LANCASTER COUNTRY CLUB KIDS CAMP

Have you been seeing a lot of tiny members around lately?

That's because our Lancaster Country Club Kids Camp is underway! With 25 kids every Tuesday & Thursday from 8:30am-4pm: golfing, playing field activities, going on nature walks, having lunch, splashing around in the pool and creating arts & crafts; there's no shortage of fun!

Selling out the kids camp this year in just a few days, we've already heard so much positive feedback not only from the kids, but from the parents & grandparents as well! We are grateful that we have the space and staff to bring these young members together to develop friendships, become familiar with the club, and enjoy some summer fun!

LCC KIDS CAMP

"Camp is so fun, I love the golfing part"
– Owenn B.

A LETTER FROM THE GM | RAY TUGEND

"I hope that this edition of the Lancaster Newsletter finds you well. Over the past couple weeks we have been attempting to position the club in a much stronger financial state heading into 2019. The best way to ensure that this happens is through adding new members. In previous years there has been a membership promotion put in place right after Labor Day. This promotion included no dues through March of the following year. In lieu of this program we decided to bombard the market two months early. We are asking new members to pay \$500 for the remainder of the year and commit to annual dues starting in January.

Our cash flow and financial position will be stronger right from the start in 2019. To date we have enrolled 17 new golf members who will be paying full dues all 12 months in 2019. The net financial effect of this program is much stronger than the previous programs. Our goal is to generate enough subscription dues to cover the attrition from this year.

I would also like to remind you of the Annual Meeting to be held on July 19th. A financial review of the previous year will be presented along with addressing a few other areas of the club. My hope is to have a strong showing so that to-

gether we can continue to move forward in a unified manner. Lastly, I cannot thank you all enough for your feedback, opinions and guidance through the first four months of my tenure. It is always difficult stepping into a new club and learning the lay of the land. I am feeling much more comfortable with most aspects of the operation and truly feel blessed to be part of such a wonderful club.

Thank you and I look forward to seeing you around the Club." -

Sincerely,

Ray Tugend

PRESIDENT | DON TOMASULO

"We have one of the most beautiful golf courses in Western New York. Gary powers and his team have the course in pristine condition. Each one of us is an extension of Gary's team. We are all responsible to fix our ball marks, replace our divot's and drive the carts responsibly and in the proper place. Please be a role model and leave the course in better shape then you found it. Treat it as your own course, because it is.

As you are well aware, the County Club business faces many challenges. Lancaster County club is no different. We are dealing head on with our financial issues and

working nonstop to grow embers. We are trying to find the right mix of cutting expenses while still providing proper service. We've had some bumps along the way, but I feel Ray and his team have made some great new hires and are finding the right balance.

I invite everyone to attend the annual Lancaster meeting Thursday July 19 at 6pm. We will provide the updated snapshot of where we stand financially and everything that is going on at Lancaster Country Club."

MAIN OFFICE ADMINISTRATIVE ASSISTANT | LIZ OSUCHA

"Originally from Syracuse, NY, I worked for the Cavalry Country Club for 8 years out in Manlius, NY. While employed there I started out as a life-guard and swim instructor and later became the Head Swim Coach of about 110 children age range 3-18. I also coordinated pool and team events such as Family Fun Day, Swim Team Olympics and Interclub Championships.

I attended college at SUNY Cobleskill and received my Associate's degree in Sports Studies and also met my husband, a farmer from Alden, NY. After transferring to the College of Brockport where I received my Bachelor's degree in Recreation Management I decided to stay in the Alden area and marry my farmer and later on have an energetic and creative little girl and just recently had my son who is always full of energy and laughs.

I started out as a Preschool Teacher and later Assistant Director at a local Preschool in Alden, NY. Later on I worked as a Front Desk Associate at Catalyst Fitness and Head Swim Coach at Alden Senior High School. Transferring out of education and aquatics, I accepted the position here at the Lancaster Country Club as the new administrative assistant. With years of experience in recreation management, aquatics, child care and clerical work, I look forward to meeting and getting to know everyone and I'm excited to be here." - Liz

Golf Course Reminders

Cart Usage

The agronomy team, Board of Directors and Management would kindly ask that all Members and their guests abide by the cart rules as posted by the golf shop. Over the past couple weeks there have been an increased amount of cart traffic in areas that should be protected. Carts are to be kept clear of all greens and areas short of the greens. The left side of #12 green is STRICTLY PROHIBITED! We will be forced to turn the cart monitoring system back on should the generally accepted guidelines not be adhered too.

Divots and Ball Marks

Please make sure to repair all of your divots and ball marks. If you are able to take a quick look around the area you are putting from and you see another ball mark please repair this as well. The greens at Lancaster Country Club are some of the best surfaces in all of Western New York, we want to make sure to keep them in that condition.

New Membership Offer Comparison

The Board of Directors and Management have recently issued a new membership offering. Here are the details of this offer:

\$500 plus tax for the remainder of the year (6-7 months)
MUST commit to 12 months of annual dues beginning in 2019
No assessments through 2019
Includes cart for 2019

We must get more members to start the 2019 year in an effort to avoid assessments, start an emergency fund for capital projects and potentially making some reductions in Primary A dues. As a comparison in September 2017 the following offer was promoted:

No dues until April (7 months free)
No fee for the remainder of the year
Dues commitment from April to December (9 months)
Includes cart
No assessments through the term

While this is a tremendous offer, we are asking for more money up front and an additional 3-month commitment than in prior years. Additionally, all of the new member dues will start in January which will make the club more financially secure than if the dues began in April.

Should you have any questions please contact Ray Tugend, GM or any Board of Director.

"How great it is to see everyone enjoying our beautiful club and all that it has to offer!"

Leagues are nearing their halfway mark and we will continue to encourage ladies to join us for next year. Kim Nowicki and Luann Costrino as league chairs have put together a schedule that blends competition with some "stress free" events for this season.

The member/member event held in early June was won by Barb Michalski and Lori Stilwell. We recently had our first 18 hole guest day and what a Par-Tee it was. Cindy Breski, Jane Riordan and guests were the first place foursome. Congratulations to our winners and thank you for taking on the task of running your respective event for the following year.

The President's Cup matches have begun and we should have a winner by the time the August newsletter reaches you.

We are hosting the 9 hole interclub on July 12th at LCC. Peg Lawrie has received a great response from the other participating clubs as well as our own members. The news on the street is everyone loves to play and party at Lancaster.

The summer handicap is on the calendar for Sunday, July 29 with a shotgun start at 11:30am. Sign up sheet is in the pro shop.

See you on the course - or at the pool - or at the restaurant - or at any one of the many activities at LCC. " - Mary Ellen Puleri
