Manager’s Notes by Mark Maier

I would like to begin by thanking our members for their help in making this year’s membership drive such a great success - one that is still going strong! I am grateful for your support of our efforts over the past six years - we are not far from realizing our membership goals!

Membership growth does, however, come with certain cultural changes. Together with the Board of Directors, the department managers and I are making earnest efforts to minimize the impact these changes have on our members.

Here are some suggestions of how you can help us help you enjoy your club with less stress. To avoid over-compaction in the following areas, please utilize our website (www.LCCNY.com) newsletters, and weekly E-clubs and pay special attention to:

Event sign-up deadlines - Be sure to sign-up early for popular events.

Tee times - Familiarize yourself with the tee times policies found in the club rules and regulations, and on the website. Ask Mike about the tee times utility on our website which is provided for your convenience. (Call Judy in the office if you’ve forgotten your password - 684-3700.)

Event and Grillroom Reservations - Grillroom reservations often sell out on Friday, especially the last Friday of the month. Consider dining on another day of the week, or earlier in the month when the dining room is less busy, or make your reservations as far in advance as possible. By the same token, please call and cancel any reservations for events or dining that you are unable to attend, even if it’s at the last moment. There is often a waiting list and we work very hard to try to accommodate all of our members.

Update your contact information - Help us communicate more effectively. Update your profile information on the website. Make sure we have your correct e-mail address for newsletters and E-club messages. Even though a paper newsletter can be mailed to you each month, e-mail is the fastest way we can communicate to you things like emergency course or clubhouse closings, event sell-outs, etc.

Enjoy your club! Invite your friends by providing us with their contact information. Let’s end the Spring membership campaign with a big finish and get down to the business of golfing, swimming, socializing and great dining and get the most enjoyment from your club!

MESSAGE FROM THE PRESIDENT by Pat Logue

It has been slow in coming, but May is here - bringing with it better weather and an increase in the events and activities which really bring the Club to life.

The Golf season begins with the ABCD Opening Scramble on May 2nd, Presidents and Governor’s Cup Qualifying begin, the Women’s and Men’s leagues start, then the Men’s Member Member leads us right into the weekend the Pool opens. There is something for all members and we hope that everyone finds the time to enjoy the activities that are planned.

Our staff has done a great job of getting our Club ready for the upcoming season. We’ve already seen an increase of members dining at the Club and Wine 101 was well-attended and enjoyed by all.

Check out the calendar and join in on the fun of being a member of Lancaster Country Club!

Golf Course Update by Gary Powers

This week we completed the aerification process on the greens. We continue to over-seed our greens with bentgrass seed. The more bentgrass we can establish throughout our greens the better off we will be. Bentgrass, when compared to poa annua, can survive winter stresses better and needs fewer inputs during the summer such as water and pesticides. The areas on the greens that received winter damage were limited in size because we have established bentgrass over the past few years in these areas. Most of the damage to the greens can be found in the low lying areas where Poa annua thrives due to the higher moisture levels. During the summer months I try to keep greens as firm as possible not only for playability reasons but to help the bentgrass out-compete the Poa annua.

Our irrigation system is in the process of being charged this week. This will be a major upgrade from our old system. We will be able to water more efficiently as the new system will be able to handle the capacity of our pump house. The decrease in the amount of time needed for watering will put less stress on our pumps while also saving on electricity.

It finally looks like the weather will be on our side to start our new tee decks. We will start shaping them sometime next week. I will continue to update everyone on their status as we move through the process of growing them in.

New for 2015 Season
PGA Junior League!!

The PGA Junior League is another opportunity for our junior golfers to learn the game through friendly competition. The Junior team at Lancaster Country Club is open to Member’s children and grandchildren ages 7 to 13. We need a minimum of 8 juniors to field a team. We have formed a Buffalo South Towns League which includes teams from East Aurora CC, Orchard Park CC and Wanakah CC. We will play a home and away 9-hole match versus each Club. The matches are a 2 junior scramble format, so individual score is not kept making it more of a little league team approach feel with a travel aspect. After the league season is completed, an all-star team from our league will be formed for the postseason at the local, regional and national level. Progression will depend on All-Star team winning at each stage. The fee for each player is $100. This includes:

- Team Jersey’s
- Jr. League Bag Tag
- Golf Balls
- Team practices within season
- End of season pizza party

The current match schedule is as follows:

<table>
<thead>
<tr>
<th>Saturday</th>
<th>May 16</th>
<th>OPCC @ LCC</th>
</tr>
</thead>
<tbody>
<tr>
<td>Saturday</td>
<td>May 30</td>
<td>EACC @ LCC</td>
</tr>
<tr>
<td>Saturday</td>
<td>June 6</td>
<td>LCC @ EACC</td>
</tr>
<tr>
<td>Saturday</td>
<td>June 27</td>
<td>Wanakah @ LCC</td>
</tr>
<tr>
<td>Saturday</td>
<td>July 11</td>
<td>LCC @ Wanakah</td>
</tr>
<tr>
<td>Sunday</td>
<td>July 19</td>
<td>LCC @ OPCC</td>
</tr>
</tbody>
</table>

The above schedule is tentative until all teams confirm at least 8 junior players. Start times at each Club are TBD but initial thought was the 3pm-5pm area for the first tee time to start. Practice dates are tentatively Thursday evenings during the season, but will be confirmed once registration is complete and schedule finalized. The season is fast approaching, deadline for registration will be May 2nd by 5:00 pm.

