A Letter From Our General Manager

With the change from winter to spring, also brings change to our Board of Director's. At the Annual Meeting on March 27th the following new 4 were voted in to represent your club; Kris Stafford, Ester Carpenter, Dennis Fair and Luke Neville. My heartfelt thanks to Terry Kershner and Brian Fehr for their time and leadership leave the board and to all those that continue to serve. The Executive Committee is as follows; Dennis Fair, President, Scott Payne, Vice President, Luke Neville, Treasurer and Ethan Bernick, Secretary.

Thanks to the crowd of slightly less than 300 that braved the weather to attend the Easter Buffet. We heard numerous compliments and I want to thank our team for another job well done. Mother Day is around the corner and the menu is posted in the Fore & More. Please call today for your preferred time as this event always fills quickly.

We have lots of activities on the horizon from golf to social event so please join us as often as possible.

See you around the club,

Dave Kelley General Manager

A Letter From Our Membership Director

Happy April Everyone!

I really thought, hoped, wished on a four leaf clover the weather would be warmer by now. However, I am optimistic warmer weather is coming soon.

I have been working very hard with Dave Carpenter and Creative Golf Marketing to roll out our new membership campaign. I am excited to announce it is HERE! I am very excited about this new campaign. I am confident it will increase our membership. If you have any potential members, please send them my way or stop by and pick up a membership packet.

There are great benefits included for the new members, as well as our CURRENT MEMBERS!! If you are still in the higher dues category, we can move you down to a lower dues rate. If you are already receiving the lower dues rate, I have special gifts for you to choose from in the office.

I am excited to announce this month we have already brought in 9 new members. We have to work together as a club to keep this number increasing going forward.

I am always happy to sit down with any member who may have suggestions on how to continue our success or if anyone just wants to see adorable pictures of Taylor. Please do not hesitate to stop by my office!

A Letter From Our Food and Beverage Department

March was an exciting month here at Manhattan Country Club! We hosted two Kidz Klubs that were well received by our members and their children. It was great to see an increase in attendance now that we have a professional working with us from Manhattan Nanny Services. Don't forget that if you invite your friends to dinner, their kids can go to Kidz Klub, too! What better way to show off your Club than a relaxed evening with your friends while the children are being entertained! Our next Kidz Klub will be on Friday, April 20th. Call the office and let us know if you have kids who will attend!

Despite the fact that K-State didn't make it to the final four, we hosted two spectacular watch parties in Club XIX for March Madness! We had about 50 people on Thursday, March 22nd for the Sweet Sixteen and 75 people on Saturday, March 24th for the Elite Eight. We might not have beat Loyola, but we sure did have a good time! Here's to next year. Go Cats!

April is bringing about the start of our weekly golfing leagues. Ladies on Tuesday night, couples on Wednesday night, and men on Thursday night! Join us here at the club for an evening of golf and then food in XIX afterwards. There's no better way to meet new people than to join a golf league and enjoy the social aspect after the game. We're prepared for a great season on the course and in the restaurant, all we need is you!

This year is going by quickly and Mother's Day is just around the corner! Surprise the mother in your life by bringing her to the Club! We do a large brunch in our ballrooms

that has something that caters to everyone. We have seating at 11:00 am, 12:00 pm, and 1:00 pm; so join us for a special Sunday treat and celebrate the day at your favorite Club and mine!

A Letter From Our Grounds Superintendent

Spring is officially here and even though there are some cooler days, there are plenty of warm sunny days to help the golf course green up. With that said, the winter weather was drier than we than we had hoped. We are hoping for some timely rainfalls to help keep our water cost down. Our irrigation is now up and running for the upcoming golfing season. We have had minor issues with spring start up and are currently working on resolving these issues.

The month of April is when we start our pre-emergent program, along with our broadleaf program. We will be

Aerifying the greens soon. This helps with compaction and air throughout the soil. These culture practices help give us a good start for the upcoming growing season. Our crew is growing in size with some returning employees and a few new ones. We are looking forward to the upcoming season and with the warmer weather upon us we are hoping to see more and more players out on the course.

If there are any questions or comments please feel free to ask.

A Letter From Our Head Golf Professional

Ladies and Gentlemen,

Well March was a fly over month, as it did not produce enough nice days for everyone to get in a rhythm! Very frustrating, but we are still that much closer to summer!

The Polar Open was a great event and the weather held up its end of the bargain. We ended up with 32 gentlemen and 7 ladies. They braved the very fair conditions and had a blast with our 1 person scramble.

April means that time of the year when new items start magically showing up in the Pro-Shop. Come check out the new gear for 2018! New shoes, clubs, golf balls, and golf bags have arrived, so swing in and see what is going on in your Pro-Shop!

See you all soon!
