum.
- (D) Corporate action taken in good faith during an emergency under this Section to further the ordinary affairs of the Golf Club shall bind the Golf Club; and shall have the rebuttable presumption of being reasonable and necessary.
- (E) Any officer, Director or employee of the Golf Club acting with a reasonable belief that his actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.
- (F) The provisions of these emergency Bylaws shall supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.
- (G) For purposes of this Section, an "emergency" exists only during a period of time that the Golf Club Property, or the immediate geographic area in which the Golf Club Property is located, is subjected to:
 - (1) a state of emergency declared by law enforcement authorities;
 - (2) a hurricane warning;
 - (3) a partial or complete evacuation order:
 - (4) designation by federal or state government as a "disaster area;" or
 - (5) a catastrophic occurrence, whether natural or man-made, which seriously damages or threatens serious damage to the Golf Club Property, such as an earthquake, tidal wave, fire, hurricane, tornado, war, civil unrest, or acts of terrorism.
- 4.19 <u>Committee Meetings</u>. The provisions of this Section 4 governing the calling and holding of Board meetings shall also apply to the meetings of all committees or other similar bodies specified in the Golf Club Documents, and to any committee or similar body appointed by the Board or any member thereof, or elected by the Golf Members, to which the Board has delegated its decision-making powers. The meetings of any committee, including any body vested with the power to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a member of the Golf Club, must be conducted with the same formalities as required for meetings of the Board.

5. OFFICERS.

5.1 Officers and Elections. The executive officers of the Golf Club shall be a President, and one or more Vice-Presidents, who must be Directors of the Golf Club, as well as a Treasurer and a Secretary, all of whom shall be elected annually by majority vote of the Board of Directors. Any officer may be removed, with or without cause, by vote of a majority of all Directors at any meeting. Any person except the

President may hold two or more offices. The Board of Directors shall, from time to time, appoint such other officers, and designate their powers and duties, as the Board shall find to be required to manage the affairs of the Golf Club. If the Board so determines, there may be more than one Vice-President. The officers may delegate their duties and responsibilities.

- 5.2 <u>President</u>. The President shall be the chief executive officer of the Golf Club; he shall preside at all meetings of the Golf Members and Directors, shall be ex-officio a member of all standing committees, shall have general and active management of the business of the Golf Club, and shall see that all orders and resolutions of the Board are carried into effect. He shall execute bonds, mortgages and other contracts or documents requiring the seal of the Golf Club, except where such are permitted by law to be otherwise executed, and the power to execute is delegated by the Board of Directors to another officer or agent of the Golf Club.
- 5.3 <u>Vice-Presidents</u>. The Vice-Presidents in the order of their seniority shall, in the absence or disability of the President, perform the duties and exercise the powers of the President; and they shall perform such other duties as the Board of Directors shall prescribe.
- 5.4 Secretary. The Secretary shall attend the meetings of the Board and meetings of the Golf Members, and shall record all votes and the minutes of all proceedings in a book or books to be kept for the purpose, and shall perform like duties for the standing committees when required. He shall give, or cause to be given, notice of all meetings of the Golf Members and of the Board of Directors, and shall perform such other duties as may be prescribed by the Board or the President. He shall keep in safe custody the seal of the Golf Club and, when authorized by the Board, affix the same to any instrument requiring it. The Secretary shall be responsible for the proper recording of all duly adopted amendments to the Golf Club Documents. Any of the foregoing duties may be performed by an Assistant Secretary, if any has been designated.
- 5.5 <u>Treasurer</u>. The Treasurer shall have responsibility for the collection, safe-keeping, and disbursement of funds and securities of the Golf Club, shall keep full and accurate accounts of receipts and disbursements in books belonging to the Golf Club, and shall deposit all monies and other valuable effects in the name and to the credit of the Golf Club in such depositories as may be designated by the Board of Directors, and prepare the budget for the Golf Club. He shall be responsible for disbursing the funds of the Golf Club, making proper vouchers for such disbursements, and shall render to the President and Directors, at the regular meetings of the Board, or whenever they may require it, an account of all transactions and of the financial condition of the Golf Club. Any of the foregoing duties may be performed by an Assistant Treasurer, if any has been designated.
- 6. FISCAL MATTERS. The provisions for assessments and fiscal management of the Golf Club set forth in the Golf Declaration shall be supplemented by the following provisions:
- 6.1 <u>Depository</u>. The Golf Club shall maintain its accounts in federally insured accounts at financial institutions doing business in the State of Florida as may be designated from time to time by the Board. Withdrawal of monies from such accounts shall be only by such persons as are authorized by the Board. The Board may invest Golf Club funds in interest-bearing accounts, money market funds, certificates of deposit, U.S. Government securities, and other similar investment vehicles, provided they are federally insured, or backed by the full faith and credit of the United States.

- 6.2 <u>Budget</u>. The Board of Directors shall, at a November meeting each year, adopt a budget of general expenses for the next fiscal year. The budget must reflect the estimated revenues and expenses for that year and the estimated surplus or deficit as of the end of the current year. The budget must set out separately all fees or charges for recreational amenities, whether owned by the Golf Club, the Declarant, or another person. The Golf Club shall provide each member with a copy of the annual budget or a written notice that a copy of the budget is available upon request at no charge to the member. The proposed budget shall be detailed and shall show the amounts budgeted by accounts and expense classifications.
- 6.3 <u>Reserves</u>. The Board may establish in the budgets one or more reserve accounts for contingencies, operating expenses, repairs, improvements, capital expenditures or deferred maintenance. The purpose of the reserves is to provide financial stability and to avoid the need for special assessments. The amounts proposed to be so reserved shall be shown in the proposed annual budgets each year. These funds may be spent only for purposes for which they were reserved, unless another use is approved by unanimous consent of the entire Board.
- 6.4 <u>Fidelity Bonds</u>. The Treasurer, and all other officers who are authorized to sign checks, and all Directors and employees of the Golf Club handling or responsible for Golf Club funds, shall be bonded in such amounts as determined by the Board of Directors. The premiums on such bonds shall be paid by the Golf Club.

 - (B) A current account and a period statement of the account for each member, designating the name and current address of each Golf Member who is obligated to pay assessments, the due date and amount of each assessment or other charge against the member, the date and amount of each payment on the account, and the balance due.
 - (C) All tax returns, financial statements, and financial reports of the Golf Club.
 - (D) Any other records that identify, measure, record or communicate financial information.
- 6.6 <u>Financial Reporting</u>. The Golf Club shall prepare an annual financial report within sixty (60) days after the close of the fiscal year. The Golf Club shall, within ten (10) business days after the report is prepared, provide each member with a copy of the report, or a written notice that a copy of the financial report is available upon request at no charge to the Golf Member. The financial report must consist of either:
 - (A) Financial statements presented in conformity with generally accepted accounting principles; or
 - (B) A financial report of actual receipts and expenditures, cash basis, which report must show:

- (1) The amount of receipts and expenditures by classification; and
- (2) The beginning and ending cash balances of the Golf Club.
- 6.7 <u>Audits</u>. A formal certified audit of the accounts of the Golf Club, if required by law, or by a majority of the voting interests, or by a majority of the Board of Directors, shall be made by an independent certified public accountant, and a copy of the audit report shall be available on request to each Golf Member.
- 6.8 <u>Application of Payments and Commingling of Funds</u>. All monies collected by the Golf Club may be commingled, for investment purposes only, in a single fund, or divided into two or more funds, as determined by the Board of Directors. The books and records of the Golf Club shall be kept in conformity to generally accepted accounting principles, and the audit and accounting guide for Common Interest Realty Associations of the American Institute of Certified Public Accountants. All payments on account by an Owner shall be applied as to interest, delinquencies, costs and attorney's fees, other charges, and annual or special assessments, in such manner and amounts as the Board of Directors may determine, or as may be required by law.
- 6.9 <u>Fiscal Year</u>. The fiscal year for the Golf Club shall begin on the first day of January each year. The Board of Directors may change to a different fiscal year in accordance with the provisions and regulations from time to time prescribed in the Internal Revenue Code of the United States.
- 6.10 Payment of Assessments. Annual assessments based on the adopted budgets shall be payable annually, semiannually or in quarterly installments at the discretion of the Board. Written notice of the annual assessment shall be sent to all Owners at least thirty (30) days prior to the due date. Failure to send or receive such notice shall not, however, excuse the obligation to pay. By resolution, the Board may establish the place for payment, the method of payment, and a late payment fee.
- 6.11 Special Assessments. Special assessments may be imposed by the Board of Directors whenever necessary to meet unbudgeted, emergency, or non-recurring expenses, or for such other purposes as are authorized by the Golf Declaration or these Bylaws. Special assessments are due on the day specified in the resolution of the Board approving such assessment. The notice of any special assessment must contain a statement of the purpose(s) of the assessment, and the funds collected must be spent for the stated purpose(s) or returned to the Golf Members in a manner consistent with law.
- 6.12 <u>Proof of Payment</u>. Within fifteen (15) days after receipt of request from the Owner, mortgagee, or purchaser of a Lot or Living Unit, the Golf Club shall furnish a written statement certifying that all assessments then due from any Lot or Living Unit have been paid, or indicating the amounts then due. Anyone other than the Owner who relies upon such statement shall be protected thereby.
- 6.13 <u>Suspension</u>. The Golf Club shall not be required to transfer golf memberships on its books or to allow the exercise of any rights or privileges of golf membership on account thereof to any Owner, or to any persons claiming under an Owner, unless and until all assessments and charges to which said Owner and his Lot or Living Unit is subject have been paid in full.
- 7. TURNOVER OF CONTROL OF GOLF CLUB.

- 7.1 <u>Time of Turnover</u>. Turnover of control of the Golf Club occurs when the Golf Members first elect a majority of the Directors of the Golf Club. Owners other than the Declarant shall be entitled to assume control of the Golf Club by electing the entire Board of Directors not later than ninety (90) days after the conveyance of title, to Owners other than Declarant, of at least ninety percent (90%) of Lots or Living Units ultimately to be subjected to the Golf Declaration. At that time the Directors appointed by the Declarant shall resign. The election shall occur at a meeting of the Golf Members (the Turnover Meeting).
- 7.2 <u>Procedure for Calling Turnover Meeting</u>. To ultimately be no less than sixty (60) days prior to the Turnover Meeting, the Golf Club shall notify in writing all Golf Members of the date of the Turnover Meeting. At the Turnover Meeting the Directors elected by the Golf Members as further provided in Section 4.4 above, and all but one of the Directors previously appointed by the Declarant shall resign.
- 7.3 <u>Early Turnover</u>. The Declarant may turn over control of the Golf Club to the Golf Members prior to the time for turnover set forth above, by causing all but one of its appointed Directors to resign, whereupon it shall be the affirmative obligation of the Golf Members to elect the other Directors and assume control of the Golf Club. If at least sixty (60) days notice of Declarant's decision to cause its appointees to resign is given as described in this Section, neither the Declarant, nor such appointees shall be liable in any manner in connection with such resignations if the Golf Members refuse or fail to assume control.
- 7.4 <u>Declarant Representative</u>. The Declarant is entitled to appoint at least one member of the Board of Directors as long as the Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots or Living Units to be submitted to the Golf Declaration. After the Declarant relinquishes control of the Golf Club, the Declarant may exercise the right to vote any Declarant-owned interests in the same manner as any other member, except for purposes of reacquiring control of the Golf Club or selecting a majority of the Directors.
- 8. AMENDMENT OF BYLAWS. Amendments to these Bylaws shall be proposed and adopted in the following manner:
- 8.1 <u>Proposal.</u> Amendments to these Bylaws may be proposed either by a resolution approved by a majority of the whole Board of Directors, or by a petition to the Board signed by the voting representatives of at least twenty-five percent (25%) of the voting interests of the Golf Club. Once so proposed, the amendments shall be submitted to a vote of the Golf Members at a meeting no later than the next annual meeting for which notice can still properly be given.
- 8.2 Vote Required. Except as otherwise provided by law, or by specific provision of the Golf Club Documents, these Bylaws may be amended by concurrence of at least two-thirds (2/3) of the voting interests present and voting at any annual or special meeting, provided that the text of any proposed amendment has been given to the Golf Members with notice of the meeting.
- 8.3 <u>Amendment by Board</u>. As long as Declarant golf membership exists, the Board of Directors, by majority vote, may unilaterally amend these Bylaws in any manner which it deems advisable, including but not limited to amendments to correct errors or conform the Bylaws to any applicable statute or local ordinance. Such amendments shall not require consent of the Golf Members.

8.4 <u>Certificate</u>; <u>Recording</u>. A copy of each approved amendment shall be attached to a certificate reciting that the amendment was duly adopted, which certificate shall be executed by the President or Vice-President of the Golf Club with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the Public Records of the County. The certificate must identify the book and page of the Public Records where the Golf Declaration was originally recorded.

9. MISCELLANEOUS

- 9.1 <u>Gender Number</u>. Whenever the masculine or singular form of the pronoun is used in these Bylaws, it shall be construed to mean the masculine, feminine or neuter; singular or plural, as the context requires.
- 9.2 <u>Severability</u>. Should any portion hereof be void or become unenforceable, the remaining provisions of the instrument shall remain in full force and effect.
- 9.3 <u>Conflict</u>. If any irreconcilable conflict should exist, or hereafter arise, with respect to the interpretation of these Bylaws and the Golf Declaration or the Articles of Incorporation of the Golf Club, the provisions of the Golf Declaration or Articles of Incorporation shall prevail over the provisions of these Bylaws.

The foregoing constitute the first Bylaws of Treviso Bay Golf Club, Inc., and were duly adopted at the first meeting of the Board of Directors held on <u>becenter</u> 31,2011.

6.5 Enforcement. Any decisions of the ARC shall be enforced by any Neighborhood Association involved, if applicable, as well as by the Master Association.

6.6 Declarant's Rights. Until 100% of the property described on Exhibit "A" has been developed and conveyed to Owners, the Declarant shall have the exclusive right to exercise design review under this Section. The rights reserved to Declarant under this Section shall continue so long as Declarant owns any portion of the Properties or any real property adjacent to the Properties, unless earlier terminated in a written instrument executed by Declarant and recorded in the Public Records. The Declarant may, in its sole discretion, designate one or more Persons from time to time to act on its behalf in reviewing applications hereunder. Each Owner and Builder, by accepting a deed or other instrument conveying any interest in any portion of the Properties, acknowledges that, as the developer of the Properties and as an Owner of portions of the Properties as well as other real estate within the vicinity of the Properties, Declarant has a substantial interest in ensuring that the improvements within the Properties preserve its reputation and do not impair the Declarant's ability to market its property. Therefore, each Owner and Builder covenants and agrees that no activity within the scope of this Section ("Work") shall be commenced on such Owner's Living Unit unless and until the Declarant or its designee has given its prior written approval for such Work, which approval may be granted or withheld in the Declarant's or its designee's sole and absolute discretion. In reviewing and acting upon any request for approval Declarant and its designee shall owe no duty to any other person.

6.7 No Waiver of Future Approvals. Each Owner acknowledges that the persons reviewing applications under this Section will change from time to time and that opinions on aesthetic matters, as

well as interpretation and application of the Community Development Standards and Design Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features of proposed Work until the Work is completed, in which case it may be unreasonable to require changes to the improvements involved, but the ARC may refuse to approve similar proposals in the future. Approval of applications or Plans for any Work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar applications, Plans, or other matters subsequently or additionally submitted for approval.

- 6.8 <u>Variances</u>. The ARC may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; (c) estop the ARC from denying a variance in other circumstances; or (d) shall be effective unless approved by Declarant, provided Declarant is also an Owner at the time such variance is contemplated. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any transicing shall not be considered a hardship warranting a variance.
- 6.9 Limitation of Liability. The standards and procedures established by this Section 6 are intended as a mechanism for maintaining and enhancing the overall aesthetics of the Properties, but shall not create any duty to any person. Review and approval of any application pursuant to this Section 6 is made on the basis of aesthetic considerations only and the ARC shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all dwellings are of comparable quality, value or size or of similar design not for ensuring that the dwelling units are marketable. Neither the Declarant, the Master Association, the Board, any committee, nor Member of any of the foregoing shall be held liable for soil conditions, drainage or other general site work, nor for any defects in plans revised or approved hereunder, nor for any briury, damages, nor loss arising out of the manner or quality of approved construction on or modifications to any Unit. In all matters, the ARC and all persons comprising the ARC shall be defended and indemnified by the Master Association.

Upon a transfer of title to a Lot or Living Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance.

In such event, each Owner shall continue to pay Base Assessments and Neighborhood Assessments, if any, on the same basis as during the last year for which an assessment was made, until a new assessment is levied, at which time the Master Association may retroactively assess any shortfalls in collections.

No Owner may exempt himself from liability for assessments by non-use of Common Area,

abandonment of his Lot or Living Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Master Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Master Association shall, upon request, furnish to any Owner liable for any type of assessment a certificate in writing signed by a Master Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment which may be relied upon by any person other than the Owner of the Lot or Living Unit requesting such certificate. The Master Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

During the Declarant Membership, Declarant may satisfy its obligation for assessments on Lots and Living Units which it owns and are subject to assessment or for which it is contractually obligated to fund a Builder's assessment obligation either by: (i) paying such assessments in the same manner as any other Owner, or (ii) by paying the difference between the amount of assessments levied on all other Lots and Living Units subject to assessment and the amount of actual expenditures by the Master Association (excluding any amounts in the budget of Common Expenses for capital and contingency reserves) during the fiscal year, provided nothing contained herein shall obligate the Declarant to pay an amount greater than 100% of the Base Assessment, Special Assessments and Neighborhood Assessments levied on the Lot or Living Unit for which the Declarant is responsible. Any further or additional deficiency shall be funded through a special Assessment levied against class A Members. Unless the Declarant otherwise notifies the Board in writing at least 60 days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding tiscal year. Regardless of the Declarant's election, the Declarant's obligation hereunder may be satisfied in the form of cash or by "in kind" contributions of services or materials, or by a combination of these After termination of the Declarant Membership, the Declarant shall pay assessments on its unsoldings and Living Units in the same manner as any other Owner. Only upon Declarant's recording of a plat creating individual lots for land owned by Declarant and included in the Properties and which Declarant intends to sell to end purchasers, shall Declarant be responsible for assessments as provided in this Declaration. Notwithstanding any provision of this Declaration to the contrary, Declarant shall not be assessed and shall have no obligation for any assessments for platted lots that the Declarant owns and will be conveying to other Builders within Treviso Bay.

Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value and recorded prior to the date the Master Association perfects its lien. Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure in the same manner as mortgages on real property are foreclosed under Florida law.

The Master Association may bid for the Lot or Living Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot or Living Unit. While a Lot or Living Unit is owned by the Master Association following foreclosure: (a) no right to vote shall be exercised on its behalf, (b) no assessment shall be levied on it; and (c) each other Lot and Living Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Lot or Living Unit had it not been acquired by the Master Association. Except as provided in the following paragraph, whenever title to a Lot or Living Unit is transferred for any reason, the transferee is jointly and severally liable with the transferor for all unpaid assessments against the transferor, without prejudice to any right the transferer may have to recover from the transferor any amounts paid by the transferee. A first mortgagee that acquires title to a Lot or Living Unit through mortgage foreclosure, or acceptance of a deed in lieu of foreclosure. in which the Master Association has been named as a defendant in the initial complaint, shall be liable for assessments levied against such Lot or Living Unit in the same manner as provided in the preceding paragraph unless the mortgagee is entitled to limited liability for delinquent assessments as provided in Chapter 720, Fla. Stat., as such may be amended by time to time. The foregoing sentence pertaining to entitlement to limited liability shall not be construed to negate the authority of a court to order a mortgagee to pay a surcharge pursuant to 11 USC Section 506(c), or start other relief that may be found to be applicable under federal or state law.

- 9.9. Exempt Property. The following property shall be exempt from payment of Base Assessments, Neighborhood Assessments, and Special Assessments.

(H) Declarant and the Master Association hereby notify the Owners that access between two portions of the Property is provided for through a non-exclusive easement for ingress and egress and for utilities in accordance with the provisions of the attached Termination of Easements and Grant of Easement attached hereto as Exhibit "F". All Owners acknowledge that Declarant, the Master Association and the Owners are bound by the provision contained in said Exhibit "F".

An Owner by taking title to a Lot or Living Unit, hereby consents to the above mentioned activities and will not conduct any activities adverse to the goals set forth above and will work in cooperation with RBN ESTUARINE RR, the Declarant, and the Master Association to achieve these goals to the mutual benefit of all parties.

13.9 Urban Stormwater Management Plan This Plan discusses non-structural controls, intended to improve the quality of stormwater runoff by reducing the generation and accumulation of potential stormwater runoff contaminants at or near the respective sources for each constituent, along with significant structural components of the primary stormwater treatment system. Elements of the Plan described below shall be implemented by the Master Association or Owner, as applicable. Although many of the methodologies and procedures outlined in this are general Best Management Practices (BMP's) which can be useful in attenuating pollutants in many types of urbanized settings, the implementation of these practices has been optimized to the maximum extent possible, to reflect the unique character of Treviso Bay and the surrounding hydrologic features.

Pollution prevention guidelines are provided for the areas of (1) nutrient and pesticide management; (2) street sweeping; (3) solid waste management; (4) operation and maintenance of the stormwater management and treatment system; (5) outine water quality testing; and (6) construction activities. A discussion of each of these activities is given in the following sections.

(A) <u>Nutrient and Pesticide Management.</u> Nutrient and pesticide management consists of a series of practices designed to manage the use of fertilizers and pesticides so as to minimize loss of these compounds into stormwater runoff and the resulting water quality impacts on adjacent waterbodies. Implementation of a management plan will also maximize the effectiveness of the nutrients and pesticides that are applied.

Each Owner must commit themselves to the practice of responsible and careful landscape design and maintenance of each lot to prevent contamination of surface waters. The guidelines included in this Section are intended to help Owners make educated environmental choices regarding the maintenance of individual yards within Treviso Bay. These maintenance and management guidelines are meant to promote an attractive neighborhood that preserves the health of adjacent waterways and environmental features.

(i) General Requirements. A landscape plan must be developed for each Lot. The plan must be comprehensive in nature and follow the landscape design guidelines established by the Master Association and must promote revegetation of each Lot as quickly as

possible.

Commercial applicators of chemical lawn products must register with the Master Association annually and provide a copy of their current occupational license, proof of business liability insurance, and proof of compliance with applicable education and licensing requirements. Individual employees working under the direction of a licensed commercial applicator are exempt from the educational requirements.

Only registered commercial applicators and detached Living Unit Owners are permitted to apply chemicals within the property on a detached Living Unit. All chemical products must be used in accordance with the manufacturer's recommendations. The application of any chemical product within five (5) feet of any surface water including but not limited to ponds, lakes, drainage ditches or canals, is prohibited. The use of any chemical product in a manner that will allow airborne or waterborne entry of such products into surface water is prohibited. This rule shall not apply to the use of chemical agents, by certified lake management specialists, for the control of algae and vegetation within the stormwater lakes or ponds.

- (ii) Nutrient Management Program. Management and application of nutrients and fertilizers in Treviso Bay will adhere to the following guidelines:
- (A) All fertilizers shall be stored in a dry storage area protected from rainfall and ponding.
- (B) No fertilizer containing in excess of 2% phosphate/phosphorus (P₂O₅) per guaranteed analysis label (as defined by Chapter 576, Florida Statutes) shall be applied to turf grass unless justified by a soil test.
- (C) Fertilizer containing in excess of 2% phosphate phosphorus (P₂O₅) per guaranteed analysis label shall not be applied within 5 feet of the edge of water or within 5 feet of a drainage facility.
- (D) All fertilizer shall be applied such that spreading of fertilizer on all impervious surfaces is minimized.
- (E) Liquid fertilizers containing in excess of 2% phosphate/phosphorus (P₂O₅) per guaranteed analysis label shall not be applied thorough an irrigation system within 10 feet of the edge of water or within 10 feet of a drainage facility.
- (F) Liquid fertilizers containing in excess of 2% phosphate/phosphorus (P₂O₅) per guaranteed analysis label shall not be applied through high or medium mist application or directed spray application within 10 feet of the edge of water or within 10 feet of a drainage facility.
- (iii) Pest Management Program. Proper maintenance of plants and turf areas will minimize the ability of pests to successfully attack landscaping. Several general

guidelines follow:

- (A) Apply fertilizer and water only when needed and in moderate amounts. Excessive amounts of either can cause rapid growth that is attractive to insects and disease.
- (B) Mow St. Augustine grass to a height of 3-4 inches. If cut shorter, the plants may become stressed and more vulnerable to pest infestation. Each mowing should remove no more than one-third of the leaf blade, and those cuttings should remain on the lawn to decompose.
- (C) It is recommended that pesticides, fungicides, and herbicides be used only in response to a specific problem and in the manner and amount recommended by the manufacturer to address the specific problem. Broad application of pesticides, fungicides and herbicides as a preventative measure is strongly discouraged.

