

BRUNSWICK FOREST TENNIS (BF TENNIS) UPDATE - MAY 2020

The Brunswick Forest (BF) tennis courts were reopened on May 13, 2020 with play resuming under COVID-19 restrictions. A summary of these restrictions include:

- All BF residents must have a COVID Waiver on file with CAMS prior to using the court facilities.
- Court use is by private reservation only using "Reserve My Court" to schedule singles and doubles play.
- Court occupancy is limited to 4 persons per court (plus 2 sitters).
- Drills, Clinics, Drop-in play and Leagues are suspended until further notice to eliminate the gathering of groups on the courts.

All players are reminded to observe social distancing on the courts and to use the hand sanitizer dispensers located at each bench. Updates to the above restrictions will be posted as they become available. The full restrictions and waiver forms can be found on the BF Fitness Center website at brunswickforestfitness.com or by calling 910-342-2215.
