

KemperCollection

We are pleased to announce the KemperCollection Reciprocal Program for golf Members at Hawthorn Woods Country Club.

Golf Members at KemperCollection private clubs have the privilege to play at KemperCollection clubs for a special reciprocal rate. Members are entitled to bring up to three guests per visit. Each golfer can play up to eight rounds at any given facility outside the Member's home state in one calendar year. (This benefit is restricted to special invitation in the Member's home state). Tee times may be secured through the General Manager or Director of Golf at the Member's home club. Rounds are subject to the host club's advanced booking policy for unaccompanied guest / reciprocal play.

As an added benefit, Members at KemperCollection clubs can also play at any of KemperSports' participating Daily-Fee Facilities. Member's receive a preferred-rate green fee at the host facility and are entitled to bring up to three guests. Tee times may be secured through the General Manager or Director of Golf at the Member's home club. Tee times can be booked up to thirty days in advance for out-of-state facilities and up to seven days in advance for in-state facilities.

The following information details the complete list of participating clubs.