The use of pesticides, fungicides, or herbicides is limited to products that meet the following criteria:

- (A) Must be consistent with the USDA-NRCS Soil Rating for Selecting Pesticides;
- (B) Must have the minimum potential for leaching into groundwater or loss from runoff;
- (C) Products must be EPA-approved; and
- (D) The half-life of products used shall not exceed seventy (70) days
 - (a) Street Sweeping. This practice involves sweeping and vacuuming the primary streets to remove dry weather accumulation of pollutants, especially particulate matter, before wash off of these pollutants can occur during a storm event. This practice reduces the potential for pollution impacts on receiving waterbodies by removing particulate matter and associated chemical constituents. Although street cleaning operations are frequently conducted primarily for aesthetic purposes, the primary objective of the street sweeping program for Treviso Bay is to improve the quality of stormwater runoff generated from impervious traffic areas. Street sweeping activities can be particularly effective during periods of high leaf fall by removing solid leaf material and the associated nutrient loadings from roadside areas where they could easily become transported within stormwater flow.

Street sweeping operations will be performed in Treviso Bay at a minimum frequency of one event every other month. A licensed vendor using a vacuum-type sweeping device will perform all street sweeping activities. Sweeping activities during each event will include all primary street surfaces. Disposal of the collected solid residual will be the responsibility of the street sweeping vendor.

(b) <u>Solid Waste Management</u> In general, solid waste management involves issues related to the management and handling of urban refuse, litter and leaves that will minimize the impact of these constituents as water pollutants.

Maintenance of adequate sanitary facilities for temporarily storing refuse on private premises prior to collection is considered the responsibility of the individual Living Unit Owner. Local requirements for refuse collection will be brought to the attention of every Living Unit Owner at closing for the sale of the property. Information will be distributed as necessary stating specifications for containers, separation of waste by type, where to place containers prior to collection, and established collection schedules.

Fallen tree leaves and other vegetation, along with grass clippings, may become direct water pollutants when they are allowed to accumulate in swales and street gutters. All Living Unit Owners will receive periodic educational materials that address proper disposal of leaves and other vegetation to minimize water quality impacts.

- (c) Stormwater Management and Treatment System. The stormwater management system for Treviso Bay his designed to maximize the attenuation of stormwater generated pollutants prior to discharge to the off-site wetland systems. Operational details and maintenance requirements of the various system components are given in the following sections.
- (i) Wet Detention Lakes and Dake Interconnect Ripes. The basic element of the stormwater management system consists of a series of interconnected wet detention ponds that provide stormwater treatment through a variety of physical, biological, and chemical processes. A wet detention pond acts similar to a natural lake by temporarily detaining stormwater runoff, allowing opportunities for treatment processes to occur, prior to slow controlled discharge of the treated water through the outfall structure. Pollutant removal processes in wet detention systems occur during the quiescent period between storm events. Significant removal processes include gravity settling of particulate matter; biological uptake of nutrients and other ions by aquatic plants, algae and microorganisms; along with natural chemical flocculation and complexation processes.

Maintenance of the wet detention ponds will consist of an annual inspection. During each annual inspection, the following items will be reviewed and corrected as necessary:

- (A) Inspect the outfall structure and orifices to ensure free-flowing conditions and overall engineering stability of the outfall system.
- (B) Review the banks of the lakes and canals to ensure proper side slope stabilization and

inspect for signs of excessive seepage that may indicate areas of excessive groundwater flow and possible subsurface channeling.

- (C) Physically evaluate each of the lakes and canals for evidence of excessive sediment accumulation or erosion.
- (D) Inspect the planted aquatic vegetation in the littoral zone to ensure that the desired vegetation species, percent coverage, and density are maintained.

At the completion of the inspections, a written inspection report will be prepared, listing any deficiencies that need to be addressed or corrected by the Master Association.

- (ii) <u>Stormwater Inlets. Pipes and Culverts</u>. The grates should be unobstructed and the bottom, inside the inlet, should be clean. Check for any accumulation of sediment, trash such as garbage bags, or debris in the culverts connecting these inlets. Flushing out with a high-pressure hose may clean some sediment. Any noted blockage (due to a possible obstruction, or broken pipe etc.) should prompt further investigation. Crushed or corroded culverts should be replaced with new ones of the same size.
- (iii) Swales and Grassed Water Storage Areas. These provide for conveyance and/or above-ground (or surface) storage of stormwater. With age, these areas usually fill in with vegetation and sediment. Swales may need to be regraded and/or revegetated. The existing slope and dimensions of the swale should be compared with the permitted design plans prior to the removal of excess sediment or regrading. Areas that show erosion should be stabilized with appropriate material such as sod, planting, rock, sand bags, or other synthetic geotextile material.

Regular mowing of grass swales is essential. These areas also improve water quality by catching sediment and assimilating nursents, and techarge the underground water table. Remove any undesirable exotic vegetation. Culverts underneath driveways should be checked for blockage, and, if necessary, flushed with a high-pressure hose. After a storm, swales may remain wet for an extended period of time. This is normal and the water will recede gradually.

(iv) <u>Ditches or Canals</u>. Fill material, yard waste, clippings and vegetation, sediment, trash, appliances, garbage bags, shopping carts, tires, cars, etc. should be completely removed. Also check to make sure there are no dead trees or any type of obstructions which could block the drainage flow way.

Maintenance cleaning/excavation must be limited to the same depth, width and side slope as approved in the current permit. Making a ditch deeper or wider may trigger a need for a permit modification and is prohibited unless approved by Declarant. Provisions must also be made to prevent any downstream silting or turbidity (Contact the SFWMD Resource Compliance staff if you are unsure or need clarification.) Be sure to dispose of all removed material properly so it won't affect any other water storage or conveyance system, environmental area, or another Owner's property.

- (v) <u>Outfall Structure</u> (also called the <u>Discharged Control Structure or Weir</u>). The outfall structure should be routinely inspected to determine if any obstructions are present or repairs are needed. Trash or vegetation impeding water flow through the structure should be removed. The structure should have a "baffle" or trash collector to prevent flow blockage and also hold back any floating oils from moving downstream. Elevations and dimensions should be verified annually with all current permit information. Periodic inspections should then be regularly conducted to make sure these structures maintain the proper water levels and the ability to discharge.
- (vi) <u>Earthen Embankments (Dikes and Berms)</u>. Check for proper elevations, width and stabilization. Worn down berms and rainfall created washouts should be immediately repaired, compacted and re-vegetated.
 - (e) Water Quality Testing. To ensure proper operation of the overall treatment system, monitoring will be performed at one outfall (SW-1) from Treviso Bay if there is a flow over the veirs. According to the proposed Water Quality Monitoring Plan, monitoring may occur 3 times a year, once during the dry season (February/March) and twice during the wet season (August/September). A manual grab sample will be collected at the SW-1 outfall location and analyzed for various constituents and parameters as described in the Surface Water Quality Monitoring Plan. Trained and certified personnel will perform sample collection and laboratory analysis. The results of the laboratory analyses will be submitted to South Florida Water Management District as part of an annual water quality monitoring report by December 31 of each year.
 - (f) Construction Activities. A Stormwater Pollution Prevention Plan (SWPPP) has been prepared for construction activities to minimize activities contamination that may be caused by erosion and sedimentation during the construction process. The SWPPP includes provisions related to soil stabilization, structural erosion controls, waste collection disposal, offsite vehicle tracking, spill prevention and maintenance and inspection procedures. A copy of the SWPPP is attached hereto and made a part of hereof, as Exhibit "G".

14. INSURANCE.

14.1 <u>Duty to Insure and to Reconstruct</u>. Each Owner and/or Neighborhood Association, as applicable, shall at all times maintain property insurance on his Living Unit and all other insurable improvements in an amount equal to the full replacement cost thereof. If any Living Unit or other improvements located on any Lot is destroyed or damaged as a result of fire, windstorm, flood, tornado, hurricane or other casualty, the Owner of such improvements shall cause repair or replacement to be commenced within six (6) months from the date that such damage or destruction occurred, and shall complete the repair or replacement within nine (9) months thereafter. All such repairs or replacements must restore the improvements to substantially their original character, design and appearance, and shall utilize and

conform with the original foundation and appearance of the original improvements, except as otherwise approved by the ARC.

- 14.2 Failure to Reconstruct. If the Owner of any Lot or Living Unit fails to commence or complete construction to repair or replace any damaged or destroyed improvements within the time periods provided for in Section 14.1 above, the Master Association shall give written notice to the Owner of his default. If the Owner has not notified the Master Association of satisfactory arrangements to meet his obligations within thirty (30) days after the Master Association mailed such notice, the Master Association shall be deemed to have been granted the right by the Owner, as such Owner's attorney-in-fact, to remove all debris and damaged improvements, or to commence and/or complete the repairs sufficient to substantially restore the improvements to their original condition, according to the plans and specifications of the original improvements. If the Master Association exercises the rights afforded to it by this Section, which shall be in the sole discretion of the Board of Directors, the Owner of the Lot or Living Unit shall be deemed to have assigned to the Master Association any right to insurance proceeds that may be available because of the damage or destruction of the improvements. The Master Association shall have the right to recover from the Owner any costs not paid by insurance, and shall have a lien on the Lot and Living Unit to secure payment.
- 14.3 Failure to Insure: Master Association as Additional Insured. For the purpose of this Section 14, each Owner of a Lot or Living Unit within-Treviso Bay agrees that the Master Association shall be an additional insured named under any contract of property insurance and/or flood insurance relating to his Lot or Living Unit and improvements constructed thereon. Further, the Master Association may require that all such policies be in an amount sufficient to finance the repair or replacement of the improvements, taking into account local construction costs and property values as they may, from time to time exist. The Master Association has the right to require each Owner to produce proof of insurance. If an Owner fails or refuses to maintain such insurance coverage deemed reasonably necessary by the Master Association, or if the Owner allows the required insurance coverage to lapse, or for some other reason, causes the same to become ineffective, the Master Association may but is not obligated to, purchase whatever coverage it deems reasonably necessary for the Master Association benefit. The costs incurred by the Master Association in procuring insurance shall become due and payable by the Owner in all respects, together with interest, reasonable attorney's fees and costs of collection, immediately upon the Master Association notifying the Owner, in writing, that it has procured such insurance, and the costs thereof.
- 14.4 <u>Master Association's Right of Entry</u>. For the purpose of performing the duties authorized by this Section 14, the Master Association, through its duly authorized agents and employees, shall have the right, after reasonable notice to the Owner, to enter upon the Lot or Living Unit at reasonable hours.
- 14.5 <u>Master Association Insurance: Duty and Authority to Obtain</u>. The Board of Directors shall obtain and keep in force at all times the insurance coverage which it is required to carry, and may obtain and keep in force any or all of such other or additional insurance coverage as it may deem necessary. The premiums shall be a common expense. The name of the insured shall be the Master Association as agent for the Owners without naming them, and their mortgagees.
- 14.6 Required Coverage. The Master Association shall maintain adequate liability insurance and casualty insurance covering all buildings and other insurable improvements (if any) within the Common Areas, with coverage equal to the maximum insurable replacement value thereof, as determined annually

by the Board of Directors; such insurance to afford the following protection:

- (A) Property. Loss or damage by fire, extended coverage (including windstorm) vandalism, and malicious mischief, and other hazards covered by what is commonly referred to as an "all risk" property contract.
- (B) Liability. Premises and operations liability for bodily injury and property damage in such limits of protection and with such coverage as shall be required by the Board of Directors, with cross liability endorsement to cover liabilities of the Owners as a group to any single Owner.
- (C) Automobile. Automobile liability for bodily injury and property damage for owned and/or non-owned motor vehicles, in such limits of protection and with such coverage as shall be required by the Board of Directors.
- (D) Fidelity Bonding. Adequate fidelity bond coverage for all individuals having control of or access to Master Association funds.

In addition, the Master Association shall, if so specified in a Supplemental Declaration applicable to any Neighborhood, obtain and maintain property insurance on the insurable improvements within such Neighborhood. Any such policies shall provide for a certificate of insurance to be furnished upon request to the Owner of each Living Unit insured.

Premiums for all insurance on the Common Areas of Neighborhood Common Areas shall be Common Expenses, except that premiums for property insurance on Living Units within a Neighborhood shall be a Neighborhood Expense

- (A) Flood insurance.
- (B) Broad Form Comprehensive General Liability Endorsement.
- (C) Directors and Officers Liability.
- (D) Medical Payments.
- 14.7 <u>Description of Coverage</u>. A detailed summary of the coverages included in the Master Association's policies shall be available for each Owner upon request. All Master Association insurance policies shall be available for inspection by Owners upon request.
- 14.8 Waiver of Subrogation. If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its right to subrogate as to any claim against Owners, the Master Association, or their respective servants, agents or guests, except for any claim based primarily upon gross negligence evidencing reckless, willful or wanton disregard for life or property.
- 14.9 Insurance Proceeds. All insurance policies purchased by the Master Association shall be for the

benefit of the Master Association, and all proceeds shall be payable to the Master Association.

- 14.10 <u>Distribution of Proceeds</u>. Proceeds of insurance policies received by the Master Association shall be used to defray the cost of repair or reconstruction. Any proceeds remaining after defraying costs shall become part of the Master Association's common surplus.
- 14.11 <u>Master Association as Agent</u>. The Master Association is hereby irrevocably appointed agent for each Owner to adjust all claims arising under insurance policies purchased by the Master Association for damage or loss to the Living Units.
- 14.12 Reconstruction of Common Areas. Damaged improvements on the Common Area shall be repaired or reconstructed unless the Declarant Member, if any, votes not to repair or reconstruct or after the period of the Declarant Membership the Members representing at least 75% of the total Class "A" votes in the Master Association vote not to repair or reconstruct. Except as otherwise provided in any written agreement between Declarant and Declarant's Mortgagee, no Mortgagee shall have the right to participate in the determination of whether the Ramage or destruction to the Common Area shall be repaired or reconstructed. If a decision is made not to restore the damaged improvements, and no alternative improvements are authorized the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Master Association in a neat and attractive, landscaped condition. Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by the Master Association for the benefit of its Members and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot or Living Unit. During any such non-sporting events, parties, or functions, nonresidents of Treviso Bay may enter Treviso Bay for the purpose of attending such event, party, or function.
- 15.5 Indemnification. Each Owner and the Master Association shall jointly and severally indemnify, defend, and hold harmless the Declarant, the Golf Club, their affiliates, successors and assigns and their respective Members, partners, shareholders, officers, directors, employees and agents, against and in respect of, and to reimburse the Declarant, the Golf Club, their affiliates, successors and assigns and their respective Members, partners, shareholders, officers, directors, employees and agents, on demand for, any and all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries and deficiencies, including, but not limited to, interest, penalties, attorney and paraprofessional fees and disbursements (even if incident to any appeals), that the Declarant, the Golf Club, their affiliates, successors and assigns and their respective Members, partners, shareholders, officers, directors, employees and agents, shall incur or suffer which arise out of result from or relate to any claim that because the Golf Club may be deemed to be open space or a reareation area for purposes of applicable zoning ordinances and regulations, the Golf Club must be owned and/or operated by the Master Association or the Owners and/or that Owners may use the Golf Club without being a Golf Club Member for the use of the Golf Club Facilities and dues fees and charges established by the Golf Club from time to time.
- 15.6 View Impairment. Declarant, the Master Association, or the Golf Club, does not guarantee or represent that any view over and across the Golf Club Facilities from Lots or Living Units adjacent to the Golf Club Facilities will be presented without impairment. The Golf Club shall have no obligation to prune or thin trees or other landscaping, and shall have the right in its sole and absolute discretion, to add trees and other landscaping to the Golf Club Facilities from time to time. In addition, the Golf Club, in its sole and absolute discretion may change the location, configuration, size and elevation of the trees, bunkers, fairways and greens from time to time. Further, the Golf Club Facilities may be expanded in the future in such a manner as to encompass and contain through a conveyance or other transfer any vacant platted lots. Any such additions or changes may diminish or obstruct any view from the Lots or Living Units and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.
- 15.7 Rights of Access and Parking. There is hereby established for the benefit of the Golf Club and their Members (regardless of whether such Members are Owners hereunder), guests, invitees, employees, agents, contractors, and designees, a right and non-exclusive easement of access and use over all roadways located within Treviso Bay reasonably necessary to travel between the entrance to Treviso Bay and the Golf Club Facilities and over those portions of Treviso Bay (whether Common Area or otherwise) reasonably necessary to the operation, maintenance, repair, and replacement of the Golf Club Facilities. Without limiting the generality of the foregoing, Members of the Golf Club and guests and invitees of the Golf Club shall have the limited right to park their vehicles on the roadways located within Treviso Bay at such locations and at such reasonable times and in such manner as determined by the Master Association from time to time before, during, and after tournaments and other similar functions held by or at the Golf Club Facilities to the extent that the Golf Club has insufficient parking to accommodate such vehicles.

- 15.8 <u>Limitations on Amendments</u>. In recognition of the fact that the provisions of this Section are for the benefit of the Golf Club, no amendment to this Section, and no amendment in derogation of any other provisions of this Declaration benefiting the Golf Club, may be made without the written approval of the Golf Club. The foregoing shall not apply, however, to amendments made by Declarant.
- 15.9 <u>Jurisdiction and Cooperation</u>. It is Declarant's intention that the Master Association and the Golf Club shall cooperate to the maximum extent possible in the operation of Treviso Bay and the Golf Club. Each shall reasonably assist the other in upholding the community-wide standard as they pertain to maintenance and the Community Development Standards and Design Guidelines. The Master Association shall have no power to promulgate Use Restrictions or Rules affecting activities on or use of the Golf Club without the prior written consent of the Golf Club affected thereby.
- Assumption of Risk and Indemnification. Each Owner, by its purchase of a Lot or Living Unit in the vicinity of the Golf Club, hereby expressly assumes the risk of noise, personal injury or property damage caused by maintenance and operation of the Golf Club Facilities including, without limitation: (a) noise from maintenance equipment (it being specifically understood that such maintenance typically takes place around sunrise or sunset); (b) noise caused by golfers, and other users of the Golf Club Facilities(c) use of pesticides, herbicides and fertilizers; (d) use of effluent in the irrigation or fertilization of any golf course or the grounds of the Golf Club Facilities; (e) reduction in privacy caused by constant user traffic on the golf course or at any other Golf Club Facilities or the removal or pruning of shrubbery or trees on the golf course or at any other Golf Club Facility) (f) errant golf balls, and golf clubs and other equipment used at any Golf Club Facilities; and (g) design of the golf course.

Each such Owner agrees that neither Declarant, the Master Association, the Golf Club nor any of Declarant's affiliates or agents shall be liable to Owner or any other person claiming any loss of damage, including, without limitation, indirect, special or consequential loss or damage arising from personal injury, destruction of property, trespass loss of enjoyment or any other alleged wrong or entitlement to remedy based upon, due to, arising from or otherwise related to the proximity of Owner's Lot or Living Unit to the golf course or any other Golf Club Facilities, including, without limitation, any claim arising in whole or in part from the negligence of Declarant, any of Declarant's affiliates or agents or the Master Association. The Owner hereby agrees to indemnify and hold harmless Declarant, Declarant's affiliates and agents and the Master Association against any and all claims by Owner's visitors, tenants and others upon such Owner's Lot or Living Unit.

Priority of Irrigation. The Golf Club may own one or more lakes, water retention ponds or other water features within the Properties. Notwithstanding the ownership of such lakes or water retention ponds, the Golf Club may use any and all lakes, water retention ponds or other water features within the Properties for the purpose of irrigating and maintaining the Golf Club with the result that the water level in such lakes, water retention ponds or other water features may from time to time vary. Each Owner of a Lot or Living Unit acknowledges such right on the part of the Golf Club and agrees not to commence any cause of action or other proceeding involving the Golf Club based on the exercise of such right or otherwise interfere therewith.

In the event there are insufficient water levels to provide the necessary irrigation needs of the Golf Club and all other areas of the Properties, subject to applicable governmental permits and requirements, the

Golf Club shall have first priority of irrigation, followed by Common Areas and any Neighborhood Common Area.

- 16. <u>RIGHTS OF DECLARANT AND DEVELOPERS</u>. In addition to those provided elsewhere in the Governing Documents, the Declarant shall have the following rights and privileges:
- 16.1 Sales Activity. While one or more Lots or Living Units are for sale in the ordinary course of business, the Declarant shall have the right to use those Lots or Living Units and the Common Areas or Neighborhood Common Areas (including, but not limited to, all recreational facilities) to establish, modify, maintain and utilize, as it may deem appropriate, model Living Units, sales offices, or other offices for use in selling or providing warranty services to any part of the Community including temporary trailers or other structures used for sales marketing, or construction purposes. No Owner or Neighborhood Association may interfere with, or do anything detrimental to, the Declarant's sales efforts. Without limiting the generality of the foregoing, the Declarant and its designees may show model Living Units or the Common Areas to prospective purchasers or tenants, advertise, erect signs, conduct promotional activities and special events, and take all other action helpful for sales, leases and promotion of Treviso Bay.

The construction of a residential golf course community. The project will include a commercial out parcel.

Soil disturbing activities will include: clearing and grubbing, excavation of lakes, construction of perimeter berming, placement of storm sewer, utilities, and building foundations; construction of curb and guilter, load, and parking areas: and preparation for final planting, sodding, seeding and mulching.

> The site currently includes both Lindeveloped areas. and fallow farm fields. The estimated existing runoff coefficient is 0,2

During construction (high of the developed site will be exposed sound to the construction. The runnit coefficient during construction is approximately 0.4.

After construction the developed site will include buildings roadways, parking lots, lakes and landscape area. The estimated future funet coefficient is approximately 0.6.

The Increased future tuned coefficient is approximately 0.6. The Increased further times co-system. The surface water mai allowable discharge rate for this allow the peak runoff rate and limit it to the

The order of activities will be as follows:

1. Installation of temporary erosion control measur

Clearing and grubbling.

Excavation of lakes

Stockpile and placement of excavated soil.

Install utilities, storm sewer, curb and gutter.

Complete grading, subgrade and base course

Coropiete final paving.

implete landscape grading and Install permanent seeding and plantings.

When all construction activity is complete and the site is stabilized, remove temporary erosion control measures and re-seed any areas disturbed by their removal.

Rookery Bay

Temporary Stabilization: Top soil stock piles and disturbed portions of the site where construction activity temporarily cease for at least 21 days will be stabilized with temporary seed and mulch no later than 14 days from the last construction activity in that area. The seed shall be Bahla, millet, rye, or other fast-growing grasses. Prior to seeding, fertilizer or agricultural limestone shall be applied to each area to be temporarily stabilized. After seeding, each area shall be mulched with the mulch disked into place. Areas of the site which will be paved will be temporarily stabilized by applying limerock subgrade until bituminous pavement can be

Permanent Stabilization: Disturbed portions of the site, where construction activities permanently cease, shall be stabilized with sod, seed and mulch, landscaping, and/or other equivalent stabilization measures (e.g., rip-rap, geotextiles) no later than 14 days after the date of the last construction activity. The sod shall typically be Floratam or Bahla sod. Prior to seeding, fertilizer or agricultural limestone shall be applied to each area to be temporarily stabilized. After seeding, each area shall be mulched with the mulch disked into place.

Silt Fence / Straw Bale Barrier - will be constructed along those areas of the project that border adjacent wetlands. At a minimum, the silt fence and/or straw bale barrier will be placed along all wetland buffers and all SFWMD and Corps of Engineers jurisdictional wetland boundaries.

Straw Bale Drop Inlet Sediment Filter - will be placed around all constructed storm drain inlets immediately upon completion of construction and shall remain in-place until the contributing drainage area is stabilized. Alternatively, grate inlets can be covered with filter fabric material until stabilization.

The project will utilize a system of lakes to provide the required water quality treatment and attenuation. Discharges from the water management system will be regulated by a water control structure. This control structure will be used to maintain water levels in the detention facilities that will maintain or restore the hydroperiod in the wetlands and flowways. The water control structures will also be used to restrict the discharges from the project as described above.

Spreader swales will be used to disperse flow and dissipate energy of runoff. Spreader swales will be used at the appropriate location to disperse flows discharged from the water management system into receiving flowways. Spreader swales will be heavily planted with native vegetation to help buffer the transition from the manmade lakes to the natural systems.

DISCHARGE RATES 25 year, 72 hour = .31 c/s

Waste Materials:

All waste materials will be collected and stored in regulations. All trash and construction debris from in a mash dumpster which wilt meet all local and State solid waste management on the title will be deposited in this numberer. The dumpster will be emptied as quiations with the trast disposed of at the appropriate landfill operation. Sanitary Waste:

All sanitary waste will be collected from the portable waste management contractor, as required by local regulation.

A stabilized construction entrance has been provided to help reduce vehicle tracking of sediments. As they are completed, paved streets will be swept as needed to remove any excess muck, dirt, or rock tracked from the site. Dump trucks hauling material from the construction site will be covered with a tarpaulin.

Installation of hay ball / silt fence barriers (around wetlands) and stabilized construction entrance will be constructed prior to extensive clearing or grading of any other portions of the site. Areas where construction activity temporarily ceases for more than 21 days will be stabilized with a temporary seed and mulch within 14 days of the last disturbance. Once construction activity ceases permanently in an area, that area will be stabilized with permanent sod, seed and mulch, landscaping, and/or other equivalent stabilization measures (e.g., rip-rap, geotextiles). After the entire site is stabilized, the silt fence / straw bale barriers can be removed.

