# *A Letter From Our Golf Professional!*

Ladies and Gentlemen,

We are that much closer to SPRING!!!

I just got back from the PGA Show down in Orlando Florida. What a sight that is! It was an awesome event. It is always great to meet new friends in the golf world and catch up with some ones I have not been with in quite some time. There were a lot of new products coming out and you will be able to see some in the Pro-Shop soon!

Looks like it might be a few more weeks until we get some consistent warmer weather. If you feel the need to hit some balls, the simulator is up and running! E-mail me or come see me at the golf course to set up your tee time or lesson! Yes, we can do lessons before the season really kicks off!

See you soon!

# *A Letter From Our Food & Beverage Department!*

Hello everyone!

We're so glad to see everyone back and at the Club! Bingo night was a HUGE success. The kitchen staff and us have a lot of new ideas and plans to present to you and your taste buds. We released a new lunch and dinner menu and it looks like everyone is enjoying them as far. Our next big event will be MCC's Valentine's Day Dinner and do we have a beautiful menu for you and your special someone! We plan to make this a very beautiful menu for everyone and tasty to the taste buds. We will also be doing a cooking demonstration for the Ladies Night at the Club so be sure the RSVP so we can enjoy a great evening together! Within the next couple of weeks, we plan to release a Chef Menu that will start at 5:00 pm every evening. We're going to try to bring in some unique and intriguing food and presentations to the Club. The next Chef's Table will take place on March 17th, St. Patrick's Day, so we'll be tasting the land of Ireland!

# *A Letter From Our Grounds Superintendent!*

Spring is just around the corner and nicer days are starting to pop up week by week. Hopefully these nice days will stick around for the entire month of February leading all the way to spring. A couple of snow storms have provided us with some much needed moisture. Other than the weather, our work on the course is going as planned, we have removed a few trees so far and plan to take down a few more. Also we have been able to get a lot of stumps ground out from previous years. As weather permits we will be adding sand to all of our bunkers so they will be ready for the upcoming season. Here shortly we will be looking to increase our staff size. Servicing all the equipment is going as scheduled and will be ready for the upcoming season.

Please take advantage of any nice days during this winter golf season and we all hope to see you on the course.

Golf Superintendent  
Mark McKain
