4215 Platteview Rd
Bellevue, NE 68123

Our Tradition

Founded in 1966, Platteview Golf Club provides its Members with one of the area's finest layouts, featuring mature oak and cottonwood trees, lakes, and elevation changes. Our traditional lay-out offers players a classic set-up not found in many facilities in the area. Closely-spaced tees and greens make our course a pleasant walk with friends, or a quiet ride with our full fleet of golf carts. Since our greens were renovated in 2000, Platteview Golf Club has earned the reputation of having some of the area's finest putting surfaces. In lieu of our pristine course conditions and classic lay-out, the Club has been honored to host qualifying rounds for the United State Mid-Amateur and United States Junior-Amateur Championships and the Nebraska Golf Association Four Ball Event.

Committed To the Game

A Membership to Platteview represents a focus on golf. Our championship lay-out stretches over 6,500 yards, offers 4 sets of teeing areas, and can provide an enjoyable round for all levels. We also feature a full-service practice facility and a putting green with 2 PGA Instructors on-site for instruction.

Bringing Our Members Together

Platteview Golf Club offers its Members a wealth of playing opportunities and the ability to meet new friends on a daily basis. Whether its playing in the Tuesday night Men's League, enrolling your children in the Junior Golf Program, or inviting your buddies to play at the monthly Stag events, our golf course brings our Members together through all types of events!

We provide a championship golf course, full-service clubhouse, practice facility, swimming pool, and the ability to play 5 other private Landscapes Golf Group facilities and 4 public courses for a preferred rate!
