Kidz Klub

*Friday, April 19th
Friday, May 17th
Friday, June 21st*

*We would like to invite our members to relax while their kids are in a family friendly environment. Kidz Klub will take place from 5:00pm to 9:00 pm. The price is \$10 per kid and tips for the staff are **HIGHLY ENCOURAGED!***

Due to safety concerns Kidz Klub is limited to kids between the ages of 2 years old and 12 years old.

**If there are no reservations by 2:00pm on the day of Kidz Klub it will be canceled.*

A Letter From Our Food & Beverage Department!

Spring is finally upon us, and we are looking forward to better weather!

With better weather comes the kickoff to our golf season. TEG will be resuming on April 9th, followed by Men's League on the 11th. We're excited to be hosting both of these groups in the restaurant again.

Shortly after is Easter on April 21st, and we are holding our annual Easter Egg Hunt and Brunch. If you have not submitted your reservations, please call the office. We are hoping for a big turnout.

The month of May will also be full of exciting events! Our Mother's Day Brunch will be on Sunday, May 12th. The pool reopening is taking place on May 23rd, the Thursday before Memorial Day.

We hope to see you all at the club!

Maison Rickerd
Food & Beverage Manager

An array of sweet creations including Carrot Cake, Double Chocolate Cake, Assorted Cookies and Other Tasty Treats.

A Letter From Our Golf Professional!

Ladies and Gentlemen,

Hello golf season! Leagues, events, and tournaments are right around the corner! Hopefully you all enjoyed the Polar Open, and removed some of that rust from your swing. I have always enjoyed that format for a lot of reasons.

Now that we will be having a full golfing year, please be on the look out for changes to schedules. Mark's aerification schedule, tournament changes, and new events will be added to the schedule for all to participate in. More information will be out as we lock in dates and any other resources we might need for these events.

Moving forward, I believe we are in great hands with the board and our new General Manager. We are all looking out for the best interest and future of your club. I am anxious to see and be a part of the great things to come!

See you soon!

Scott Wempe PGA
District Director of the Flint Hills Midwest PGA
Head Golf Professional

A Letter From Our Grounds Superintendent !

As most of you have probably heard, our Zoysia project has been delayed. Our cultural practices over the last six months have been geared toward completing the project this summer. We did not over seed last fall in order to save money and provide quality turf this spring. We have been working with some of the university turf experts on a plan of attack to give our fairways the best possible chance to thrive this summer. We believe the Zoysia project would be highly beneficial to the course and all the golfing members. This is an excellent project when done at the appropriate time that aligns with all of the Club's obligations and goals.

In the month of April we start our pre-emergent program along with our broadleaf program. We will be aerifying the greens on April 9th and 10th, which helps with compaction and air throughout the soil. These cultural practices help give us a good start for the upcoming growing season. Our crew is growing in size, with some returning employees and a few new ones. We are looking forward to the upcoming season, and with the warmer weather upon us we are hoping to see more and more golfers.

Hope to see you on the golf course! If you have any questions or comments feel free to contact me.

Mark McKain
Golf Course Superintendent

A Letter From Our Massage Therapist!

Ways Massage Can Help Reduce Neck Pain and Stiffness.

The most common causes of neck pain and stiffness that I see in my massage practice are bulging discs, impinged nerves, Stenosis, Scoliosis, and muscle spasms. Massage can often help in any one of these conditions. It is recommended to see a medical doctor first if your neck pain is unmanageable, a sudden onset, or impairs function.

For neck pain caused from tight muscles these are the massage modalities that can help give you relief:

1. Swedish Massage consists of gentle, long, smooth strokes to relax the muscles, increase circulation to the area, promote lymph flow drainage, and relax over-stimulated nerves.
2. Deep Tissue can zero in on the deeper or smaller muscle culprits to release spasms at a deep level.
3. Neuromuscular Massage helps to release impinged nerves due to tight muscles or spasms.
4. Myofascial Release is a slow stretching and holding of the muscle to release tight fascia.

I do not do a standard routine massage; rather I direct the massage to your individual needs and attempt to locate the primal causal factors involved in any muscle tension, and address that in a progressive approach to bring the body back into a state of relaxation and balance. I was trained by medical doctors and have over 1000 hours of training by some of the top instructors in the field and over 30 years of experience. I specialize in neck and back problems and sports injuries. Although I focus on reducing or eliminating muscle pain and dysfunction, my massages are deeply relaxing as well.
