Ladies' Club Report

By Shari Pfeil

The Ladies Club had a fantastic season in 2022. It was wonderful to be able to have our Canadian friends join us again. We had all six of our ladies club tournaments this year and you can see the results at the end of this article.

We made a concerted effort to get as many people involved in our tournaments as possible, especially beginning golfers and the 9 hole group. We had minimal success so we're trying a different strategy next year in hopes of attracting more players. We hope to focus on playing golf and socializing with each other and cutting back on the formality of our club. Hopefully that will entice more people to play with us.

Melissa Reece has volunteered to be our Ladies Club Captain next year and Jody Erickson will be her Co-Captain. We are all very thankful that these two capable women have stepped up to help our club continue. Bonnie Frank will continue her role as Treasurer. We benefit from her fountain of knowledge about our club. She sure helped me during my years as captain. I couldn't have done it without her!

I'd like to mention two ladies who have volunteered for the ladies club for many, many years and are finally stepping back and allowing others to help run our club. Mary Jo Case has had many roles, but in recent years she's been our secretary. Like Bonnie, she is a great source of knowledge about everything that has to do with our club. I'm hopeful that she'll still volunteer in some capacity. Kerri Larrabee is another member who has volunteered for years. She makes everything seem so effortless, but I know she puts a lot of time and effort into everything she does for our club. She's still going to be continuing with some of her roles, but is stepping back from others. Thank you Mary Jo and Kerri for your years of service to our club!!

Our Tuesday and Thursday 18 Hole Group continues to be very popular. Thankfully Jo Jean Kos, Lorna Lane, and Coleen Thompson have taken over the leadership of this group after Jean Georg "retired". It takes quite a bit of dedication to run this group.

Our Tuesday 9 Hole Group also continues to be popular with the ladies in our club. Judy Meade ran it this year and did a fantastic job. She's also a great liaison between the 9 hole group and the rest of the ladies club. I know she'll continue to help her group feel comfortable playing with more members.

We'd like to thank the Pro Shop and Maintenance staff for their hard work and dedication to making the Sudden Valley Golf Course the best place to play in Washington!!

Our new Club Captain—Kelly Devlin

The SVGC Board is pleased to introduce Kelly Devlin as our new Club Captain replacing Bob Shannon who has served the Club the past few years as both Club Captain and Greens Chair. Thanks Bob for all your hard work and welcome Kelly.

Kelly and his wife, Heather, have lived in Whatcom County for a little over 30 years. They moved to Sudden Valley in 2016 and quickly wondered why they didn't make the move earlier. Kelly has been golfing since he was about 10 years old and Heather is slowly gaining interest in the sport we all love! When not golfing, they enjoy their female black lab, Charlie.

Kelly and Heather enjoyed a fair amount of travel prior to COVID and are really looking forward to more in the years to come. Kelly is happy to be getting a bit more involved in our Club as our Club Captain.

Beth Johnson, SVGC Social Chair

Our New Social Chair—Beth Johnson

The SVGC Board welcomes Beth Johnson who so graciously agreed to help the Club in the role of Social Chair.

Beth Johnston is a lifetime Washington State resident. She worked at Puget Sound Energy for 40 years and retired in 2017. She had a weekend place in SV for about ten years prior to retirement and has been living in Sudden Valley in the summer and Arizona in the winter since that time.

Beth has been golfing for about 30 years and loves the walking and socializing that golf brings her and she is looking forward to serving the Sudden Valley Golf Community.

Course Update

Bridge Update

The bridge deck was installed the last week of September. Due to the height of the bridge, significant work needs to be done to build up the ramps leading up to the bridge deck. Once that is complete, the deck will be filled with gravel and then a layer of asphalt will be placed on top of the gravel. These last phases are expected to be completed by mid-October at which point the bridge will be ready for use.

Aerification Update

Due to an unavailability of trucking, the sand required for greens aerification will not arrive onsite until later in the first week of October. This has forced us to delay greens aerification until October 10th. We expect the course to be fully closed on October 10th and hope to have 9 holes open on October 11th. This schedule as always is weather dependent and is subject to change. Updates will be sent out via email by the golf shop staff.

Rules and Etiquette

Pace of Play

Nobody likes to stand around waiting for the group in front to clear the fairway or green. If you find that you are lagging behind the group in front, please make every effort to pickup the pace. There are several ways you can do this. For example:

- Do your housekeeping on your own time; start the round with tees, markers, balls and a ball-mark repair tool in your pocket. Replace headcovers while you walk. Write down scores on the next tee. Don't make others wait.
- Play ready golf. Forget playing with "Honors". Whoever is ready to hit should play their shot.
- Keep your pre-shot routine short. Limit your routine to one practice swing or no practice swing.
- Once you are off the tee, think ahead. Determine your yardage and make your club selection before it is your turn to play.
- Be ready to play when it's your turn; take multiple clubs around the greens or when away from your cart.
- Read your putt prior to your turn; do not wait to finish tap-ins.
- If you're walking and are at the green, be sure to put your clubs where you will be exiting the green towards the next tee.
- If you are still behind, those who have finished the hole should go ahead and tee off while the rest of the group finishes putting.
