The Players Club's One and Only May the Players Club's One and One

This is your chance to demo any club you can imagine. The sky is the limit, come and hit one club or 20 clubs. We have arranged to have all the major golf companies present, so please mark your calendars, arrange for the afternoon off, call in sick, do whatever you need to do to be there. There will be beer, snacks and the entire golf shop staff down at the range waiting to help you!!!!
