A LETTER FROM OUR GENERAL MANAGER

I'd like to start by thanking you all for a fantastic spring season at the Club thus far. Activity and participation across all of our amenities is increasing as the temperatures rise and summer approaches. We're looking forward to a great season ahead and appreciate all of your support.

Our annual Easter Brunch and Egg Hunt events were very successful as we saw over 375 members and their guests celebrate the holiday with us. The event was very well received and on behalf of our Food and Beverage team we are appreciative of our members for supporting this event. Mother's Day is right around the corner, so please sign up for that event today!

Our highest priority is to present an environment in which you find value and are proud to be part of and we will continue to accomplish that goal by offering new and creative events for members of all ages. Please keep an eye on your emails and Fore & More as we introduce a fun filled summer with activities for the entire family.

As a reminder, the club rules don't allow for outside food or beverage to be brought onto the property without the approval from Management. We are happy to allow wedding cakes and such for special occasions. Kansas Liquor Laws prohibit members or guests from bringing alcohol to the club or taking it to-go from our property. I kindly ask that you help us protect our liquor license and not put us in a situation to receive a violation which could adversely affect all of your fellow members. Thank you for your support and understanding.

The pool officially opens on May 25th at 12:00 pm, weather permitting. Please come out and enjoy the Memorial Weekend with us! We'll be hosting our traditional festivities on Monday, complete with a cook out and pool games. I hope to see you there!

Finally, I'd like to encourage all members to take advantage of our member referral program this year by referring their friends and family to join Manhattan Country Club. You all are the most valuable resource we have to grow the Club and maintain a strong presence in our community. As a token of our appreciation, existing members receive an opportunity to reduce their dues or select the amenity package of their choice for each new member they refer. Please sign up a new member today!

As always, thank you for making Manhattan Country Club a special place,

Dave Kelley
General Manager

A LETTER FROM OUR MEMBERSHIP DIRECTOR

April showers bring May flowers, and we definitely saw quite a bit of rain in April! Thankfully, there were some beautiful days to balance it out for members to enjoy the golf course and the deck outside of Club XIX. Ladies TEG kick off was a success and men's league is as popular as ever. We look forward to seeing these groups increase as more golfing members join the club!

In April we received four new memberships. Rush Harvey sponsored Seth and Kara Alberg and their three kids, who joined as a YCOF Individual Young Professional Golf members. They came to kids club on April 21st and we look forward to seeing them around more often! Andrew Kohls and Jameson Sedlacek joined under the YCOF Social membership and have attended a couple FACs since joining. We also had a military couple join, Craig and Anna Lisa Stump and their two kids, as YCOF Individual Young Professional Golf members. And last but certainly not least, Gavin and Mandy Schmidt joined as YCOF Individual Young Professional Golf members, sponsored by Brett and Elizabeth Riffel. If you see them around the club, welcome them! We hope they'll enjoy their time with us here at the Manhattan Country Club.

The Easter Brunch Buffet was a hit! With over 375 attendants we had one of our largest turn outs in a few years. The club loves to make your holidays memorable and we hope that everyone who came enjoyed the food and company. With Mother's Day right around the corner we strive to have the same success, just covered in chocolate this time. That's right, the chocolate fountain is back! Treat the mother in your life to a beautiful meal and a delicious dessert here at your club. Make your reservation before Thursday, May 11th by noon!

Golf is in full swing, the pool is opening this month, and the salad bar is back and better than ever! Serving soup, salad, and cinnamon rolls, we are going back to our roots and doing what the members have requested. Now is the time to invite your friends to your club and showcase all that we have to offer. Bring them to an FAC and give them a tour and a membership packet. Stephanie is hosting amazing drink specials every week and Chef John Kellogg has prepared some fantastic seafood specials that are always a hit. All we need is an audience to impress and here at the Manhattan Country Club our staff will rise to the occasion.

If there's anything we can do to make your experience better here at the club, don't hesitate to let us know!

Respectfully,

Jessica Anderson

A LETTER FROM OUR FOOD AND BEVERAGE DEPARTMENT

Happy May Members!

