

Rockwall Golf & Athletic Club (RGAC) – Summer Swim Team
Home of the STINGRAYS!

The Rockwall Golf & Tennis Club provides an educational and FUN environment for swimmers throughout the summer. We pride ourselves on creating a positive experience for children of all skill levels. Our goal is to teach the value of team cooperation, safety, hard work, and the pursuit of personal excellence. Through the *Stingray Team* experience, we hope to give your children memories and tools to help build a healthy and happy future. We take swimmers from ages 5 to 17, beginners should be able to swim a length of the pool without aid with their face in the water with some breathing patterns (head in/out of water). We will accept swimmers that can demonstrate the ability to perform basic strokes and can complete an entire practice with an attitude of wanting to swim. The first week of practice will be used as a “try-out” session for these swimmers. Final decision will be made by the coaches. The Stingray swimmers compete in the Dallas Summer Swim League and we are so proud to be the defending champions for our division.

Coach Wagner da Silva has been coaching at the Rockwall Aquatic Center with RACE since 2011. Prior to coming to Rockwall, he was a coach for 21 years in Wisconsin and he has over 30 years of vast experience teaching infants to Triathletes. Wagner was also named Wisconsin Age Group Coach of the Year for 2008 by his fellow coaches. “I enjoy working with these great young minds and I have so much fun coaching in the summer that never gets old.”
