President's Message by Joseph Zdarsky

Dear Fellow Members,

I am vacationing in Florida, but remain in close contact with the General Manager and the other Board members. Club business must continue, and there have been no shortage of issues to consider in recent weeks.

We were very pleased to find that our greens, and particularly the greens damaged by weather last year, came through the winter in good shape. The Board had already made tentative plans to immediately resurface greens at Holes No. 3 and number 17 if they suffered more winter damage. When we found no new damage, we revisited the matter. The issue was further complicated by the restrictions imposed by our vendor, which required an early order for sod for the greens to be resurfaced, since the supply was limited. This required an immediate decision. As explained below, we decided to play the greens in their current condition, notwithstanding the uneven coloration, and re-examine the possible re-sodding project in the fall.

There were two primary reasons for deferring the work. First, the project would have required playing temporary greens at least until June. There was very little support from members to play temporary greens again. Those that played the greens early this year when they were rolled (but not yet cut) said that they were rolling true. Second, there would be risk that the newly sodded greens would suffer mower damage after opening for play, like they did last year, requiring more repairs and making the results poor for the duration of the season. The two greens do have an uneven appearance, due mainly to the difference between two types of grass which grow and green up at different rates. However, the grounds department believes that the two greens will be very playable this season and that the appearance will improve over time. After lengthy discussion of the pros and cons, deferral of the work seemed like the best course.

You have all seen and heard our promotional programs this spring, with advertisements on WKBW-TV, on the Sabres' broadcasts and on WGR radio. Feedback has been very positive. The use of a drone by David Collins Productions to create a video of our beautiful course was very original. Soon the radio spots will be broadcast on WHTT-FM and 97Rock and will continue on WGR radio. This helps us create name recognition and brand awareness, and is an important prong in our membership program. The second important part of our program is building from within through referrals from members. The club has a very attractive incentive program, since a member who refers a prospect who joins our club has his dues locked in at the 2015 dues rate for 12 months, and the operational assessment is waived for 24 months. New members are the lifeblood of every club, and we encourage you to bring your families, friends and neighbors into the club. Please take a moment to identify a person who you would like to play golf with, or share in the social events at the club, and provide his or her name to Mark Maier. We have a professional non-threatening process to hopefully gain a new member.

I look forward to getting back in a couple weeks, and seeing you on the course.

Spring 2016 Preview

FINAL OFFER BEFORE INITIATION FEE BEGINS MAY 31, 2016!

Mark A. Maier, General Manager

Lancaster Country Club, 6061 Broadway, Lancaster, NY 14086 For more information or a tour of the facility, please contact: Mark Maier, GM, 716.684.3700 x11 mark@lccny.com

Manager's Notes by Mark A. Maier

In reference to Mr. Zdarsky's article on page 2 of this newsletter, I would like to mention specifically the members who have invested in the club's future by referring Lancaster Country Club to their friends, family, and associates in March: *Joseph Enright, Don Richardson (2,) James McIntosh, Marty Monaco, Clayt Ertel, David Miller (2,) and Al Broadbent (2.)*

As a result of our member's efforts and the external marketing we welcome our new and returning members in March: Derek and Jenna Roller

Dennis and Tamra Oddi

Doug and Sharon McCormick - Thank you to Marty Monaco for the referral

Now that it is officially spring, (which as I write this seems a bit of a stretch,) please welcome our new Aquatics Director, Phil Schneider, whose bio and photo can be found on page 8. Phil comes to us with several advanced degrees from SUNY Brockport, a long career in aquatics, and a friendly demeanor that adults and kids alike will find welcoming.

Thank you also for the warm welcome our members have extended to Ryan McCormick, our new Executive Chef. With a record 380 members and guests served on Easter Day, Ryan, the kitchen and wait staff passed this "trial by fire" with flying colors! Our managers worked diligently to assure that the changes in staff were seamless and as a result, we received many great compliments. We truly appreciate your support of their efforts and your thanks to all who made this a special day for so many of our member families.

We're looking forward to warmer weather and a wonderful Golf season!

Updates from the Grounds Department

With a mild March we were able to get ahead of a few things out on the course. Unfortunately it has been too wet to finish our tee decks and collection areas on 6 and 8. We will address these areas as soon as weather permits us to do so.

We started making our way through bunkers moving sand up on most of the faces of them. This year you'll notice that we will be ringing them by hand more frequently than we have in years past. Doing so will allow us to keep the sand we have moved in place and will give the bunkers a more finished look. We will also be spraying weeds as they grow on the inside ring with Round Up. When we first start this process we will be out spraying once a week. Continuous spraying of theses weeds will eventually eliminate then from growing along the edges.