The storm water pollution prevention plan reflects the United States Environmental Protection Agency and the South Florida Water Management District (SFWWD) requirements for storm water management and erosion and sediment control, as established in the Chapter 40E-4 FAC and Chapter 373 FS.

These are the inspection and maintenance practices that will be used to maintain erosion and sediment controls. All control measures will be inspected at least once each week and following any storm event of 0.5 inches or greater. All measures will be maintained in good working order; if a repair is necessary, it shall be corrected as soon as possible, but in no case later than 7 days after the Inspection. Built up sediment will be removed from slit fence when it has reached one-half the height of the fence. Silt fence will be inspected for depth of sediment, tears, to see if the fabric is securely attached to the fence posts, and to see that the fence posts are firmly in the ground. Temporary seeding and permanent sodding and planting will be inspected for bare spots, washouts, and healthy growth. A maintenance inspection report will be made after each inspection. A copy of the report form to be completed by the inspector is attached. The Owner will appoint one individual who will be responsible to inspections, maintenance and repair activities, and for Personnel selected for inspection and maintenance responsibilities will receive training from the site superintendent. They will be trained in all the inspection and maintenance practices necessary for leaving the erosion and sediment controls used onsite in estimate despite It is expected that the following non-storm water propagates will occur from the site abeing the construction period: Water from water line flushings. Pavement wash waters (when no spills Uncontaminated groundwater (from d All non-storm water discharges will be directed to the storm water mana for to discharge. The materials or substances listed below are expected to be present origin during construction: Concrete **Eorylizars** Detergents Petrojeum Based Products Paints (enamel and latex) **Éteaning Solvents** Metal Studs Wood Asphalt Masonry Block **Roof Tiles** Clay or concrete bricks

The following are the materials management practices that will be used to reduce the risk of spills or other accidental exposure of materials and substances to storm water runoff.

The following good housekeeping practices will be followed onsite during the construction project:

- An effort will be made to store only enough product required to do the job.
- All materials stored onsite will be stored in a neat, orderly manner in their appropriate containers, and if possible, under a roof or other enclosure.
- Products will be kept in their original containers with the original manufacturer's label.
- Substances will not be mixed with one another unless recommended by the manufacturer.
- Whenever possible, all of a product will be used up before disposing of the container.
- Manufacturers' recommendations for proper use and disposal will be followed.
- The sile superintendent will inspect to ensure propertise and disposal of materials onsite.

These practices are used to reduce the risks associated with hazartious materials?

- Products will be kept in original containers unless they are not resealable
- . Original labels and material safety data will be retained they contain important product information.
- If surplus product must be disposed of, manufacturers or local and State recommended methods for proper disposal will be followed.

The following product specific practices will be followed on the

क्षेत्रक अन्य स्ट्रिक्ट

All onsite vehicles will be monitored for leaks and receive regular preventive maintenance to reduce the chance of leakage. Petroleum products will be stored in tightly sealed containers which will be clearly tabeled. Any asphalt substances used onsite will be applied in accordance with the manufacturer's recompendations and standard construction practices.

والمحاجزة والمحاجزة

Fertilizers will be applied only in the minimum amounts recommended by the manufacturer. Once applied, fertilizer will be worked into the soil to limit exposure to storm water. Storage will be in a covered shed. The contents of any partially used bags of fertilizer will be transferred to a sealable plastic bin to avoid spills.

All containers will be tightly sealed and stored when not required for use. Excess paint will not be discharged to the storm sewer system but will be properly disposed of according to manufacturers' instructions and/or state and local regulations.

In addition to the good housekeeping and material management practices discussed in the previous sections of this plan, the following practices will be followed for split prevention and cleanup.

- Manufacturers' recommended methods for split cleanup will be clearly posted and site personnel will be made aware of the
 procedures and the location of the information and cleanup supplies.
- Materials and equipment necessary for spill.cleanup will be kept in the material storage area onsite. Equipment and
 materials will include—but not be limited to—rags, gloves, goggles, kitty litter, sand, and plastic and metal trash containers
 specifically for this purpose.
- All spills will be cleaned up as soon as possible after discovery.
- The spill area will be kept well ventilated and personnel will wear appropriate protective clothing to prevent injury from contact with a hazardous substance.
- Splils of toxic or hazardous material will be reported to the appropriate state or local government agency, regardless of the size.
- The spill prevention plan will be adjusted to include measures to prevent his type of spill from reoccurring and how to clean up the spill if there is another one. A description of the spill, what caused it, and the cleanup measures will also be included.
- The Contractor's site superintendent will be responsible for the day to day site operations and will be the spill prevention and cleanup coordinator. He will designate at least two biner site personnel will vective spill prevention and cleanup training. These individuals will each become responsible for a particular phase of prevention and cleanup. The names of responsible spill personnel will be posted in the material storage and to the original properties.

documentation provided by Buyer to Seller) have the financial ability to purchase the Property with cash, then Seller may terminate this Agreement by refunding to Buyer any paid Deposit.

MORTGAGE TRANSACTION. If this box is checked, Buyer desires to obtain a loan commitment (the "Commitment") within the Mortgage Period (as such term is defined in Rider 1 attached hereto) for a first mortgage loan from Universal American Mortgage Company, LLC (an affiliate of Seller) or another qualified institutional mortgage lender of Buyer's choice ("Lender"), with interest, term and service charges at current market rates at time of Closing (as defined below) for a borrower of Buyer's credit qualifications. Buyer agrees to apply within five (5) calendar days from the execution of this Agreement for a loan at the then prevailing interest rate and terms. In the event Buyer chooses to obtain financing through a Lender other than Universal American Mortgage Company, LLC, Buyer agrees to provide Seller within five (5) calendar days with the name, address and phone number of such Lender, the loan officer and the loan processor. Buyer shall furnish promptly and accurately to Lender all information and documents requested by Lender in connection with such application. If Buyer provides a written disapproval of loan within the Mortgage Period (and Buyer has not cancelled or withdrawn his/her loan application), Seller shall refund the Deposit to Buyer. If Buyer fails to provide Seller within the Mortgage Period with (i) a copy of the written Commitment reasonably satisfactory to Seller, or (ii) a written disapproval of Buyer for such loan, Buyer shall be in default and Seller shall be entitled to retain the Deposit as liquidated damages for taking the Property off of the market and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. If this Agreement provides for a VA guaranteed or FHA insured loan, Buyer's obligation to complete the purchase contemplated under this Agreement is subject to the VA/FHA Addendum attached hereto and incorporated herein.

The following shall apply only if Buyer desires to apply for a loan, as indicated above:

- Application. Buyer understands that any loan application required under this Agreement must be fully completed in order to obtain the mortgage loan, and Buyer will make a good faith attempt to qualify for the mortgage loan. If Buyer has a spouse who does not constitute a Buyer under this Agreement, Buyer agrees to have his/her spouse sign the mortgage documents as required by Lender. BUYER AGREES TO INCUR NO DEBT SUBSEQUENT TO THE EFFECTIVE DATE WHICH MIGHT JEOPARDIZE APPROVAL OF BUYER'S MORTGAGE LOAN. IF THE PROPERTY IS BEING PURCHASED BY A CORPORATION, PARTNERSHIP, OR OTHER ENTITY, BUYER AGREES TO (1) OBTAIN ANY PERSONAL ENDORSEMENTS OR GUARANTEES REQUIRED BY LENDER AND (2) PROVIDE TO LENDER AND/OR THE TITLE INSURER PROMPTLY UPON REQUEST SUCH CERTIFICATES, RESOLUTIONS OR OTHER CORPORATE, PARTNERSHIP OR OTHER ORGANIZATIONAL DOCUMENTS AS MAY BE REQUIRED. Except as provided in this Agreement, Buyer agrees to pay all loan fees and closing costs charged by Lender in connection with the mortgage loan. Buyer will pay any prepaid interest due on the mortgage loan at the time of Closing and any amount Lender may require to be put into escrow toward the payment of property taxes, insurance and Condominium Association, Master Association and Golf Club assessments, as applicable, on the Property. Buyer will also pay any mortgage insurance premiums (prepaid or otherwise), if required by Lender.
- 4.2 <u>Commitment.</u> Buyer understands that the rate of interest on the mortgage is established by Lender and not by Seller and that any predictions or representations of present or future interest rate that may have been contained in any advertising or promotion by Seller are not binding. If Buyer obtains a written mortgage loan Commitment and the mortgage loan Commitment is subsequently withdrawn through no fault of Seller including, but not limited to, any condition to such loan Commitment not being satisfied for any reason, this Agreement shall remain in full force and effect and Buyer shall be conclusively presumed to have agreed to purchase the Property without mortgage financing. If Buyer obtains a loan Commitment containing any special condition that is not ordinarily contained in typical loan commitments for the Condominium, Seller, in Seller's sole discretion, may treat Buyer's loan application as having been denied; whereupon, Seller shall have the rights set forth in this Section.
- Appraisal. Seller's obligation to construct the Unit is based on Buyer's obligation to purchase the Property at the Total Purchase Price as of the Effective Date. Buyer understands that the amount of the mortgage loan is subject to the Lender's "loan to value" ratio, which is the percentage of the mortgage amount in relation to the appraised value of the Property as determined by the Lender's appraisal. The Lender's appraisal of the Property at the then current market conditions at the time of Closing may not equal the Total Purchase Price. If the mortgage loan amount, as set forth on the Purchase Price and Payment Addendum attached hereto, is greater than the amount that the Lender is willing to loan to Buyer at Closing, the Buyer shall be obligated to pay the difference at Closing. Under no circumstances shall Buyer be excused from performance under this Agreement as a result of the Lender's appraisal. If the Lender's appraisal is not equal to or greater than the Total Purchase Price, Buyer acknowledges and agrees that Buyer shall still be obligated to satisfy the terms and conditions of this Agreement, which may include, without limitation, Buyer's payment of the difference between the mortgage loan proceeds and amounts required to close the transaction contemplated by this Agreement ("Additional Cash to Close Funds"). If Buyer cannot or elects not to pay such Additional Cash to Close Funds prior to or at Closing, Seller shall be entitled to terminate the Agreement and retain the Deposit as liquidated damages for taking the Property off of the market. The parties agree that the amount of liquidated damages is fixed and agreed to as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Notwithstanding the foregoing, if this Agreement provides for a VA guaranteed or FHA insured loan, the applicable appraisal requirements are set forth in the FHA/VA Addendum attached hereto and incorporated herein.
- 4.4 <u>Sale of Other Residence</u>. Notwithstanding any condition in the loan Commitment to the contrary, and unless Seller agrees otherwise in writing, Buyer represents and warrants that this Agreement is not and will not be subject to or contingent upon Buyer's selling and/or closing on the sale of Buyer's present residence or other property. Failure to close on the purchase of the Property will constitute a default by Buyer and the remedies available to Seller for Buyer's default under this Agreement shall apply.
- 5. <u>Deposit</u>. In the event Buyer's Deposit exceeds ten percent (10%) of the Total Purchase Price, the following provision shall be applicable: Buyer acknowledges, understands, and agrees that (i) Seller may not apply for or obtain all permits necessary to construct the Unit within thirty (30) days from the Effective Date of the Agreement and (ii) Seller may not commence work on the Unit within ninety (90) days of the issuance of such permits, provided however, Seller shall apply for or obtain such permits within one (1) year after the Effective Date of the Agreement (the "<u>Permit Issuance Date</u>") and Seller shall commence work no later than one (1) year from the Permit Issuance Date. Buyer acknowledges and agrees that the foregoing shall constitute an extension of the time limitations set forth in Section 489.126, Florida Statutes. Provided, however, that the foregoing provisions in this Section 5 shall not operate to extend or qualify Seller's obligation to complete the Unit as provided in Section 9.

- 6. Funds. Any funds paid by Buyer under the terms of this Agreement to Seller through a check or cashier's check are accepted by Seller subject to collection. Buyer acknowledges that Seller shall have the right to deposit such check for the Initial Deposit without such action being deemed acceptance of this Agreement. If any such check is not paid by the bank after acceptance of this Agreement, Seller shall have the option to cancel this Agreement and declare Buyer in default. If Buyer provides any check for a Deposit in the form of Canadian currency (a "CS check"), Seller's depository bank will convert such C\$ check into a U.S. dollar amount using its currency procedures and exchange rate then in effect two (2) business days following the date of processing (the "Conversion Date") and the amount of the Deposit to be applied toward the Total Purchase Price shall be equal to the amount received by Seller from the depository bank on the Conversion Date. Seller reserves the right to charge or pass through any currency conversion-related fees or costs to the Buyer at Closing (as hereafter defined). Notwithstanding the foregoing or anything contained in the Agreement to the contrary, the balance of the Total Purchase Price plus all applicable Closing Costs (the "Closing Proceeds") shall be paid to Seller at Closing by wire transfer in immediately available funds or by cashier's check (subject to collection) issued by a bank with a branch in the County where the Property is located. If Buyer delivers all or any portion of the Closing Proceeds in the form of a cashier's check exceeding \$25,000.00, then Buyer will not be entitled to possession of the Home until the Closing Proceeds have cleared.
- 7. Credit Information Authorization. Buyer authorizes Lender to whom Buyer has applied or is in the process of applying for a mortgage loan in connection with this transaction to disclose to Seller the information contained in any loan application, verification of Deposit, income and employment, and credit reports or credit related documentation on Buyer. Buyer authorizes Seller to order one or more credit reports from a consumer reporting agency to be used in connection with this transaction. The cost of such report(s) is (are) to be paid by Buyer. Buyer authorizes Seller to forward all copies of all or any portion of such report(s) without interpretation to Lender who (at the request of Buyer) will evaluate a potential extension of credit to Buyer in connection with this transaction. Buyer authorizes Lender, and any credit bureau or other person or entity utilized or engaged by Lender, to obtain one or more consumer reports regarding Buyer and to investigate any information, reference, statement, or data, provided to Lender by Buyer or by any other person or entity, pertaining to Buyer's credit and financial status. Buyer shall indemnify, defend and hold harmless Seller, its officers, directors, shareholders, employees, agents, contractors, subcontractors and suppliers ("Indemnified Parties"), Lender, and any credit bureau or other person or entity utilized or engaged by Lender or Seller, from and against any deficiencies, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, awards, suits, costs or disbursements of any kind or nature whatsoever, including attorneys' fees and expenses ("Claims") arising from an investigation of Buyer's credit and financial status.
- Closing. Without limiting the terms of Section 9, Buyer acknowledges and agrees that Seller has the right in its sole discretion to schedule the date, time and place for the closing of the transaction contemplated by this Agreement ("Closing") and Buyer shall close on such Closing Date (the "Closing Date"). Buyer will be given notice of the Closing Date, time and place by the "Closing Date Notice Period" (as such term is defined in Rider 1 attached hereto). Seller is authorized to postpone or advance the date of Closing at its discretion. Seller must, however, give Buyer reasonable notice of the new Closing Date. Any notice of Closing may be given verbally, by telephone, telegraph, telex, facsimile, mail, e-mail, or other means of communication at Seller's option. All notices of Closing will be given to Buyer at the address or by use of the telephone number(s) or e-mail address(es) specified on page 1 of this Agreement unless Seller has received written notice from Buyer of any change therein prior to the date notice of Closing is given. Buyer's failure to receive the notice of Closing because Buyer has failed to advise Seller of any changes of address or phone number, or because Buyer has failed to pick up a letter when Buyer has been advised of an attempted delivery or for any other reason, shall not relieve Buyer of Buyer's obligation to close on the scheduled Closing Date, unless Seller otherwise agrees in writing to postpone the Closing Date. If Buyer fails, for any reason, to close at the date, time and place specified by Seller, Seller shall have the option to declare Buyer in default and seek the remedies stated in Section 17 below, or to charge Buyer Two Hundred Fifty Dollars (\$250.00) per day for each day after the date of Closing specified by Seller until, and including, the actual Closing Date, and Seller may require that prorations be made as of the original Closing Date. This sum shall be due and payable in full at Closing. In addition, if Seller agrees to an extension of the date of Closing beyond the last day of the month for which Closing is originally set, an amount equal to One Percent (1%) of the Total Purchase Price shall also be payable to Seller. The sum for extending the date of Closing beyond the last day of the month shall be due and payable in full at Closing. Buyer agrees that the late charges are appropriate in order to cover Seller's administrative and other expenses resulting from a delay in Closing and that the amount of liquidated damages is fixed and agreed to by the parties as a reasonable estimate of the damages that Seller shall suffer and is not in the nature of a penalty. Seller is not required to agree to reschedule Closing, but Seller may reschedule Closing in Seller's sole discretion.
- 9. <u>Completion Date</u>. It is expressly agreed by Buyer that notwithstanding anything to the contrary specified herein or verbally represented (including but not limited to Seller's sales representative), any scheduled completion date is a good faith estimate, and Seller makes no promises or representations concerning the date of completion. Buyer agrees that Buyer has not relied, and will not rely upon, any estimated completion date for any purpose whatsoever, including, without limitation, relocation of residence, storage of personal property, or lock-in financing, and Buyer agrees that Seller shall not be liable for any additional costs, expenses or damages whatsoever should the Unit not be completed by an estimated completion date. Notwithstanding the foregoing, Seller is required to complete and does agree that the construction of the Unit shall be completed not later than two (2) years from the date of Buyer's execution of this Agreement. If construction is delayed by any event recognized by the law of the state in which the Unit is located as a defense to a contract action for non-performance or a delay in performance, then the date of completion shall be extended by the delay period. It is the express intent of the parties that the parties' rights and obligations under this Agreement be construed in the manner necessary to exempt this Agreement and the sale of the Property from registration under the Interstate Land Sales Full Disclosure Act, and both Buyer and Seller hereby expressly waive any right or provision of this Agreement that would otherwise preclude such exemption.
- 10. <u>Casualty Before Closing</u>. If between the Effective Date and the Closing the Unit or Condominium is damaged by fire, natural disaster, act of terrorism or other casualty, the following shall apply:
- 10.1 Risk of loss to the Unit by fire, natural disaster, act of terrorism or other casualty prior to Closing is assumed by Seller. If the Unit is damaged but there is no damage to the common elements of the Condominium, Seller shall be obligated to repair the damage to the Unit and this Agreement shall continue in full force and effect, and Buyer shall have no right to reject title or receive a credit against or abatement in the Total Purchase Price. In the event of damage to both the common elements and the Unit, the responsibility for repair or replacement of the damage to the Common elements rests with the Condominium Association, and responsibility for repair or replacement of the damage to the Unit rests with the Seller. Repairs and replacement of the damage to the

Buver	Buver	

common elements of the Condominium and to the Unit are subject to the terms of the Declaration of Condominium. Buyer shall have no right to reject title or receive a credit against or abatement in the Total Purchase Price, provided that repair or replacement of the damage is made within a reasonable period of time after the loss and receipt of the insurance proceeds. If the Condominium Association fails to repair or replace the loss or damage to the common elements of the Condominium after a reasonable time and such failure prevents the Seller from repairing or replacing the damage to the Unit, then Seller shall give written notice to the Buyer of the Condominium Association's failure. Either Seller or Buyer may elect to terminate this Agreement by giving written notice to the other within seven (7) calendar days of Buyer's receipt of such written notice time being of the essence to the parties, and thereupon, this Agreement shall be of no further force or effect.

- 10.2 In the event Buyer or Seller elects to terminate this Agreement, as provided in Section 10.1, then Seller shall refund to Buyer all monies deposited hereunder whereupon the parties shall be released and discharged of all claims and obligations hereunder, except that if Buyer is then otherwise in default hereunder, Seller shall retain all or a portion of the Deposit and of the Advanced Payments for options, extras and/or upgrades as and for liquidated damages as provided in Section 17 hereof.
- 10.3 Any proceeds received from insurance or in satisfaction of any claim or action in connection with such loss or damage shall belong entirely to Seller as to the Unit and to the Condominium Association as to the common elements. If such proceeds shall be paid to Buyer, Buyer agrees that such funds are the property of Seller or Condominium Association, as applicable, and Buyer shall promptly upon receipt thereof turn the same over to Seller as to the Unit or the Condominium Association as to the common elements.
- Risk of loss to the Unit by fire, natural disaster, act of terrorism or other casualty from and after Closing is assumed by Buyer. Buyer should be aware that the Unit and Condominium, however well constructed, may be subject to damage or destruction by naturally occurring events such as hurricanes and sinkholes. While Seller has no knowledge of sinkholes or naturally occurring gases such as radon in the immediate vicinity of the Condominium unless disclosed in the Master Disclosure and Information Addendum, all risks associated with all natural occurrences shall be borne by Buyer from and after Closing.

11. Escrow of Deposit.

- Buyer understands that Wilmington Savings Fund Society, FSB, a Federal Savings Bank ("Escrow Agent") whose address is 500 Delaware Avenue, 11th Floor, Wilmington, DE 19801, Attention: Corporate Trust, will hold the Deposit in an escrow account (the "Escrow Account"), pursuant to the terms of this Agreement, Chapter 718 of the Florida Statutes, and the Escrow Agreement attached to the Prospectus for the Condominium. Seller and Buyer agree to be bound by the terms of the Escrow Agreement. Any Deposits made by Buyer in excess of ten percent (10%) of the Total Purchase Price may be used by Seller for paying construction costs of the Condominium as provided by Florida law. Buyer may obtain a receipt for his/her Deposit from the Escrow Agent upon request. No interest shall be paid to Buyer on the Deposit except if Buyer shall have properly terminated the Agreement pursuant to its terms or the provisions of Chapter 718 of the Florida Statutes, in which case Buyer shall receive interest if any has been earned on the Deposit. Escrow Agent may deposit monies held in the Escrow Account in savings or time deposit accounts at a bank or savings and loan association insured by an agency of the United States Government and/or, if approved in writing by Seller, in securities of the United States Government or any agency thereof, with interest and dividends, if any, paid to Seller upon the payment of the Deposit to Seller. By signing this Agreement, Buyer expressly authorizes Escrow Agent to disburse Buyer's payments held in the Escrow Account to Seller's account at Closing, or to Seller upon Buyer's default. Buyer agrees to indemnify and hold Escrow Agent harmless from any claims or damages that may result from Escrow Agent's escrowing or disbursing of Buyer's Deposit, other than those claims or damages resulting from Escrow Agent's gross negligence or willful malfeasance. Escrow Agent shall not be responsible for any act or omission to act, unless occurring due to its sole gross negligence or willful malfeasance, and upon making delivery of the monies that Escrow Agent holds in accordance with the terms of this Agreement and the Escrow Agreement, Escrow Agent shall have no further liability. Seller and Buyer, jointly and severally, shall indemnify and hold Escrow Agent harmless from any and all damages or losses arising by reason of Escrow Agent having acted as Escrow Agent, or in connection therewith (except for damages or losses arising out of gross negligence or willful malfeasance), including but not limited to all costs and expenses incurred by Escrow Agent in connection with the filing of an interpleader action, together with reasonable attorneys' fees, paraprofessional fees and legal costs at trial and upon appeal.
- 11.2 Notwithstanding Section 11.1 above, Buyer acknowledges that the Deposit may be used by the Seller if alternatively assured in accordance with Section 718.202 of the Florida Statutes. Buyer's execution of this Agreement constitutes Buyer's consent and authorization to Seller to use alternatively assured Deposits.
- 12. **Return of Deposit.** In the event this Agreement is cancelled for any reason other than Seller's default, the Buyer shall be required to execute and return a release form provided by the Seller prior to return of the Deposit in accordance with this Agreement, as set forth herein.
- 13. <u>Deed</u>. Seller shall convey title to Buyer at Closing by delivery to Buyer of a Special Warranty Deed (the "<u>Deed</u>") describing the Property, which Deed shall convey title to Buyer subject to all matters described in this Agreement.
- 14. <u>Closing and Title Matters</u>. Title to the Property to be delivered to Buyer at Closing will be marketable and insurable, subject only to the following matters:
- 14.1 Title to the Property shall be subject to the following: (1) zoning, building codes, bulkhead laws, ordinances, regulations, rights or interests vested in the United States of America or the state in which the Condominium is located; (2) real estate taxes and other taxes for the year of conveyance and subsequent years including taxes or assessments of any special taxing or community development district (including assessments relating to capital improvements and bonds); (3) the general printed exceptions contained in an owner's title insurance policy; (4) utility easements, sewer agreements, telephone agreements, cable agreements, telecommunications agreements, monitoring agreements, restrictions and reservations common to any plat affecting title to the Property; (5) matters that would be disclosed by an accurate survey or inspection of the Property; (6) the Condominium Documents; (7) any laws and restrictions, covenants, conditions, limitations, reservations, agreements or easements recorded in the public records for the County (for example, use limitations and obligations, easements (right-of-way) and agreements relating to telephone, gas or electric lines, water and sewer lines and drainage, provided they do not prevent use of the Property for single family

residential purposes); (8) acts done or suffered by Buyer and any mortgage or deed of trust obtained by Buyer for the purchase of the Property; and (9) any deed restrictions reflected in the Deed which specifically incorporate Chapter 558 of the Florida Statutes and the mediation, arbitration and litigation provisions set forth in this Agreement. It is Buyer's responsibility to review and become familiar with each of the foregoing title matters, some of which are covenants running with the land. If any title defects are discovered by Buyer after Closing, Buyer's sole remedy shall be to make a claim to Buyer's title insurer.

