A LETTER FROM OUR GENERAL MANAGER

Well, ladies and gentlemen, the first three months of the year have already flashed by so quickly. With April upon us already, we have an exciting few months planned to start off the season. Wine Dinners, the Masters Watch Party, Easter weekend, Men's and Ladies leagues starting again, the Couples Golf tournament in early May, Mother's Day, Kids Klubs, and Graduation, just to name a few.

But before we get too far into the future, I would like to sincerely thank all of the members who attended the Annual Meeting for your continued support. Special thanks to Ken Woods, Past President, for serving his three year term on the Board. Congratulations to Kris Stafford, our new Board President, Ross McDonald, a newly elected Board member, and Terry Kershner, who was reelected for another 3 year term. We have a great team of dedicated Members on the board and we know that they will represent the Club well.

As a quick reminder, you'll notice a 5% dues increase effective on this next statement, which was approved at the Annual Stockholders Meeting in 2015 for the next 5 years.

I hope all of you have had a chance to experience several items off of the new menus. We're receiving numerous compliments and we appreciate your support and continued enjoyment of Chef's new ideas. Please keep us in mind for your banquets, meetings, and events, as we always like to keep those spaces as full as possible. Please remember, you are encouraged to refer a friend to hold an event here too! Who knows, they may just become our newest member once they see all of the benefits we offer and what we can do for them.

The Manhattan Country Club staff and I look forward to seeing you and serving you often. Our goal is to provide you with exceptional experiences so that you, your family, friends, and guests can enjoy your time at the Club. We know you have choices when it comes to how you spend your leisure time and dollars. We are committed to ensuring it's time well spent at the Manhattan Country Club!

Easter Egg Hunt

Saturday, April 15th

Bring your kids to the Manhattan Country Club's annual Easter Egg Hunt at 10:30 am, Saturday, April 15th. We'll have eggs for all the kids and you can dine in Club XIX when you're finished!

In the event of inclement weather, the Easter egg hunt will take place indoors.

A LETTER FROM OUR MEMBERSHIP DIRECTOR

The month of March saw both warmer and colder temperatures. I was surprised to see beautiful 70 degree weather one week and then snow the next, but spring is well on its way and will soon fade into summer. With the change in weather we are already seeing a rise in membership inquiries. Thank you to everyone who's been referring their friends to me. I've given out several membership packets, set up tours, and discussed membership with multiple people. Hopefully they'll join and get to take advantage of the amenities the club has to offer.

Don't forget that KE Camps will be here this summer for four weeks. Dave brought KE Camps to the club back in 2012 and it was a great addition. Now that we have more families with younger kids, we're hoping that it'll be a success this year too! You can check out more information on our club-specific KE Camps page: www.kecamps.com/camps/manhattan-country-club.

Thank you to the members who invited their friends and family to the Member Guest FAC on Friday, March 17th. We had a beautiful display of cupcakes from Alyssa's Cupcakes and the mini Ruebens were a hit. We held a Member Guest drawing for someone to win their first month's dues free if they joined by April 1st and Karen Brokenicky, Jan Marks's guest, won. She joined as a dining member and will enjoy the month of April on us. We would also like to welcome new members AJ and Sara Redetzke and Larry and Julie Kelly.

In early March we started an Every Day Direct Mail campaign for the club. We sent out 4,900+ postcards that offered a complimentary round of golf at the club, requiring the recipient to schedule a tour with me before their tee time. By the end of March we started receiving calls and sending out membership packets to those who inquired and we're hoping to see some growth in our membership numbers in April.

As always, if you have any questions or or know of anyone who'd be interested in joining the club, call the office or send me an email.

Respectfully,
Jessica Anderson

DINING IN THE MANHATTAN ROOM AND PINEVIEW ROOM

This year we want to see more attendance in rooms we've under utilized in the past. The Manhattan Room provides a beautiful view of the city and a spectacular formal dining experience. If you want something a little less formal but still special, the Pineview Room offers a breathtaking view of the course. Just ask for either room when you're making your reservation or walking in and we'll be happy to accommodate you!

