## Frost Reminder

With the winter season we are in daily frost watch mode. Since the golf course is located in a valley next to the lake, we often have frost even when others around the area do not. The golf course will remain closed each day until such time as the frost thaws enough to make playing safe for the turf. If you have an early tee time, you can call ahead to check on the day's conditions.

### Spring Greens Aerification—Monday, March 16th

The course will be closed the majority of the day, so please call ahead to find out the status of things.

### Party Bridge

Lake Valley Party Bridge is on Wednesdays. Call Nancy Hanks at 346-5458 or Linda Martin at 346-5872 for more information.

Thursday, March 26th is our next BUNCO Night. Call Priscilla to sign up.

## Wednesday Morning Senior Scrambles

### Resume April 1st

Please look for the first week's sign-up sheet during the last week in March. Play will begin at 9:00 each Wednesday in April. Mark your calendars and plan to attend the season opener. Remember that you can check the schedule and weekly results on our "Wednesday Senior Scramble" page of our website.

#### Hole-in-One

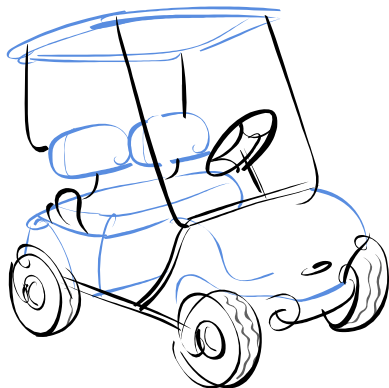

Congratulations go to  
**Walt Kennedy**

for recording his first ever hole-in-one on February 7<sup>th</sup>. Walt's perfect shot was made on Hole #13 from the Gold Tees. Witnessing the shot were Doug Gale, Ron Woelbling and Garrett Archibald. Remember Walt, the first one is the hardest!

### Sunday Couples League

Lake Valley will again have a Sunday Couples League this year. Play will begin in early May and run throughout the summer. Be sure to sign-up in the Pro Shop early, so we can get the divisions assigned and match schedule posted. This will again be a 9 hole handicapped couples scramble format with weekly winners and an end of the season payoff for the high point getters.

### Winter Golf Cart Traffic

Again this year, golf cart traffic will remain "90 degrees" unless weather dictates something else. We do ask that you use cart paths whenever possible and drive in the "Green Grass" areas as much as possible when not on the paths. Please continue to keep the carts away from the tees and greens to avoid damage to these sensitive areas.

### Request for E-Mail Addresses

In an effort to better communicate with the membership, we are asking that everyone please give your current e-mail address to the Business Office. You can either include it with your monthly statement or e-mail it to [LVCC@lakevalleygolf.com](mailto:LVCC@lakevalleygolf.com) We are currently missing many member addresses from our current listing and would like to have everyone included in all e-mail future communications. Thank You!
