## Mark your Calendars - July 12<sup>th</sup>-13<sup>th</sup> – Ladies Invitational

*By Melissa Reece*

The 2024 Sudden Valley Ladies Golf Invitational is quickly approaching. It is a two-person best ball on July 12<sup>th</sup>-13<sup>th</sup> with a cocktail party on July 11<sup>th</sup>.

This is our biggest event of the year and a great chance to introduce golfers from all around to our wonderful club.

Registration is still open, so please reach out to me or the Pro Shop for more information.

## Tee Time Bookings

*By Darren Chapman*

As the summer months roll through and weather improves, so will the demand on the golf course and tee times.

Now is a good time to remind our members that to be guaranteed a tee time on any given day, you will need to book in advance.

Thankfully as members you can book up to two weeks in advance, so with enough notice, you will almost always be able to get your preferred tee time.

However, with the demand becoming higher, we do require that any of our members who have prebooked their tee time and are unable to make it cancel their tee times as early as possible, especially if they are booking multiple groups.

We look forward to the next few months with great weather and even better golf.

Thanks for your time and continued support.

## Sanding Party—July 9<sup>th</sup>

*By Dan Perrino*

Please remember to join us for a Sanding Party on Tuesday, July 9<sup>th</sup> at 5pm or 5:30pm (before the Ladies Invite). Included are cold beverages provided by Men's Club. Also non-golfing family & friends are welcome to join. We'll have music going to ensure it's a fun atmosphere and there is no need to commit to all 18 holes - any amount of help is welcomed.

**The SVGC Board appreciates your support. We hope to continue to bring many more fun events throughout the year.**

Mary Bradford—#8

Congratulations to Mary Bradford who had her first hole-in-one on June 13<sup>th</sup> on No. 8. This happened during a match so the timing couldn't have been better. And yes she did win the match although it took all 18 holes.

Bob Healy—#4

Congratulations to Bob Healy who has aced hole No. 4 for the second time this year. You will recall that Bob managed two holes-in-one in the same round back on March 19<sup>th</sup>. Those were his first aces until June 7<sup>th</sup> when he added his third.

7/8	Monday Couples—Shamble
7/9	Sanding Party
7/11 thru 7/13	Ladies Invitational

### Do You Know? Rules and Etiquette

Pace of Play and Reaching Your Max Score on a Hole

If you are not in a competition and find that your group is falling behind, a good practice is when you reach your maximum score, pick up and move on to the next hole.

Your max on any hole is *net par plus 2*. That translates to par, plus your handicap strokes plus two additional strokes, e.g. if you get one handicap stroke (pop) on a par 4, then your max score on that hole would be 7 - par 4 + 1 handicap stroke + 2 additional strokes.

Local Rule on Holes 7 and 9

Remember, when you hit your ball into the creek on hole 7 or 9, you also have an option to hit from the other side of the creek as long as you are no closer to the pin. Rather than just dropping another ball and risk going into the creek a second time, you have the option to cross the bridge and drop the ball on the left side of cart path as long as you are no closer to the pin.
