It is hard to believe that it is December already, with the cold weather finally upon us!! I hope that you all got to enjoy your Thanksgiving time, as we prepare for a busy December.

You should have all received a new member "packet" and if you need any additional ones, please feel free to contact me. We have picked up eight new memberships thus far as part of the recent beginning of the Centennial Promotion! There are several other potential future members that are relocating from out-of-state that I am corresponding with as well. Let me know if I can be of assistance in promoting the club to folks you know!

The Ladies Shopping Trip on December 6th still has a few openings if you want to book your reservation. Just in time for the holidays!

Be safe and enjoy the rest of 2015!

Food & Beverage Information

Tis the season,

Thanksgiving is past us and Christmas is on the horizon. A couple of quick reminders of upcoming events. The Ladies Day Out is on Sunday, December 6th and here at the Club we will be hosting Cookies and Cocoa from 2:00pm – 4:00pm, a free event for all ages.

Then Santa Brunch on December 13th with seating at 11:00am, 12:00pm and 1:00pm. Santa will be here to visit and take pictures with the children. As with last year if you want to give your child a gift during his visit please bring a wrapped present with a name on it to the office by Friday, December 11th. Santa will “deliver” each gift personally that day!

New Year's Eve we will feature a special menu and there will be no other service after 5:00pm. The band this year will be a local jazz band called the Thundering Cats Jazz Combo. We are looking forward to seeing everyone there.

November's Uncork and Unwind wine tasting was a great success. I want to thank everyone what came out. It was a great time and everyone enjoyed themselves. Good wine and good food created a great time. We look forward to the next paring Wednesday, January 27th, 2016.

Cheers,

Chef John

Grounds Information

Winter is now officially here and the golf course is now waiting until spring time. We have winterized our irrigation system and now started our equipment restoration program. Every winter we go through all the equipment and do our yearly maintenance. This includes changing bearings, sharpening reels, and overall general maintenance to the equipment. This will give us a good start to next years upcoming season. During this time we will also be cutting down any dead pines and trimming down overgrown areas throughout the golf course. There will be two cups on every green so, please rotate the flags accordingly. I'm sure there will be a few days with good golfing weather left so take advantage and please be patient with the frost.

As 2015 starts to wind down I would like to reflect on some of our accomplishments this year. Thanks to all of the members for their financial contributions this spring; the club is on a path for long term success. I'm proud to say we're ahead of budget and we've managed to reduce our expenses in all departments. With a successful party season in the month of December we'll finish the year in the black. We welcomed Chef John to our team in early spring and he's proven to be an excellent addition. Scott Wempe was promoted to the Head Professional position this fall and he's been doing an excellent job of managing that department. Katrina Brooks took over the Office Manager position this fall as Sarah moved on to a new career path. If you haven't met her yet, please stop in and say hi! Chelsea and Mark continue to lead their departments and have both really risen to the occasion with all of the changes going on around the club. Membership has stabilized and we're poised for growth in the coming centennial year. Hopefully, all of you enjoyed your Club experience this year and are looking forward to what 2016 has in store!

Thank you to all of the members who have referred prospective members, banquet events, outings and other business to the Club throughout the year. These revenue streams are key to the Club and your support is appreciated. Lastly, thank you to all for your continued membership at Manhattan Country Club. Without you there would be no Country Club as it exists now.

We continue to have many great events coming up for you to round out the year - The Ladies Holiday Luncheon, Ladies Bus Trip, Cookies & Cocoa for the children, Santa Brunch and New Years Eve of course. Details on these events can be found throughout the newsletter, and reservations can be made by contacting the Clubhouse. We will be happy to secure a table for you.

A BIG thank you to the members that have contributed to the Employee Christmas plan. The support and generosity has been overwhelming! On behalf of the entire MCC staff, I again thank you for your support and financial contributions to the fund.

We look forward to a banner year in 2016 with many great things to come and a centennial celebration that promises to be one you don't want to miss. Wishing you and yours a safe and happy holiday season.

The Management and Staff of Manhattan Country Club are committed to continuous improvement and member satisfaction.

Merry Christmas & Happy New Year,

Dave Kelley
