Wow, it is August already! Summertime is slowly winding down, but it has been a beautiful and fun-filled season! July started off with a BANG, literally with the fantastic fireworks show and dinner buffet. Thanks to all of you that joined us in making it a successful event yet again this year. The Dive-In movie at the pool had a good crowd and beautiful weather! Dave Lewis did a spectacular job on the presentation.

The early summer rains have vanished and the heat has settled in, so now is the perfect time to utilize the pool before summer's end and the start of the school year. Beginning August 12th the pool hours will be shortened to 3:30pm-8:00pm to coincide with the start of school. This month the Sand & Seed party will be on August 5th, come out and join us to refurbish the course and enjoy a pizza night. Kidz Club will be on August 8th so make plans to attend FAC and maybe walk away a big winner! Men's League will wrap up mid-month, best of luck to the remaining teams! The Ladies Member-Guest will also take place this month. Remember to sign up early for the Drive-In movie *Caddyshack* on August 22nd! Carts will be limited to the first 50 couples, but you are welcome to bring your own chairs or blankets.

I continue to encourage you to showcase your Club experience to friends and colleagues at FAC, it is fun and casual way for them to view all MCC has to offer. MCC is nothing without its devoted Members, thank you for all you do! I appreciate the support you continue to show me in the office. Please call, email, or stop by to see me with any questions, concerns or just to chat!

Be Well,

Sarah Boggs

A Letter from Our Golf Pro

Greetings Manhattan Country Club Members!

I hope this message finds you all doing well! The "summer" weather has been quite nice thus far in 2014 with lots of cooler mornings and high temperatures that haven't been outrageous. Mark and his staff have the golf course in terrific condition and we'd love it if you came out in the near future to enjoy your wonderful golf course.

For those who aren't aware, Scott Wempe has joined our team as an Assistant Golf Professional. Scott is a great addition to the staff of Manhattan Country Club and we are thankful to have him here. If you haven't already done so, please stop by and say hello to Scott.

The month of August brings a couple of member events that I would like to put on your radar. The 2014 Ladies Member-Guest will take place on Sunday, August 17th and Monday, August 18th. We are also going to be hosting a new event called the Couples "Big Cup" Challenge on Sunday, August 24th. This event will use 15" cups on the green instead of the regulation 4 1/4" cups. This event promises to be a great time and please watch your email inbox for more details on this event in the near future.

Thanks for your time and have a great day!

Blake Graham
PGA Head Professional
blake@themanhattancountryclub.com

Summer weather is nearing its end. As the cooler temperatures approach, we have begun to schedule our fall cultural practices, which includes overseeding and aerification. Although the course is still in great condition, it is important to overseed yearly to keep the quality of the turf from year to year. This process will take place beginning at the end of August through the beginning of September.

Weather pending, we will try to conserve as much water as possible on certain areas of the golf course to stay within the water budget. The areas that will be monitored for less water are the rough and some zoysia tees.

Greens aerification is scheduled for September 2nd and 3rd, and will remain such as long as the weather allows.

As a reminder, we will be applying grub control on Monday August 4th. The golf course will be closed all day. Also, when playing, please do your best to keep carts a minimum of 30 yards away from all greens. Thank you for your patience and cooperation.

If you have any questions, comments, or concerns, please feel free to contact us.

Mark McKain
Golf Course Superintendent

A Message from our General Manager

I don't know about you but for me, it's hard to believe that it's already August! I can't believe how fast the last few months have gone by. That being said, there is still time for more good times, with great weather to be had! Some of the best golf lies ahead so keep swinging & hit straight.

As we continue through the busy season I'd like to thank a few people for their extraordinary efforts in making the club the success that it is. First of all I would like to thank the board of directors who volunteer their time on a monthly, if not a more frequent basis, to help keep me informed of the items that are on members minds so that we can address them. I'd like to thank Blake Graham and his team in the Golf Shop operations as we've just completed our 2014 Men's & Ladies Member-Member tournaments and according to several who played, they were very successful. Obviously, a huge thank you to Mark and the golf course maintenance crew for battling the hot, dry weather we've been faced with lately. The course continues to improve daily and we always receive many favorable comments from all that play. Nice job! I would like to thank the pool staff, in particular, Kelly and Kate and the entire team for handling every little thing that happens at the pool with a smile and a great attitude. I'd like to thank Chelsea, Chef Ryan and the entire F&B team for doing the great things they're doing. Keep it up. Finally, thanks to Sarah for stepping in at the busiest part of the season and making the office run without a hitch. You had big shoes to fill with Diana leaving and you're doing an excellent job!

We hope that you're enjoying the summer, your club, your friends and the efforts the entire team is putting forth for you.

Hope to see you soon,
Dave
