A LETTER FROM OUR GENERAL MANAGER

The summer is here and the hot weather is upon us. The pool opened this past weekend and except for Saturday when the weather did not cooperate, it was a great Memorial weekend. We are planning a lot of fun events for the pool this coming summer and coming up first will be the poolside movie night, Flick and Float, Saturday, June 10th. The movie will begin at dusk; so bring the family and spend a great night by the pool!

We also have Men's Member Guest later this month and it will be a great weekend of golf and fun. We have our member, Mike Greim, playing poolside for the party on Thursday night and Dueling Pianos will be returning for Saturday night's dinner and awards. It's going to be another great event.

The Ladies Member-Member is later in June and also promises to be a lot of fun. Please sign up today and enjoy the tournament.

Wednesday night couples have been a big hit this year thanks to our organizers, Dr. Bradley & Stephanie Harrison. Please join in on the fun and drop in for a Wednesday evening 9 hole round.

As always, I encourage you to share your packets and Discovery Pass with your family, friends, and associates. We'd love to have them experience the MCC lifestyle and become members soon.

Dave Kelley General Manager dave@themanhattancountryclub.com

A LETTER FROM OUR MEMBERSHIP DIRECTOR

May brought the beginning of the pool season and the opening festivities for Memorial Day weekend. We had a great turn out and everyone had a wonderful time. It was the perfect kick off to the summer pool season!

This month we have KE Camps to look forward to! The first of three weeks will be kicking off on the 5th, skipping Men's Member Guest week, and finishing up the last two weeks of the month. We've been receiving reports from the directors of KE Camps and it looks like we're going to have a great turn out. If you'd like to sign up for any of the upcoming weeks in June or the final week in July, check out the website at kecamps.com/camps/manhattan-countryclub!

We also added four new members in the month of May! Todd and Alison Chyba, Casey and Shelley Carver, and Nathan and Jamie Karlin joined as YCOF Social members. Debbie and Christopher Massey joined as YCOF Individual Regular Golf members. All four of these families came to us based on the recommendation of current members who will now either be moved down to that lower dues category or receive a sponsoring member benefit package.

Many of you probably saw the Forward To A Friend email that we sent out in the middle of last month or the Discovery passes that you received in the mail. I want to thank everyone who has contacted me about more information for potential members and those who've connected their friends and family to the club through those avenues. We've had more than twenty leads generated from these campaigns and we're hoping to turn some of them, if not all of them, into memberships. We wouldn't have received this response without your help and we can't wait to see some new faces around the club.

This month we are also hoping to expand our Clubster reach. The Clubster app is one of the quickest ways to get information to our members and we would like to better utilize this venue to get last minute changes and weekly specials out to everyone. In an effort to promote usage, we will be hosting three days throughout the month of drink specials. The morning of, we will send out a Clubster update. Any time throughout that day you are welcome to bring in your phone and receive the drink special offered by showing the status update to your server or bartender. If you are not currently a Clubster member, contact me to get invited to the website, download the app, and I'll get you setup so you can enjoy the drink specials, too!

Respectfully,
Jessica Anderson

Manhattan Country Club Celebrating our great nation!

A LETTER FROM OUR FOOD AND BEVERAGE DEPARTMENT

Greetings Members!

As you probably know already, the pool is open for business and we are certainly excited! For myself, it has been quite the learning experience to boot, but I, and our new employees, plan to rise to the occasion!

The new staff members are eager to learn the ways of the Manhattan Country Club, but feel free to let us know if there are any improvements to be made. We love feedback!

Moving forward, the Club has quite an eventful summer in the making!

For the month of June we have Water Aerobics and K.E. Camps starting on the 5th.

If you have children who might be interested in a fun-filled and active day camp, K.E. Camps is that exactly. The programs include: Golf, Superhero STEM, Morning Newscast, Camp Iron Chef, and so much more! Be sure to inquire about the details, because your children will love you for it!

Then on June 10th we will have the first of our premiere Flick and Float events for the summer. Bring the young ones out for hot dogs, popcorn, and candy by the pool. We will be projecting "Finding Dory" and it will be just like the movie theater, but warmer!

Next, of course, we have the Men's Member Guest Tournament on the 15th, 16th, and 17th. I am pretty pumped about this one. I bet it will be a life changing three days for me.

In addition, Chef and I will be pretty busy in the banquet hall. We have several large events that will keep us on our toes throughout the next few weeks.

Hopefully, we will see everyone out for the month of June! The swimming pool is calling your name, and oh man, is that water nice!

Have a wonderful June!

A LETTER FROM OUR HEAD GOLF PROFESSIONAL

Ladies and Gentleman,

The busy time is upon us! Let's all be thankful the weather is starting to turn around. Mark and his team have done an excellent job with the golf course; it looks absolutely beautiful!

We like to see your face before heading out into battle with your group! Also, we want to suggest making tee times for your group, as we like to know who is coming out!

Hope to see everyone soon! The golf course looks terrific and the weather looks like it is really shaping up!

See you soon!

Scott Wempe Head Golf Professional scott@themanhattancountryclub.com

A Letter From Our Grounds Superintendent

June is here and summer time temperatures are soon to follow!

We have been doing our best to keep up with the mowing and everyday operations here on the course. With a couple timely rainfalls, the course is doing well.

We have increased our staff to keep up during these busy summer months. Our greenhouse is becoming very full with many flowers becoming ready for planting. We are currently discussing design options to replace the large evergreen in front of the clubhouse.

A few upcoming events we are looking forward to are the Men's Member Guest on June 15th-17th and the Ladies Member-Member on June 24th.

If you have any questions or comments, please contact us at the maintenance facility.
