Participants schedule their own tee times for the Thursday afternoon practice round.

\$1,025 per team (carts are included, caddies are additional)

Sign up as one (1) member and one (1) guest

The Hangar One Invitational is the premier event at The Glen Club. A traditional two-day member guest in which golfers will play five, 9-hole, best ball matches over two days. Win your flight and participate in the Dog-Fight shootout where the overall Hangar One Champion will be crowned. Prizes, trophies, tee gifts and all food and beverage for the three days are included.

\$100 flight bet. We encourage all to participate in this optional flight bet. If you choose to participate and your team or another team in your flight wins the Dogfight, you will share in the pot with the other participants in your flight. This should give plenty of motivation for you to root for the team representing your flight in the Dogfight. For example, Mr. Brown and his partner are in the Wolverine flight and they chose to participate in the flight bet along with 3 other teams in the Wolverine flight. If Mr. Brown's team or any other team from the Wolverine flight win the Dogfight; Mr. Brown's team and the 3 other teams that participated will split the pot evenly, regardless of which team wins the dogfight. Which of the ten flights will win?

Registration opens Wednesday, March 7th at 9am. Sign up [HERE](#)

*****Please note that the Hangar One fills up extremely quickly. It is recommended that you sign up for the event as soon as the registration opens.*****