- 14.2 Seller shall convey title to Buyer at Closing by delivery to Buyer of the Deed, which shall convey title to Buyer subject to all matters described in Section 14.1 of this Agreement. Any such matters omitted from the Deed shall nevertheless be deemed to be included in the Deed.
- 14.3 Seller shall provide an affidavit complying with the Foreign Investment in Real Property Tax Act of 1980, as amended, upon written request of Buyer.
- 14.4 Seller may not own title to the Property as of the date of this Agreement. However, Seller shall obtain title to the Property on or before the Closing Date or effect the necessary transfer of title on or before the date when Seller causes title to be transferred to Buyer.
- 14.5 If Seller cannot provide marketable and insurable title as described above, such failure shall not be an event of default and Seller will have a reasonable period of time (at least one hundred and twenty (120) days from the date of the scheduled Closing Date) to attempt to correct any defects in title; provided, however, Seller shall not be obligated to incur any expense, nor institute any litigation, to clear title to the Property. If Seller cannot or elects not to correct the title defects, Seller shall so notify Buyer within such period, and Buyer may thereafter elect (by written notice from Buyer to Seller) one of the following two (2) options: (1) to accept title in the condition offered (with defects) and pay the balance of the Total Purchase Price for the Property (without set off or deduction therefor), thereby waiving any claim with respect to such title defects and Buyer will not make any claims against Seller because of the title defects; or (2) to terminate this Agreement and receive a full refund of the Deposit deposited hereunder. If all such amounts are refunded, Buyer agrees to accept it as full payment of Seller's liability hereunder, whereupon this Agreement shall be terminated and Seller shall thereafter be relieved and released of all further liability hereunder. Buyer shall not thereafter have any rights to make any additional claims against Seller. In the event Buyer does not notify Seller in writing within five (5) calendar days from the receipt of Seller's notice (time being strictly of the essence) as to which option Buyer elects, Buyer shall be conclusively presumed to have elected option (1) set forth above in this subsection.
 - 14.6 Title to the Property will be deemed marketable if an owner's policy is issued with standard exceptions.
- 14.7 The acceptance of the Deed by Buyer shall be deemed to be full performance and discharge of every agreement and obligation on the part of Seller to be performed pursuant to this Agreement.
- 15. <u>Closing Costs</u>. The respective responsibilities of Buyer and Seller for all costs, prorations and fees payable at Closing (the "<u>Closing Costs</u>") are shown in Rider 1 attached hereto.

16. <u>Site and Substitutions</u>.

16.1 <u>Stairwells, Garages, Utility Pipes.</u> Buyer understands and agrees that the stairwells within the Condominium are intended solely for ingress and egress in the event of emergency and, as such are constructed and left unfinished solely as to be functional for such purpose, without regard to the aesthetic appearance of such stairwells. Similarly, garages and utility pipes serving the Condominium are intended solely for functional purposes, and as such are unfinished without regard to the aesthetic appearance of same. The foregoing is not intended to prohibit the use of the stairwells, garages and utility pipes for any other legal purpose.

16.2 Changes to Plans and Specifications.

- 16.2.1 <u>Industry Practice</u>. It is widely observed construction industry practice for pre-construction plans and specifications for any home or building to be changed and adjusted from time to time in order to accommodate on-going site conditions and in the field construction factors. These changes and adjustments are essential in order to permit all components of the Unit and Condominium to be integrated into a well-functioning and aesthetically pleasing product in an expeditious manner. Based on the foregoing, Buyer acknowledges that such changes and adjustments may occur and agrees that it is reasonable and to Buyer's benefit to allow Seller the flexibility to make such changes and adjustments to the Unit and Condominium. Nothing in this Section shall be deemed to limit rights Buyer may have under Chapter 718 of the Florida Statutes.
- 16.2.2 <u>Seller's Absolute Right to Make Modifications to Plans and Specifications</u>. The materials, equipment, and fixtures included in and to be used in constructing the Unit and the Condominium will be substantially the same as or similar in quality to those described in the applicable plans and specifications and in the model (except as to extras, options and/or upgrades), if a model has been constructed. Notwithstanding the foregoing, Seller has the absolute right to make modifications to the plans and specifications for the Unit and Condominium. Without limiting the generality of the foregoing, Buyer specifically agrees that changes in the dimensions of rooms and patios, entrances and terraces, if applicable, and changes in room size, in the locations of windows, doors, walls, partitions, utility lead-ins and outlets (including, but not limited to, electrical, cable television, and telephone), airconditioning components, lighting fixtures and electrical panel boxes may be made by Seller in its sole discretion, provided however that changes in the layout and dimensions of the Unit shall not substantially affect the value of the Unit. Such changes may also include, but are not limited to, changes in the building location, setbacks and facing, the building's external configuration, its structural components, its finishes and the landscaping associated therewith. Nothing in this Section shall be deemed to limit rights Buyer may have under Chapter 718 of the Florida Statutes.
- 16.2.3 <u>Buyer's Acceptance of Actual Floor Plan</u>. Buyer further understands and acknowledges that many of the Units to be constructed within the Condominium require floor plans which are opposite (i.e. flipped) mirror images of the model floor plan and Buyer fully understands and accepts the floor plan configuration for the Unit and improvements to be constructed within the Unit and Condominium.

Buyer	Buyer
-------	-------

- 16.2.4 No Warranty for Plans and Specifications on File. Buyer further acknowledges and agrees that (1) the plans and specifications of the Unit and the Condominium on file with the applicable governmental authorities may not be identical in detail to Seller's plans and specifications, and (2) because of the day-to-day nature of the changes described in this Section, the plans and specifications on file with the applicable governmental authorities may not include some or any of these changes (there being no legal requirement to file all changes with such authorities). As a result of the foregoing, Buyer and Seller both acknowledge and agree that the Unit and the Condominium may not be constructed in accordance with the plans and specifications on file with the applicable governmental authorities. Without limiting the generality of the provisions of Section 28 of this Agreement, Seller disclaims and Buyer waives any and all express or implied warranties that construction will be accomplished in compliance with such plans and specifications. Seller has not given and Buyer has not relied on or bargained for any such warranties. In furtherance of the foregoing, in the event of any conflict between the actual construction of the Unit and/or the Condominium, and that which is set forth on the plans and specifications, Buyer agrees that the actual construction shall prevail and to accept the Unit and Condominium as actually constructed (in lieu of what is set forth on the plans and specifications). None of the foregoing is intended as a modification or waiver of Seller's non-waivable obligations or warranties required by Chapter 718 of the Florida Statutes.
- 16.3 <u>Buyer Acknowledgments</u>. The Condominium may be subject to one or more plats (individually, a "<u>Plat</u>"). The Plat may identify some of the common elements comprising part of the Condominium. The descriptions on a Plat are subject to change and the notes on a Plat are not a guarantee of what facilities will be constructed on any portion of a Plat. Site plans used by Seller in its marketing efforts may illustrate the types of facilities that may be constructed on the common elements, but such site plans are not a guarantee of what facilities will actually be constructed. Buyer should not rely on any Plat or site plans used for illustration purposes as the Condominium Documents (as defined in Section 22 hereof) govern the rights and obligations of Seller and Buyer with respect to the common elements and all other facilities within the Condominium. Buyer acknowledges and agrees that Buyer has not relied upon any statements, verbal or written, published by or under the authority of Seller in advertising and promotional matter, including but not limited to newspaper, radio or television advertisements, but has based the decision to purchase solely upon Buyer's personal investigation, observation and the disclosure materials and Condominium Documents provided herewith. Buyer further acknowledges that the primary inducement to purchase under this Agreement is the Unit. Nothing contained in this Section 16.3 shall be deemed to limit or abridge any rights Buyer may have under Section 718.506(1) of the Florida Statutes.

16.4 <u>Decorative and Landscaping Items</u>.

- 16.4.1 Buyer understands and agrees that certain of the finishing items, such as tile, marble, carpet, cabinets, stone, brickwork, wood, paint, stain and mica are subject to size and color variations, grain and quality variations, and may vary in accordance with price, availability and changes by manufacturers from those shown in the model, if any, or in illustrations or brochures or those included in the specifications. Furthermore, if circumstances arise that, in Seller's opinion, warrant changes of subcontractors, suppliers, manufacturers, brand names or items, Seller reserves the right to substitute equipment, materials, appliances, etc., which in Seller's opinion are considered to be of quality substantially similar or equal, or of better quality, subject to their availability. Buyer also understands that Seller has the right to substitute or change materials and/or stain colors utilized in wood decor, if any.
- 16.4.2 Facades, shrubs, trees, trim, built-ins, wall treatments, window treatments, furniture, furnishings, fences, decks, locations of walks, driveways and other items in or about the Condominium are for display purposes only and are not included in the Total Purchase Price unless otherwise expressly provided herein. Seller has the right to remove any existing trees within the Condominium or on the surrounding area for any reason. Buyer further understands and agrees that the following items (which may be seen in models or shown in illustrations) will also not be included with the sale of the Unit: wall coverings, paint colors, accent light fixtures, wall ornaments, drapes, blinds, bedspreads, furniture, furnishings, wet bars, monitoring systems, certain built-in fixtures, special floor coverings, wood trim, upgraded items and/or any other items of this nature which may be added or deleted from time to time. This list of items (which is not all-inclusive) is provided as an illustration of the type of items built-in or placed upon models or shown in illustrations strictly for purposes of decoration and example only.

16.5 <u>Deed.</u> BY ACCEPTANCE OF THE DEED, BUYER ACCEPTS ALL VARIATIONS OF THE UNIT.

- 17. <u>Buyer's Default</u>. In the event of Buyer's default and to the extent allowed by law, Seller shall be entitled to keep, as liquidated damages and not as a penalty, Buyer's Deposit not to exceed fifteen percent (15%) of the Total Purchase Price, except that Seller may, in addition, keep, as liquidated damages and not as a penalty, any and all Advanced Payments made by Buyer to Seller for options, extras or upgrades for which Seller has made contractual commitments or incurred liability by placing orders or otherwise. Buyer agrees that actual damages in the event of breach by Buyer would be costly and difficult to calculate, and that such liquidated damages are a fair and reasonable remedy and shall not be considered a penalty.
- 18. <u>Seller's Default</u>. In the event of Seller's default and to the extent allowed by law, Buyer may recover actual damages but shall not be entitled to special, consequential or punitive damages. Notwithstanding the foregoing, Buyer retains all remedies at law and in equity with respect to Seller's obligation to complete the Unit within two (2) years pursuant to Section 9 above, if applicable.

19. <u>Mediation / Arbitration of Disputes</u>.

Dispute (as hereinafter defined) shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided by the Federal Arbitration Act (9 U.S.C. §§1 et seq.) and not by or in a court of law or equity. "Disputes" (whether contract, warranty, tort, statutory or otherwise), shall include, but are not limited to, any and all controversies, disputes or claims (1) arising under, or related to, this Agreement, the Unit, the Condominium or any dealings between Buyer and Seller; (2) arising by virtue of any representations, promises or warranties alleged to have been made by Seller or Seller's representative; and (3) relating to personal injury or property damage alleged to have been sustained by Buyer, Buyer's children or other occupants of the Unit, or in the Condominium. Buyer has executed this Agreement on behalf of his or her children and other occupants of the Unit with the intent that all such parties be bound hereby. Any Dispute shall be submitted for binding arbitration within a reasonable time after such Dispute has arisen. Nothing herein shall extend the time period by which a claim or cause of action may be asserted under the applicable statute of limitations or statute of repose, and in no event shall the dispute be submitted for

arbitration after the date when institution of a legal or equitable proceeding based on the underlying claims in such Dispute would be barred by the applicable statute of limitations or statute of repose.

- 19.2 Any and all mediations commenced by any of the parties to this Agreement shall be filed with and administered by the American Arbitration Association or any successor thereto ("<u>AAA</u>") in accordance with the AAA's Home Construction Mediation Procedures in effect on the date of the request. If there are no Home Construction Mediation Procedures currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of such request shall be utilized. Any party who will be relying upon an expert report or repair estimate at the mediation shall provide the mediator and the other parties with a copy of the reports. If one or more issues directly or indirectly relate to alleged deficiencies in design, materials or construction, all parties and their experts shall be allowed to inspect, document (by photograph, videotape or otherwise) and test the alleged deficiencies prior to mediation. Unless mutually waived in writing by the parties, submission to mediation is a condition precedent to either party taking further action with regard to any matter covered hereunder.
- 19.3 If the Dispute is not fully resolved by mediation, the Dispute shall be submitted to binding arbitration and administered by the AAA in accordance with the AAA's Home Construction Arbitration Rules in effect on the date of the request. If there are no Home Construction Arbitration Rules currently in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such request shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Dispute. If the claimed amount exceeds \$250,000.00 or includes a demand for punitive damages, the Dispute shall be heard and determined by three arbitrators; however, if mutually agreed to by the parties, then the Dispute shall be heard and determined by one arbitrator. Arbitrators shall have expertise in the area(s) of Dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Dispute shall be decided by the arbitrator(s). At the request of any party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.
- 19.4 The waiver or invalidity of any portion of this Section shall not affect the validity or enforceability of the remaining portions of this Section. Buyer and Seller further agree (1) that any Dispute involving Seller's affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in a court of law or equity; (2) that Seller may, at its sole election, include Seller's contractors, subcontractors and suppliers, as well as any warranty company and insurer as parties in the mediation and arbitration; and (3) that the mediation and arbitration will be limited to the parties specified herein.
- 19.5 To the fullest extent permitted by applicable law, Buyer and Seller agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any other arbitration, judicial, or similar proceeding shall be given preclusive or collateral estoppel effect in any arbitration hereunder unless there is mutuality of parties. In addition, Buyer and Seller further agree that no finding or stipulation of fact, no conclusion of law, and no arbitration award in any arbitration hereunder shall be given preclusive or collateral estoppel effect in any other arbitration, judicial, or similar proceeding unless there is mutuality of parties.
- 19.6 Unless otherwise recoverable by law or statute, each party shall bear its own costs and expenses, including attorneys' fees and paraprofessional fees, for any mediation and arbitration. Notwithstanding the foregoing, if a party unsuccessfully contests the validity or scope of arbitration in a court of law or equity, the noncontesting party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in defending such contest, including such fees and costs associated with any appellate proceedings. In addition, if a party fails to abide by the terms of a mediation settlement or arbitration award, the other party shall be awarded reasonable attorneys' fees, paraprofessional fees and expenses incurred in enforcing such settlement or award.
- 19.7 Buyer may obtain additional information concerning the rules of the AAA by visiting its website at www.adr.org or by writing the AAA at 335 Madison Avenue, New York, New York 10017.
- 19.8 Seller supports the principles set forth in the Consumer Due Process Protocol developed by the National Consumer Dispute Advisory Committee and agrees to the following:
- 19.8.1 Notwithstanding the requirements of arbitration stated in Section 19.3 of this Agreement, Buyer shall have the option, after pursuing mediation as provided herein, to seek relief in a small claims court for disputes or claims within the scope of the court's jurisdiction in lieu of proceeding to arbitration. This option does not apply to any appeal from a decision by a small claims court.
- 19.8.2 Seller agrees to pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the parties.
- 19.8.3 The fees for any claim pursued via arbitration shall be apportioned as provided in the Home Construction Arbitration Rules of the AAA or other applicable rules.
- 19.9 Notwithstanding the foregoing, if either Seller or Buyer seeks injunctive relief, and not monetary damages, from a court because irreparable damage or harm would otherwise be suffered by either party before mediation or arbitration could be conducted, such actions shall not be interpreted to indicate that either party has waived the right to mediate or arbitrate. The right to mediate and arbitrate should also not be considered waived by the filing of a counterclaim by either party once a claim for injunctive relief had been filed with a court.
- 19.10 THIS SECTION REQUIRES YOU TO WAIVE YOUR RIGHT TO SUE THE DEVELOPER IN COURT AND, INSTEAD, ARBITRATE OR MEDIATE DISPUTES INCLUDING, BUT NOT LIMITED TO: DEVELOPER REPRESENTATIONS PERTAINING TO COMMONLY USED FACILITIES; ACTIONS TAKEN BY DEVELOPER-ELECTED DIRECTORS WHILE THE DEVELOPER CONTROLS THE ASSOCIATION; DISPUTES REGARDING THE BUYER'S CLAIM OF VOIDABILITY BASED UPON CONTRACTUAL PROVISIONS AS REQUIRED IN SECTION 718.503(1)(A), FLORIDA STATUTES; FALSE OR MISLEADING STATEMENTS PUBLISHED BY THE DEVELOPER

AND RELIED UPON BY THE BUYER; AND WARRANTY RIGHTS ON YOUR UNIT, COMMON ELEMENTS AND IMPROVEMENTS. YOU SHOULD CONSULT AN ATTORNEY ABOUT YOUR RIGHTS UNDER THESE PROVISIONS.

- Other Dispute Resolutions. Notwithstanding the parties' obligation to submit any Dispute to mediation and arbitration, (to the extent submitting such Dispute to binding arbitration and mediation does not conflict with Sections 718.111(3), 718.303, and 718.506, Florida Statutes), in the event that a particular dispute is not subject to the mediation or the arbitration provisions of Section 19, then the parties agree to the following provisions: BUYER ACKNOWLEDGES THAT JUSTICE WILL BEST BE SERVED IF ISSUES REGARDING THIS AGREEMENT ARE HEARD BY A JUDGE IN A COURT PROCEEDING, AND NOT A JURY. BUYER AND SELLER AGREE THAT ANY DISPUTE, CLAIM, DEMAND, ACTION, OR CAUSE OF ACTION SHALL BE HEARD BY A JUDGE IN A COURT PROCEEDING AND NOT A JURY. BUYER AND SELLER HEREBY WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL. SELLER HEREBY SUGGESTS THAT BUYER CONTACT AN ATTORNEY OF BUYER'S CHOICE IF BUYER DOES NOT UNDERSTAND THE LEGAL CONSEQUENCES OF EXECUTING THIS AGREEMENT.
- 21. <u>Deed Restriction</u>. The provisions of Sections 19 and 20 shall be: (i) subject to the survival provisions of Section 36, (ii) covenants running with the land comprising the Property, (iii) set forth as exceptions in the Deed, and (iv) binding upon Buyer and its successors and assigns in title upon Seller's conveyance of the Property to Buyer and recording of the Deed.
- Condominium Documents. Buyer acknowledges receipt of the copies of those instruments and documents listed on the Receipt for Condominium Documents contained in the Prospectus for the Condominium (the "Documents Receipt"), all such documents, which are required to be furnished by Chapter 718 of the Florida Statutes (collectively, the "Condominium Documents"), are incorporated into this Agreement by this reference. Buyer agrees that occupancy of the Unit shall at all times be subject to the provisions of the Condominium Documents. Seller has delivered to Buyer a full set of the Condominium Documents, and Buyer shall execute the Documents Receipt in the form contained in the Condominium Documents. Seller reserves the right, in its sole discretion, to amend any of the Condominium Documents, provided that a copy of such amendment is transmitted to Buyer. Notwithstanding anything to the contrary contained herein, upon recordation of Condominium Documents, Seller shall only have the right to amend the Condominium Documents in accordance with the Condominium Act and provisions of the Condominium Documents. The Seller shall make available to Buyer, for Buyer's inspection at Seller's place of business that is convenient to the site, a copy of the complete set of Seller's plans and specifications for the construction of the Unit and the common elements appurtenant to the Unit. Notwithstanding any other provision herein to the contrary, if this Agreement is terminated for any reason whatsoever, Buyer shall return the Condominium Documents to Seller in the same condition originally received (ordinary wear and tear excepted). If the Condominium Documents are not returned upon termination of this Agreement, Seller shall be entitled to charge \$50.00 to Buyer as a result of the termination, to defray Seller's costs and expenses resulting from the preparation, printing and delivery of the Condominium Documents. This Section shall survive termination of this Agreement.
- 23. <u>Disclosure Summary</u>. Buyer understands, acknowledges and agrees that upon conveyance and recording of the Deed to the Property, Buyer will become a member of a Master Association and Golf Club as set forth in the Condominium Master Disclosure and Information Addendum, and Buyer will be required to pay Assessments (as defined in the Condominium Master Disclosure and Information Addendum) pursuant to such mandatory membership(s). Prior to execution of this Agreement, Seller provided a Disclosure Summary to Buyer regarding Buyer's assessments payable to each mandatory membership in the Master Association and Golf Club. The Disclosure Summary is included in this Agreement. BUYER SHOULD NOT EXECUTE THIS AGREEMENT UNTIL BUYER HAS RECEIVED AND READ THE DISCLOSURE SUMMARY REQUIRED BY SECTION 720.401, FLORIDA STATUTES. IF THE DISCLOSURE SUMMARY REQUIRED BY SECTION 720.401, FLORIDA STATUTES, HAS NOT BEEN PROVIDED TO THE PROSPECTIVE BUYER (PURCHASER) BEFORE EXECUTING THIS AGREEMENT (CONTRACT FOR SALE), THIS AGREEMENT (CONTRACT) IS VOIDABLE BY BUYER BY DELIVERING TO SELLER OR SELLER'S AGENT OR REPRESENTATIVE WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN THREE (3) DAYS AFTER RECEIPT OF THE DISCLOSURE SUMMARY OR PRIOR TO CLOSING, WHICHEVER OCCURS FIRST. ANY PURPORTED WAIVER OF THIS VOIDABILITY RIGHT HAS NO EFFECT.
- 24. <u>Selling Agent, Cooperating Broker, and Seller's New Home Consultant.</u> Unless the Condominium Purchase Price and Payment Addendum attached hereto indicates otherwise, Buyer represents to Seller that Buyer has not consulted, dealt or negotiated with a real estate broker, salesperson or agent other than Seller's sales personnel located at Seller's sales office. Buyer agrees that Seller is not responsible for the payment of a commission to a real estate broker, salesperson or agent other than Seller's sales personnel. Buyer shall indemnify, defend and hold harmless Indemnified Parties from and against any and all Claims resulting from or arising out of any representation or breach of a representation or warranty set forth in this Section. In addition, Buyer acknowledges and understands that Seller's New Home Consultant ("NHC") and Internet New Home Consultant ("INHC") are employees of Seller, are acting solely for the Seller's interests, and are not acting in any representative capacity for Buyer. Buyer should not disclose any information to Seller's NHC and/or INHC that Buyer considers to be confidential or otherwise does not want disclosed to Seller.
- 25. Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF THE CONDOMINIUM ARE HEREBY PLACED ON NOTICE THAT (1) SELLER AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES, AND/OR (2) ANY OTHER PARTIES, WILL BE, FROM TIME TO TIME, CONDUCTING BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO THE CONDOMINIUM. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE CONDOMINIUM, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (1) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (2) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY UNIT OR HOME WITHIN OR IN PROXIMITY TO THE AREA OF THE CONDOMINIUM WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (3) TO THE EXTENT PERMITTED OR NOT PROHIBITED UNDER APPLICABLE LAW, SELLER AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR

Buyer	Buyer
-------	-------

DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM SELLER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (4) ANY PURCHASE OR USE OF ANY PORTION OF THE CONDOMINIUM HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING, AND (5) THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO SELL, CONVEY, AND/OR ALLOW THE USE OF THE UNIT.

26. **Dangerous Condition; Construction Work.**

- 26.1 Buyer understands and agrees that the Property is a construction site and that the Property and the improvements, equipment and supplies thereon constitute a danger to those who may enter on the Property. Buyer shall not enter onto the Condominium prior to Closing unless authorized and accompanied by Seller's representative. Any unauthorized, unaccompanied entry by Buyer shall constitute a breach of this Agreement by Buyer, at Seller's election. Moreover, any entry by Buyer onto the Condominium prior to Closing shall be done at Buyer's own risk and in compliance with all federal, state and local safety laws and regulations. To the extent permitted or not prohibited by applicable law, Buyer waives, releases and shall indemnify, defend and hold harmless Indemnified Parties from and against any Claims made by Buyer, Buyer's family members or guests, as a direct or indirect result of any such unauthorized, unaccompanied entry onto the Property.
- 26.2 Buyer agrees that supervision and direction of the working forces, including, without limitation, all contractors and subcontractors, is to be done exclusively by Seller, and Buyer agrees not to issue any instructions to the working forces or otherwise hinder construction or installation of improvements to the Property. Buyer shall not do or have any work done on the Property, nor may Buyer store any possessions thereon, prior to Closing and transfer of title to the Property to Buyer.
- 26.3 Buyer agrees that any and all controversies, disputes and claims arising under this Section shall be resolved through mediation or binding arbitration in accordance with the terms of this Agreement. THIS SECTION REQUIRES YOU TO WAIVE YOUR RIGHT TO SUE THE DEVELOPER IN COURT AND, INSTEAD, ARBITRATE OR MEDIATE DISPUTES. YOU SHOULD CONSULT AN ATTORNEY ABOUT YOUR RIGHTS UNDER THESE PROVISIONS.
- 27. Buyer's Option. THIS AGREEMENT IS VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF BUYER'S INTENTION TO CANCEL WITHIN FIFTEEN (15) DAYS AFTER THE DATE OF EXECUTION OF THIS AGREEMENT BY THE BUYER AND RECEIPT BY BUYER OF ALL OF THE ITEMS REQUIRED TO BE DELIVERED TO HIM OR HER (BUYER) BY DEVELOPER (SELLER) UNDER SECTION 718.503, FLORIDA STATUTES. THIS AGREEMENT IS ALSO VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN FIFTEEN (15) DAYS AFTER THE DATE OF RECEIPT FROM DEVELOPER (SELLER) OF ANY AMENDMENT WHICH MATERIALLY ALTERS OR MODIFIES THE OFFERING IN A MANNER THAT IS ADVERSE TO BUYER. ANY PURPORTED WAIVER OF THESE VOIDABILITY RIGHTS SHALL BE OF NO EFFECT. BUYER MAY EXTEND THE TIME FOR CLOSING FOR A PERIOD OF NOT MORE THAN FIFTEEN (15) DAYS AFTER BUYER HAS RECEIVED ALL OF THE ITEMS REQUIRED. BUYER'S RIGHT TO VOID THIS AGREEMENT SHALL TERMINATE AT CLOSING. FIGURES CONTAINED IN ANY BUDGET DELIVERED TO THE BUYER PREPARED IN ACCORDANCE WITH THE CONDOMINIUM ACT ARE ESTIMATES ONLY AND REPRESENT AN APPROXIMATION OF FUTURE EXPENSES BASED ON FACTS AND CIRCUMSTANCES EXISTING AT THE TIME OF THE PREPARATION OF THE BUDGET BY THE DEVELOPER. ACTUAL COSTS OF SUCH ITEMS MAY EXCEED THE ESTIMATED COSTS. SUCH CHANGES IN COST DO NOT CONSTITUTE MATERIAL ADVERSE CHANGES IN THE OFFERING.

