### A Letter From Our Food & Beverage Manager!

Summer is here and we have several great events planned. This month we will start having adult pool parties, allowing our members a kid free evening relaxing by the pool. These adult pool parties will have no entry fees as well as cocktails, complimentary refreshments, and live music! We will be having these events once a month this summer.

With the pool and Cabana now open and in full swing, as always we will be serving delicious food and cold drinks. This summer we took your needs into consideration when putting together the Cabana menu. The menu will now have a "Grab N Go" section which will offer members a more convenient style of food service by the pool. For those members who don't mind waiting a little longer, we also have a "Made to Order" side of the menu, featuring some past favorites. As always if there is anything the kitchen can do to make your club experience more enjoyable please fill free to ask. We can handle most requests, but may take a few more minutes.

If there is anything we can do for you please feel free to drop by the kitchen and let us know what we can do. Andi can be reached in the office or via email with any special event or service request! Remember the pool is a great place for a family dinner or child's birthday party. Happy Summer!

### Introducing Our New Office Manager!

Hello and HAPPY Summertime! I would like to thank you all for welcoming me to the club and for your patience as I catch up to speed in my role as Office Manager.

For those of you whom I have not yet met, my name is Caitlin Ciucevich and I moved to the 'little apple' two years ago with my wonderful fiancé, Hank, who works at Parker Hannifin. Over that time I gained valuable experience working in management roles at the Courtyard in Junction City, and the Hilton Garden Inn Manhattan Conference Center.

I spent my college years at the University of Mississippi and graduated with majors in Hospitality and Business Administration. After graduating, I began my career at Sea Island Resorts in Georgia and worked alongside our event management and membership and team development.

I am very excited to be a part of the Club and I will do my best to support MCC running smoothly and successfully!

### A Letter From Our Grounds Superintendent!

June is already here and we now begin our Zoysia fairway project. May was a very wet and rainy month . We were able to spray out our fairways on the 29th and 30th of May. Our next step will be the seeding of our fairways .With the cool and wet weather we are wanting our soil temperature to reach the upper 60's to low 70's, those numbers are soon to arrive. At that time we will begin seeding. We will also be setting up our Par 3 course for everyone to enjoy until we return to full use of the course. Dianna has done a great job of getting all the flowers ready for the course and has started planting at this time. If you have any questions or comments please contact us at the maintenance facility.

Golf Course Superintendent,
Mark McKain

Thank you all for your patience with the Zoysia Project! Unfortunately, the weather has not be conducive for the course and some days may be changed for the betterment of the process. Be on the lookout for changes!

### of Letter From Our Golf Professional!

Ladies and Gentlemen,

Looks like the rain will hold off long enough for Mark to get his the Zoysia project started. I can tell you that Mark's staff and I are really excited for this venture with Manhattan Country Club. It should be a great thing and the course will be outstanding when it is all done!

I am arranging some trips to courses in the area that we can leave MCC in the morning, drive up, play 18 and be back before dinner. They will be fun trips and hopefully everyone will be able to attend at least one if not multiple trips!

If you have any questions or would like me to try to get you on a golf course in the area, while the course is closed I will do my best to help!

See you soon!
