A Note from Our Golf Pro

As the season comes to an end and the leaves are falling off the trees, remember that there are many more days left for golf. Now that the time has changed and it's getting dark earlier, please try coming out and playing golf as much as you can. It's a beautiful time of the year to golf in the cooler temperatures with you and your friends and family.

As the holidays are quickly approaching us there are a few reminders. The golf course **will be** open to walkers on Thanksgiving Day weather permitting. Temperatures need to be above 38 degrees with no snow or frost on the golf course to be open. The Golf shop **will be closed**, which means no carts or range will be available that day.

Christmas is also not too far away to be thinking about, and It's never too early to begin your holiday shopping. The Pro Shop is very well stocked with the latest golf apparel and equipment. Please stop in and pick something out for your favorite golfer. The end of the year is fast approaching which means your golf shop credit, which has been accumulating during the golf season, will need to be spent before December 31, 2013.

As always if there is anything that I can do for you please let me know.

Winter is fast approaching, but the fair weathered days are still upon us. Be sure to get out and play while you still have the chance. We would like to thank all of the participants that played in Mark's Revenge Golf Tournament. The event was fun to set up for, and a good time was had by all who participated. Next year is setting up to be tougher, and more exciting (if that's possible).

Near the end of the month, two cups will be set in each green. Please try to alternate the flags as you play through.

Also, please remember that frost will occur more often this time of year. Your patience during frost delays is greatly appreciated.

As always, if you have any questions, comments, or concerns, please contact us at any time.

From the Chef

Here at Manhattan Country Club, the member is the most important person in our business. We spend extra time and effort with a commitment to service in the little things that make your dining experience enjoyable.

As Executive Chef at Manhattan Country Club, my focus is on quality ingredients. Today, a growing global marketplace combined with an interest in multi-culturalism and diversity has led to the popularization of many cuisines. We blend cooking styles and ingredients from around the world to create special dishes that, if well received, may become a mainstay on our menu. Our menu regularly changes and we run a variety of specials weekly. That said I hope you enjoy the new menu and we look forward to serving you soon.

Together with my team, we've created a special Thanksgiving Dinner featured on the cover of this issue of the Fore & More. For those of you that would prefer to let someone else do the cooking, I'm happy to assist you. Please bring your family and plan on Thanksgiving with us at the club or simply call ahead to order your full Thanksgiving Dinner to be picked up and served at home.

Please join us for a delicious meal in one of our dining rooms or plan a private party, business meeting, wedding reception, holiday party or special occasion with our Food & Beverage Manager, Chelsea Albrecht. We look forward to serving you with remarkable service, a dedication to quality and a respect for you as "our member" at Manhattan Country Club.

Bon Appetite,

Chef Ryan

Happy Turkey Day!!

The holidays are already upon us . . . with less than 45 days to get our shopping done! Oh my!! If any of you ladies have not already signed up for the Ladies Shopping Trip, please give me a call ASAP as the response has been so overwhelming we only have a few seats left to fill on the second bus. See the details for this trip in our ad.

With the cold weather come multiple indoor activities and events. The staff here at MCC makes an awesome team for planning & organizing all this entertainment. However, without your attendance, we cannot have successful events. I urge you to sign up or pre-register for events in advance. Invite your friends to join you, which will also give the Club exposure to the community. Please support your Club. The Social Committee is always open to ideas and suggestions for activities on the golf course or in the Clubhouse

With that said, it is my vision to start a new monthly event called Ladies Night Out. This may be an evening of Glitz, Glamour and Bling or a Spa Night or a crafty class. It's up to YOU!! This "activity" will be spearheaded by a team of volunteer female members. Most activities will take place at the Club but not always. I would love to add you to our planning TEAM. We will have so much fun planning and decorating for fun evenings with our peeps. It shouldn't take up more than an hour or two of your time during any given month. If you have ideas for these evenings, you may email them to diana@TheManhattanCountryClub.com. I look forward to hearing your suggestions.

With all the exciting entertainment coming up at the Club, I encourage our Members to embrace the new YOUR CLUB, OUR FUTURE business model and bring your friends to the Club, or send Dave and me your referrals. Our goal is to grow the Club by 100 new members in 2014!! And with your help, I believe WE CAN!!

A Message from our General Manager

Mark's Revenge was a success by all accounts. We raised \$9400 towards the purchase of the new grounds equipment we need to replace due to the aging mowers that have outlived their normal lifespan. Mark and his assistant, Nic, had the pin placements in some really tough spots which I'm told, created one of the most fun events we've had in a long time. Several members have recommended that we attempt to hold this event in the Spring, and then again in the Fall since it was such a great time.

Most of you have heard by now that our Golf Professional, Denny Woods will be leaving us at the end of the year to pursue other business opportunities. I would like to personally thank Denny for the 17 years he has devoted to being our Pro. I wish him much success in his future endeavors.

Blake Graham, PGA Professional from Hallbrook Country Club in Kansas City has been selected as Denny's replacement. Blake will officially begin working at MCC on January 2, 2014. Blake has been the #1 player in the Midwest PGA Section as well as the 3-time PGA Player of the Year. He won the Watson Challenge in 2007 and has competed in several Nationwide/Web.Com Tour events. Blake has extensive experience giving lessons. He grew the Junior Golf Program at Hallbrook to over 130 players. Blake is married to Traci and they have two small children. Tracy played golf at KSU for 4 years and she's looking forward to returning to Manhattan.

The Holidays are rapidly approaching and we have several events that you will want to get on your calendar. The Thanksgiving Buffet on November 28th is always a crowd pleaser. Our ladies shopping trip to Kansas City was such a success last year that the demand has created a need for us to add a second bus this year. We still have a few open seats but you'll need to call ASAP if you want to join in on the fun! Santa will be here on Sunday, December 15th for the Santa Brunch Buffet. We will have our ever popular New Year's Eve Dinner. Details will be featured in the December Fore & More. Please join your fellow club members and invite several guests to attend any or all of these great events.

By now, you will have received a copy of the new "Your Club, Our Future" membership dues structure we rolled out at our October 27th Member meeting. I'm excited, and I hope you are too, about the future of Manhattan Country Club. With a new, lower dues opportunity for you and your sponsored members, along with Blake Graham's fresh approach to managing our golf operations and creating fun new events, there is no better time than now to ask your extended family, friends and associates to join you in membership.

I look forward to seeing you around the Club,

Dave

Thank you to the following individuals for your generous contributions towards the new mowers!
