A Note from our President

Ladies-

If you haven't been out golfing then you have missed some great days and the Heron Lakes Golf Course is in excellent condition. So, the course is in great shape for the tournaments and Play Days that are coming in the month of June. Don't forget to sign up for the Spring Handicap Tournament to be held for the Tuesday players on June 16th and 17th and for the Saturday players, one day only on June 7th. Also, Match Play starts in June

July, too is a busy month - July 1 is the Stone Creek Invitational; contact Janet Elliott if you wish to play. Tuesday players, mark your calendars for The Memorial Best Ball to be held on Saturday, July 26th. This is the only friendly competition held by our club which combines the Tuesday and Saturday players and gives us the chance to meet and enjoy all the members. We try to pair a Tuesday player with a Saturday player. This tournament is to honor those players we have lost. It was started by Tracy Bardell years ago to honor Laura Allshouse who died of cancer.

The Heron Lakes Golf Club website has a wealth of information on the Women's Club

- http://www.heronlakesgolf.com/-womensclub. Most importantly -- the 2014 Day's Play and Tournament Schedule is posted here, providing details of tee-times for both the Tuesday and Saturday teams. I also recommend that you read both the LOCAL and STANDING RULES and the section that provides information on how you sign up to play each week.

Heron Lakes Women's Club would like to offer a warm welcome to the new members who have joined this month: Suanne Jordan, Penny Wolsky, and Nancy Holmes. Traci Fleming welcome back. We are so happy that you have chosen to join our great Golf Club, and we look forward to seeing you on the course! Please introduce yourselves to our new and returning members.

I am sorry to say that Deborah Gillis has torn the plantar fascia tendon in her right foot; no surgery required but she is going to be laid up for a while. We all wish you well and hope to see you on the course soon.

It may be a little early but let's start thinking about next year and volunteering for a position on the Board and/or Golf Committee. I've enjoyed the last two years being on the Board and have worked with great ladies. We have worked hard to increase membership through publicity and word of mouth. Each of us has a common goal in that we love golf and wish to share that love through organizing club events and activities with our friends. Contact me to see where you might be able to help out next year.

Happy golfing Jan Francis

A NOTE FROM YOUR TUESDAY HANDICAP CHAIRMAN - LUAN PENNER

Just a reminder to all members that they must have six 18-hole rounds registered with the HLWGC in order to be eligible for the Club Championship Tournament which starts on 5th August 2014. Make sure you post your weekly scores right away and turn in your scorecards to the Team Captains at the end of Day's Play.

OGA HOLDS FIRST WOMEN'S INTERCLUB PLAY EVENT

The first ever OGA Women's Interclub Play event took place on Wednesday, May 7 at Ghost Creek at Pumpkin Ridge Golf Club in North Plains, A total of 19 teams and 114 players (six players per team) competed in the one day event, the first of five that will take place this summer. A Championship event will be held in September at a course to be determined.

Denise Aldridge and Jan Francis were photographed with their opponents from Pumpkin Ridge.

SATURDAY DAY'S PLAY RESULTS FROM MAY

May 3rd

Heron Lakes Open House

There was no game for the Ladies' Group so many of our players joined in the Open House to show their support for the Club.

We took out a number of the Women's prizes that were awarded on specific holes

WHERE TO DROP THE BALL — FROM GOLF DIGEST DEC 2013

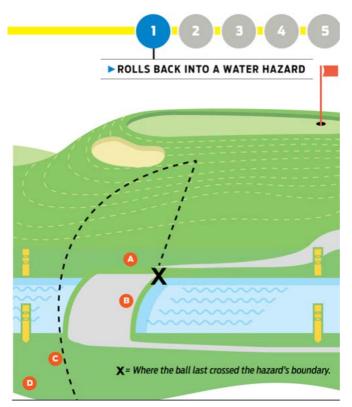

Take Golf Digest's Year End Quiz

Your Options Might Surprise You!

Take a look at the illustrations we found in December's issue of Golf Digest. This gives us pictures of the options you have when you choose to drop the ball. The answers are on the bottom of the next page.

Note each situation is numbered. The corresponding answer are below. They explain each of the options and let you know which ones are legal and which are not.

Read through these as Heron Lakes Golf Course offers us the opportunity to be in each of these situations. It will speed play if we have a clear understanding of the rules for dropping balls and can quickly apply the rule and hit the shot we intended the first time.

ANSWER KEY 10 C, D. Water hazards, marked with yellow stakes or lines, don't allow for a lateral drop within two clublengths of where the ball last entered the hazard, which eliminates A. Option B is not allowed, because you can't drop in a hazard. (The bridge is considered part of the hazard.) But notice that if you drew a line from the hole, through the point where the ball entered the hazard, and continued the line away from the hole, C and D are OK because they fall on that line and are outside the hazard's boundary. 2 A. That spot is the nearest point for a right-handed golfer to stand and swing without interference from the path and is no closer to the hole. Left-handers would likely have to drop on the other side of the path. (3) B. When your ball is on the wrong green, drop within one club-length of the nearest point of relief that's not in a hazard (option A is in a bunker) or on a green. Option B, not C, is the nearest point. (4) B, C. Option B is OK because it's within two club-lengths of the ball and no closer to the hole. You can't drop closer to the hole than the ball's location, eliminating A. Option C is OK because it's on an imaginary line with the hole and ball, and is no closer to the hole than the ball's current location. **5** A, B, C. Option A is OK, because it's within two club-lengths of where the ball last entered the lateral water hazard (marked with red stakes or lines). is outside the hazard's boundary, and is no closer to the hole. Option **B** is OK because it's on a line that starts at the hole, goes through the spot where the ball last entered the hazard and continues away from the hole. Option C is OK, because it's at a point on the opposite margin of the lateral hazard from where the ball last entered it and is equidistant from the hole, unlike **D**.
