A Letter From Our Grounds Superintendent!

The fall season is upon us and winter is on its way! We are gearing up for the winter projects and during this time of year is when we have a chance to rebuild, service, and sharpen all of our equipment so it will be ready for the following golf season. We will also be working on removing dead pine trees throughout the golf course and cleaning up other key areas. There are still plenty of nice golfing days to take advantage of the course but be aware of frost delays in the early mornings.

A special shout out to the entire grounds crew that have worked so hard to provide a beautiful course. There has been a lot of irrigation leaks this year and with the season coming to an end we have made great progress in correcting these issues so we will be prepared for year. Our Zoysia project is well underway and we are looking forward to our next growing season to fill in some of the weaker spots. We hope everyone has enjoyed this past golfing season and we will be looking forward to getting ready for next season. Thank you again.

As always if you have any questions or comments please contact us.

A Letter From Our Golf Professional!

Ladies and Gentlemen,

I believe Fall has arrived as every leaf on my trees fell on Halloween! Hopefully everyone ate enough candy and had a great time!

I will be prepping the simulator for the Winter, but it will not be fully deployed until the Winter weather has settled in. If you would like to play on the simulator we can always make arrangements to have a fun on an afternoon/evening with it.

Sadly, the days will become shorter and the weather will be changing. If you happen to be traveling and need to borrow a travel bag, you are more than welcome to use mine on your trip. I have been keeping a log of where it has traveled and it has been to some pretty awesome places.

See you soon

A Letter From Our Chef!

Thank you all for the warm welcome and for helping me get situated here at the Club. I hope everyone has enjoyed the menus and like the food the kitchen staff and I are coming up with. I would love to hear some feedback or suggestions everyone has on what you guys would like to see or what you would like for me to keep on the menus. By the first of the year I plan to have a set menu of all the popular items on it from the rotating chef menus we've been having every week, as well as to give you more options and experience new and exciting things!

Thank you!