I cannot believe April has come and gone already, but our beautiful flowers are in bloom and the course is green!

We had an amazing Easter Brunch and we thank those of you who were able to join us; serving over three hundred and eighty people was quite an exciting fete!

Up and coming in May we have Mother's Day and we hope you will help us create another large success! Celebrate those wonderful women in your lives and give them a meal they all deserve.

Chef, per usual, has created an amazing menu, with something for everyone to enjoy! If it were me, I would ask to be seated directly in front of the Chocolate Fountain.

Speaking of chocolate, have you heard about the soft serve machine Dave supplied for the Cabana? If you haven't, it means you probably haven't talked to Dave in a while. He is very excited about it and you should be, too! This brings me to my next announcement.....

The moment you've all been waiting for.....**THE POOL OPENS ON THURSDAY, MAY 25TH!!!!**

More importantly than the pool, however, please come join us to honor our fallen soldiers on Memorial Day.

*"We cherish too, the Poppy red
That grows on fields where valor led,
It seems to signal to the skies
That blood of heroes never dies."
- Moina Michael*

God bless our fighters and may your May be merry!

A LETTER FROM OUR HEAD GOLF PROFESSIONAL

Ladies and Gentlemen,

Well, we are just a little bit closer to Summer. I hope everyone is trying to enjoy the Spring we are having. For sure it has been a weird one. May brings new items into the Pro-Shop as well as Demo-Days and getting your game in shape for the upcoming events at the club. Let's all make May a month to get better. The weather should calm down and bring us plenty of good days to golf in the near future.

Both Men's and Ladies leagues are off to a running start! If you are not apart of either one and are thinking about starting, do not hesitate to contact me! Ladies Tuesday Evening Golf is a great way for beginners to start out! Men's League on Thursday nights is a great way to meet new members as well as show off that new swing for 2017!

Let's get better in 2017!

A LETTER FROM OUR GROUNDS SUPERINTENDENT

Spring is here and everything is growing at a rapid rate, which is keeping us very busy in this early growing season. We hope to get some timely rainfalls that will be beneficial to the golf course. We have been out spraying for Broadleaf weeds. Each year we are trying to improve more areas on the golf course. We also do this in the fall which this is a beneficial time also to apply the broadleaf application.

We have fixed numerous irrigation leaks around the golf course this spring and we are still currently addressing the seemingly ongoing problems throughout the season. With the age of our irrigation system, problems are more likely to occur. We will keep up with the situations as they occur.

Diane has been doing a great job getting the greenhouse ready. With planting just around the corner all of the plants are looking great. We are still searching for a couple more employees to fill out our staff for the summer. Our goal is to fill these spots shortly.

Hope to see you on the course!

MANHATTAN COUNTRY CLUB KIDS CAMP

Do you want to know where your child will have the most enjoyable and rewarding summer? At camp! Camp is a special place where friendship, fun, and festivities coincide to create memories that will last well beyond the summer months. MCC Kids Camp, for campers ages 5 to 12, is that special place. The best part... it is right here at our club!

Get to know your Director before the fun begins at MCC Kids Camp!

Hello, Nelda Mallett!

Dear Campers and Families,

I'm excited to be returning to your beautiful club this summer with such wonderful people! KECamps and MCC are partnering to present four full weeks of summer fun for your children. We will work diligently and enthusiastically to make sure your camper has a meaningful experience!

I would like to share a bit about me before we meet at camp. For some of you, this will be an update since I last saw you. Both my sons have now graduated from K-State. My youngest, a daughter, is in her first year of college attending Wichita State University and studying Nursing. I am still adjusting to the "empty nest." Teaching keeps me busy, as I'm in the Rock Creek School District and at the community college in Wamego in the evenings. I love spending time with my kids as we attend many sports events together. Being outdoors is my life, especially gardening and hiking.

I am honored to be your Director this summer! Children and teaching are my passions! Thank you for allowing me to team up with you to create a memorable summer for your children. It's going to be GREAT!

See you soon!
Nelda