28. Warranties.

28.1 <u>Limitation of Warranties</u>.

- 28.1.1 Buyer acknowledges that at the time of execution of this Agreement, Seller has no reason to know of any particular purpose Buyer has in purchasing the Unit and items of personal property located therein other than normal residential use. From and after Closing, Buyer will only be entitled to receive the benefits of the statutory warranties provided by Section 718.203 of the Florida Statutes, and no written or other warranties are given by Seller with respect to the Unit or the Condominium. In addition, any and all manufacturers' warranties on personalty and fixtures will, to the extent allowable, be passed through to Buyer at Closing and all items covered by manufacturers' warranties are expressly not warranted by Seller.
- 28.1.2 WITH THE EXCEPTION OF THE WARRANTIES PROVIDED BY SECTION 718.203 OF THE FLORIDA STATUTES, TO THE MAXIMUM EXTENT PERMITTED BY LAW, SELLER DISCLAIMS ANY AND ALL WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS, FITNESS FOR A PARTICULAR PURPOSE, HABITABILITY, INTENDED USE, WORKMANSHIP, OR CONSTRUCTION RESPECTING THE UNIT, COMMON ELEMENTS OF THE CONDOMINIUM, AND ALL FIXTURES OR ITEMS OF PERSONAL PROPERTY SOLD PURSUANT TO THIS AGREEMENT, OR ANY OTHER REAL OR PERSONAL PROPERTY WHATSOEVER CONVEYED IN CONNECTION WITH THE SALE OF THE PROPERTY, OR LOCATED WITHIN THE CONDOMINIUM WHETHER ARISING FROM THIS AGREEMENT, USAGE, TRADE, IMPOSED BY STATUTE, COURSE OF DEALING, CASE LAW OR OTHERWISE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SELLER HEREBY DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES AS TO DESIGN, CONSTRUCTION, VIEW, SOUND AND/OR ODOR TRANSMISSION, FURNISHING AND EQUIPPING OF THE CONDOMINIUM, THE EXISTENCE OF MOLD, MILDEW, SPORES, FUNGI AND/OR OTHER TOXINS WITHIN THE CONDOMINIUM, EXCEPT ONLY THOSE SET FORTH IN SECTION 718.203 OF THE FLORIDA STATUTES TO THE EXTENT APPLICABLE TO SELLER AND TO THE EXTENT THAT SAME HAVE NOT EXPIRED BY THEIR TERMS. SELLER HAS NOT GIVEN AND BUYER HAS NOT RELIED ON OR BARGAINED FOR ANY SUCH WARRANTIES.
- 28.2 SELLER MAKES NO REPRESENTATION OR WARRANTY CONCERNING GEOLOGICAL OR ENVIRONMENTAL MATTERS SUCH AS RADON GAS AND SPECIFICALLY EXCLUDES SUCH GEOLOGICAL AND ENVIRONMENTAL MATTERS FROM ANY WARRANTIES GIVEN UNDER THIS AGREEMENT.

Buyer	Buyer	
-------	-------	--

- 28.3 Normal swelling, expansion and contraction of materials and construction, and any cracks appearing as a result thereof or as a result of settlement of, in or on the Unit shall not be deemed to be construction defects. Upon Closing, Seller shall deliver to Buyer all manufacturers' warranties, if any, covering the consumer products (if any) to be conveyed to Buyer hereunder; provided, however, SELLER SHALL NOT THEREBY BE DEEMED TO WARRANT ANY SUCH CONSUMER PRODUCT OR TO ADOPT ANY LIABILITY FOR ANY SUCH MANUFACTURERS' WARRANTY THEREOF.
- 28.4 Given the climate and humid conditions in Florida, mold, mildew, spores, fungi and/or other toxins may exist and/or develop within the Condominium and the Unit. Buyer is hereby advised that certain mold, mildew, spores, fungi and/or other toxins may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. By closing, Buyer shall be deemed to have assumed the risks associated with mold, mildew, spores, fungi and/or other toxins and to have released Seller from any and all claims and liability resulting from same. Without limiting the generality of the foregoing, Seller hereby disclaims any and all express or implied warranties as to design, construction, view, sound and/or odor transmission, furnishing and equipping of the Unit and the Condominium, the existence of mold, mildew, spores, fungi and/or other toxins within the Unit and the Condominium, except only those set forth in Section 718.203 of the Florida Statutes to the extent applicable or to the extent that same have not expired by their terms. Seller has not given and Buyer has not relied on or bargained for any such warranties. Without limiting the generality of the foregoing, leaks, wet flooring and moisture will contribute to the growth of mold, mildew, fungus or spores. Buyer understands and agrees that Seller is not responsible, and hereby disclaims any responsibility for any illness or allergic reactions which may be experienced by Buyer, its family members and/or its or their guest, tenants, and invitees as a result of mold, mildew, fungus or spores. It is the Buyer's responsibility to keep the Unit clean, dry, well ventilated and free of contamination.
- 28.5 Buyer acknowledges and agrees that Seller has made no representations or warranties regarding (i) the economic advantages or disadvantages of purchasing the Unit, (ii) any potential increase in the value of the Unit above the Total Purchase Price, or (iii) the purchase of the Unit as an investment or for other economic purposes, and Buyer has and will rely on its own determination of such matters in purchasing the Unit.
- 28.6 Buyer agrees that no warranties, express or implied, representations, understandings, guarantees or promises have been made to or relied upon by Buyer in making the determination to execute this Agreement.
- 28.7 Buyer acknowledges and agrees that Seller has made no representations or warranties regarding the existence or quality of any views that will be visible from the Unit when completed, and Buyer understands and agrees that the view from the Unit can and will only be determined upon completion of the Unit, and the Condominium, and that any views that can be anticipated from models, sketches or other materials attempting to show how the Condominium will look upon completion cannot be relied upon for such purpose, and Buyer is not purchasing the Unit in reliance on the Unit having any particular view.
- 28.8 <u>No Warranties for Third Party Construction</u>. Seller does not warrant any of the work performed in the Unit or the Condominium by third party contractors, not hired by Seller, prior to or after the Closing and shall not be liable for any defects in the work performed by third party contractors not hired by Seller, nor for any adverse impact to the Unit or Condominium caused thereby.
- 29. OFAC. Executive Order 13224 requires all United States entities and persons to block assets and not transact business with entities, countries and persons (specifically designated nationals) set forth by the Office of Foreign Asset Control ("OFAC"). This requirement applies to all homebuilding entities in The Lennar Family of Builders (including but not limited to Seller), Universal American Mortgage Company, LLC and all of its affiliates, and North American Title Company and all of its affiliates (collectively, the "Lennar Affiliates"). Accordingly, each of Seller and the Lennar Affiliates will check current OFAC lists and other publications in connection with each potential transaction, loan, or unit sale. In order to check the OFAC list, Buyer must provide to Seller a government issued identification card (this might include a driver's license, birth certificate, passport or resident alien card). To the extent Buyer (or any single person or entity constituting a part of Buyer) matches a name or entity on any such OFAC list or publication, the transactions with Buyer contemplated under or in connection with this Agreement will be immediately suspended, and Buyer shall be reported as instructed by the OFAC.
- 30. <u>Agreement Not to be Recorded</u>. Buyer covenants that Buyer shall not record this Agreement (or any memorandum thereof) in the Public Records of the County. Buyer agrees, if Buyer records this Agreement, to pay all of Seller's attorneys' fees, paraprofessional fees and expenses incurred in removing the cloud in title caused by such recordation. Seller's rights under this Section shall be in addition to Seller's remedies for Buyer's default provided elsewhere in this Agreement.
- Transfer, Assignment and Persons Bound. Buyer agrees that Buyer will not, and does not have the right to, assign, sell or transfer Buyer's interest in this Agreement (whether voluntarily or by operation of law or otherwise) without Seller's prior written consent. If Buyer is a corporation, other business entity, trustee or nominee, a transfer of any material equity or beneficial or principal interest shall constitute an assignment of this Agreement. If Buyer attempts to assign this Agreement in violation of this Section, Seller can declare Buyer in default and Seller shall be entitled to all remedies available under this Agreement. Buyer agrees that Seller may withhold its consent with or without any reason or condition in any manner it chooses (if it gives it at all) and may charge Buyer a reasonable amount to cover administrative costs incurred in considering whether or not to grant consent. If Buyer dies or in any way loses legal control of his/her affairs, this Agreement will bind his/her heirs and legal representatives. If Buyer has received Seller's permission to assign or transfer this Agreement, then Buyer's approved assignees shall be bound by the terms of this Agreement. If more than one person signs this Agreement as Buyer, each such person shall be jointly and severally liable for full performance of all of Buyer's duties and obligations hereunder.
- 32. <u>Time of the Essence</u>. Buyer acknowledges that time is of the essence in connection with the transactions contemplated under this Agreement.
- Interpretation and Computation of Time. The use of the masculine gender in this Agreement shall be deemed to refer to the feminine or neuter gender, and the singular shall include the plural, and vice versa, whenever the context so requires. This Agreement reflects the negotiated agreement of the parties. Each party acknowledges that they have been afforded the opportunity to seek competent legal counsel, and each has made an informed choice as to whether or not to be represented by legal counsel. Accordingly, this Agreement shall be construed as if both parties jointly prepared it, and no presumption against one party or the other shall govern the interpretation or construction of any of the provisions of this Agreement. Any reference in this Agreement to the time

periods of less than five (5) days shall, in the computation thereof, exclude Saturdays, Sundays and legal holidays. Any reference in this Agreement to time periods of five (5) days or more shall, in computation thereof, include Saturdays, Sundays and legal holidays. If the last day of any such period is a Saturday, Sunday or legal holiday, the period shall be extended to 5:00 p.m. on the next full business day. The section headings in this Agreement are for convenience only and shall not affect the meaning, interpretation or scope of the provisions which follow them.

- Notice. Except as provided in the Closing Section of this Agreement with respect to notices of the scheduled Closing Date, any notice required or permitted to be given in connection with this Agreement shall be in writing and sent by United States certified mail with return receipt requested, overnight professional courier or electronic transmission (with confirmation and copy by (1) certified mail, if Buyer's address is within the United States or (2) overnight professional courier, if to a Buyer whose address is outside of the United States) to Buyer or Seller at the addresses on Page 1 of this Agreement (unless Seller has received written notice from Buyer of any change therein prior to the date such notice is given), and additionally to Seller by hand delivery at Seller's sales office. All notices shall only be effective upon receipt or refusal to accept receipt (by failure to accept delivery or otherwise).
- 35. <u>Waiver</u>. Seller's waiver of any of its rights or remedies shall not operate to waive any other of Seller's rights or remedies or to prevent Seller from enforcing the waived right or remedy in another instance.
- 36. <u>Survival</u>. Buyer and Seller specifically agree that notwithstanding anything to the contrary, the rights and obligations as set forth in all provisions and disclaimers in this Agreement shall survive (1) the Closing of the purchase of the Property; (2) the termination of this Agreement by either party; or (3) the default of this Agreement by either party, unless expressly stated otherwise.
- 37. <u>Incorporation and Severability</u>. The explanations and disclaimers set forth in the Condominium Documents are incorporated into this Agreement. In the event that any clause or provision of this Agreement shall be void or unenforceable, such clause or provision shall be deemed deleted so that the balance of this Agreement is enforceable.
- 38. Governing Law. Any disputes that develop under this Agreement or questions regarding the interpretation of this Agreement will be settled according to the law of the state where the Property is located to the extent federal law is not applicable.
- 39. Entire Agreement. BUYER CERTIFIES THAT BUYER HAS READ EVERY PROVISION OF THIS AGREEMENT, WHICH INCLUDES EACH RIDER AND ADDENDUM ATTACHED HERETO AND THAT THIS AGREEMENT, TOGETHER WITH EACH SUCH RIDER AND ADDENDUM, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN BUYER AND SELLER. PRIOR AGREEMENTS, REPRESENTATIONS, UNDERSTANDINGS, AND ORAL STATEMENTS NOT REFLECTED IN THIS AGREEMENT HAVE NO EFFECT AND ARE NOT BINDING ON SELLER. BUYER ACKNOWLEDGES THAT BUYER HAS NOT RELIED ON ANY REPRESENTATIONS, NEWSPAPERS, RADIO OR TELEVISION ADVERTISEMENTS, WARRANTIES, STATEMENTS, OR ESTIMATES OF ANY NATURE WHATSOEVER, WHETHER WRITTEN OR ORAL, MADE BY SELLER, SALES PERSONS, AGENTS, OFFICERS, EMPLOYEES, COOPERATING BROKERS (IF ANY) OR OTHERWISE EXCEPT AS HEREIN SPECIFICALLY REPRESENTED. BUYER HAS BASED HIS/HER/THEIR DECISION TO PURCHASE THE PROPERTY ON PERSONAL INVESTIGATION, OBSERVATION AND THE CONDOMINIUM DOCUMENTS. Nothing contained in this Section 39 shall be deemed to limit any rights Buyer may have under Section 718.506(1) of the Florida Statutes.
- 40. <u>Modification</u>. This Agreement is the entire agreement for the sale and purchase of the Property and once it is signed by both Buyer and an authorized agent of Seller, it can only be amended by a written agreement signed by both Buyer and Seller.
- 41. Additional Changes. Notwithstanding Section 40 of this Agreement, Buyer agrees that it may be necessary (at any time and from time to time) after Buyer executes this Agreement for Seller, and/or the developer or declarant under the Condominium Documents, to change the terms and provisions of this Agreement and/or the Condominium Documents to comply with and conform to the rules and regulations (as same may exist and as same may be promulgated from time to time) of any governmental agency, subdivision or authority or court of competent jurisdiction.  - 4.8 A pro rata share of waste fees.
- 4.9 A pro rata share of utility deposits and capacity fees (water and/or sewer) for the Property prepaid by Seller.
- 4.10 Any other expenses of an owner of the Property provided for or referenced in the Condominium Documents.
- 4.11 Current expenses of the Property (for example: taxes, special assessments and current assessments to condominium, neighborhood, master and/or other associations) will be adjusted between Seller and Buyer as of the Closing Date. Buyer shall reimburse Seller for any prepaid expenses of the Property such as utility deposits, insurance premiums, local interim service fees, cable fees, assessments and contributions made to condominium, neighborhood, master and/or other associations, paid by Seller in advance and/or for the month in which the Closing Date occurs.
- 4.12 Amounts reflected in the Master Disclosure and Information Addendum to the Purchase and Sale Agreement, if any, attached hereto and incorporated herein.
- 4.13 A pro rata share of Buyer's assessments payable to the Association and any other mandatory membership Association or Club, as applicable, including, without limitation, those identified in the Condominium Master Disclosure and Information Addendum.
- 4.14 Reimbursement of reserves, if any, for deferred maintenance and/or capital improvements paid by Seller to the Association in excess of Seller's guarantee obligations pursuant to the Declaration of Condominium.
- 4.15 Buyer and Seller agree that if the Closing takes place in a year in which the real estate taxes on the Condominium property are on one bill and/or combined with other property, then the taxes for the year of Closing shall be prorated as of the date of Closing based upon the equitable estimated assessment to be reasonably determined by Seller and shall not be subject to reproration. Buyer shall pay to Seller at the Closing its share of such taxes. Buyer and Seller further agree that if the Closing takes place in a year in which the real estate taxes are separately assessed against individual units in the Condominium, proration of same shall take place as of the date of Closing based on the tax bill for the prior year if the bill for the current year is not yet available. Buyer shall pay such tax bill and any request for real estate tax reproration for the year in which the Closing occurs (whether such request is (i) due to the fact that the actual taxes for the year of Closing vary from the amount used in the Settlement Statement or (ii) due to clerical or scrivener's error in the Settlement Statement) must be submitted by the party requesting the adjustment and received by the non-requesting party no later than by May 31 of the year following the year in which the Closing occurs. In the event that Seller shall pay such tax bill, the aforementioned method of reproration shall also be applicable. Without limiting the foregoing, reproration shall only be available if the Unit is separately assessed in the year of the Closing.
- 4.16 The cost of any modifications or changes which are incurred by Seller as a result of changes in building codes, governmental rules, regulations or requirements, or the enforcement of any of the same, after the Effective Date of this Agreement, shall be paid by Buyer at the time of Closing.
 - 4.17 The cost of soil treatment of the Property, if applicable.
 - 4.18 The cost of courier fees.
- 5. <u>Site and Substitutions</u>. If Buyer purchases any upgrades or options that include specific manufacturers, Seller will provide Buyer with notice of any change in manufacturer and allow Buyer the option to choose from available manufacturers. Seller may substitute special order items relating to building materials, appliances, fixtures, windows or other elements specifically ordered by Buyer in writing upon consent of Buyer, which consent shall not be unreasonably withheld.

6. <u>Additional Financing and Closing Costs Disclosures.</u>

- 6.1 The Closing agent designated by Seller shall close this transaction and any related mortgage loans, if any. If Buyer desires to employ an attorney to represent Buyer, then Buyer may do so at Buyer's expense.
- 6.2 Although Seller may make available to Buyer the name of one or more lenders or information about one or more available financing alternatives, Buyer agrees that the choice of a lender and loan is Buyer's sole decision, and Seller has not made any promises or representations concerning the likelihood of Buyer obtaining the loan, the terms and conditions of such loan or the interest rate or fees associated with such loan.
- 6.3 BUYER IS HEREBY ADVISED BY SELLER THAT INTEREST RATES, LOAN FEES, AND OTHER LOAN CONDITIONS ARE NOT GUARANTEED, FIXED OR ESTABLISHED (AND SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO SUCH ITEMS) AND ARE SUBJECT TO CHANGE BY ANY LENDER. SELLER DOES NOT WARRANT OR GUARANTEE THAT COMPLETION OF THE IMPROVEMENTS OR LOAN FUNDING CAN BE ACHIEVED WITHIN LOAN

LOCK PERIODS, IF ANY, REGARDLESS OF WHETHER SUCH LOCKS ARE PAID FOR BY SELLER OR BUYER.

- 6.4 Responsibility for obtaining the loan and for satisfying all conditions made by the Lender with regard to the loan shall rest solely with the Buyer.
- 6.5 Once Buyer selects a Lender and obtains a Commitment acceptable to Seller, Buyer may change to another Lender at Buyer's discretion up to thirty (30) days prior to Closing provided Buyer notifies Seller in writing of such change and provides another Commitment (if there is a change in Lender) to Seller not later than thirty (30) days before the Closing. No changes in the Lender without Seller's prior written consent shall be permitted thereafter and any attempted change of Lender within thirty (30) days of Closing without Seller's prior written consent shall be a default hereunder. A change in Lender shall not give Buyer any right to delay the Closing or change the terms of Section 4 of the Agreement. Buyer acknowledges that the foregoing requirement is necessary to prevent Closing delays and to give Seller adequate time to make Closing arrangements.
- 6.6 Some Lenders may have a policy of delaying a buyer's closing on a Unit until several days after the Certificate of Occupancy is issued for such Unit. Buyer acknowledges and agrees that if Buyer's Lender is unable to close on the loan at the date, time and place specified by Seller, due to any delay in the issuance of the Certificate of Occupancy respecting the Unit, Seller shall have the option to declare Buyer in default and seek the remedies stated in the Agreement, or to charge Buyer Two Hundred Fifty Dollars (\$250.00) per day for each day after the date of Closing specified by Seller until, and including, the actual Closing Date, and Seller may require that prorations be made as of the original Closing Date. This sum shall be due and payable in full at Closing. If the Certificate of Occupancy is issued on the Unit during the last day of the month for which Closing is scheduled, Buyer acknowledges and agrees that Buyer must close on the Unit on the last day of such month, at the time and place specified by Seller. If Buyer delays the Closing beyond the last day of the month for which Closing is scheduled, and Seller agrees to an extension of the date of Closing beyond the last day of the Month for which Closing is originally set, Seller shall also have the option to charge Buyer an amount equal to One Percent (1%) of the Total Purchase Price for each month after the originally scheduled Closing Date, as set forth in the Agreement.
- 7. Name Change or Change in Party. As set forth in the Agreement, Buyer is not permitted to assign the Agreement without Seller's written consent. Notwithstanding the foregoing, if Buyer desires to take title to the Property in a name other than Buyer's name, Buyer must notify Seller in writing within thirty (30) days from the Effective Date of the Agreement. Upon receipt of Buyer's request, Seller shall notify Buyer whether the name change or change in party is approved by Seller, whereupon Seller and Buyer shall execute an Amendment to Change Party. If Buyer wishes to change name or change party at any time after thirty (30) days from the Effective Date, then Buyer must pay Seller Two Hundred and Fifty Dollars (\$250.00) to cover Seller's administrative expenses together with any such request. The payment of the \$250.00 administrative expenses is not a guarantee that Seller will approve any name change or change in party.
- Selections. Seller will provide Buyer, when available, color and/or material choices for those items for which Buyer will have a choice, if any (in Seller's sole discretion). If Buyer fails to complete and return the color and/or material selections to Seller within (i) twenty (20) days from Buyer's execution of this Agreement if purchasing a Unit that is not yet under construction, or (ii) forty-eight (48) hours from Buyer's execution of this Agreement if purchasing a Unit under construction (the "Selection Period"), Buyer understands that all choices will be made by Seller and Buyer will have no reason to object to those choices. Colors of all items and materials not included in that checklist will be selected by Seller. If Buyer fails to make the required selections within the Selection Period, Seller shall make the required selections on behalf of Buyer. Buyer shall have no right to change the choices after the Selection Period. Any changes, options, alterations and extras requested by Buyer, after the Selection Period will be at Seller's discretion and subject to current prices and availability. Any changes after the Selection Period will bear an administrative charge of \$200 for each individual change to be paid by Buyer in addition to the cost of the change before the change is made. Buyer understands and agrees that any changes, alterations or extras requested by Buyer will likely delay the completion of the Unit. Administrative charges will not be credited as earnest money at Closing or refunded to Buyer under any circumstance. Dimensions of Buyer's Unit may differ from those reflected in brochures, advertisements, artist's renderings and marketing floor plans. Actual dimensions may vary upon completion of the Unit.
- 9. <u>Inspection of the Unit</u>. BUYER SHALL BE GIVEN AN OPPORTUNITY TO EXAMINE THE UNIT WITH SELLER'S REPRESENTATIVE PRIOR TO CLOSING ON A DATE AND TIME SCHEDULED BY SELLER (A "<u>HOME DEMONSTRATION</u>," COMMONLY REFERRED TO AS A "<u>WALKTHROUGH</u>"). AT THAT TIME, IF ANY DEFECTIVE OR INCOMPLETE ITEMS ARE NOTED, BUYER SHALL PRESENT TO SELLER AN INSPECTION STATEMENT LISTING SAID ITEMS AND SIGNED BY BUYER. IF ANY ITEMS NOTED ARE ACTUALLY DEFECTIVE IN WORKMANSHIP OR MATERIALS IN SELLER'S OPINION (IN ACCORDANCE WITH CONSTRUCTION STANDARDS PREVALENT FOR A SIMILAR UNIT IN THE COUNTY), SELLER WILL BE OBLIGATED TO CORRECT THOSE ITEMS AT SELLER'S COST. -------	-------

THE UNIT WILL BE CONDUCTED PRIOR TO CLOSING, AT WHICH TIME BUYER WILL BE GIVEN AN OPPORTUNITY TO EXAMINE THE UNIT WITH SELLER'S REPRESENTATIVE TO ACKNOWLEDGE THAT ITEMS LISTED ON THE INSPECTION STATEMENT PREPARED AFTER THE FIRST INSPECTION HAVE BEEN CORRECTED. ANY REMAINING ITEMS THAT SELLER HAS AGREED TO CORRECT WILL BE CORRECTED BY SELLER AT SELLER'S SOLE COST AND EXPENSE PRIOR TO CLOSING (OR AT SELLER'S OPTION, WITHIN A REASONABLE TIME AFTER CLOSING), PROVIDED HOWEVER THAT SELLER'S OBLIGATION TO CORRECT WILL NOT BE A GROUND FOR DEFERRING THE CLOSING, NOR FOR ANY SETOFF, NOR FOR IMPOSING ANY CONDITION ON CLOSING AS LONG AS THE UNIT IS HABITABLE. THE ISSUANCE OF A CERTIFICATE OF COMPLETION OR USE SHALL BE CONCLUSIVE EVIDENCE OF HABITABILITY. NO ESCROW OR HOLDBACK OF CLOSING FUNDS OR ANY CASH TO CLOSE SHALL BE PERMITTED. IF A BUYER FAILS TO TAKE ADVANTAGE OF ANY PRE-CLOSING INSPECTION ON THE TIME AND DATE SCHEDULED BY SELLER, BUYER SHALL BE DEEMED TO HAVE WAIVED THE RIGHT TO INSPECT THE UNIT PRIOR TO CLOSING.

