a letter from our membership director

I can not believe December is here already! This year has seemed like it flew by. We have a lot of great events planned for our members; so if you haven't signed up yet please call the office and I will get your name on the list. These events are also a great way to showcase Manhattan Country Club to your friends. We always encourage guests at any of our member events. I am more than happy to take the time to talk to any potential members.

As some of you may have heard by now I will unfortunately be leaving the club at the end of the month. My husband and I found out we are expecting our first child. He is currently overseas on a deployment right now and will not be returning until a few days before the baby is born. We decided it was best for me to go back to Texas so I could be around family.

My experience here, and the relationships I have made, I will cherish forever. I was not at all prepared to say goodbye this fast, but I guess life had a different plan. Jessica, our food and beverage assistant, will be taking my place and I know she will do an amazing job!

Be Well,
Christina Hodges

December Massage Specials

*\$10 off your first time getting a massage at the country club

*Buy 2, get the 3rd at half price

*Refer someone for a massage and receive \$10 off your next massage

Massage Modalities used:

Swedish Massage: Long deep strokes to elongate muscles, soothe the nervous system, and bring about a state of deep relaxation.

Deep Tissue Massage: Deeper, more specific strokes to break up muscle adhesions and spasms, strengthen weak muscles, and cross-fiber to reduce or eliminate tension and pain in the muscles.

Neuromuscular Therapy: Neuromuscular Therapy is a program of recovery from acute and chronic pain syndroms by utilizing specific massage therapy, including the pressure of trigger points, to eliminate the causes of pain patterns. It enhances the function of joints, muscles, and movement, and it releases endorphins, the body's own natural pain killers.

Foot and Scalp Reflexology: Works specific points on the feet and head for overall body relaxation and pain reduction

We are also excited to introduce our new Massage Therapist, Christy Upham. She is available to start taking appointments immediately. Call her at (808) 280-0486 to schedule your Holiday Massage

a letter from our food & beverage department

December is one of the best times of the year! MCC has great traditional events for the whole family. Don't miss Santa Brunch on Sunday, December 11th. Santa Brunch is a great time to get private meeting and pictures with Santa, or maybe you're looking to enjoy a delicious brunch with co-workers or friends. The New Year's Eve dinner will be a three choice selection accompanied by local jazz musicians. Please remember to call for reservation so we can be sure to accommodate your party.

We still have some availability for Christmas gatherings. Please contact me if you are interested in a lunch or dinner party or even just a cocktail gathering with your business or friends. We can be flexible with your plans and would love to host any event size.

Some of you may have heard by now that I have announced my resignation as your Food and Beverage Manager. I have accepted a position with K-State Foundation to further my career in events. I hope to see many of you in the community and supporting the Cats!

It has truly been a pleasure working and getting to know each of you over the four and a half years at MCC. I will miss the relationships built with my fellow staff and members as I helped create many fun memories. I know Dave will find a great replacement to help with this transition and keep the Food and Beverage standards in place.

Thank you for your support and kindness over the years and best wishes to each of you!

Cheers!

Chelsea Albrecht

a letter from our golf professional

Ladies and Gentlemen,

Hard to believe it is December. Feels like yesterday that we were starting out this season!

There is a holiday approaching and with great gifts in the Pro-Shop for the loved ones, why not stop by and purchase one or two for them and maybe one for yourself? December 8th will be our holiday sale in the Pro-Shop. Stop by and see all the great deals going on!

With the holidays coming, this is also a great time to think of gifts for your golf game next year! New equipment will slowly be rolling out for the next couple of months, so be on the lookout for these new fun toys!

See you soon!

a letter from our grounds superintendent

Winter is now officially here and the golf course is now waiting until spring time. We have winterized our irrigation system and now started our equipment restoration program. Every winter we go through all the equipment and do our yearly maintenance. This includes changing bearings, sharpening reels, and overall general maintenance to the equipment. This will give us a good start to next year's upcoming season.

During this time we will also be cutting down any dead pines and trimming down overgrown areas throughout the golf course. There will be two cups on every green so, please rotate the flags accordingly. I'm sure there will be a few days with good golfing weather left so take advantage and please be patient with the frost.

We would also like to give a big thanks to all the members who volunteered their time for our workday. The use of your trucks and trailers was also very helpful during this process. Have a safe and happy holiday season!

General Manager's Message

Is it really December and the end of another year????

2016 has been a good year at Manhattan Country Club. We celebrated our Centennial Anniversary and held many great events that brought you and your guests to the club on many occasions. While not a huge increase, it does look like we'll finish the year with 7 more memberships than we started with.

One of our goals for this year was to improve our service levels and make the club more of a destination for lounge and dining, and based on the increased activity we are seeing that develop. In order to continue to grow that area, we realize that we need to maintain good quality food, excellent service, and competitive pricing. I have had very positive feedback from the membership and Board of Directors on the improvements "in-house" and please know that your feedback is utilized to make improvements. There will always be a time when things didn't go exactly right, but know that the effort is there trying to do the best that we can to satisfy the membership on each and every visit.

Change is not always easy so I kindly ask for your patience and support while we go through some changes to our management team. It's with regret that I inform you Chelsea our F&B Manager is moving on in her career after 4 years with us to the KSU Foundation. She has done an excellent job and we wish her well. Christina, our Office Manager/Marketing Director who has also done an excellent job in her short tenure, is moving back to Texas to be closer to her family while her husband is on a tour of duty. They are expecting their first child in July of 2017. We are certainly going to miss both of them, so as you see them throughout the club in the next few weeks. Please help me thank them for a job well done.

Jessica Anderson, who has been our Assistant F&B Manager will be moving to the office to assume Christina's duties and we have started the search process to replace both her and Chelsea. In the immediate future, and, after Chelsea's departure, if you need assistance with banquets or F&B issues, please don't hesitate to contact me and I'll be more than happy to arrange your events.

Please note the extra events in December - and take the opportunity to relax and enjoy the club during the busy holiday season! I'd like to also take this opportunity to invite everyone to the annual New Year's Eve Dinner. Chef has created a great menu and we have an excellent jazz trio lined up for your listening pleasure. It happens every year on December 31st, so give us a call to make reservations and put it on your calendars!

Merry Christmas and Happy New Year to all!

Dave Kelley, GM
