The most anticipated annual event at Cherokee Ridge is nearly here! The Member-Guest Tournament is scheduled for Thursday, June 6 through Saturday, June 8.

The tournament has drawn competitors from as far away as California, Texas, and Michigan. It's a time for old friends to reunite, a time for fathers and sons to bond, and a wonderful time to show-case our beautiful golf course and community.

The event begins with an

optional pre-tournament shootout on Thursday and a calcutta Thursday evening. Tournament play officially begins Friday and concludes Saturday with the Champions' Shootout. The wonderful weekend

wraps up with a fun dinner and dance, accompanied by live music.

The field is limited to 36 teams. To reserve your team's spot, please call the clubhouse at 498-5300.

RELAY FOR LIFE: CRCC RAISES OVER \$2,500!

The Cherokee Ridge Relay for Life Team has been busy organizing a golf benefit day and collecting donations from members and residents.

Rounds played at Cherokee Ridge on Saturday, May 11 benefitted Relay for Life. Honours Golf

generously donated \$10 from each non-member

round and \$5 from each paid-member cart fee to

the American Cancer Society. There was also a closest-to-the-pin contest, challenge-the-pro contest and door prizes. Over \$700 was raised Saturday and \$2500 collected overall.

It's not too late to make donations! For more information, please contact the clubhouse at 498-5300.

CLUB NEWS

LUXURY LIFESTYLE EXPERT REVIEWS RIDGE

A modern adaptation of Robin Leach, luxury lifestyle expert Richard Crawford (RickyCrawford.com) travels the world, representing high-end brands. He also dispenses sophisticated style advice via television appearances, radio interviews, magazine articles, his website, social media and small-group presentations.

Crawford visited Cherokee Ridge on April 5 to review the community and, specifically, Thomas and Diane Keenan’s beautiful home for sale at 588 Falling Leaf Lane. His visit included a round of golf, lunch and dinner at The Waterfall Grille as well as a tour of the Keenan’s home.

“Other regions have no idea what the Southeast offers – beautiful, geographic diversity from the beaches to the Appalachians – and luxury at an affordable price,”

explained Crawford. He anticipates that his followers will be pleasantly surprised at the amenities, privacy and affordability of Cherokee Ridge homes.

Fortunately for Cherokee Ridge, Crawford has local ties that brought him back to the area. The Scottish native played soccer at the University of Alabama Huntsville with Mikko Jetsu, owner of the Real

Estate Intelligence Agency (REIA) and Marketing Intelligence Agency. REIA real estate agents Jetsu and Tiffany Moore currently represent the Keenan’s home.

“Richard has a different readership,” said Jetsu. “We asked him to review the community because he speaks to a different market, a whole new demographic who might be interested in the properties here as a second home for snowbirds.

“His expert review also lends credibility to the marketing information Cherokee Ridge, Honours Golf and local realtors have developed. Once launched on his website, the review will be populated by Google and introduce a whole new set of potential buyers to Cherokee Ridge.”

This high-demand speaker and writer plans to share his review of Cherokee Ridge on his blog and with his social media followers. Crawford’s demanding schedule has prevented him from completing the full review; however, his brief commentary can be viewed throughout the Keenan’s home tour at cherokeeridgehomes.com and on Facebook.

ONLINE MEMBER PORTAL PROVIDES INSIDER INFORMATION

Cherokee Ridge’s new website, cherokeeridgegolf.com, showcases the beauty of the course, and the newly launched “Member’s Area” provides insider club information in a private format.

Members now have online access to club announcements, an up-to-date event calendar, dining menus and hours, club rules, the Honours Reciprocal Club Directory, and a member directory.

To access the exclusive member content go to cherokeeridgegolf.com and click on the “Member’s Area” tab. You will then be directed to enter your member name and password. Your

member name is a four-digit member number that was assigned to you when you joined Cherokee Ridge. Don’t remember your number? It is also the last four digits of the member number listed on your monthly billing statement.

Next, enter your last name in lowercase letters as your password. Then press the “Submit” button.

Once logged in, you will see the announcement page with the heading “Welcome, Cherokee Ridge Members!”

