

2017 WINTER SPECIALS

During the winter we are open Wednesday, Thursday and Friday 11-8pm and Sundays 10-2pm. Below are the specials for the 2017 winter season. We are so excited to introduce our new specialty taco menu. This will be featured Wednesday nights. Our prime rib night will remain the same but once a month we have a dinner party planned with live music and a buffet. Fridays we will for the first time have a happy hour 4-6pm, we will be open for dinner and once again be running lent specials once that time comes. Sundays are probably the best hidden secret. The food speaks for itself and you wont be disappointed. We strive to provide the best service to you, our members, please come in and see us this winter.
