### President's Message *by Don Tomasulo*

It is hard to believe we are almost halfway through the golf season. The weather has made managing Lancaster's operation tougher than ever. Kudos to all our departments, from the course, clubhouse and pool, as the team has done a wonderful job managing expenses, yet still striving to give the members a marvelous experience.

Thanks to all our sponsors and supporters of our amazing 4<sup>th</sup> of July Spectacular. Without their backing, and the excellent turnout of members, we could never have such a fun event.

Our annual meeting will take place on Wednesday, July 26<sup>th</sup> at 6:00 PM. I encourage everyone to attend as we look back on this past year, and discuss plans for the future.

Enjoy your 4<sup>th</sup> of July holiday. May you hit it straight, long, and make every putt!

### Candidates for LCC Board of Directors

An election will be held on September 24, 2017 for three positions on the Board of Directors. Anyone interested in becoming a board member should contact one of the following members of the Nominating Committee:

As of this writing, we have been watching the weather carefully, and it looks like a sunny, warm Independence Day weekend is in the cards. Thanks and congratulations to Lancaster Country Club members as we prepare to celebrate our 7th Annual Independence Day Celebration together! I am proud to say that this event is still going strong thanks to the support - in both sponsorship and participation - of our great members, and their families and friends.

Please take a moment to look over our sponsor ads in the Sponsor Directory. Many of these members have provided their financial support and services to this event every year since its inception. Through their generosity, our members can enjoy all the extras with no extra charges. THANK YOU to these sponsoring members, and to everyone who is supporting this fun, family day on Sunday, including our hard-working staff!

We couldn't do it without all of you! Each year, the success of this celebration, the fabulous feedback from members, guests, and neighbors, and watching our members and their families enjoy the day together, serves as a reminder of the wonderful spirit of our members and Lancaster Country Club!

### **Grounds Update** *by Gary Powers*

**Fairways** – We started to fix all the damaged turf on our fairways from the flooding we received this spring. These areas are either marked with cart signs or are roped off, please avoid driving over these areas until the signs or ropes are removed. Since we started the new fertilizing program on fairways I haven't seen a huge growth spurt in them like I have in the past. Slowing down the growth helps from a playability stand point but will also help reduce the thatch layer. The more growth we push on fairways the more thatch we create.

**18 Creek bed** – If you have played the golf course over the past few weeks you may have noticed we have cleared the brush back off of the creek bank on 18. Next week we plan on hydro-seeding that area to a fescue grass. This will give the bank a more natural look. We plan on continuing down the bank towards the green to give 18 a more finished look. As we move forward we will look to other areas on the creek bed to expose letting you get a view of the creek as you play your round.

We started to spray clover but the weather forecast has been delaying the process. I have been hesitant to spray when weather reports are predicting rain because the herbicide needs to sit on the plant for 24 hours without any irrigation on it. Unfortunately the weather forecasts have been wrong more than they have been right. We will continue spraying our playing surfaces and the rough when there is no rain in the forecast.

Gary Powers  
Golf Course Superintendent

## **Women's Association News** *by Mary Ellen Puleri*

Happy summer to all! I can't believe we are approaching the July 4<sup>th</sup> festivities already. Is it time to get out the bronzer to take care of those uneven tan lines we are getting?

We had a busy June with some great golf. Our member/member, held the beginning of the month, got us out on the course to compete as teams. Saturday golf was a warm, sunny day and we proved the weathermen (or women) wrong on Sunday as we got through the second day with no rain as predicted. Of course, we finished off the weekend with cocktails and food. Do you see a pattern developing with our various planned activities?!!

Many of you signed up to participate for the Interclub events held in June. LCC hosted the 18 hole interclub this year as we had ladies from local clubs come and enjoy our beautiful course and clubhouse. Thank you to Barb Michalski for coordinating this event. We received many compliments about the day from visiting golfers. We look forward to going to Bridgewater CC for the next 18 hole interclub on July 24.

Peg Lawrie got the troops together to visit Transit Valley on June 13 for the 9 hole interclub and I understand they put on a great themed party. Mark your calendars for July 25 as TanTara is the next 9 hole interclub host. One of the perks of being a member at LCC is that you are able to play other courses through this interclub invitation. It is a great way to meet new golfers, attend a nice luncheon and maybe even win some prizes. Don't be afraid to participate!! The sign up sheets for both events are in the locker room and the deadlines are quickly approaching.

As I write this newsletter we are days from our first guest day of the season. I will tell you more about it next month. The summer flies by too quickly, so enjoy it while it's here and make some new LCC friends as you play in these scheduled events.

Sincerely,  
Mary Ellen

### **Food & Beverage Director Tony M. Cancilla**

Hello everyone,

I would like to start by thanking everyone for all of the positive feedback I have received about our new Friday Fish Fry menu. To this point it seems to be a huge success and a step in the right direction. Next on the agenda are the Grill Room menus. We have them almost complete and will be rolling out all the new menus this month. I have received many requests as to the type of items that you would like to see, so I am confident that we have come up with some new and fresh ideas that will be sure to please. A new feature will be a new tapas style menu with some of your favorites, just in smaller portions. I'm looking forward to a fun and exciting month here at the club and I'm sure you are too.

Thank You,

Tony