A menu on the right offers a variety of information for members to read.

At this point, we encourage members to visit the “Update Profile” option near the bottom of the menu.

This page allows members to update their password from their last name to something more private. It also allows members to select the information they would like to share in the private member directory. Honours Golf only provides member names. It is each member’s choice whether

to share their contact information in this private directory. Members may share their address, two phone numbers, a fax number, and several e-mail addresses (separated by commas).

Please note that updating your member profile does not update your contact information in the Cherokee Ridge office. Please contact the club office if you need to change your contact information or if you would like assistance with the member portal.

NEW CLUB E-MAIL SYSTEM

Have you been receiving beautifully formatted e-mails from the club that look similar to the new club website?

Every member family should receive these e-mail updates at one or more of the e-mail

addresses they provided Cherokee Ridge. In some cases, members reported receiving it at only one e-mail address.

If you would like to add an e-mail address to the new list, please notify the club office at 498-5300.

ENJOY SOCIAL MEDIA?

Follow Cherokee Ridge’s new Facebook and Twitter feeds! Each features information and photos about tournaments, upcoming events, and popular golf topics.

HONOURS GOLF WELCOMES NEW SUPERINTENDENT

Golf Course Superintendent Dan Sexton joined Cherokee Ridge on May 6. Having spent his entire career managing bentgrass in the South, he looks forward to bringing his skills and knowledge to Alabama.

Sexton earned a bachelor's degree in Turf Management from the University of Arkansas. While a student, he interned at Southern Hills Country Club in Tulsa, Oklahoma. During his internship, Southern Hills hosted the 2001 U.S. Open, giving him the experience of preparing a golf course at championship conditions.

Following graduation, Sexton was hired as the assistant superintendent at Pinnacle Country Club in Rogers, Arkansas, where he worked from 2003 to 2008. Pinnacle Country Club hosts the annual LPGA Northwest Arkansas Championship.

More recently, Sexton has been the golf course superintendent at Rarity Bay Golf and Country Club in Vonore, Tennessee. Sexton spent the past five years at Rarity Bay, where he and his staff worked hard to restore the bentgrass putting surfaces and maintain them to a high standard. Through hard work, sound agronomic practices, and attention to detail, they were able to maintain the greens at a high level through some challenging seasons.

Please join us in welcoming Dan to the Cherokee Ridge staff!

Look for Cherokee Ridge commercials on CBS and NBC during PGA golf tournaments!

RIDGE MEMBER TO PLAY IN BEATLES REVIEW ON THEME NIGHT

Live music always seem to make dinner sweeter. On Thursday, May 23, The Waterfall Grille will offer a theme night dinner, accompanied by music from the local string ensemble, Kapelle.

Sally Goldner, longtime Cherokee Ridge resident and member, plays cello for the group.

“In honor of the 50th anniversary of the Beatles invasion of the USA, we will be playing some of their best,” explained Goldner. “I’m pretty sure that if you don’t remember a whole lot lately, you still remember all the words to the Beatles songs.”

Please call the clubhouse at 498-5300 to place your reservations for this entertaining evening. Menu details will be announced via e-mail and cherokeeridgegolf.com.

CRCC COMMERCIALS

Have you seen the beautiful Cherokee Ridge commercials during PGA golf tournaments on CBS and NBC?

The commercials expertly depict our lush fairways and well-maintained greens against the backdrop of glassy blue lakes, thick forests, and breathtaking mountain views.

Honours Golf developed the commercials this

spring and began airing them in April. In order to target local golfers, the television commercials currently air only during golf tournaments on CBS and NBC.

Radio commercials may also be heard on The Rocket 95.1 during the weekly morning drive from 6:00-10:00am and the afternoon drive from 3:00-6:00pm.

POOL RENEVATIONS COMPLETED IN TIME FOR SUMMER

Deep blue pool water glistens as the sun rises each morning on the Ridge. Shiny white lounge chairs beckon members to come relax for awhile, and green patio tables with large umbrellas encourage passersby to plan summer picnics at the pool.

This inviting vision of the Cherokee Ridge pool and patio wasn't possible until a team of pool renovation experts worked for weeks in late April and early May to repair pool leaks, patio cracks, and other problem areas. They also power-washed, scrubbed, and repainted until the pool area absolutely shines.

