

2024 Triple Six Open

Saturday, June 8th

Rules of Play

Scramble – Holes 1-6

- Each team member hits a tee shot. The best tee shot is chosen, and each team member hits a shot from within one club length of the chosen shot, (no nearer the hole, and must stay in same ground condition). This process is continued until the ball is holed out. Note: Do not tap in any putts that end up near the hole because once the ball is holed, the hole is over, and no further shots may be attempted.

Better Ball – Holes 7-12

- Play your own ball and take the best score from the team.
- **Summer Rules**

Chapman – Holes 13-18

- Each player hits a drive. Each player then hits his partner's second shot. At this point, the ball in the best position is chosen and holed out in an alternate shot format.
- Winter Rules – One Club length improvement in the fairway and six inches in the rough and bunkers, no nearer the hole. You may place the ball in the bunkers.

Team Handicaps are derived by using 60% of low handicap player and 40% of high handicap player.

Record Gross Scores Only
