## A Letter From Our Membership Director

Happy New Year! I hope that you were able to catch up with family and friends over the holidays, and that you stayed warm as much as possible. I am looking forward to continuing to get to know our current members in 2016, while working with future new members through our Centennial promotion and beyond! During these cold months of winter, please feel free to pick up new member packets for those of you that might find interested parties in joining in the New Year.

During our down-time at the club the first half of January, come by to say hello as I will be in the office 8:00 am to 4:00 pm, Monday thru Friday, until we are back to normal hours after January 20<sup>th</sup>. And certainly if you have someone that wants a tour, just let me know!

The shortest day of the year was December 21<sup>st</sup>, so let's be hopeful of an early Spring to enjoy the outdoors. Have a great 2016!

## A Letter From Our Golf Professional

Ladies and Gentlemen,

Looks like winter has finally set in for a little while... sad news, I know! But on the bright side we are that much closer to Spring and Summer!

What a Fall/Winter it has been! In the months of October, November, and December only 7 days passed where golfers were not on the course! Incredible!

Not much has changed in the Pro-Shop. We still have some incredible deals on last years merchandise and we will be having some new items slowly showing up. Mid-March is when a lot of the new merchandise will be arriving with the new logo on it!

Hope your Holiday season was safe, and starting to slow down. Catch up on some much needed down time and sleep! Stay warm and stop by the Pro-Shop and say Hi if you come up for lunch!

Looking forward to seeing everyone soon!

## A Letter From Our Grounds Superintendent

The new year is here and we are looking forward to a new season here on the golf course at Manhattan Country Club. On the course the staff has been busy cutting down the pines that have died this past year and spraying for broadleaf weeds. We have also been keeping the course playable during the few nice days we have had for golf, changing cups and working on our bunkers. I hope that during the nice weather you

will be able to get out and play! Joe our mechanic has also been busy working on our equipment getting it ready for the upcoming season. We hope everyone had a great time over the holidays and hope to see you on the course soon! As always for this time of year your patience waiting for frost is greatly appreciated.

# Food & Beverage Information

Wow! 2015 has been a wonderful year! So many great events and parties we have helped gather to celebrate this year. Chef and I are excited to keep the fun and excitement going in MCC's Centennial Year! We mostly enjoy getting to know the family and friends our valued members bring to share memories here at MCC. Please remember we are always available for your comments and interest in food menu and service.

We will be hosting Uncork and Unwind on Wednesday, January 27<sup>th</sup> at 6:00pm. This tasting is generated from the region of Argentina. Chef is putting his finishing touches on that menu, so see emails shortly for those details.

Thank you again for a great year and we wish you a happy and healthy 2016!

Cheers,

Chef John

*Manhattan Country Club is ready to begin a  
New Year and a Centennial Celebration!*

Dear Manhattan Country Club Members,

I hope you and your family had a happy and safe Holiday season. We finished the year strong here at Manhattan Country Club and we are looking forward to the start of the New Year with great optimism. For the first year in many we have enjoyed stabilization in membership numbers and have operated in the black thanks to the support of you, our valued members.

As we begin 2016, you will be receiving an email survey that we hope you will take the time to fill out. This will allow the Board of Directors and management team the proper guiding tools to help us continue to improve the Manhattan Country Club experience and prepare us for the next century of business. Current and prospective members continue to look for a Club with the finest amenities, services and value and with the survey results; we are committed to making that happen. We, as the management team, will review our missions to ensure that Manhattan Country Club is providing the finest family-oriented facilities, programs, and services for the satisfaction of our Members. The staff and I will continue to look for ways to improve the maintenance of this fine facility, the quality of our programming, and a never-ending desire to exceed the Members expectations with our services.

I know I've said this before, but the success of any Club lies within the existing membership and the Club's ability to attract new members to help cover its attrition. Therefore, we will continue to keep you updated on the status of our Membership in the Fore & More newsletter as we strive to reach my goal of 100 new members in 2016.

We have "BIG" plans for our Centennial Ball scheduled for May 21, 2016. You'll notice in this edition of the Fore & More where we've scheduled a Style Show for the ladies so you can start shopping for your favorite ball gown. Gentlemen, please dust off your favorite suit or tux and get ready for the celebration of the century. More details to follow.....

I'd like to wish all of you a "Happy New Year" and we hope to see you at the Club when we re-open on Thursday, January 21<sup>st</sup>.

Thank you for your continued support and best wishes in 2016,

Dave Kelley