The renovations were completed in plenty of time for summer fun! The pool is tentatively scheduled to open on Memorial weekend.

FITNESS CENTER UPDATE NEAR COMPLETION

Two small televisions entertain fitness enthusiasts without obscuring the view of the pool. One large television hangs on the interior wall.

New wooden floors and a fresh coat of paint have given new life to the club fitness center, located in the pool house.

While the updated look is refreshing, Honours Golf didn't stop there. They have installed three flat-screen televisions for exercisers to enjoy

while they visit the fitness center. Plus, they have ordered new professional-grade equipment from Life Fitness Equipment.

The new equipment is expected to be delivered sometime in May. The equipment will include a treadmill, recumbent bicycle, elliptical machine, and universal

weight machine.

Until the equipment is delivered, members may use the remaining pieces of older equipment in the fitness center.

To access the fitness center, members must have the door lock code. To obtain the code, please contact the club office at 498-5300.

To help facilitate the communication process each board member has taken on specific observation-liaison responsibilities as noted in the table below. All club members are encouraged to contact the board members anytime they have a question or concern. The Board is committed to representing your voice to club management. They will

ST. PATRICK'S DAY WINNERS

The luck of the Irish was with Diane Neustadter and her mother, Marie Kurek (pictured on the left), as they won the St. Patrick's Day costume contest at The Waterfall Grille theme dinner on March 14. Both ladies won Sunday Brunch at The Waterfall Grill.

To keep your freshly prepared guacamole from turning brown before you are ready to serve it, lightly mist the surface with flavorless cooking spray! This forms a seal to keep air out.

FROM THE PGA GOLF PROFESSIONAL

Although the weather has been a little cooler than normal, the course has been busy with tournaments this spring.

It has been our privilege to host a variety of tournaments, many benefitting excellent local charities, at our beautiful course over the past couple of months.

Not only have these tourna-

ments brought potential new members to the club, but also garnered media attention. For example, the Downtown Rescue Mission's 2013 Battle on the Ridge Golf Tournament was featured in the *Huntsville Times* and on Al.com.

Members have a lot of exciting events to look forward to this summer. We have the perennial favorites: the Member-Guest Tournament, Member-Member Tournament, and Club Championship. Couples Golf has resumed on Friday afternoons. Plus, we have several clinics in the works.

In late May, we plan to share details about our upcoming Ladies' Wine and Dine Clinics. These clinics are designed for women to enjoy after regular work hours. We will meet on the range where women can enjoy a selection of wine and cheeses, while I offer golf instruction. After a little practice, we'll head to the course to play three holes. It's golf education in a fun, relaxing environment.

I also look forward to beginning our Parent/Grandparent and Child Clinics. These are a wonderful opportunity for adults to share their love of the game with the children in their lives. These regular sessions will help introduce children to the game with shorts skills, rule or etiquette instruction before a practice session. During the practice session, adults and children have the opportunity to work together and strengthen the family ties that will carry far beyond the golf course.

Please check your e-mail for details on upcoming events. I look forward to the opportunity to serve you this summer!

COUPLES GOLF

Cherokee Ridge tradition continues as Couples Golf resumes this spring. Every Friday members gather at 5:30pm on the range or the veranda to make foursomes and head out for a relaxed nine holes of golf.

Couples traditionally enjoy a scramble format with an emphasis on fun and fellowship rather than competition. Afterwards, couples usually gather at The Waterfall Grille for a delicious dinner or appetizers.

Despite its name, couples golf is open to any member, regardless of whether you have a partner. Singles are paired together before the round.

For more information or to reserve your spot, please call the clubhouse at 498-5300.

ALEX OLIVER: AGE IS ONLY A NUMBER

By Gary Halbeisen

To most golfers shooting a score to equal or better their age is normally just a fantasy or 19th hole rhetoric about someone they may have heard of. Not so at Cherokee Ridge as long as Alex Oliver (AO to his Low Roller buddies) continues to play.

