a letter from our membership director

Welcome to September! August was filled with beautiful weather, many tournaments, and the final days of the pool; now we will prepare for the cooler days of fall. There are still many great golf and social opportunities this time of year. The Fall Foliage Tour is set for September 25th. It is a great opportunity to view the grounds. MCC is always ready to host K-State football watch parties and gatherings. We will be watching the first game on Friday, September 2nd in Club XIX. Come up for FAC, stay for dinner and watch the game. This month will begin the countdown to the upcoming holiday season; remember to inquire early about booking holiday parties with Chelsea!

I am proud to say that we currently have 434 memberships! While this is a healthy membership number, I cannot stress enough how important it is that we continue to invite friends, family and colleagues to join this fine Club. We have a new membership plan in the works that I am very excited about. The big unveiling of the plan will be later this month, be on the look out!

I look forward to seeing each of you around the Club during the week or at our lively FAC social on Fridays!

Be well and go Cats!

a letter from our food & beverage department

We want to take a moment to say 'Thank You' to all that came to the pool and spent this great summer with us! We hope you enjoyed the time with friends and family while getting the best service pool-side. Come spend the last pool day on September 5th with our pool side buffet only \$10.95! Hope to see you one last time by the pool this year.

This fall will bring many different events for your social calendar. September hosts the Labor Day event on the 5th and our Inaugural Car Show on the 11th. Fall Fire with Friends is scheduled October 1st and Halloween fun on 29th. Staff and the Social Committee are also working to organize a 'Fall Foliage Tour' to showcase the beautiful landscape on the hill. Please see this Fore and More for more details and emails to come!

Don't try to beat the crowd downtown, come for dinner and drinks before or after the K-State football games. We will also be watching the away K-State games and KC Royals, so join the party with us! GO CATS!
Cheers,

a letter from our grounds superintendent

September is here and with it comes some needed cooler weather. We plan to start over seeding the fairways as soon as possible, weather pending. We will be closing one hole at a time to complete the over seeding on that hole. This process is time consuming and we would appreciate your cooperation.

Greens aerification will begin on Tuesday September 6th and 7th. We will be fertilizing greens a week before and directly after aerification to help promote a quick recovery during this process.

Sand & Seed will be September 28th at 5:00 p.m.

With school starting our staff availability has changed. We are in the process of hiring a couple more part time employees to help out during this busy fall season. With cooler weather this is one of the most enjoyable times to get out and golf. We will be striving to provide the best conditions possible here at Manhattan Country Club.

a letter from our golf professional

Ladies and Gentlemen,

September, some say the best time of year to play, I think it is the best time of year to do anything. Please come out and see us this month at the golf course, even if it is to just watch a game or have lunch! Just think in a couple of months we will have snow on the ground and you'll wish you could come spend your afternoon with us!

Mark's staff has been doing an incredible job this year and the course has been unbelievable. If you have not been out to play lately you need to! This Fall is going to be a perfect time (after the aerification) to play, and the golf course will be amazing.

Before you take off for Winter, be thinking now for your special orders for things that you might need before you leave us. New jackets, shirts, travel gear, with some discounts coming on this year's equipment coming up, you just might find something you are looking for!

See you soon!

The Matches

Thank you to Pat Keating with
Keating & Associates for sponsoring

Hard to believe that summer is coming to a close and fall weather will be setting in. Mark and crew have already started the over seeding process to ensure the course is in great shape when spring arrives next year. The pool season comes to a close on Labor Day, so please take advantage of it while you can. Football is around the corner and I invite you to join us on Friday, September 2nd in Club XIX to watch the first game of the season at 8pm. Come for the FAC, enjoy a nice dinner and stick around for the fun!

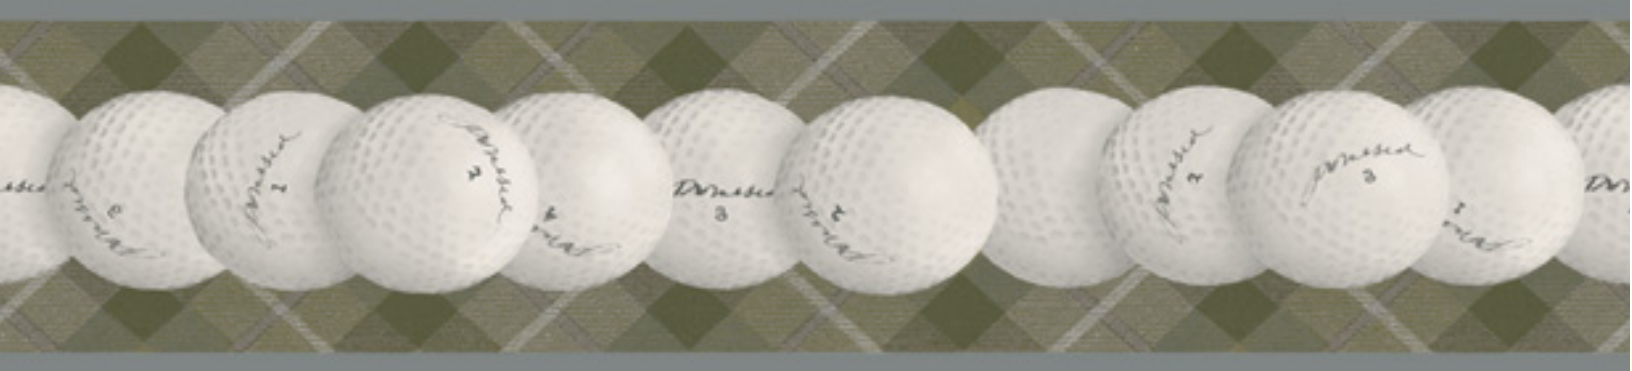

Several members have asked about the current membership counts. As of the end of July, there are currently 267 golfing families, 127 social families and 40 dining families at Manhattan Country Club. This gives us a total membership of 434 families. While the membership counts have been slowly increasing over the past year from the 419 we started with in January, we would still like to see several more added to the membership rolls. Thank you to all who have helped refer new members to the Club. As we move into the fall season we will be rolling out an exciting membership campaign that will help you recruit your family, friends and associates. Be on the lookout in the next few weeks for updates on the plan.

Thanks to all of you that participated in the photo session. Shortly, we will have the member photo book in Club XIX for all to see. We will also be uploading the photos to our database to help our service staff with member recognition.

Please call me if you would like to enter your vehicle in our very first car show scheduled for Sunday, September 11 from 11-2. If you have a friend with a vehicle they'd like to show off, please have them contact me as we'd love to have them. We have a great day planned for the entire family and we hope to raise money for the Military Veterans Project.

Looking forward to seeing you around the club,

Dave Kelley