- No Right to Enter. Buyer acknowledges that all matters pertaining to the initial construction of the Property will be performed by Seller and Seller's representatives. Buyer acknowledges and agrees that for reasons of safety and to comply with liability and insurance requirements imposed upon Seller, neither Buyer nor any agent of Buyer shall, until after the Closing, be permitted to enter upon the Property without Seller's prior written approval and without being accompanied by Seller's representative. Any permitted personal inspections shall be made at times designated by Seller and upon written permission of Seller, and shall not be allowed under any condition prior to the formal inspection described above and only with Seller's representative. Buyer agrees not to give instructions to, interfere with or interrupt any workmen at the Property. Buyer may not order any work on the Property until after the Closing, other than options, upgrades and/or extras that Seller has agreed in writing to provide. Buyer recognizes that Seller is under no obligation to agree to provide options, extras and/or upgrades. Without limiting the applicability of this Section to all obligations, representations and covenants of Buyer hereunder, Buyer specifically acknowledges that any breach by Buyer of the terms and conditions contained within this Section shall be deemed to be a "material breach" and shall entitle Seller to declare this Agreement to be in default in accordance with the provisions of the Buyer's Default Section in the Agreement. Seller's failure to promptly take any action with respect to Buyer's breach of the terms and conditions contained herein shall not be deemed a waiver of any of Seller's rights or remedies hereunder. Whenever this Agreement shall require Seller to complete or substantially complete an item of construction, unless provided specifically to the contrary herein, such item shall be deemed complete or substantially complete when so completed, in the sole and unfettered opinion of Seller. Without limiting Seller's rights contained within the Site and Substitutions Section in the Agreement, should Seller fail to provide any item of construction required to be provided or any option, extra and/or upgrade, Buyer's sole remedy therefore will be to collect an amount from Seller equal to Seller's cost for such item and for Seller's cost of installation of such item had such item been installed at the appropriate time during construction. Without limiting Seller's rights and Buyer's obligations contained within this Section and elsewhere in this Agreement, should any warranted defects in workmanship or materials be discovered before or after the Closing, Buyer agrees that Buyer's sole remedy therefore is for Seller to, at Seller's sole and absolute discretion, either repair or replace the defective item. To the extent permitted by applicable law, Seller disclaims any liability for incidental or consequential damages that may arise from a defective item.
- 11. <u>Counterparts</u>. This Rider 1 may be executed in counterparts, a complete set of which shall form a single document.
- 12. <u>Conflicts</u>. In the event of any conflict between this Rider 1 and the Agreement, this Rider 1 shall control. In all other respects, the Agreement shall remain in full force and effect.
- 13. <u>Entire Agreement</u>. The Agreement, together with this Rider 1 and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Rider 1 or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

Buyer acknowledges and agrees that title to the Unit will be subject to the Condominium Documents.
Buyer acknowledges the provisions of the Condominium Documents are fair and reasonable.
3. Phase Condominium. The Condominium is structured to be developed in two (2) phases pursuant to Section 718.403 of the Florida Condominium Act, consisting of "Phase 1" and "Phase 2", which will each contain one (1) building containing thirty (30) units (each, a "unit"). The first phase, known as "Phase 2", is described in Exhibit 1 to the Declaration and shall consist of the land that is initially affected by the Declaration. The Declaration provides for and describes in detail all anticipated phases, describes the impact, if any that the completion of subsequent phases would have on the initial phase, and states the time period within which phases may be added to the Condominium. More particularly, the Declaration includes a description of: (i) the land which may become part of the Condominium and the land on which each phase is to be built; (ii) the general size of units to be included in each phase; and (iii) the membership vote and ownership interest in the Association attributable to each unit in each phase and the results if any additional phase is not developed and added as part of the Condominium. Each unit's undivided share in the Common Elements (as defined in the Declaration) is determined by dividing the number one (1) by the total number of units comprising the Condominium. If all phases are submitted as part of the Condominium, then the undivided share in the Common Elements appurtenant to each unit in the Condominium will be 1/60. Subsequent phases will be added to the Condominium by an amendment to the Declaration. NOTWITHSTANDING THE FOREGOING, SELLER, THE "DEVELOPER" OF THE CONDOMINIUM SHALL HAVE NO DUTY, OBLIGATION OR RESPONSIBILITY TO CAUSE ANY PHASE OR ITS IMPROEVEMENTS TO BE CONSTRUCTED AND ADDED TO THE CONDOMINIUM, AND NOTHING CONTAINED HEREIN SHALL BE DEEMED A REPRESENTATION OR WARRANTY THAT ANY ADDITIONAL PHASE WILL IN FACT BE ADDED TO THE CONDOMINIUM. For more information about the Condominium phase structure, please refer to Article 3 of the Declaration.
4. Master Community; Developer/Declarant; Neighborhoods. The Condominium is located within the master community known as Treviso Bay (the "Master Community" or "Community"). At this time, Seller, the Developer of the Condominium is also the stated "Declarant" under the Master Declaration and Golf Declaration, and the Developer of the Master Community and Golf Club (Seller is also sometimes hereinafter referred to as the "Developer" or "Declarant"). The Master Declaration contemplates that the Master Community will contain separate Neighborhoods (including the Condominium). "Neighborhoods" are defined in the Master Declaration as a condominium, a group of single family homes, coach homes, or villas, or any other residential sub-area development within the Master Community designated as such, where all Lots and Living Units (as such terms are defined in the Master Declaration) (all Lots and Living Units, including the units in the Condominium, shall hereinafter also be referred to as a "Living Unit") are part of the Neighborhood Association (including the Association) or where such residential subdivision of a designated area has been designated as a neighborhood by the Declarant. The Master Association may contract with any Neighborhood Association to provide for the maintenance and management of its Neighborhood Common Areas (as defined in the Master Declaration). The Board of Directors of the Master Association ("Master Board") shall prepare a separate budget covering the estimated Neighborhood expenses, if any, for each Neighborhood on whose behalf Neighborhood expenses are expected to be incurred during the coming year as authorized by the Master Declaration or any Supplemental Declaration applicable to such Neighborhood. The budget of Neighborhood expenses shall also include any costs for additional services on a higher level of services which the Master Association budget shall also reflect the sources and estimated amounts of funds to cover such expenses. 5. <u>Association Memberships</u>.

- Upon conveyance and recording of the Deed to the Property, Buyer understands and agrees that Buyer will then become a member of the Treviso Bay Property Owners Master Association, Inc., a Florida not-forprofit corporation (the "Master Association"), a Golf Member (as described in Article 4 of the Golf Club Declaration) of the Treviso Bay Golf Club, Inc., a Florida not-for-profit corporation (the "Golf Club" or "Golf Association"), and a member of Terrace III at Treviso Bay Association, Inc., a Florida not-for-profit corporation (the "Association"). Buyer agrees to accept the liability and obligations of such memberships. Buyer understands that as a member of the Master Association, the Golf Association and the Association, Buyer will be required to pay Master Association Assessments (as defined in the Master Declaration), Golf Club Assessments (as defined in the Golf Club Declaration) and Association Assessments (as defined in the Declaration) for the maintenance of the Common Areas (as defined in the Master Declaration), the Golf Club Common Areas (as defined in the Golf Declaration) and the Common Elements and for such other uses and purposes as are provided for in the Condominium Documents. Buyer also understands and agrees that a failure to pay Master Association Assessments, Golf Club Assessments and/or Association Assessments when due could cause the Master Association, Golf Association and/or Association to record a lien on the Property and to foreclose such lien. Master Association Assessments, Golf Club Assessments and Association Assessments are subject to additional increases in the manner currently provided for in the Condominium Documents. Seller, the Association, the Master Association the Golf Association and any other builder cannot estimate the amount or frequency of any such increase.
- 5.2 Buyer acknowledges that nominees of Seller may serve as the initial officers and directors of the Master Association, Golf Association and Association. The officers and directors and the management company are authorized by Buyer to act for and on the behalf of the Master Association, Golf Association and Association. Seller may, but is not required to, advance monies to the Master Association, Golf Association and Association for operations. In the event such advances are made, they will be considered a loan from Seller, and the Master Association, Golf Association and Association, as applicable, will be obligated to repay such advances as set forth in the Condominium Documents.

6. Golf Club Mandatory Membership.

- 6.1 <u>Golf Membership</u>. Golf membership is appurtenant to, and may not be separated from ownership of the Living Unit. The rights, powers, duties and privileges of Golf members shall be as set forth in the Golf Club Declaration. Portions of the Golf Club Common Areas available to members of the Golf Club shall be used and enjoyed by Buyer on a non-exclusive basis, in common with such other Owners, each Golf Member, Interim Member, Declarant Member, and Golf Member for the Day Private Club (all as defined in Article 4 of the Master Declaration) that may be entitled to use the Club (as defined in Article 4 of the Golf Club Declaration) under the terms in the Golf Club Declaration. Each unit owner (each, an "<u>Owner</u>") may temporarily delegate his right of use in and to the Golf Club Common Areas to his non-resident guests (if the guests are accompanied by the Owner) or to tenants who reside in the Living Unit, but only to the extent and subject to conditions, limitations and restrictions as may be provided for in the Golf Club Declaration. Each Owner shall be financially and legally responsible for the actions of any person to whom the Owner has delegated his or her right to use the Golf Club Common Areas. For more information about Golf Membership, Buyer should refer to Article 4 of the Golf Club Declaration and the Condominium Documents.
- Golf Club Common Areas. The Golf Club shall operate, maintain, and if deeded by the Declarant, hold record title to the Golf Club Common Areas, which shall include, without limitation, an eighteen (18) hole golf course (the "golf course"), golf practice facilities, golf maintenance facilities, golf cart facility and golf pro shop. As of the date of this Addendum, the golf course and temporary golf pro-shop have been constructed. Seller can provide no assurances as to the timing of completion of construction of the Golf Club Common Areas, or which portions of the Golf Club Property (as defined in the Golf Club Declaration) currently owned by the Declarant will be deeded to the Golf Club as Golf Club Common Areas. Buyer acknowledges that the Declarant and/or the Golf Club may, in its sole and absolute discretion, enter into agreements with the Tournament Players Club ("TPC"), for management of the Golf Club Common Areas, reciprocal play by TPC members, or other terms and conditions. For more information regarding the Golf Club Common Areas and the Golf Association's powers thereon, Buyer should refer to Article 2 and Section 3.1 of the Golf Club Declaration.
- Golf Course Usage and Availability. The Owners of Living Units subject to the Golf Declaration are entitled to only one (1) golf membership. The actual number of golf memberships which may be created is in the sole discretion of Declarant, but it is anticipated that the number will be approximately eight hundred (800). Use rights in the golf course for each such golf membership shall be limited to persons comprising one (1) "family" (as such term is defined in the Golf Club Declaration). There is no guarantee that there will be availability for the golf course or Golf Club Common Areas at any particular time. Availability of the Golf Club Common Areas may be limited to weather, season, exceeded capacity or other factors affecting playability of the golf course. Neither the Golf Club nor the Declarant shall be liable under any circumstances for a Golf Member's inability to access the Golf Club Common Areas from time to time. For more information about golf course usage and availability, Buyer should refer to Section 4.1 of the Golf Club Declaration, Article 15 of the Master Declaration and the Condominium Documents.
- 7. <u>Condominium Charges</u>. In addition to the Closing Costs set forth in Rider 1, Buyer shall pay the following additional Closing Costs respecting the Condominium:

Buyer	Buyer	

- Association Assessments. Assessments payable to the Association ("Association Assessments") will be prorated for the month in which the Closing occurs (based on the then current Association Assessments at the time of closing). Such Association Assessments are estimated to be \$624.31 per quarter or \$2,497.24 per year for the year 2013, collected quarterly, and are based on the estimated operating budget for the Association. Buyer acknowledges that the estimated operating budget for the Association is only an estimate of what it will cost to run the Association during the period of time stated in the Association budget and that many of the expenses in the Association budget are beyond control of the Seller. The Association budget is not guaranteed and may change at any time prior to or after Closing to cover increases or decreases in expenses or estimates in the Association budget. Buyer acknowledges and agrees that after the expiration of Seller's guarantee as set forth in Section 14.10 of the Declaration, the Association Assessments payable by the Buyer may also change based on, among other things, the costs of operating, insuring and maintaining the Common Elements. Buyer will receive a copy of any such changes in the Association budget or Association Assessments. For more information on the Association Assessments, Buyer should refer to Article 13 of the Declaration and Section 11 of the Prospectus text.
- Association Initial Capital Contribution. Buyer acknowledges that among other Assessments provided for in the Condominium Documents, Association has established an initial capital contribution for the Condominium ("Initial Capital Contribution"). Buyer acknowledges that upon conveyance of the Property an Initial Capital Contribution in the amount of §200.00 (or such other amount as determined by Association from time to time) is due to Association. The Initial Capital Contribution may be used by Association for any reason whatsoever including, without limitation, reimbursing Seller's costs in setting up the Association and the costs of funding the deficit. Buyer acknowledges and agrees that the Initial Capital Contribution is not to be considered as an advance payment of Assessments. In the event Seller has guaranteed the Association Assessments, the Initial Capital Contribution may not be used by Seller to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while Seller is in control of Association. Notwithstanding the foregoing, Seller may reimburse itself for funds it paid to Association, if any, for an unsold Unit's share of the Initial Capital Contribution to Association when control of Association is transferred to Unit Owners. The Initial Capital Contribution shall comprise a segregated fund of Association. Further, the Initial Capital Contribution may not be used in a manner inconsistent with Section 718.116(9)(b) of the Florida Statutes. For more information on the Initial Capital Contribution, please refer to Sections 13.8 and 24.3 of the Declaration and Section 17 of the Prospectus text.

- 7.4 <u>Special Assessments</u>. Buyer acknowledges that the Association may levy a Special Assessment (as defined in the Declaration). For more information on Special Assessments, please refer to Section 13.6 of the Declaration.
- 7.5 <u>Use Fees</u>. Buyer acknowledges that the Association may establish Use Fees (as defined in the Declaration). For more information on the Use Fees, please refer to Section 13.7 of the Declaration.
- Master Association Assessments. Assessments payable to the Master Association, including the Base Assessments, Special Assessments, and Neighborhood Assessments, as applicable (as such terms are defined in the Master Declaration) (collectively, the "Master Association Assessments") will be prorated for the month in which the Closing occurs (based on the then current Master Association Assessments at the time of closing). Such Master Association Assessments are estimated to be \$1,646.00 per year, plus \$960.17 per year for cable for the year 2013, and \$500.00 per year per unit for food service when it becomes available (which amounts may be increased from time to time), based on the estimated operating budget for the Master Association. Buyer acknowledges that the estimated operating budget for the Master Association is only an estimate of what it will cost to run the Master Association during the period of time stated in the Master Association budget and that many of the expenses in the Master Association budget are beyond control of the Master Association. The Master Association budget is not guaranteed and may change at any time prior to or after Closing to cover increases or decreases in expenses or estimates in the Master Association budget. Buyer acknowledges and agrees that after the expiration of Seller's guarantee as set forth in Section 9.7.2 of the Master Declaration, the Master Association Assessments payable by the Buyer may also change based on, among other things, the costs of operating, insuring and maintaining the Common Areas. Buyer will receive a copy of any such changes in the budget or Master Association Assessments. For more information on the Master Association Assessments, please refer to Article 9 of the Master Declaration and Section 11 of the Prospectus text.

For more information on the capitalization assessment, please refer to Section 9.10 of the Master Declaration.
- 7.12 <u>Master Association Initial Capital Contribution Assessment</u>. Buyer acknowledges that at Closing Buyer shall pay to the Declarant an initial capital contribution for the Master Association in the amount of <u>\$1,500.00</u>. The funds derived from the initial capital contribution shall be used at the discretion of the Declarant for any purpose, including but not limited to, future and existing capital improvements, operating expenses, support costs and start-up costs. For more information on the initial capital contribution for the Master Association, please refer to Section 9.11 of the Master Declaration and Section 17 of the Prospectus text.

- 8. <u>Municipal Service Benefit Unit</u>. Buyer acknowledges that Master Community is or may be located in one or more municipal service benefit units ("<u>MSBU</u>") pursuant to Resolution No. 2010-168, recorded in Official Records Book 4610 at Page 2307, of the Public Records of Collier County, Florida ("<u>Resolution</u>") for the purpose of providing and regulating solid waste collection and disposal services and/or any other purpose for which an MSBU may be established under Florida law. Collier County intends to finance the solid waste collection and disposal services through the levy of special assessments (non-ad valorem assessments) against residential units within such MSBU. The MSBU's total special assessments for the solid waste collection and disposal services for <u>FY 2012-2013</u> is <u>\$173.49</u> per residential unit. Buyer agrees to be subject to and bound by any such established MSBU and to pay fees, charges, surcharges, assessments or other expense, in whatever nature or form, relating thereto. For more information, Buyer should refer to Section 8.8 of the Prospectus text and the Resolution, a copy of which is included in the Title Documents and is available for inspection in Seller's office.
- 9. Amenities and Recreational Facilities. The Master Association and Golf Club's recreational and other commonly used facilities that are intended for non-exclusive use by unit owners in the Condominium are described more fully in Sections 4 and 5 of the Prospectus text. The Prospectus is included in and forms a part of the Condominium Documents. To date, the Developer has not yet constructed certain amenities and recreational facilities in the Common Areas and Golf Club Common Areas which may have been contemplated by the Condominium Documents, including, without limitation: a clubhouse building and related improvements, golf pro shop, golf cart facilities, restaurant, lounge, kitchen, men's and women's locker rooms, offices and restrooms, a sports center which will contain a fitness center, salon and spa, offices, aerobics room, men's and women's rest rooms, a utility room and a tennis pro shop, six (6) swimming pools, and five (5) tennis courts. Buyer acknowledges and agrees that Seller makes no representations or assurances about whether any of the foregoing amenities and recreational facilities will be constructed within the Master Community and Golf Club, and Buyer is not relying upon the construction of any of the foregoing amenities and recreational facilities in deciding to purchase the Property.
- 9. <u>Security</u>. The Master Community is gated and the roads within the Master Community are private.

10. Golf Course.

- 10.1 Some units in the Condominium may be located on or adjacent to the Treviso Bay golf course (the "golf course"). The flight of a golf ball is extremely difficult to control. Depending upon the location of the Unit and the manner in which a golf shot is hit, a golf ball may periodically fly onto the Unit or the Condominium or strike the Unit. While all units and in particular units adjacent to the golf course are subject to being hit by golf balls, units on the right hand side of a course and in or around doglegs on golf holes are subject to being hit more often. Because Seller and the Association do not generally monitor players at the golf course, and because of the difficulty in controlling the flight of a golf ball, Seller will not be responsible for golf balls that strike the Unit or any damages caused by same. Seller strongly encourages Buyer to consider the location of the Unit carefully, particularly if this issue is of concern to Buyer. Buyer hereby acknowledges and accepts the following inherent risks associated with the golf course:
- 10.1.1 maintenance on the golf course may begin early in the morning and extend late into the evening, ordinarily occurring from sunrise to sunset;
 - 10.1.2 maintenance activities can be noisy;
 - 10.1.3 the golf course will be periodically heavily fertilized;
 - 10.1.4 golf course maintenance can require the use of chemicals and pesticides;
- 10.1.5 the golf course may be watered with reclaimed water, although reclaimed water is not currently being used; and
- 10.1.6 golf balls are extremely difficult to control and may enter a unit owner's airspace, strike an Owner, Owner's guests, yard, walls, roof, windows, landscaping and personal property causing personal injury and property damage. Each Owner is responsible for taking such action as such Owner deems appropriate to protect persons and property.
- 10.2 Seller and its agents, servants, employees, directors, officers, affiliates, representatives, receivers, subsidiaries, predecessors, successors and assigns, and the Association, the Golf Association and Master Association and their respective agents, servants, employees, directors, officers, affiliates, representatives, receivers,

subsidiaries, successors and assigns, shall not in any way be responsible for any claims, damages, losses, demands, liabilities, obligations, actions or causes of action whatsoever, including, without limitation, actions based on (1) any invasion of the use or enjoyment of the Property by Buyer, any other occupants of the Property, or any of their respective agents, contractors or invitees, (2) design of the golf course, proper or improper, (3) the level of skill of any golfer (regardless of whether such golfer has the permission of the management to use the golf course), and (4) trespass by any golfer on the Unit, or that may result from property damage or personal injury from golf balls (regardless of number) hit onto the Unit or adjacent property or roadways. Furthermore, Buyer hereby assumes the risk inherent in owning property adjacent to or nearby a golf course including, without limitation, the risk of personal injury and property damage from errant golf balls, and hereby indemnifies and agrees to hold Seller, the Association, the Golf Association and the Master Association harmless from any and all loss arising from claims by such Buyer, any other occupants of the Property, or any of their respective agents, contractors or invitees, or any other persons using or visiting the Unit, or for any personal injury or property damage.

- 10.3 A significant portion of the golf course is located within the 100-year flood plain as designated by the Federal Emergency Management Agency. During and after periods of heavy or extended rainfall, the golf course may become unplayable for extended and unknown durations.
- 10.4 The golf course maintenance facility will be located at 9955 Corso Bello Drive, Naples. Although there is a buffer around the golf course maintenance facility, Seller cannot guarantee that the Property and Buyer will not be exposed to unpleasant odors, noise, or activities occurring within the facility or along the passageway between the facility and the golf course itself.
- 11. <u>Lighted Tennis Courts</u>. The tennis courts within the Master Community will be lighted at various times. Please note that the lights from the tennis courts may be bright enough to be seen from Buyer's Property during the evening hours. The presence of the tennis courts within the Master Community may increase traffic volumes, noise, outdoor lighting, pedestrian activity and other similar impacts.
- 12. <u>Building and Use Restrictions</u>. Every unit is subject to building and use restrictions as set forth in Articles 11 and 18 of the Declaration and Articles 5 and 6 of the Master Declaration. These restrictions are subject to change without notice. Building and use restrictions may affect, among other things, residential and nonresidential uses, building specifications, accessory structures, nuisance, home occupancy, signage, antennas, satellite dishes, animals, driveways, vehicle parking (commercial vehicles prohibited), rubbish, utility and drainage easements, clothes lines, fences, special rights of Seller, any developer and homebuilder(s), leases and restoration of units. Seller encourages Buyer to carefully review the Declaration and Master Declaration to ensure the long-term quality of life for both Buyer and Buyer's neighbors.
- 13. <u>Municipal Building Codes and Ordinances</u>. Every city or town has building codes and other ordinances that regulate what is permissible within its jurisdictional limits. Prior to making changes to Buyer's Unit, Buyer should contact the Collier County Building Review Department at (239) 252-2400 for further information concerning local codes and ordinances. Seller is not responsible for notifying Buyer or any other unit owners of the content or restrictions contained in any local codes or ordinances.
- 14. <u>Architectural Control.</u> The Board of Directors of the Association and the Architectural Review Committee of the Master Association will have architectural review powers as set forth in Articles 9 and 11 of the Declaration, and Article 6 of the Master Declaration.
- 15. Pet Restrictions. Buyer understands that the only pets allowed in the Condominium and Master Community are those which are in accordance with the restrictions contained in the Condominium Documents, or any amendments thereto. Buyer further understands that ownership of pets shall be in compliance with all local laws and regulations and such other rules as may be promulgated by the Association and Master Association to be established in connection with the Condominium and Master Community. Such rules shall include, but not be limited to, a requirement that all dogs or other pets be kept on a leash whenever such pets are not on the Owner's property and that such pets be kept off the Golf Club grounds, including the golf course at all times. For more information about these and other pet restrictions, Buyer should refer to Section 18.13 of the Declaration, Sections 5.14 and 15.1(b) of the Master Declaration and the Condominium Documents.
- 16. <u>Leases; Short Term Rentals</u>. Buyer acknowledges that units in the Condominium may be rented pursuant to Section 18.9 of the Declaration and Section 5.3 of the Master Declaration, and subject to the following:
- All leases shall be in writing and on forms approved by the Association and shall provide (or, if it does not provide, shall be automatically deemed to provide) that (i) a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of the Declaration (and all Exhibits thereto) and with any rules and regulations adopted by the Association from time to time (before or after the execution of the lease) and (ii) the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of the Declaration, the Articles and Bylaws of the Association, applicable Rules and Regulations or other applicable provisions of any agreement, document or instrument governing the Condominium or administered by the Association. Unit Owners are responsible for providing to their tenants copies of all such documents or instruments. Each Unit Owner landlord is obligated to sufficiently assure the Board of Directors of the Association that no Unit will be occupied by any sexual offender or predator or anyone who has been arrested or adjudicated as a sexual offender or predator. The minimum lease term is one (1) month or thirty (30) days, whichever is less, and no unit may be rented more than four (4) times in one (1) year. No subleasing or assignments of leases are allowed. The Association may charge a reasonable fee to offset the cost of a background check on tenants. The Association may require a security deposit in an amount not to exceed the equivalent of one (1) month's rent (or such greater

amount permitted from time to time by the Florida Condominium Act) be deposited with it to protect against damage caused by tenants to the Common Elements or Association Property (as defined in the Declaration).