Some greens have been off-color this March due to a bit of leaf spot on them. Leaf spot is a disease that will form in early spring and fall when the temperatures are cool and wet. Leaf spot is more of a cosmetic disease and will grow out of it once the temperatures start to warm up. We started to top-dress the greens this past week and will continue to do so now and throughout the year. Spring is a perfect time to top-dress a bit heavier than we do in the middle of summer due to how fast they are growing. The heavier topdressing in the spring will also protect the crown of the plant from disease pressure during the course of the season. I'm also encouraged with what I'm starting to see on the greens we patched last year. If you look closely at the seams of the new bentgrass sod where they meet up with the original green sod you can start to see the new bentgrass creeping into these areas. Over a period of time, the combination of the new bentgrass creeping into the green and our over-seeding practices will help eliminate the patch look they have presently.

We have started mowing the intermediates; but it is still hard to see the definition between them and the rough. As the rough starts to grow the definition between the intermediates and rough will be more pronounced.

News from the Golf Shop

April is here! The big date in April is Friday April 15th. On this date the following will begin for the season:

- Tee times and tee time policies and restrictions will start. I will send out a refresher for
- the online tee time system the week prior.
- GHIN handicap posting is scheduled to start
- Bag room storage and club cleaning will begin
- -Locker room service and shoe cleaning will begin

Event and league updates. Please review the flyers in this newsletter for upcoming May events: ABCD opening scramble, Ladies Opening Day, Ladies Spring Handicap, Men's Member-Member and Couples Night Out. The Ladies 9-hole league and new 2 & Out league still have open sign ups available. The Men's league deadline for registration was Sunday April 3rd. If you are still interested in playing the men's league, please contact the golf shop. We will put you on the waitlist for cancellations and also the sub list. As a sub you will play almost every week. Contact me in the golf shop to register for any events or leagues.

Did you miss out on breaking up the season cart pass over 3 months during the month of March? If so, during the month of April, you can purchase the season cart pass and break up the payments over 2 months. Please call or email me in the golf shop to register. See you at the Club!

Mike Dziabo, PGA, Director of Golf <u>mike@lccny.com</u>

Women's 2016 Wednesday Night League

Teams of Two Women 5:00 pm Shotgun Start Each Wednesday, we play a nine-hole Partner Better Ball from the red/silver tees. We will help you find a partner if you do not yet have one. First-year women Social members may play for an additional \$25 fee, plus weekly greens and cart fees. The nine holes will count towards your 36 hole monthly allotment. League starts May, 11, 2016 League Fee is \$75 per player If you have any questions, or would like to register, please contact Mike Dziabo in the Golf shop: Phone: 716-683-1854, E-Mail: mike@lccny.com Registration deadline is April 24, 2016 by 5:00 pm in the Golf shop League Chairs: Angela Butler amb.tjb1@gmail.com and Barb Michalski fillneck@aol.com THIS IS THE MOST FUN OUR WOMEN HAVE AT LANCASTER COUNTRY CLUB!

TWO AND OUT Women's League

- Time: 5:30 pm Clinic with one of the Golf Professionals 6:00 pm Out to the course for two holes of golf
- Date: Starts Wednesday May 11th and runs 12 weeks with a last date of August 10th Off weeks during this time: No Clinics on June 8, July 13, August 17

Cost: \$60.00 (Includes weekly clinics and final dinner with 9-hole ladies league)

Details: To help those ladies that may not have played golf before or have played golf but feel they are not ready to participate in a 9-hole league. The overall goal of the 2 & Out League is to prepare the ladies to graduate and move up to the 9-hole league the following year. We will accomplish this in a group setting of comparable skill level designed to be fun while learning. The clinics before golf will touch rules, etiquette, terminology, handicap/scoring and basics of the golf swing. The 2 holes on the golf course will be a non-competitive learning environment. Over the first few weeks, depending on skill level of ladies involved, the pro will assist the ladies through the golf holes. Teachable opportunities will arise during this time: where and how to tee off to start the hole, strategies to playing the hole, club selection, bunker and basic on course etiquette rules they would run into during play. Play on the course should finish about the same time the 9-hole league finishes and everyone would be able to participate in the clubhouse activities afterwards.

The Buyer's Club discount program allows members to charge stocked or special order Golf shop merchandise to their member account at a cost of 10% over wholesale. (Cost may vary between orders due to shipping costs on in stock items vs. special orders.)

Program enrollment is \$125.00 + tax for the 2016 season. This includes a guarantee that you will save the cost of enrollment (\$125 or more off retail) on your merchandise purchases through the 2016 season, or we'll credit the difference towards your 2017 Buyer's Club (or toward merchandise in the golf shop.)

To sign up, simply email Mike Dziabo at <u>mike@lccny.com</u>, call 683-1854 or send in the short form below and we will bill your member account for the enrollment fee.

Hello members! Welcome to April. I am looking forward to seeing everyone around the club!

Attached is a shower menu. It can be used for luncheons, showers, communions, birthday parties etc.

Please call me to reserve a room for your upcoming affair.