A LETTER FROM OUR FOOD AND BEVERAGE DEPARTMENT

Greetings Members!

As April approaches, Chef and I are busy preparing for my favorite season! My schedule book is getting full, and I am looking forward to being busy!

Starting April 2nd, we will be keeping our Club XIX doors open and the kitchen cooking until 8:00 pm on Sundays for the spring and summer seasons. We will be serving the breakfast menu from 8:00 am to 1:00 pm and the lunch menu from 11:00 am to 8:00 pm, so please join us for Sunday Funday!

April 5th is our first Wine Tasting Dinner of the year. Chef has made some great decisions in order to create a unique and delicious soiree. Those of you who missed the opportunity to reserve a table for the evening, please be prepared to sign up for the next one. We don't know when that will be yet, but it will happen and it will sell out. We will keep you posted!

Saturday, April 15th, bring the kiddos out to see the Easter Bunny and hunt for eggs. We will be hosting the annual hunt on the front lawn at 10:30 am. Then bring the family by for Easter Brunch on the 16th. Another amazing menu planned for the glorious holiday. Be sure to call the office and make your reservations! The 12:00 pm seating fills the quickest!

In addition to our special events, come by for a meal and witness the buds blossoming and the birds chirping around the property. It is such a beautiful time of year. Please enjoy it with us.

Happy April!

- ★ \$10 off your first time getting a massage at the Country Club
- ★ Buy 2, get the 3rd at half price

Massage Modalities Used:

Swedish Massage

Long deep strokes to elongate muscles, soothe the nervous system, and bring about a state of deep relaxation.

Deep Tissue Massage

Deeper, more specific strokes to break up muscle adhesions and spasms, strengthen weak muscles, and cross-fiber to reduce or eliminate tension and pain in the muscles.

Neuromuscular Therapy

Neuromuscular Therapy is a program of recovery from acute and chronic pain syndromes by utilizing specific massage therapy, including the pressure of trigger points, to eliminate the causes of pain patterns. It enhances the function of joints, muscles, and movement, and it releases endorphins, the body's own natural pain killers.

Foot and Scalp Reflexology

Works specific points on the feet and head for overall body relaxation and pain reduction.

A LETTER FROM OUR HEAD GOLF PROFESSIONAL

Ladies and Gentlemen,

March was pathetic. The wind howled, it snowed, and the temperatures were all over the map! The only good news is that we are headed in the right direction for warmer weather.

New items will be arriving daily in the Pro-Shop. New hats, new shoes, new bags, and all new apparel for the 2017 season will be arriving soon. Remember that Manhattan Country Club owns the merchandise, so when you spend your dollars here they stay here to improve your facility!

Coach Norris and I are back at it, teaching lessons already! We are starting up again and are here to help you improve your game, as well as, provide any psych evaluations you might need! See you all soon!

Let's get better in 2017!

A LETTER FROM OUR GROUNDS SUPERINTENDENT

Spring is officially here and even though there are some cooler days, there are plenty of warm sunny ones to help the golf course green up. With that said, the early spring weather has become drier than we hoped for. We are hoping for more timely rainfalls to help keep our water costs down. Our irrigation is now up and running for the upcoming golfing season. We have only had minor issues with the spring start up, including a main line leak by number 1 green. We are currently working on resolving these minor issues.

The month of April is when we start our pre-emergent program along with our broadleaf program. We will also be Aerifying the course, this helps with compaction and air throughout the soil. These culture practices help give us a good start for the upcoming growing season. Our crew is growing in size with some returning employees and a few new ones. We are looking forward to the upcoming season and with the warmer weather upon us we are hoping to see more and more players out on the course.

If there are any questions or comments please feel free to ask.