In accordance with the Master Declaration, Living Units may be leased only upon prior written approval of the Master Board. The minimum allowable lease period shall be thirty (30) consecutive days. No Living Unit may be rented or leased more than four (4) times in any twelve (12) month period. No lease may begin sooner than thirty (30) days after the first day of occupancy under the last previous lease. Flood Zone. Buyer acknowledges that the Property may be in a flood zone. Mortgage lenders will typically require the issuance of flood insurance as a requirement for financing, which insurance must be present at Closing. Seller recommends that each Buyer of a Unit protect his/her Unit by obtaining proper insurance coverage. It is possible, however, for Buyer to submit documentation to the Federal Emergency Management Agency (FEMA) to have the Unit re-classified by FEMA, whereby the mortgage lender may have the option to waive the requirement of flood insurance. Buyer is solely responsible for the submission to FEMA for such re-classification and any and all expenses related to such submission. Further, Buyer acknowledges and understands that the waiver of flood insurance is at the sole discretion of the mortgage lender. If the Common Elements are located within an area which has special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program (NFIP), Association shall maintain insurance coverage in appropriate amounts, available under NFIP for all buildings and other insurable property within any portion of the Common Elements located within a designated flood hazard area.

- 40. Monitoring System. The Association shall have the right, but not the obligation, to contract for the installation of a Monitoring System (as defined in the Declaration) for each unit within the Condominium and for the Condominium, so long as such contract(s) would not necessitate assessment of the Developer as a Unit Owner for capital improvements, or be detrimental to the sales of units by the Developer. As described in Section 24.6.2 of the Declaration, the Monitoring System, if installed, may include a central alarm system, wireless communication to units, one or more manned gatehouses, one or more electronic gates, and roving attendants using vehicles, or any combination thereof. Association and Developer do not warrant or guaranty in any manner that the system will include these items, but reserve the right to install or provide the foregoing items, or any other items they deem appropriate in their sole and absolute discretion. Prior to the Turnover Date (as defined in the Declaration), all contracts for Monitoring Systems shall be subject to the prior written approval of Developer. In the event the Monitoring System is installed by a party other than Developer, each Unit Owner acknowledges that Developer may

receive lump sum or monthly compensation from such party in connection with the costs of operating and maintaining the Monitoring System. Such compensation may be paid on a per-unit or other basis. Buyer acknowledges and agrees that ASSOCIATION AND DEVELOPER SHALL NOT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE ACCESS CONTROL OR INEFFECTIVENESS OF ACCESS CONTROL MEASURES UNDERTAKEN. For more information on the Condominium's Monitoring System, Buyer should refer to Section 24.6 of the Declaration.

- 41. <u>Disclaimer Regarding Security Services</u>. The Declarant and the Master Association shall not be liable if security services are not provided. All persons using or occupying any portion of the Master Community are responsible for their own security and the security of their own property. Neither the Master Association, the Declarant, nor the Golf Club are insurers or guarantors of security for persons or property within the Master Community, nor shall they be liable in any way on account of loss, damage or injury resulting from lack of security, or the lack of effectiveness of any security measures undertaken. The Declarant makes no representations or warranties, express or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire protection system and/or burglar alarm systems, or other security systems, recommended or installed or any security measures undertaken within the Master Community. For more information, Buyer should refer to Section 16.4 of the Master Declaration or contact the Master Association.
- 42. <u>Statements Made by Sales Staff and Brokers</u>. Seller wants to ensure that Seller and Buyer are in full agreement on all terms and conditions relating to the Agreement. To best ensure that there are no misunderstandings, Buyer should ensure that all terms and conditions (including all statements, representations, or understandings upon which Buyer relies in purchasing the Property) are set forth in writing in the Agreement. If there are any statements, representations or understandings which are made by a sales staff person or any other representative of Seller which are material to Buyer's decision to purchase, Buyer should insist that any such statement, representation or understanding is put in writing and contained in the Agreement. Seller reserves the right to reject the Agreement notwithstanding the inclusion of any such item in the Agreement.
- 43. **COMMUNITY DEVELOPMENT DISTRICT**. THE WENTWORTH ESTATES COMMUNITY DEVELOPMENT DISTRICT (THE "<u>DISTRICT</u>") HAS BEEN CREATED TO PROVIDE CERTAIN INFRASTRUCTURE, FACILITIES, SERVICES AND MAINTENANCE OPERATIONS FOR THE CONDOMINIUM AND MASTER COMMUNITY.
- ASSESSMENT REVENUE BONDS (THE "BONDS") TO FINANCE THE COST OF THE PUBLIC INFRASTRUCTURE OF THE CONDOMINIUM AND MASTER COMMUNITY WHICH MAY INCLUDE, WITHOUT LIMITATION, THE CONSTRUCTION AND MAINTENANCE OF THE ROADS AND THE SURFACE AND STORM WATER SYSTEM WITHIN THE CONDOMINIUM AND MASTER COMMUNITY ("PUBLIC INFRASTRUCTURE"). THE BONDS WILL BE REPAYABLE FROM NON AD VALOREM SPECIAL ASSESSMENTS (THE "DISTRICT DEBT SERVICE ASSESSMENTS") IMPOSED BY THE DISTRICT ON PROPERTY WITHIN THE CONDOMINIUM AND MASTER COMMUNITY, WHICH PROPERTY HAS BEEN FOUND TO BE SPECIALLY BENEFITED BY THE PUBLIC INFRASTRUCTURE. EACH UNIT IS SUBJECT TO A DISTRICT DEBT SERVICE ASSESSMENT TO PAY THE PRINCIPAL AND INTEREST ON THE BONDS AS THEY BECOME DUE AND PAYABLE.
- 43.2 <u>AMOUNT</u>. THE DISTRICT DEBT SERVICE ASSESSMENT FOR A UNIT FOR THE DISTRICT'S CURRENT FISCAL YEAR, <u>FY 2012-2013</u>, AS APPROVED BY THE DISTRICT'S BOARD OF SUPERVISORS, IS <u>\$977.50</u> ("<u>ANNUAL DISTRICT DEBT ASSESSMENT</u>") (SUBJECT TO FEES AND COSTS ASSOCIATED WITH THE UNIFORM METHOD OF COLLECTION). THE DISTRICT DEBT SERVICE ASSESSMENTS FOR A UNIT WITHIN THE DISTRICT IS BASED UPON ITS DETERMINED ALLOCATION OR SHARE OF THE SPECIAL BENEFIT RECEIVED FROM THE PUBLIC INFRASTRUCTURE AND IS PAYABLE OVER THE LIFE OF THE BONDS (GENERALLY A PERIOD OF 30 YEARS). THE DISTRICT DEBT SERVICE ASSESSMENTS MAY VARY FROM YEAR TO YEAR DUE TO THE FOLLOWING WHICH MAY INCLUDE, WITHOUT LIMITATION: COUNTY TAX COLLECTOR AND PROPERTY APPRAISER COLLECTION FEES, EARLY PAYMENT DISCOUNTS ASSOCIATED WITH THE UNIFORM METHOD OF COLLECTION, AND THE ISSUANCE BY THE DISTRICT OF ANY ADDITIONAL BONDS.
- 43.3 <u>PREPAY OPTION</u>. EACH OWNER HAS THE OPTION OF PREPAYING IN FULL THE DISTRICT DEBT SERVICE ASSESSMENT IMPOSED AGAINST ITS UNIT. THE PREPAYMENT AMOUNT WILL DECLINE EACH YEAR AS A PORTION OF DISTRICT DEBT SERVICE ASSESSMENTS ARE USED TO REDUCE THE PRINCIPAL ON THE DISTRICT'S OUTSTANDING BONDS.
- DEBT SERVICE ASSESSMENTS, THE DISTRICT IMPOSES AN ANNUAL NON AD VALOREM ASSESSMENT TO FUND THE OPERATIONS OF THE DISTRICT AND THE MAINTENANCE OF ITS PUBLIC INFRASTRUCTURE AND SERVICES ("DISTRICT MAINTENANCE SPECIAL ASSESSMENTS"). EACH UNIT IS SUBJECT TO DISTRICT MAINTENANCE SPECIAL ASSESSMENTS. BUYER ACKNOWLEDGES RECEIPT OF THE DISTRICT'S INFORMATIONAL BROCHURE AND THE DISTRICT'S BUDGET PRIOR TO SIGNING THIS AGREEMENT. THE BUDGET FOR DISTRICT MAINTENANCE SPECIAL ASSESSMENTS IS SUBJECT TO CHANGE. IT IS ANTICIPATED THAT THE ANNUAL DISTRICT MAINTENANCE SPECIAL ASSESSMENT FOR THE DISTRICT'S CURRENT FISCAL YEAR, FY 2012-2013, WILL BE APPROXIMATELY \$158.53 PER UNIT. THE AMOUNT OF THE ANNUAL DISTRICT MAINTENANCE SPECIAL ASSESSMENT WILL VARY FROM YEAR TO YEAR BASED UPON THE DISTRICT'S GENERAL FUND BUDGET ADOPTED BY THE DISTRICT'S BOARD OF SUPERVISORS EACH YEAR AND MAY ALSO VARY DUE TO COUNTY TAX COLLECTOR AND PROPERTY APPRAISER COLLECTION FEES AND EARLY PAYMENT DISCOUNTS ASSOCIATED WITH THE UNIFORM METHOD OF COLLECTION.

-------	-------	--

- 43.5 <u>DISTRICT ASSESSMENTS</u>. DISTRICT MAINTENANCE SPECIAL ASSESSMENTS TOGETHER WITH THE DISTRICT DEBT SERVICE ASSESSMENTS SHALL COMPRISE THE "<u>DISTRICT ASSESSMENTS</u>." WHILE THE DISTRICT ASSESSMENTS ARE NOT TAXES, UNDER FLORIDA LAW, THE DISTRICT ASSESSMENTS WILL CONSTITUTE A LIEN CO-EQUAL WITH THE LIEN OF STATE, COUNTY, MUNICIPAL AND SCHOOL BOARD TAXES AND MAY BE COLLECTED BY THE DISTRICT THROUGH THE USE OF THE COUNTY'S AD VALOREM TAX BILL SENT EACH YEAR BY THE TAX COLLECTOR OF COLLIER COUNTY. THE HOMESTEAD EXEMPTION IS NOT APPLICABLE TO THE DISTRICT ASSESSMENTS. BECAUSE A TAX BILL CANNOT BE PAID IN PART, FAILURE TO PAY THE DISTRICT ASSESSMENTS OR ANY OTHER PORTION OF THE TAX BILL WILL RESULT IN THE SALE OF TAX CERTIFICATES AND COULD ULTIMATELY RESULT IN THE LOSS OF TITLE TO THE PROPERTY OF THE DELINQUENT TAXPAYER THROUGH THE ISSUANCE OF A TAX DEED.
- 43.6 THE DISTRICT MAY IMPOSE AND LEVY TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THIS PROPERTY. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES AND SERVICES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING BOARD OF THE DISTRICT. THESE TAXES AND ASSESSMENTS ARE IN ADDITION TO COUNTY AND OTHER LOCAL GOVERNMENTAL TAXES AND ASSESSMENTS AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW. FOR MORE INFORMATION, BUYER SHOULD CONTACT THE DISTRICT MANAGER, WARD & ASSOCIATES, VIA PHONE AT (954) 658-4900, OR VIA EMAIL AT WARD9490@COMCAST.NET.
- 44. <u>Counterparts</u>. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.

INDOOR ENVIRONMENTAL QUALITY DISCLOSURE

THIS INDOOR ENVIRONMENTAL QUALITY DISCLOSURE (this "Disclosure	e") is delivered in c	onjunction
with and, by this reference, incorporated into the Purchase and Sale Agreement (the '		
day of , 20 , between		
(collectively, "Buyer") and Seller, as defined in the Agreement, respecting Unit	Building	in the
Condominium.	· · ·	

- 1. <u>Defined Terms</u>. All initially capitalized terms not defined herein shall have the meanings set forth in the Agreement, and all references in this Disclosure to the Agreement shall be deemed to include references to this Disclosure and to any other disclosure and/or addenda and riders attached to the Agreement, which are hereby incorporated by this reference.
- 2. <u>Indoor Environmental Contaminates</u>. There are many different types of indoor environmental contaminants, such as pet dander, dust mites and mold. Molds and other potential contaminants have been a part of our environment for millions of years. Contaminants are everywhere, indoors and outdoors. Therefore, everyone is exposed to some contaminants on a daily basis without evident harm. Due to a number of factors, including the fact that sensitivities to various types of molds and other potential contaminants vary from person to person, there are no state or federal standards concerning acceptable levels of exposure to mold. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illness have been linked with biological pollutants in the indoor environment, including some forms of mold. However, many of these conditions also have causes unrelated to the indoor environment. Therefore, it is unknown how many potential health problems relate exclusively to poor indoor air. Buyer should determine for himself/herself whether Buyer, Buyer's family members or any other individuals who will occupy or use the Unit have special needs or increased risk to these conditions. Buyer should carefully monitor the conditions in the Unit for mold growth and other contaminants.

When excessive moisture or water accumulates indoors, mold growth can and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all molds or mold spores in an indoor environment. The key to controlling indoor mold growth is to control moisture.

There are many ways to help control moisture in and beneath the Unit. The U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association and others recommend taking measures such as those listed below to help control moisture in and beneath the Unit. The following list is not meant to be all-inclusive.

- Fix leaking plumbing and any other source of unwanted water immediately.
- Maintain proper indoor humidity. Equipment that conditions the air, such as air conditioners, humidifiers and ventilation systems must be operated year round.
- Raise the temperature in areas where moisture condenses on surfaces and open doors between rooms to increase air circulation in the Unit, including doors to closets.
- Have major appliances, such as furnaces, heat pumps, central air conditioners, window air conditioning units, ventilation systems and furnace attached humidifiers inspected, cleaned and serviced regularly by a qualified professional.
- Clean and dry refrigerator, air conditioner and dehumidifier drip pans and filters regularly and make sure that refrigerator and freezer doors seal properly.
- Keep water away from the foundation of the Unit by maintaining required slopes, drainage and keeping plantings and sprinklers the proper distance from the Unit.
- If there is a sump pump in the Unit, inspect it regularly to ensure that it is properly operating.
- If there is a crawl space or structural sub-floor, inspect the ground beneath the floor on a regular basis to make sure there is no standing or excessive water. If there is standing or excessive water, seek professional assistance to remove the water. If Buyer is interested in finishing the basement, only do so after consulting an expert to determine the suitability of the basement for a finished area.

The following are suggestions that may assist Buyer in preventing and addressing mold growth in the Unit:

- It is important that Buyer responds promptly when Buyer sees signs of moisture or mold.
- Do not allow moisture to stand or make contact with carpet, furniture and cellulose-based materials, such as wood, drywall or other non-tile, non-plastic or non-metal materials.
- Dry all water damaged areas and items immediately to prevent mold growth.
- If mold develops, clean up the mold by washing off hard surfaces with detergent and water and completely dry the surface.

Buyer Buyer	Page 1 of 2 NATIONAL (11/6/08)
MIADOCS 7011399 2	

- Depending upon the nature and extent of the mold infestation, trained professionals may be needed to assist in the remediation effort.
- Mold that is not properly and adequately removed may reappear.

Proper maintenance and cleaning of the Unit is the responsibility of each homeowner and will lessen the potential for water intrusion and help to control indoor environmental contaminants. Further, it is the responsibility of each homeowner to monitor their Unit on a continual basis for excessive moisture, water and mold accumulation. If Buyer discovers accumulation of water or moisture in, around or under the Unit, Buyer should immediately seek to control the source of the water or moisture. Failing to control the source could result in additional damage and the growth of mold. Plumbing leaks and water penetrations that are covered by the Limited Warranty, if any, during the term of the Limited Warranty must be reported to Seller immediately. If the Limited Warranty has expired or does not cover the specific problem, Buyer should not delay in having professionals address the problem. Seller will not be responsible for, and Buyer agrees to indemnify and hold harmless Indemnified Parties from and against all Claims in connection with, water-related damages, including personal injuries or property damage caused by mold, but only to extent that the damages are caused by (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Unit caused by improper construction. Buyer also agrees to waive all rights of subrogation for damages resulting from water-related damages, mold growth, any personal injuries, or any remediation resulting from (A) Buyer's negligence, (B) Buyer's failure to promptly take appropriate corrective measures and minimize any damages caused by the water or moisture, or (C) Buyer's failure to promptly provide Seller with notice of the water or moisture and give Seller an opportunity to dry the water or moisture and remediate, if necessary, any moisture conditions in the Unit caused by improper construction.

- 3. <u>Counterparts.</u> This Disclosure may be executed in counterparts, a complete set of which shall form a single Disclosure.
- 4. <u>Conflicts</u>. In the event of any conflict between this Disclosure and the Agreement or any other addenda and/or riders, this Disclosure shall control. In all other respects, the Agreement shall remain in full force and effect.
- 5. Entire Agreement. The Agreement, together with this Disclosure and any other addenda and/or riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Disclosure or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

ADDENDUM FOR NATURAL AND MANMADE PRODUCTS

	RAL AND MANMADE PRODUCTS (this "Addendum") is executed in nce, incorporated into the Purchase and Sale Agreement (the "Agreement")
dated as of the day of	, 20, between
	(collectively, "Buyer") and Seller, as defined in the Agreement, respecting
Unit Building in th	e Condominium.
Agreement, and all references in this	y capitalized terms not defined herein shall have the meanings set forth in the s Addendum to the Agreement shall be deemed to include references to this a and riders attached to the Agreement, which are hereby incorporated by this

- Natural Stone Flooring and Countertops. Natural stones with varying colors and mineral compositions ("Stone") are found in quarries throughout the world. Stones including, without limitation, marble and granite, are therefore products of nature and vary in color, markings, shade, and texture. Buyer acknowledges that Stone is not uniform and that Seller can make no guarantees regarding the color, markings, shade, and texture of the Stone to be used in the Unit. Buyer further acknowledges and Seller makes the following disclosures regarding the Stone to be used/installed in the Unit:
- Cleaning. Care should be exercised when cleaning Stone. No chemicals should be used to clean Stone other than those cleaners specifically designed to clean Stone.
- Natural Inconsistencies. Stone contains natural inconsistencies which will be present in Stone flooring and/or countertops in the Unit; such natural inconsistencies are normal and are not defects.
- Edges and Corners. There may be changes in the patterning of Stone from one edge or corner of the flooring or countertop to another edge or corner; such changes in patterning is normal and is not a defect.
- Fissures and Pits. Stone may contain fissures and pits that occur naturally and may appear as a small hole or recess; such fissures and pits are not cracks or defects.
- Spots, Freckles, and Rust. Spots, freckles, and/or rust may appear in Stone from time to time, and may appear as a concentration and/or random aberration of color in a particular area of the surface of Stone; such spots, freckles, and rust are not defects.
- Seams. Stone is almost never seamless due to the techniques employed to cut the slab of Stone in a way that preserves the maximum beauty of such Stone. Pieces of Stone must therefore be fitted together and the Stone used in the Unit will not be seamless and may have visible seams, which are not defects.
- Wallboard and Plaster. Stone is cut by machine to be straight. Irregularities occurring in the Unit may mean that the installer has to force pieces of Stone into the wallboard or plaster during installation to compensate for the irregularities. Shims, caulking and putty may be used to fill imperfections in walls and floors in order to install Stone flooring and countertops. There may be such shims, caulking and/or putty in the Stone used in the Unit, which shims, caulking and/or putty are used to enhance the installation and are not defects.
- Staining. Stone may stain and such staining is not a defect. As a preventative measure, but not as absolute protection from staining, Stone should be sealed with the appropriate sealant, using the appropriate technique, after every six (6) months of normal use.
- Sink Cabinet. The cabinet under the sink will extend beyond the edge of the sink. This cannot be avoided as a larger sink or smaller cabinet extension would preclude natural adjustment of seams and edges of the Stone countertop and may result in a deterioration of the Stone countertop.
- Wood Cabinets. Buyer acknowledges that a variety of cabinet door selections may be offered in the Unit. Wood doors will contain natural inconsistencies that promote the beauty of the wood door. As a tree is exposed to a variety of weather conditions during their natural development, random patterns in the tree's grain, color and species markings are created. These natural characteristics will be present in Buyer's wood cabinets and are considered normal. Additionally, these natural characteristics also vary between different types of wood and include the following potential variances: in the grain texture and amount of grain, blemishes in the individual pieces, unfinished edges (depending on the type of finish, such as white wash), and knot holes and other dark features. Wood cabinets are also affected by environmental factors such as natural light, so color is expected to gradually change and mellow over time. Due to environmental factors and the aging process, replacement parts may not match exactly.
- Manmade Products. The Unit may include one or more of the following manmade products: carpet, tile and wood flooring; wood cabinets; cultured marble tubs, sinks and countertops. Buyer acknowledges and agrees that shade variations are inherent in manmade products. Colors of actual manmade products may vary from samples or catalogues and slight color variations may exist from different product runs. Buyer acknowledges that Seller makes no representations or guarantees regarding the color, markings, shade, and texture of the manmade products, or to the suitability or maintenance of any manmade products in the Unit. Buyer acknowledges and Seller makes the following disclosures regarding the manmade products to be used/installed in the Unit.

- 4.1 <u>Bathroom Fixtures</u>. There may be a variation in shading between bathroom fixtures within the same room, including commodes, sinks, countertops, tubs, and towel bars.
- 4.2 <u>Ceramic Tile</u>. Normal slab settlement may crack ceramic tile and the physical characteristics are conducive to chipping after installation by a number of different causes; subsequent chipping and cracking is unavoidable and not a warrantable item. Buyer will have the opportunity to inspect the Unit prior to Closing and Seller requests that Buyer examine any tile floor closely at this time.
- 4.3 <u>Wooden Laminate Cabinets</u>. Wooden laminate cabinets are a popular selection of cabinetry in the home building industry. As the technological and manufacturing processes continue to emerge, what may appear to be a particular species of wood, (*i.e.*, birch, oak, walnut, etc.) may in fact be a veneer over a composition product; stained and finished to resemble a specific species of wood. Buyer acknowledges that wooden laminate cabinets may be manufactured with various manmade products and/or product names used in the manufacturing process. As with other natural materials, wooden laminate cabinets will be affected by environmental factors such as natural and artificial lighting, so Buyer may see the color of such cabinets gradually change and mellow over time. Seams will be visible in the framework of all face frame cabinets if applicable.
- 5. <u>Counterparts</u>. This Addendum may be executed in counterparts, a complete set of which shall form a single Addendum.
- 6. <u>Conflicts</u>. In the event of any conflict between this Addendum and the Agreement, this Addendum shall control. In all other respects, the Agreement shall remain in full force and effect.
- 7. Entire Agreement. The Agreement, together with this Addendum and any other addenda and riders to the Agreement, contains the entire agreement between Buyer and Seller concerning the matters set forth herein. All prior discussions, negotiations and contracts relating to investors and occupancy requirements, if any, whether oral or written, are hereby superseded by these documents. No addition or modification of this Addendum or the Agreement shall be effective unless set forth in writing and signed by Buyer and an authorized agent of Seller.

Condominium Purchase Price and Payment Addendum, less all applicable incentives) (the "Commission"), subject however to the terms and conditions set forth below and in the Broker Participation Policy ("Participation Policy"). As set forth herein, "incentive" shall mean the total dollar value of all consideration, incentives, discounts, credits, reductions, gifts or other inducements offered or arranged by Seller in connection with Buyer's purchase of the Property, including, without limitation, any: reduction or discount in the Total Purchase Price, Base Purchase Price, or the Premium; reduction in the cost of Options, Upgrades and/or Extras; credit for or contribution toward Closing Costs; payment of or contribution toward assessments or capital contributions charged by the Condominium Association, any homeowner's association or Seller; payment of or contribution toward homeowner's casualty or liability insurance, and/or lease payments; financing incentive such as payment of buy down fees to the Lender; and retail value of any gift to Buyer. No Commission shall be payable by Seller unless Buyer consummates the purchase of the Property in accordance with the terms and conditions of the Purchase and Sale Agreement; accordingly, the Commission shall not be deemed earned unless and until the Closing occurs. Cooperating Broker agrees that it shall look to Buyer for any other commission due to Cooperating Broker that is in excess of the Commission payable by Seller pursuant to this Agreement and for any commission due to any other real estate brokers or salesmen claiming to have represented Buyer in connection with the purchase of the Property. Notwithstanding the foregoing, Seller agrees to pay any and all commissions due to Seller's New Home Consultants working in Seller's sales office.