AQUATICS DIRECTOR PHIL SCHNEIDER

Members of the Lancaster Country Club,

My name is Phil Schneider, and I have been around aquatics my whole life. I started coaching in Buffalo, before moving to Rochester for school and coaching. During my time in Rochester, I was the aquatics director for a program called Swim & Gym out of Brockport. As I moved back home to Buffalo, I am currently an age group coach for STAR swimming. My highest accomplishment came in 2008, when I placed 8th in the nation in the 100 Butterfly.

I have a Bachelors of Science in Physical Education, as well as a Masters of Science in Education from SUNY Brockport, which helped me become a school teacher.

As summer approaches, I look forward to meeting all of you at the pool, or even around the country club. I am very easy going, so please, don't be shy. Come say hi and enjoy yourself at the pool! Hope to see you soon!

Phil Schneider

Executive Chef Ryan McCormick

Members of Lancaster Country Club,

I hope everyone enjoyed their Easter holiday. We certainly had a good showing here at the club. It was great meeting all of the members that I did get to meet and look forward to meeting those I have yet to.

While the weather hasn't been up to our liking as of yet, the season is soon upon us and I'm excited to see what it has in store. I know how anxious you are to get out on the golf course so hopefully Mother Nature will begin to help us all out a little bit.

We will be posting the weekly specials in the newsletter and also on the website so come on in and try one out. There will be a new menu rolling out in the beginning of May so everyone will get the chance to try something new or enjoy some of the favorites that will be staying on the menu.

As I have said before, I am always up to meeting new people and I would like to introduce myself to all of you so ask your server or bartender for me to come out and say hello. I'm sure you will see me walking around as well so please stop me and say hello.

Thank you all for the welcome so far and I look forward to this summer.

Ryan Mccormick

F & B NEWS by Edward O'Donnell

Here we are in April and talking about wine, specifically Riesling and Malbec. Riesling is a white grape variety that originated in Germany. With the colder climates in Germany this varietal tends to be on the sweeter side with notes of tree fruit such as apple and it balances well with the higher acidity levels. Due to this balance Rieslings are one of the few wines that can hold up to the spices of some of the dishes influenced by the Pacific Rim, such as the Sesame Tuna special Chef Ryan had last week (we will see if we can get him to run that one again). Now Malbec is a purple grape from France and used to make red wine. It has a dark violet color with strong plum like notes on its own and due to its dark color it is used in many Bordeaux style blends. Although Malbec production is declining in France it is surging in Argentina. This wine will pair well with lean cuts of meat, pasta with red sauces and only dry cheeses. Although the acidity is light, there is enough to react poorly to cream based sauces and cheese. Next month we will take a look at pairing wine with outdoor grilling just to be ready for the Summer.

2016 Tuesday Night Men's League PRIZES

Weekly Payouts, Closest to Pin Name Drawings, 50/50 Split Club To Register Contact Mike Dziabo 716-683-1854 or mike@lccny.com

League Chair: Don Tomasulo

Two Man Team League Fee Three Man Team League Fee \$400 Team (\$200 per player) \$495.00 Team (\$165 per player)

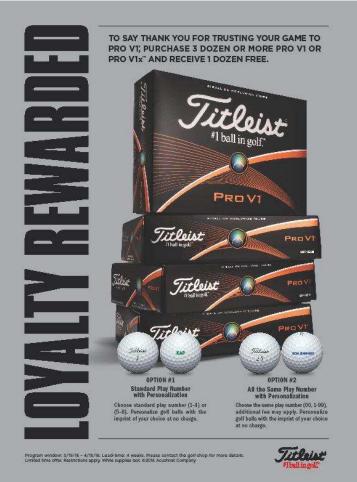

This includes all weekly payouts, weekly closest to pins, weekly name drawing, year end payouts, one mid season dinner and the season ending awards dinner. The league fee will be billed to your member account on the first league night.

Back again for this Season! Option to form a 3-Man Team

Members are able to register as a 2-man team or a 3-man team for the 2016 league. The 3-man team will start the year designating 3 members to form a team. The 3-man team will be responsible for informing the golf shop which two team members will be playing each week. The 3rd team member not playing for their team on a given week may sub on another team if they wish. For more information, please contact Mike in the Golf Shop.

NEW for 2016 & Additional League Information

Tuesday night 9-hole league will have between 4-8 divisions based on the number of teams registered at the deadline. If your team registers before the deadline, you will be guaranteed for the 5pm shotgun. Because of the unknown number of teams before the deadline the league will have 3 tentative start dates: April 26th, May 3rd or May 10th. It will also have 2 tentative end dates: August 16th or August 30th. Once we pass the deadline and the number of teams is known, we will publish the start date and end date for the league along with schedule information. One other scenario based on teams, is every team may have one or two bye weeks. If you are on your bye week, you may sub for another team. Each division will play the teams in their own division on either the front 9 or back 9. Teams will be placed in divisions based on combined handicap index average of the team in the beginning of the season. Scoring will remain the same for the 2016 season, 11 point matches. Complete rules, divisions, prizes & schedule will be available after the registration deadline. For further detail or questions please contact the Golf Shop.
