Hawthorn Woods Country Club is proud to announce its partnership for a fourth consecutive season with the local Marine Corps "Toys for Tots" Foundation for Highwood, IL in Lake County. Hawthorn Woods Country Club is an official drop off site for new, unwrapped toys from November 28th through December 18th of this year. There will be drop boxes located in the clubhouse lobby

and golf pro shop areas here at the Club. We encourage Members and non-Members to support this worthy cause during the 2014 holiday season.

Our Toys for Tots toy drive will culminate at our Member "Santa Dinner" event on Thursday, December 18th from 6:00-8:00 pm. Not only will Santa be on hand, but we will also have two active-duty Marines here at the Club to personally collect new, unwrapped toys from Members and their guests attending the event this evening.

Warmer Climate Golf: Just a reminder with the cold weather already depressingly upon us here in the Midwest that our KemperCollection as well as Toll Brothers' Associate Clubs Programs are available to our golf Members to enjoy access to other golf courses throughout the country for an affordable green fee rate. For more information, please consult our website at hwccgolf.com (Member Login section) or contact our Interim General Manager/Head Golf Professional, Joe Titus at 847.847.3258 or jtitus@hwccgolf.com. A great opportunity to tee it up if your plans have you heading south during the next several months!

Here's wishing you and yours all the best during the upcoming holiday season. We thank you for your continued support of Hawthorn Woods Country Club and look forward to an exciting 2015 season. Happy New Year!
~Ryno

Turkey Shoot Results

The 2014 golf event calendar wrapped up with the annual Turkey Shoot on Saturday, November 1st. We had a field of 32 players. This event was a blind-draw, ABCD scramble format where players were randomly paired with three other players from different handicap ranges. Each player received a turkey and had the opportunity to judge the chili cook-off between several of our own staff members. Many Members decided to donate their turkeys to Safe Families. Safe Families is an organization that takes in orphaned children and gives them a home. Thank you to Bob Noonan for suggesting this charity.

Lesson Tee

Winter Golf Instruction

Starting in January, we will once again install the indoor hitting station in the Golf Shop. Winter is the perfect time to work on the fundamentals and not get too overly concerned with ball flight. We will be offering video lessons and indoor playing lessons on our OptiShot Simulator. The nets and instruction will be available during the Golf Shop hours listed above throughout the winter months.

Winter Lesson Rates

Joe Titus, PGA	45 minutes: \$50
Greg Roberts	45 minutes: \$50
Jessica Lang, PGA	45 minutes: \$40

On The Course with Scott Hillyard

Winter has seem to come earlier than any of us would have liked. Beginning November 12th we saw some substantially below normal temperatures move into the area for an extended period. This created a scramble to beat the clock for golf course preparations for the winter season.

Moving forward, early December will involve outdoor decorations for the upcoming holidays and a launch into equipment overhaul. We will begin grinding cutting unit reels, perform general service on all equipment, and undertake necessary major repairs.

In the course of a week, we managed to make seven granular fertilizer applications, make five spray applications of different winter plant protectants, topdress greens, tees, and approaches, pick up all golf course equipment, winterize the irrigation system, finish most of the native area mowing, and organize the maintenance facility for efficient winter work. This was a busy time, yet satisfying as all of this work sets the stage for the 2015 golf season.

While golf my be on a pause for a few months, we keep busy making preparations for next season. I hope everyone has a fantastic holiday season. Thank you for a being a major part of a very successful 2014 at Hawthorn Woods Country Club.

We are around all winter long. If something comes up or questions arise, please do not hesitate to contact us anytime.

Holiday Cookie Decorating & Paddle Event

Thursday, December 11th

5:00 – 7:00 pm

The night kicks off on the paddle courts where kids will be run through games and drills to introduce each player to some of the more fun shots and skills of paddle. After the introduction kids will move inside the paddle hut to pick out their favorite holiday cookies to decorate while playing rounds of paddle with their friends. After the decorating is done we will vote on our favorite cookies in several different age groups. Prizes will be awarded throughout the night and no one will go home empty handed! Towards the end of the event Chef Dave will be dropping off pizza and refreshments for everyone in the paddle hut. No experience necessary!!! This event is setup for kids ages 7 & up. Be sure to sign up early as this event is sure to fill up fast. Email Adam at aboyce@hwccgolf.com
