A Letter From Our Grounds Superintendent!

Winter is now officially here and the golf course is now waiting until spring time. We have winterized our irrigation system and started our equipment restoration program. Every winter we go through all the equipment and do our yearly maintenance. This includes changing bearings, sharpening reels, and overall general maintenance to the equipment. This will give us a good start to next years upcoming season. During this time we have started cutting down any dead pines and trimming down overgrown areas throughout the golf course. We will also do our best to keep the leaves and pine needles to a minimum to offer the best playing conditions possible. There will be two cups on every green so, please rotate the flags accordingly. I'm sure there will be a few days with good golfing weather left so take advantage and please be patient with the frost. Have a safe and happy holiday season!

A Letter From Our Golf Professional!

Ladies and Gentlemen,

Happy December! I hope everyone enjoyed their Thanksgiving Holiday and didn't eat too much!

It looks like the weather will be decent enough to play some golf for a while! Take advantage of these last days before Winter really sets in. If the weather does turn, I will be setting up the simulator upstairs and it will be available.

If you happen to travel this Winter and need help getting on to some golf courses, please do not hesitate to reach out. I would love to help you get on and play some places where you travel!

See you soon!

Season's Greetings!

We first want to thank everyone who joined us for Thanksgiving last month, it was a very successful afternoon! Now as we turn to December, we have a lot to look forward to here at the Club. First is our lady's night December 4th hosted by Woods and Wildflowers. In this event you will discover your more creative side by creating your own personalized home holiday décor with friends and family.

Next for you to get excited about is our Annual Santa Brunch on December 15th. Bring the Family and enjoy a delicious buffet prepared by our staff and after getting to meet Santa Claus himself! Be sure to RSVP in the office for seating times which are 11am, 12pm, and 1pm.

Finally, Chefs Table is December 17th with cocktails starting at 6:30pm and dinner starting promptly at 7pm. This event has already been sold out but please don't let this discourage you as we will be having another Chefs Table next month! If you have already booked our seat for this month's dinner, we will be posting the menu soon.

Have a great December!

The month of December is here and we are full steam ahead with events and hoping to break records. We are very excited to break out the Chef's Table and take you on different trips around the world, our first stop being in Italy. I'm excited to bring in new plating techniques and more upscale plates for the event. Everything will be mand made and plated beautifully.

Santa Brunch is another highlight of the month. We are going to do some different types of hot chocolates and have a chocolate fountain! If you have any ideas or questions don't hesitate to call or stop by and see me. I hope everyone has a wonderful holiday season and safe travels!
