2017 Junior Golf Program

Here at The Sagamore Club, we are committed to providing outstanding instruction and guidance for the future golfers of tomorrow. As such, we believe that it is necessary to continue to improve our junior golf program each year in developing a program that exposes juniors of all ability levels to all facets of the game of golf in an ideal learning environment.

Again in 2017, we will continue to emphasize a “LADDER” format with our instructional offerings. Ideally, we would like for juniors to spend 1-2 years in a level and then progress on to the next one. Our Junior Program “LADDER” will consist of the following steps:

- **Young Beginners** (ages 3-5) – 2 PEE WEE Camps – June 27-28 & July 25-26
- **Novice Juniors** – 2 Weeklong Camps (limited to first 40 juniors to sign up)
- **Intermediate/Novice Juniors** – Summer-long Five Week Session on Tuesday mornings – we will divide the students into Intermediate and Novice groups within this offering and tailor the instruction to fit the junior’s ability level
- **Advanced Juniors** – PGA Junior League Golf & Junior Club Championship – for those juniors that can play at least 9 holes on their own.

Our hope is that the Advanced Juniors, if not already doing so, will then progress to County and State Junior Tournaments, as well as Junior High/Intermediate School Golf.

We will continue to get all of our junior golf participants *on the golf course* as much as possible. We believe that it is critical that the junior golfers spend time learning to play golf, in addition to the instruction and repetition of practice. We also plan to incorporate non-golf sports activities into the instructional process for our younger, novice juniors. This will promote better hand-eye coordination and improved motor skills, as well as keep our sessions fun and engaging.

Our instructional program is open to all children and grandchildren of members (golf & social) in good standing. Based on availability within each session, we will consider a maximum of two non-member friends per member family on a first-come, first-serve basis.

DRIVE, CHIP, AND PUTT – The National Drive, Chip, and Putt Championship was founded in 2013 as a joint initiative between the Masters Tournament, USGA and The PGA of America as a free nationwide junior golf development competition aimed at growing the game. As a new offering in 2017, Sagamore will aim to get our juniors involved with this great championship by hosting our own Drive, Chip, and Putt competition! Details on this event will be out in the Spring.

PGA JUNIOR LEAGUE GOLF – Sagamore will again be participating in PGA Jr. League Golf. The PGA-JLG is a “Little League” approach to golf. It features a fun atmosphere for juniors 13 years of age and under that can walk and carry their own clubs, while still gaining experience in a competitive format. A separate document outlining all of the details on the PGA-JLG will be sent out in mid-February

The Junior Golf Orientation “FUN NIGHT KICK OFF PARTY**” for juniors and their parents will be held on Wednesday, May 31st, at 6:00 p.m. Along with covering the formats of our camps, we will have some closest-to-pin contests, chipping contests, a putting course, and also some non-golf party games!

Thank you for your support! We look forward to seeing you and your children at the club in 2017!