- 3. <u>Sales Associate of Cooperating Broker</u>. By signing below, sales associate or designated agent of Cooperating Broker ("<u>Sales Associate</u>") agrees, on behalf of himself/herself and on behalf of Cooperating Broker, to the terms of this Agreement. Without limiting the foregoing, Sales Associate agrees that Seller's sole responsibility hereunder is to pay the Commission to Cooperating Broker in the manner described above. Any other amounts payable to Sales Associate and/or Cooperating Broker shall be the sole responsibility of Buyer, if provided for in a separate agreement between Cooperating Broker and Buyer. In addition, Sales Associate hereby personally represents and warrants that Sales Associate has full power and authority to execute and deliver this Agreement on behalf of Cooperating Broker and that such execution of this Agreement on behalf of Cooperating Broker has been duly authorized by all necessary and proper corporate action of Cooperating Broker.
- 4. <u>Participation Policy</u>. By signing this Agreement, Sales Associate acknowledges that Sales Associate has read and agrees, on behalf of such Sales Associate and Cooperating Broker, to comply with the terms and conditions in the Participation Policy set forth below. This Agreement shall be null and void if Seller determines, in its absolute discretion, at any time before Closing that Sales Associate and/or Cooperating Broker has/have violated the terms of the Participation Policy. The Participation Policy follows:
- 4.1 In order for Cooperating Broker to receive a commission in connection with the sale of real property in the Condominium, Cooperating Broker or Sales Associate must register a prospective buyer (the "Prospect") in person at the sales office for the Condominium (phone registrations will not be accepted). Cooperating Broker or Sales Associate must accompany the Prospect during Prospect's initial visit. If the tracking system used at the sales office for the Condominium indicates that the Prospect was initially introduced to the Condominium via the internet and/or initially registered at the sales office without being accompanied by Cooperating Broker or Sales Associate, neither Cooperating Broker nor Sales Associate shall be entitled to receive a

commission in connection with the sale of real property in the Condominium to such Prospect. This registration is effective for the earlier of (i) a period of ninety (90) days from the date of registration ("Registration Period") or (ii) the registration of the Prospect by a subsequent real estate broker or sales associate. Unless the Registration Period has been previously terminated, Cooperating Broker may extend the Registration Period for an additional ninety (90) days by sending a written request (phone requests for an extension will not be accepted) to the sales office for the Condominium before the expiration of the initial Registration Period.

- 4.2 Cooperating Broker shall be entitled to receive the Commission, provided that the Prospect (i) is properly registered, (ii) contracts to purchase a unit from the on-site sales staff in the Condominium ("New Home Consultant") before the expiration of the Registration Period, and (iii) closes on the transaction pursuant to the Purchase and Sale Agreement for the Property. The registration of the Prospect during the Registration Period, or any extension thereof, does not protect Cooperating Broker or Sales Associate from another real estate broker or sales associate who subsequently registers the same Prospect in the Condominium. Seller will pay the Commission to Cooperating Broker, provided that the terms and conditions contained herein are satisfied. However, in the event two or more real estate brokers or sales associate claim that they are entitled to a commission for having registered the Prospect, the real estate broker or sales associate who registers the Prospect last is entitled to the commission. In all cases, Sales Associate agrees to look solely to Cooperating Broker for payment of any commission. By way of example, if Sales Associate terminates his/her employment with a registered Cooperating Broker who is entitled to a commission pursuant to this Participation Policy, then Sales Associate shall have no claim against Seller with respect to such commission
- 4.3 Cooperating Broker and Sales Associate acknowledge that this Participation Policy, the registration forms, sign-up sheets and other incentives, contracts, or forms given to Prospects or buyers of units are trade secrets of Seller. Cooperating Broker agrees to indemnify, defend and hold Seller harmless from and against any and all claims, demands, damages, losses, costs and expenses of whatever nature or kind, including reasonable attorneys' fees, paraprofessional fees and costs relating to or arising out of any claim against Seller as a result of conduct or representations made by Cooperating Broker and/or Sales Associate. In the event that Seller must enforce or defend any of the terms and conditions of this Participation Policy, Seller shall be entitled to collect from Cooperating Broker reasonable attorneys' fees, paraprofessional fees and costs.
- 5. <u>Cooperating Broker Status, Duties and Prohibitions</u>. Sales Associate, on behalf of himself/herself and on behalf of Cooperating Broker, hereby represents, warrants and covenants as follows:

(a) Cooperating Broker is either (i) a licensed real estate broker in the State of Sales Associate Florida or (ii) is licensed in another jurisdiction and not performing any Initials services in Florida in violation of Section 475.01(1)(a), F.S., and is serving as a single agent or transaction broker on behalf of Buyer in the purchase of the Property Sales Associate is either (i) a licensed real estate broker or sales associate in Sales Associate the State of Florida or (ii) is licensed in another jurisdiction and not Initials performing any services in Florida in violation of Section 475.01(1)(a), F.S., and is a designated agent of Cooperating Broker serving as a single agent or transaction broker on behalf of Buyer in the purchase of the Property. Each of Cooperating Broker and Sales Associate shall comply with all Sales Associate requirements of applicable law as a single agent or transaction broker in their Initials representation of Buyer in the purchase of the Property and will assist the parties with communication, interposition, advisement, negotiation, contract terms and closing.

- B. STATEMENT OF AGREEMENT

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, for themselves, their successors and assigns, hereby agree as follows:

ARTICLE 1

PROVISIONS APPLICABLE TO CONDOMINIUM UNITS

- 1.01 Recitals. The foregoing Recitals are true and correct and are hereby incorporated herein.
- 1.02 <u>Deposit of Funds</u>. From time to time, except as provided in Section 1.04 hereof, Developer will deposit into an escrow account maintained by Escrow Agent checks payable or endorsed to Escrow Agent or wire funds directly into an escrow account maintained by Escrow Agent, which will represent one hundred percent (100%) of the Deposits up to and including ten percent (10%) of the purchase price of the Condominium Units, paid pursuant to the Contracts, and will deliver to Escrow Agent copies of the first page and signature page of the Contracts executed by the Buyers of Condominium Units and Developer. Developer will also deposit into a special escrow account maintained by Escrow Agent checks payable or endorsed to Escrow Agent or wire funds directly into a special

escrow account maintained by Escrow Agent the portion of any Deposit in excess of ten percent (10%) of the purchase price of a Condominium Unit, which shall be held pursuant to Section 1.05.4 hereof.

- 1.03 <u>Receipts for Deposits</u>. Upon request of the Buyer, Escrow Agent shall provide to the Buyer named in the Contract, a receipt for any Deposit received by Escrow Agent in a form substantially similar to that of **Exhibit C**.
- The Director of the Division of Florida Condominiums, 1.04 Alternative Assurance. Timeshares and Mobile Homes (the "Division") has the discretion to accept other assurances ("Alternative Assurance") from Developer in lieu of the escrow of all or any portion of the funds representing up to 10% of the Buyers' Deposits that are required to be escrowed hereunder. Developer has submitted to the Division for approval the surety bond referenced in the upper right hand corner of page 1 of this Agreement (as amended, the "Surety Bond") or other Alternative Assurance, such as a letter of credit ("Letter of Credit") or cash, as may be approved by the Division from time to time. If the Division accepts the Alternative Assurance as being sufficient under the Condominium Act and this Agreement, such Alternative Assurance will serve as security for all or a portion of the Deposits otherwise required to be escrowed hereunder up to the principal amount of the Alternative Assurance (Surety Bond or Letter of Credit) in accordance with the terms and conditions of this Agreement. Developer shall be obligated to furnish Escrow Agent with a copy of the Division's approval of any Alternative Assurance along with a statement by Developer that such Alternative Assurance is adequate in amount to cover all Buyers' Deposits up to ten percent (10%) of the purchase price of the Condominium Units, released to Developer pursuant to Florida Statutes Section 718.202(1). Upon the issuance of any such Surety Bond or Letter of Credit, and upon receipt of a letter from the Division approving same, Escrow Agent shall disburse to Developer all Deposits held or thereafter paid to Escrow Agent up to but not more than the principal amount of the Surety Bond or Letter of Credit delivered to Escrow Agent. Notwithstanding anything contained herein to the contrary, no increase or substitute Alternative Assurance arrangements shall be instituted, and Escrow Agent may not rely on any such increased or substitute Alternative Assurance, without the prior written approval of the Division. All modifications to the terms and conditions of any Alternative Assurance must be accepted in writing by the Division.
 - 1.04.1 Holding of Funds Secured by the Alternative Assurance. For so long as Developer maintains an acceptable Alternative Assurance as contemplated herein, Developer will not be required to escrow the Deposits otherwise required to be escrowed hereunder with Escrow Agent; provided, however, that the total amount of Deposits retained by Developer pursuant to this Section 1.04 is less than or equal to the amount of the Alternative Assurance, including all increases and extensions thereof which may be approved by the Division from time to time. Provided further that in the event that Developer receives Deposits pursuant to this Section 1.04 which in total exceed the amount of the Alternative Assurance, any such excess Deposits shall be delivered to Escrow Agent immediately in accordance with the procedures set forth herein. Such excess Deposits may be redelivered to Developer by Escrow Agent upon the receipt by Escrow Agent of acknowledgment by the Division that the Division is in possession of an acceptable increase in the amount of Alternative Assurance to cover the excess of the Deposits.

- 1.04.2 Monthly Accounting. Developer shall provide Escrow Agent with a monthly accounting of all Deposits retained by Developer or released from escrow that would otherwise be required to be escrowed, but for the existence of the Alternative Assurance (the "Monthly Accounting of Escrow Funds"). The Monthly Accounting of Escrow Funds shall include, without limitation, the following items: (i) a list of Buyers; (ii) each Buyer's Deposit as a separate entry, (iii) the project and Condominium Unit Number for which each Buyer's Deposit is made; (iv) the amount of Deposits released to Developer, and (v) the amount of Deposits held in the escrow account. Escrow Agent shall be entitled to fully and completely rely upon the accuracy of the Monthly Accounting of Escrow Funds. Developer shall submit quarterly reports of escrow funds to the Division, in accordance with Rule 61B-17.009(1)(c), Florida Administrative Code (the "Summary of Escrow Funds"). A Summary of Escrow Funds statement shall be included with any requests for changes to a previously approved Alternative Assurance. This Summary of Escrow Funds shall include: (i) all projects; (ii) the amounts which would be required to be deposited if no Alternative Assurance existed; (iii) the amount of the Alternative Assurance; (iv) the amount available for withdrawal; and (v) the balance in the escrow account for the Deposits.
- 1.04.3 <u>Expiration of Alternative Assurance</u>. Notwithstanding anything contained herein to the contrary:
 - 1.04.3.1 Developer shall supply the Division with a replacement to the Alternative Assurance which is acceptable to the Division at least forty-five (45) days prior to the expiration of the Alternative Assurance.
 - 1.04.3.2 If Escrow Agent has not received notification from the Division that Developer has complied with Section 1.04.3.1 above, then thirty (30) days prior to the expiration of the Alternative Assurance, Escrow Agent shall provide the Division with a statement showing the status of the total funds secured by the Alternative Assurance as of the thirtieth (30th) day prior to the expiration of the Alternative Assurance based on the monthly reports furnished by Developer to Escrow Agent.
 - 1.04.3.3 Escrow Agent shall concurrently make demand for replacement of the Alternative Assurance pursuant to Section 1.04.3.1 above, or for payment from Developer to Escrow Agent of that amount of total funds secured by the Alternative Assurance. In the event such payment or replacement of the Alternative Assurance is not forthcoming from Developer within five (5) business days from Developer's receipt of a demand by Escrow Agent, then Escrow Agent shall make demand upon the Alternative Assurance to the extent of the amount of Deposits which should be placed in escrow pursuant to the then current Monthly Accounting of Escrow Funds, and place such funds with Escrow Agent, which shall then be responsible for maintaining such Deposits in accordance with this

Agreement. In the event Escrow Agent fails to make the necessary demand on the Alternative Assurance as set forth above, the Division shall have the right to then make the demand on the Alternative Assurance in accordance with the terms of this Agreement and such Deposits shall be placed in escrow pursuant to this Agreement.

- 1.04.3.4 It is understood that the foregoing procedure shall similarly be followed in the event of any dispute with any Buyer relating to refunds of any Deposits secured by the Alternative Assurance from time to time that is not resolved within fifteen (15) business days from the date that Developer receives notice of the dispute. Developer shall furnish Escrow Agent promptly with notice of any such dispute with Buyer. Developer shall deposit all funds required to be escrowed at least fifteen (15) days prior to expiration of the Alternative Assurance.
- 1.04.4 Release of Deposits to Developer. Deposits retained by Developer pursuant to this Section 1.04.4 because they are secured by the Alternative Assurance may only be released from the Alternative Assurance upon presentation to Escrow Agent of one of the written statements set forth in Section 1.05.1, Section 1.05.2 or Section 1.05.3 with the additional language that Deposits previously released are no longer required to be secured by the Alternative Assurance.
- 1.04.5 Previously Released Deposits. Deposits previously released to Developer which are secured by the Alternative Assurance may be released from the Alternative Assurance upon cancellation by a Buyer pursuant to Section 1.05.1 and upon presentation to Escrow Agent of a written statement by the Developer stating that Developer has fully refunded the Deposit to Buyer in accordance with the terms of the Contract, as evidenced by a copy of the Developer's cancelled refund check issued to the Buyer for the amount equal to the Buyer's Deposit.
- 1.04.6 Other Condominiums. It is acknowledged that the Alternative Assurance may cover other condominiums being developed by Developer. In the event that an Alternative Assurance is amended to cover any other condominium, the Division shall be furnished with such original amendment. Developer shall deliver to Escrow Agent a copy of the amendment and the Division's written approval of the use of the Alternative Assurance for such condominium in addition to the Summary of Escrow Funds statement described herein.
- 1.04.7 Assurance No Longer Required. If any outstanding Alternative Assurance is no longer required in order to enable Developer to satisfy the conditions set forth in the Condominium Act and herein, and the Developer desires to terminate the Alternative Assurance, then Developer shall so notify Escrow Agent, the issuer or surety and the Division in written form by certified mail at least forty-five (45) days in advance of the expiration date of the Alternative Assurance, together with a final accounting from the period of the last monthly accounting and written instructions for handling the return of the original assurance, and Escrow Agent

shall return the Alternative Assurance to the issuer or surety. For purposes of this subparagraph, the expiration date of any Alternative Assurance which is automatically renewable shall be extended by the applicable renewal periods unless Escrow Agent receives notice from the issuer or surety not less than forty five (45) days prior to the expiration date that the issuer will not renew the Alternative Assurance. Escrow Agent is authorized to rely upon a statement from Developer as to whether Alternative Assurance is no longer required to satisfy the conditions set forth in the Condominium Act and herein. In the event that such statement by Developer is incorrect, Developer shall indemnify and hold Escrow Agent harmless from any and all claims against Escrow Agent growing out of acts or omissions by Escrow Agent made in reliance upon such statement unless caused by Escrow Agent's bad faith, willful misconduct or gross negligence.

- 1.04.8 Monitoring by Escrow Agent. Without limiting Escrow Agent's obligations hereunder, Escrow Agent shall not be obligated to monitor Developer's compliance with the provisions of Section 1.04 of this Agreement.
- 1.05 Release of Funds from Escrow. Subject to clearance of funds, Escrow Agent shall release and disburse a Buyer's Deposit escrowed hereunder in accordance with the following:
 - 1.05.1 Buyer Cancellation. The Buyer shall receive a refund of his Deposit, including any interest accrued thereon, from the Developer if the Buyer has properly terminated his Contract pursuant to its terms or under the Condominium Act, and is not otherwise in default of the Contract. However, in the event the Deposit is secured by an Alternative Assurance as provided in Section 1.04 of this Agreement, no interest shall be earned on the Deposit and, accordingly, no interest shall be due to the Buyer. Within ten (10) calendar days after receiving the Developer's written statement that the Buyer has properly terminated his Contract pursuant to its terms or under the Condominium Act, and that the Developer has fully refunded the Deposit to the Buyer as set forth in Section 1.04.5 of this Agreement, the Escrow Agent shall release the Deposit from the Alternative Assurance.
 - 1.05.2 Buyer Default. Escrow Agent shall pay a Deposit to Developer within ten (10) days after Escrow Agent's receipt of Developer's written statement that the Buyer's Contract has been terminated by reason of a Buyer's failure to cure a default in performance of the Buyer's obligations thereunder within the applicable grace period provided Escrow Agent has not received notice of a Disputed Deposit from the Buyer or Developer, in which case the provisions of Section 2.03 shall govern. Escrow Agent shall pay to Developer any interest earned on such Deposit. Such statement shall include the following:
 - 1.05.2.1 Developer's statement that the Buyer has defaulted and has not cured the default within the applicable grace period and that Developer has not defaulted;

- 1.05.2.2 A statement that, pursuant to the terms of the Contract, Developer is entitled to the Deposit held by Escrow Agent;
- 1.05.2.3 A statement of the exact amount of the Deposit that is to be disbursed to Developer.
- 1.05.3 <u>Disbursement At Closing</u>. If the Buyer's Deposit has not been previously disbursed in accordance with the foregoing provisions, Escrow Agent shall pay such Deposit to Developer no later than ten (10) days after the closing of the transaction, as evidenced by the written statement of Developer set forth below, unless prior to such disbursement Escrow Agent receives from a Buyer or Developer written notice of a Disputed Deposit, in which case the provisions of Section 2.03 shall govern. The written statement of the Developer shall include the following:
 - 1.05.3.1 A statement that Buyer has not cancelled the Contract;
 - 1.05.3.2 A statement that the construction of the Condominium Unit has been completed;
 - 1.05.3.3 A statement that closing of the applicable Condominium Unit has occurred; and
 - 1.05.3.4 A statement of the exact amount of the Deposit that is to be disbursed to Developer.
- 1.05.4 Deposits in Excess of Ten Percent. The portion of any Deposit in excess of ten percent (10%) of the purchase price of a Condominium Unit shall be held in a special escrow account. If the Contract of any Buyer so provides, upon written request to Escrow Agent by Developer, accompanied by the written statement from Developer described below that the construction of improvements, including the Buyer's Condominium Unit has begun, Escrow Agent shall pay out of the special escrow account to Developer any Deposits in excess of ten (10%) percent of the purchase price set forth in any Contract. Pursuant to Florida Statutes Section 718.202, such funds may not be used by Developer prior to closing the Contract except for refund to the Buyer, or except for actual construction and development of the Condominium property in which the Condominium Unit to be sold pursuant to the Contract is located. In any event, no part of such funds may be used for salaries, commissions, or expenses of salesmen or for advertising purposes by Developer. Escrow Agent will not be responsible as to the proper application of any funds released to Developer pursuant to this provision. Any request by Developer for disbursement of any Deposit in excess of ten percent (10%) of the purchase price pursuant hereto shall be accompanied by a written statement of Developer stating the following: (i) the Developer has refunded the Deposit in excess of ten percent (10%) of the purchase price to the Buyer, or (ii) that (a) construction has begun on the Condominium in which the Condominium Unit is located, and (b) all funds released to Developer will be used solely for construction of the Condominium

property in which the Buyer's Condominium Unit is located. With respect to such funds, Escrow Agent will not be responsible as to the proper application of same by Developer, and Developer agrees to indemnify and hold Escrow Agent harmless from any and all liabilities which may be incurred by Escrow Agent, including reasonable attorneys' fees and costs in connection with the disbursement of such funds to Developer.

How will my District assessments be determined?

The cost to operate a CDD is borne by those who benefit from its services. Property owners in the CDD are subject to non-ad valorem assessments, which appear on their annual property tax bill from the county tax collector and may consist of two parts—an annual assessment for operations and maintenance, which can fluctuate up and down from year to year based on the budget adopted for that fiscal yearand an annual capital assessment to repay bonds sold by the CDD to finance community infrastructure and facilities, which annual assessments are generally fixed for the term of the bonds. The costs of the acquisition or construction of a portion of the infrastructure improvements described in the engineer's report has been financed by the CDD through the sale of its Capital Improvement Revenue Bonds, Series 2006, in the amount of \$64,460,000. The annual debt service payments, including interest due thereon, for the Bonds are payable solely from and secured by the above-referenced annual capital Provided below are the current assessments. maximum annual assessment levels for the Bonds. Wentworth Estates

Community Development District

What You Should Know About The Wentworth Estates Community Development District

This information is being provided to you by the Board of Supervisors of the Wentworth Estates Community Development District (the "District"). The descriptions and representations contained herein reflect information as of October 1, 2012.

What is the Wentworth Estates Community Development District?

The CDD is a special purpose form of local government created to serve the long-term specific needs of its community. Created pursuant to chapter 190, Florida Statutes, a CDD's main powers are to plan, finance, construct, operate and maintain community-wide infrastructure and services specifically for the benefit of its residents. The CDD encompasses approximately 973.23 acres of land located entirely within the jurisdictional boundaries of Collier County, Florida.

Who governs the Wentworth Estates Community Development District?

The CDD is governed by its Board of Supervisors which was elected by the landowners within 90 days of the establishment of the CDD. Elections are then held every two years in November. Commencing six years after the initial appointment of Supervisors and when the CDD attains a minimum of 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the CDD. A "qualified elector" is any person at least 18 years of ago who is a US Citizen, a legal resident of Florida and the CDD, and who is registered to vote with the Supervisor of Elections in Manatee County. After that transition, like all municipal, county, state, and national elections, the Office of the Supervisor of Elections oversees the vote. Like any other public official, CDD Supervisors are subject to state ethics and financial disclosure laws. Please contact the District Manager at the address set forth herein for a list of the individuals currently sitting on the CDD's Board. The CDD's business is conducted in the "Sunshine," which means all meetings and records are open to the public. Board meetings are noticed in the local newspaper and conducted in a public forum in which public participation is permitted. Consistent with Florida's public records laws, the records of the CDD are available for public inspection during normal business hours. Elected members of Board are similarly bound by the States open meetings law and are generally subject to the same disclosure requirements as other elected officials under the

State's ethics laws. The CDD is also required to have its financial records audited by an independent certified public accountant at least once a year.

What are the Benefits to the Residents?

Residents within the CDD may expect to receive three major classes of benefits. First, the CDD provides landowners consistently high levels of public facilities and services managed and financed through self-imposed fees and assessments. Second, the CDD ensures that these community development facilities and services will be completed concurrently with other parts of the development. Third, CDD landowners and electors choose the Board of Supervisors, which is able to determine the type, quality and expense of CDD facilities and services.

Other savings are realized because the CDD is subject to the same laws and regulations that apply to other government entities. The CDD is able to borrow money to finance its facilities at lower, tax-exempt, interest rates, the same as cities and counties. Many contracts for goods and services, such as annually negotiated maintenance contracts, are subject to publicly advertised competitive bidding.

Residents and property owners in the CDD set the standards of quality, which are then managed by the CDD. The CDD may provide perpetual maintenance of the environmental conservation areas. This consistent and qualitycontrolled method of management helps protect the long term property values in a community. The CDD makes it possible for our community to offer the most desirable elements of a masterplanned community. Residents enjoy high quality infrastructure facilities and services with the comfort and assurance of knowing that the standards of the community will be maintained long after the developer is gone. With a CDD in place, residents are assured of the ability to control quality and value for years to come.

Do I pay more taxes if I live in the Wentworth Estates Community Development District?

The CDD's debt and maintenance assessments may appear on that portion of the annual real estate tax bill entitled "non-ad valorem assessments," and will be collected by the county tax collector in the same manner as county as valorem taxes. Each property owner must pay both ad valorem and non-ad valorem assessments at the same time. Property owners will, however, be entitled to the same discounts as provided for ad valorem taxes. As with any tax bill, if all taxes and assessments due are not paid within the prescribed time limit, the tax collector is required to sell tax certificates that, if not timely redeemed, may result in the loss of title to the property. The CDD may also to elect to collect the assessments directly.

What benefits may District landowners expect to receive as a result of their investment?

Through a CDD, the community can offer its residents a broad range of community-related services and infrastructure to help ensure the highest quality of life possible. The public infrastructure necessary to support the CDD's development program includes, but is not limited to: public roadways, utilities, earthwork, water management, landscape and irrigation and wetland mitigation. To plan the infrastructure improvements necessary for the CDD, the CDD adopted an Engineer's Report dated September 2007, which details the improvements included in the CDD's improvement plan. A copy of the Engineer's Report is available for review in the CDD's public records.

The CDD complements the responsibilities of the community home owner's associations (HOAs). Many of the maintenance functions handled by these associations in other communities may be handled by the CDD. However, the associations have other responsibilities such as operating