Greetings LCC members;

Just a reminder in properly posting scores of rounds played. Please post scores as soon as practicable in the LCC/ GHIN computers either in the Pro shop or locker rooms. Posting is also acceptable using smart phones.

Per USGA guidelines, if you play 7 – 12 holes post a 9-hole score. An 18-hole score is posted when 13 – 18 holes are played. For holes not completed you are allowed to post a score for any hole(s) as par plus any allowable handicap strokes you are entitled to on the remaining hole(s).

It is the responsibility of the member to post their scores to maintain a valid handicap index and be eligible to participate in Club events.

Scorecards are only necessary to be returned to the Pro shop: for all tournaments, golf league, championships and qualifiers; also new members needing to establish a handicap/index need to turn in 5 rounds of golf (90 holes.) If you are unfamiliar with the computer or need help posting your scores, please contact Golf shop personnel.

For score posting using smart phones, it is necessary to know your GHIN number or visit the LCC web site. (www.LCCNY.com). Scores posted by a smart phone are entered as an aggregate score so you must adjust your score using equitable stroke control allowable for your handicap. For additional information visit www.usga.org.

Enjoy our beautiful course!
Thank you,
LCC Handicap Committee & Pro Staff

Women’s Association News by Lynn Ineson

Just a reminder, there are several events that are just around the corner!

Women’s Opening Day Golf / Dinner – Thursday, May 7th
Opening Night of Wednesday Night Ladies League – Wednesday, May 13th
Women’s Spring Handicap – Sunday, May 17th

Just a reminder that our Women’s Opening Day Dinner will also be an Association Meeting which will allow us to vote on the acceptance of recommended changes to our Association Constitution. If you are unable to attend the Opening Dinner, you will be able to provide an absentee ballot in the office, please stop in to vote or contact Judy to complete your ballot.

Another exciting change that we will be discussing at the Opening Dinner is ‘Event Protocol’. Mike Dziabo has been gracious in supporting our efforts to make sure our golf events run smoothly, but also that each participant knows what they can expect at an event. In addition to flyers and sign-up sheets the sign-up book will include the Protocol for each event which will detail such items as: cut-off dates for signing up, handicap requirements, format, how pairing will be determined.

Finally, it’s never too early to plan for our upcoming June events:

Women’s Member/Member – Saturday & Sunday, June 6th & 7th
Looks like the weather is finally about to break and hopefully everyone has got a round or two in!

The new spring menus will be introduced in mid-May. Men’s league menus are posted in the men’s locker room; there will be a different menu every week. Women’s league will feature a deluxe salad bar with a weekly soup, dessert and a couple different proteins that will rotate by week or by feedback. Once a month there will be a featured dinner that will coincide with the Men’s guest day, the lunch menu will also be available that day. Please do not forget all of the clubs upcoming events which include, ABCD tournament and Couples night out.

As a reminder, during the last weekend of the month (Friday, Saturday and Sunday) we stop to-go orders at 5:00 pm. The reason we do this is to maintain the highest quality possible for the dining room. During the last weekend of the month the restaurant is typically busier and take-out orders effect food production for members dining in the grillroom. We also recommend calling for dinner reservations in advance.

Lastly I would like to thank Mr. Tomasulo for hosting another successful Wine 101. See everyone soon!

Food and Beverage News

We are all hoping that Spring is here to stay. May will kick-start our golf season, which also means busier times in the Member Grillroom. There’s nothing better after a round of golf than a cold drink and great food! To ensure the very best food and fastest service, we ask that you always call first and make a reservation - especially for dinner on Fridays and at the end of the month.

Don’t forget to honor our Mothers and Grandmothers. We will be serving Mother’s Day Brunch for your special family get-together. Later in May, when our thoughts and the weather give way to pool season, let’s not forget our suntan lotion and towels. Poolside is the perfect spot for a relaxing afternoon with the kids and a summer cookout.

Congratulations to Erin Mahoney on her promotion to Dining Room Supervisor and for being voted Employee of the Month! Looking forward to a busy and successful season at LCC. - Scott Schuldes

Welcome to May! I am hopeful for warmer weather and the pool opening May 23rd. We can customize any menu from pizza to taco bars to a make your own ice cream sundae party! Please call me today to book your milestone event.
