ELIGIBILITY & HANDICAPS

Active USGA Handicaps **are** required. Please include your GHIN number below. Those without an active handicap must play as "scratch". Players will receive **85%** of their course adjusted handicap (decimals rounded up to nearest whole number). Full difference of final handicap will be given in individual matches.

Handicap Example:

John is listed as an 18 handicap; ($18 \times .85 = 15.3$); HL Great Blue course index adjusts 15.3 to 19

→ John receives a handicap of **19**.

Bill is listed as a 7 handicap; ($7 \times .85 = 5.95$); HL Great Blue course index adjusts 5.6 to 7.

→ Bill receives a handicap of **7**.

Since John has a higher adjusted handicap than Bill, he receives the full difference of 12 strokes, with 1 stroke being applied to each of the 12 highest ranked handicap holes according to the scorecard.