On Saturday, March 30, Alex, who will be 79 in June, shot an amazing 74 with 4 birdies. Following the round and the settling wagers in The Waterfall Grill, AO was more critical of missed shots than the score he just posted. When asked if he had ever shot his age prior, he responded in a slow thoughtful drawl, "I'd guess two or three times, but I'm really not sure."

One thing is for sure as long as AO continues to be a fixture at CRCC (he has been a member since 1992), there will likely be more memorable rounds of golf to be played by this ageless gentleman.

FIRST LADY'S ACE OF 2013

Reigning Women's Club Champion Connie Nicholson aced a par 3 on vacation in Ocean Isle Beach, North Carolina on April 26.

While playing the sand course with her sister at Sandpiper Bay Golf and Country Club, Nicholson made a hole-in-one on #8.

Do you know of a member who made an ace? Please send us the details at crccletter@gmail.com.

WEAVER WINS COUNTY; NOW STATE BOUND

Arab High School standout and Cherokee Ridge member Zachary Weaver recently captured the boys individual title in the Marshall County Golf Tournament at Lake Guntersville State Park on April 18.

Weaver calmly sank an 18-inch birdie putt on the third playoff hole to win a duel with Guntersville's Eric Yarbro.

On May 6, Weaver qualified for the AHSAA State Tournament after shooting 78 and finishing third at Terri Pines Country Club. Weaver concedes that 78 might not seem particularly impressive under normal circumstances, but felt the course setup was very demanding and is excited to move on to state.

**GOLFERS,
PLEASE REMEMBER**

Range Hours:
The Range will close at approximately one hour before sunset.

WINE SOCIETY

By David Tomlinson

The Cherokee Ridge Wine Society met on April 9. The evening was very successful with Bridgett from United Distributors along with David Muir from Constellation Wineries providing outstanding wines.

Constellation is the owner of over 70 wineries. Constellation owns mostly boutique wineries with some majors, such as Franciscan and Robert Mondavi.

Chef Maceo prepared an outstanding meal which fea-

tured a delicious roasted duck breast as the entrée.

We added two new members to the Wine Society that evening — Mike and Pam Emery. Welcome to Mike and Pam!

Our next meeting is scheduled for Tuesday, May 14 at 6:30pm in the clubhouse. We plan to have an educational evening. Joanne Puckett with Kala's Cottage will be our special guest. The wines have yet to be selected, but you can count on great wines along with great food.

We welcome guests and encourage anyone who loves wine and food to consider joining the CRCC Wine Society.

SOUTHERN LIVING AT CHEROKEE RIDGE

By Del Hanes

The Cherokee Ridge Southern Living group meets at noon on the fourth Tuesday of each month. The informal gathering is held at the hostess' home and generally the members prepare and bring a favorite Southern Living recipe to share at a luncheon. But more important than the food is the time visiting and talking with friends and neighbors we otherwise may miss seeing for months at a time.

To encourage participation the group has decided to vary the luncheon format by giving the hostess the freedom to plan the monthly meeting around a Southern Living theme. The April hostess, Sue Anderson, decided to have a salad luncheon and requested that everyone bring a cold dish. Nine members enjoyed the likes of Shrimp Salad, Strawberry Salad with Cinnamon Vinaigrette, and Chicken-Tortellini Salad to mention just a few of the dishes that were prepared. The food was delicious and we all enjoyed seeing Sue's updated interior decorations.

May is a very busy travel month with Mother's Day and Memorial Day, so the group has decided not to meet. Members should look for an email from Amanda Hollrad, the June hostess, for details of the June 29 meeting. It will be up to Amanda to set the theme.

The Southern Living group is open to everyone in the community. Although members usually bring dishes from recipes in the current issue of Southern Living magazine, you don't have to cook to come and enjoy the fun. If you are not on the member email list and are interested in participating, please contact the clubhouse at 498-5300.

We hope to have the pleasure of your company in the coming months as we gather to enjoy Southern Living at Cherokee Ridge.

CHEROKEE RIDGE

The Waterfall Grille

Plus, Chef Maceo offers a variety of delicious entrees as blue plate specials, on Thursday Theme Nights, Friday Night Dinners, and the ever-popular Sunday Brunch.
